LAW ENFORCEMENT CODE OF ETHICS

As a law enforcement officer, my fundamental duty is to serve the community; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation and the peaceful against violence or disorder; and to respect the constitutional rights of all to liberty, equality and justice.

I will keep my private life unsullied as an example to all and will behave in a manner that does not bring discredit to me or to my agency. I will maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed both in my personal and official life, I will be exemplary in obeying the law and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, political beliefs, aspirations, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of police service. I will never engage in acts of corruption or bribery, nor will I condone such acts by other police officers. I will cooperate with all legally authorized agencies and their representatives in the pursuit of justice.

I know that I alone am responsible for my own standard of professional performance and will take every reasonable opportunity to enhance and improve my level of knowledge and competence.

I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession . . . law enforcement.

I WILL keep my private life unsullied as an example to all; maintain courageous calm in the face of danger, scorn, or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. The City has prepared an Emergency Management Plan for use by all employees in the event of a major disaster or other emergency event. The plan provides for a strategic response by all employees and assigns specific responsibilities in the event that the plan is activated (Government Code § 8610).

The recommendation should not identify specific facts of any incidents, such as identities of employees involved or the date, time and location of the incident, but should focus on the type of training being recommended.

Personnel assigned to participate in DTBs should only use the password and login name assigned to them by the Training Manager. Personnel should not share their password with others and should frequently change their password to protect the security of the system. After each session, employees should log off the system to prevent unauthorized access. The content of the DTBs is copyrighted material and shall not be shared with others outside of the Department.

Employees who are assigned to participate in the DTB program should complete each DTB at the beginning of their shift or as otherwise directed by their supervisor. Employees should not allow uncompleted DTBs to build up over time. Personnel may be required to complete DTBs missed during extended absences (e.g., vacation, medical leave) upon returning to duty. CITY OF AUBURN INFORMATION TECHNOLOGY POLICY

213.1 CITY OF AUBURN INFORMATION TECHNOLOGY POLICY

CITY OF AUBURN

TECHNICAL RESOURCES POLICY

1.0 PURPOSE

To establish rules on the proper use of technical resources provided by the City of Auburn (the "City") to its employees or at its facilities.

2.0 POLICY / PROCEDURE

A. DEFINITIONS

"Technical resources" include all electronic hardware, software, services, accounts, subscriptions, tools, systems, and similar material, owned, leased, licensed, provided, or paid for wholly or partially by the City or any agent on behalf of the City, including, but not limited to, desktop and portable computer systems, printers, scanners, mainframe computers and servers, Internet, intranet and World Wide Web (Web) access, e-mail, instant messaging, voice mail, pagers, personal data assistant devices ("PDAs"), BlackBerry-type devices, stationary and cellular telephones, fax machines, wireless communication devices, text messaging devices, and digital cameras.

"Technical resources information" includes, but is not limited to, all information such as e-mail, instant messages, electronic files, text, data, images, or voice messages created, transmitted, stored, viewed, heard, copied, or retrieved on, over, or with any technical resource.

B. WARNING

Except as may otherwise be provided by the Police Officer's Bill of Rights (California Government Code Section 3300, et. seq.), employees have no right or expectation of privacy as to any use of technical resources or any technical resources information, irrespective of any file name, description, label, content, password protection, or any other information purporting to make use of the technical resources or the technical resources information personal, private, or confidential to an employee or other person. Use of technical resources for investigatory activities by City of Auburn law enforcement personnel shall be permitted at the discretion of the Police Chief, and shall not be subject to provisions of this policy.

Because they seem informal, e-mail messages, voicemail messages, and messages posted on the Internet are sometimes offhand, like a conversation, and not as carefully thought out as a letter or memorandum. Nevertheless, all communication on any technical resources should be held to the same professional standards to which City communication in other mediums are held.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

CITY OF AUBURN INFORMATION TECHNOLOGY POLICY

The informal nature of such communication does not lessen an employee's duty against improper disclosure of confidential or sensitive information.

C. ACCEPTABLE USES

Technical resources are provided for City business and the performance of employees' job responsibilities, and must be limited to such use, except as otherwise expressly provided in this policy.

Each employee is responsible for the content of all files, text, audio, data, images, or other information that he or she saves, transmits, creates, or sends over any technical resource. An employee may access any technical resource or technical resource information during and for the performance of his/her duties as necessary to participate in discussion of that performance and on other occasions when he or she has the required permission from his or her supervisor.

Broadcast e-mails are those sent for City-wide distribution via any technical resource. Broadcast e-mails must be limited to announcements of emergencies affecting the City, approved events, and other items of general interest and importance to all City employees. E-mails shall not be used for an employee's personal benefit or in violation of this policy. Broadcast e-mails must be approved by the City Manager or his or her designee before being sent. A broadcast e-mail must include contact information including name, telephone number, and e-mail address. Some broadcast e-mails may be deemed more appropriate for only department-wide or smaller distribution.

Any employee who wishes to express personal opinions on the Internet is encouraged to obtain a personal account with a commercial Internet service provider, at the employee's own expense. Such expression may not be made during the employee's working time, and must not be made on any technical resources.

Employees may use technical resources for occasional, minimal non-work purposes, during mealtimes, other breaks, or outside of work hours, only with permission from their supervisor and provided that all other requirements of this policy are followed. The sending and receiving of e-mails of a non-work nature must be minimal. Employees have no right or expectation of privacy regarding such minimal use. In no event shall playing games be authorized under this policy.

D. UNACCEPTABLE USES

The unacceptable uses discussed below are only examples of unacceptable uses and are therefore not exhaustive. Use of technical resources must comply with all requirements of this policy as well as all other applicable federal, state, and local law or policy.

Technical resources shall not be used for an employee's personal or financial gain.

Absent the express written consent of the City Manager or his/her designee, employees are prohibited from taking and/or sending data belonging to the City off-site or where it may be accessed electronically or otherwise from an off-site location, including, but not limited to, access through the use of email accounts/addresses or computer equipment not issued by, or belonging to, the City.

Auburn Police Department

CITY OF AUBURN INFORMATION TECHNOLOGY POLICY

Employees are prohibited from sending, saving, creating, or forwarding material via any technical resource if the material could be reasonably considered to violate the federal, state, or City prohibition against discrimination and harassment, workplace violence, or other misconduct.

Employees are prohibited from inappropriately using the name of the City of Auburn (City) or a subdivision of the City in personal messages or otherwise inappropriately making statements in messages that might be mistaken as the position of the City or City subdivision.

Employees are prohibited from sending, saving, creating, or forwarding pornographic material via any technical resource.

Employees are prohibited from sending e-mail or other communications that either mask the sender's identity or indicates that the e-mail was sent by someone else. The City will avail itself of all legal means to obtain the identity of the sender of such communication.

Employees are prohibited from accessing technical resources using another employee's password without the express authorization of the City Manager or his/her designee. An employee may only access technical information that is related to the employee's work duties and authorized. Unauthorized review, duplication, dissemination, removal, installation, damage, alteration, or use of technical resources or technical information is prohibited.

Solicitation for any non-City business using City technical resources is prohibited. An employee's use of technical resources must not interfere with the employee's productivity, the productivity of other employees, or the operation of technical resources. Employees shall not play games on any technical resources. Employees may not access non-business related Web sites unless authorized by their supervisor.

No employee shall make any use of technical resources that violates any federal, state or local law or regulation, including without limitation, defamation of person or trade, securities laws, gambling, threats to harm any person, property or the environment, intentional transmission of a computer virus or trade secrets, and violation of trademark, copyright, or other intellectual property law.

E. CONFIDENTIAL INFORMATION

All employees must safeguard the City's confidential information, which includes confidential information of residents, customers, and others, from unauthorized or improper disclosure. No employee may disclose confidential information through the use of technical resources if disclosure of the information in any other medium would be prohibited.

Employees must use discretion when accessing new voicemail or e-mail messages with others present. Messages or other computer files containing confidential information should not be left visible while an employee is away from his or her work area. Employees should lock their screen, log out, or shut down before leaving their computers for the day, unless otherwise directed.

E-mail messages containing confidential information should include the following statement or its equivalent, in all capital letters, at the top of the message:

"CONFIDENTIAL: UNAUTHORIZED USE OR DISCLOSURE IS STRICTLY PROHIBITED"

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

CITY OF AUBURN INFORMATION TECHNOLOGY POLICY

E-mail messages sent to or from the City Attorney's office shall not be forwarded to any other person not originally included on the e-mail transmission list without the express written permission of the City Attorney or his or her designee.

E-mail, intranet, and Internet/Web access are not entirely secure. Others outside the City may also be able to monitor your e-mail, intranet, and Internet/Web access. For example, Internet sites maintain logs of visits from users; these logs identify which company, and even which particular person, accessed the service. If an employee's work using these resources requires a higher level of security, the employee must ask his or her supervisor for guidance on securely exchanging e-mail or gathering information from sources such as the Internet or the Web.

F. CITY ACCESS TO INFORMATION

Supervisors and technical staff, when requested by authorized management, may retrieve, review, monitor, access, or listen to any technical resources or technical information, when doing so serves the legitimate business interests and obligations of the City. All technical resources or technical information may be disclosed to law enforcement or to other third parties without an employee's prior consent or the consent of the sender or receiver of such information.

G. CITY MONITORING

The City may use software and other means to monitor employee use of technical resources, with or without notice, and to provide reports to department heads on such use.

The City may use software and other means to attempt to block or restrict access to websites containing material that violate this policy. If used, this software may display a warning on the computer screen that such website should not be accessed. An employee attempting to access such websites, after receiving such warning, or any other website in violation of this policy, is subject to discipline as explained in Section K.

Employees should also be aware that, even when a file, data, e-mail, image, voice message, or some other technical information is deleted or the Internet or website session is terminated, it is still possible to recreate the information or locate the web site.

H. SOFTWARE USE AND COPYRIGHTS

Employees are prohibited from installing software on any technical resource without the express prior written permission of the City Manager or his or her designee. Employees are prohibited from installing any unapproved screen saver software, "wall paper" software, or any other application, executable file, or macro for personal use.

Computer software is protected from unauthorized copying and use by federal and state law; unauthorized copying or use of computer software exposes the City and the individual employee to substantial fines and exposes the individual employee to imprisonment. Therefore, employees may not load personal software onto the City's computer system and may not copy software from the City for personal use.

CITY OF AUBURN INFORMATION TECHNOLOGY POLICY

An employee should not copy or distribute any other copyrighted material or trademark (e.g., database files, documentation, articles, graphics files, and downloaded information) through the e-mail system or any other means with any technical resource unless the employee has confirmed in advance from appropriate sources that the City has the right to copy or distribute the material. Failure to observe a copyright or trademark may result in disciplinary action by the City as well as legal action by the copyright owner.

The City will cooperate with the copyright holder and law enforcement in all copyright matters.

I. SECURITY

Technical resources are to be accessible at all times by the City. The City may override any passwords or codes in order to inspect, investigate, or search an employee's electronic files, data, text, images, messages, or other technical information located on any technical resource. All passwords must be made available to the City upon request.

An employee may not encrypt or encode any voice mail or e-mail communication or any other technical information without the express prior written permission from the City Manager or his or her designee.

Any employee who attempts to disable, defeat, or circumvent any City security system or device on a technical resource, without proper authorization, will be subject to discipline, up to and including termination.

J. RECORDS MANAGEMENT AND FILE MAINTENANCE

E-mail messages are generally considered "transitory" documents (works-in-progress), and therefore are not records of the City and are not subject to the City's minimum records retention requirements. However, particularly important e-mail messages may be official records of the City. An official record is generally defined as any writing or record of an event or information that was made or retained for the purpose of preserving its information content for future reference.

E-mails that are official records are subject to the City's records retention schedule and may be subject to disclosure in response to a request for public records. They should be retained by one of the following means: (1) printed out and maintained in the respective department filing system as a paper document; or (2) retained electronically in an organized electronic archival system. E-mails that are not official records should be retained no more than 30 days. The City may automatically delete e-mails not retained in an archival system.

K. POLICY VIOLATIONS

Conduct in violation of this policy is deemed outside the course and scope of employment and not the direct consequence of the discharge of one's duties. Accordingly, to the extent permitted by law, the City reserves the right not to provide a defense or pay damages assessed against employees for conduct in violation of this policy.

Any employee violating this policy may be subject to discipline consistent with City of Auburn Personnel Rules and Regulations and applicable bargaining unit Memoranda of Understanding.

219.4.2 QUALIFIED RETIREES FROM INCORPORATED JURISDICTION

The Auburn Police Department shall provide an identification card with a CCW Approved endorsement to honorably retired peace officers from any jurisdiction that this department now serves under the following conditions (Penal Code § 25905):

- (a) The retiree's previous agency is no longer providing law enforcement services or the relevant government body is dissolved.

219.5 FORMER OFFICER RESPONSIBILITIES

A former officer with a card issued under this policy shall immediately notify the Shift Supervisor of his/her arrest or conviction in any jurisdiction, or that he/she is the subject of a court order, in accordance with the Reporting of Employee Convictions policy.

219.5.1 RESPONSIBILITIES UNDER LEOSA

In order to obtain or retain a LEOSA identification card, the former officer shall:

- (a) Sign a waiver of liability of the Department for all acts taken related to carrying a concealed firearm, acknowledging both his/her personal responsibility as a private person for all acts taken when carrying a concealed firearm as permitted by LEOSA and also that these acts were not taken as an employee or former employee of the Department.

- (b) Remain subject to all applicable department policies and federal, state and local laws.
- (c) Not engage in conduct that compromises public safety.
- (d) Only be authorized to carry a concealed firearm inspected and approved by the Department.

219.6 DENIAL, SUSPENSION OR REVOCATION OF A LEOSA IDENTIFICATION CARD

219.7 DENIAL, SUSPENSION OR REVOCATION OF A CALIFORNIA CCW ENDORSEMENT CARD

A CCW endorsement under Penal Code § 25470 for any officer retired from this department may be denied or revoked only upon a showing of good cause. The CCW endorsement may be immediately and temporarily revoked by the Shift Supervisor when the conduct of a retired peace officer compromises public safety.

- (a) In the event that a CCW endorsement is initially denied, the retired officer shall have 15 days from the date of denial to request a formal hearing. The failure to submit a timely written request for a hearing shall be deemed a waiver of such right. The hearing, absent written agreement between the parties, shall be held no later than 120 days after the request is received.
- (b) Prior to revocation of any CCW endorsement, the Department shall provide the affected retiree with written notice of a hearing by either personal service or first class mail, postage prepaid, return receipt requested to the retiree's last known address (Penal Code § 26315).
 - 1. The retiree shall have 15 days from the date of service to file a written request for a hearing.
 - 2. The hearing, absent written agreement between the parties, shall be held no later than 120 days after the request is received (Penal Code § 26315).
 - 3. The failure to submit a timely written request for a hearing shall be deemed a waiver of such right.
- (c) A hearing for the denial or revocation of any CCW endorsement shall be conducted before a hearing board composed of three members, one selected by the Department, one selected by the retiree or his/her employee organization and one selected jointly (Penal Code § 26320).
 - 1. The decision of such hearing board shall be binding on the Department and the retiree.
 - 2. Any retiree who waives the right to a hearing or whose CCW endorsement has been revoked at a hearing shall immediately surrender his/her identification card. The Department will then reissue a new identification card which shall be stamped "No CCW Privilege."
- (d) Members who have reason to suspect the conduct of a retiree has compromised public safety shall notify the Shift Supervisor as soon as practicable. The Shift Supervisor should promptly take appropriate steps to look into the matter and, if warranted, contact the retiree in person and advise him/her of the temporary suspension and hearing information listed below.
 - 1. Notification of the temporary suspension should also be promptly mailed to the retiree via first class mail, postage prepaid, return receipt requested (Penal Code § 26312).
 - 2. The Shift Supervisor should document the investigation, the actions taken and, if applicable, any notification made to the retiree. The memo should be forwarded to the Chief of Police.

3. The personal and written notification should be as follows:
 - (a) The retiree's CCW endorsement is immediately and temporarily suspended.
 - (b) The retiree has 15 days to request a hearing to determine whether the temporary suspension should become permanent revocation.
 - (c) The retiree will forfeit his/her right to a hearing and the CCW endorsement will be permanently revoked if the retiree fails to respond to the notice of hearing within the 15-day period.
4. In the event that personal contact with the retiree cannot be reasonably achieved in a timely manner, the Shift Supervisor should attempt to make the above notice of temporary suspension through another law enforcement officer. For example, if a retiree was arrested or detained by a distant agency, the Shift Supervisor may request that a law enforcement officer from that agency act as the agent of the Department to deliver the written notification.

219.8 FIREARM QUALIFICATIONS

The Rangemaster may provide former officers from this department an opportunity to qualify. Written evidence of the qualification and the weapons used will be provided and will contain the date of the qualification. The Rangemaster will maintain a record of the qualifications and weapons used.

Chapter 3 - General Operations

Use of Force

300.1 PURPOSE AND SCOPE

This policy provides guidelines on the reasonable use of force. While there is no way to specify the exact amount or type of reasonable force to be applied in any situation, every member of this department is expected to use these guidelines to make such decisions in a professional, impartial, and reasonable manner (Government Code § 7286).

In addition to those methods, techniques, and tools set forth below, the guidelines for the reasonable application of force contained in this policy shall apply to all policies addressing the potential use of force, including but not limited to the Control Devices and Techniques and Conducted Energy Device policies.

Retaliation prohibitions for reporting suspected violations are addressed in the Anti-Retaliation Policy.

300.1.1 DEFINITIONS

Definitions related to this policy include:

Deadly force - Any use of force that creates a substantial risk of causing death or serious bodily injury, including but not limited to the discharge of a firearm (Penal Code § 835a).

Feasible - Reasonably capable of being done or carried out under the circumstances to successfully achieve the arrest or lawful objective without increasing risk to the officer or another person (Government Code § 7286(a)).

Force - The application of physical techniques or tactics, chemical agents, or weapons to another person. It is not a use of force when a person allows him/herself to be searched, escorted, handcuffed, or restrained.

Serious bodily injury - A serious impairment of physical condition, including but not limited to the following: loss of consciousness; concussion; bone fracture; protracted loss or impairment of function of any bodily member or organ; a wound requiring extensive suturing; and serious disfigurement (Penal Code § 243(f)(4)).

Totality of the circumstances - All facts known to the officer at the time, including the conduct of the officer and the subject leading up to the use of force (Penal Code § 835a).

300.1.2 USE OF FORCE TRAINING

Sergeants or Officers in Charge of a work shift will teach the contents of this section (300) Use of Force annually..

300.2 POLICY

The use of force by law enforcement personnel is a matter of critical concern, both to the public and to the law enforcement community. Officers are involved on a daily basis in numerous and varied interactions and, when warranted, may use reasonable force in carrying out their duties.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Use of Force

Officers must have an understanding of, and true appreciation for, their authority and limitations. This is especially true with respect to overcoming resistance while engaged in the performance of law enforcement duties.

The Department recognizes and respects the value of all human life and dignity without prejudice to anyone. Vesting officers with the authority to use reasonable force and to protect the public welfare requires monitoring, evaluation and a careful balancing of all interests.

300.2.1 DUTY TO INTERCEDE

Any officer present and observing another law enforcement officer or an employee using force that is clearly beyond that which is necessary, as determined by an objectively reasonable officer under the circumstances, shall, when in a position to do so, intercede (as defined by Government Code § 7286) to prevent the use of unreasonable force.

When observing force used by a law enforcement officer, each officer should take into account the totality of the circumstances and the possibility that other law enforcement officers may have additional information regarding the threat posed by the subject (Government Code § 7286(b)).

300.2.2 FAIR AND UNBIASED USE OF FORCE

Officers are expected to carry out their duties, including the use of force, in a manner that is fair and unbiased (Government Code § 7286(b)). See the Bias-Based Policing Policy for additional guidance.

300.2.3 DUTY TO REPORT EXCESSIVE FORCE

Any officer who observes a law enforcement officer or an employee use force that potentially exceeds what the officer reasonably believes to be necessary shall immediately report these observations to a supervisor (Government Code § 7286(b)).

As used in this subsection, "immediately" means as soon as it is safe and feasible to do so.

300.2.4 FAILURE TO INTERCEDE

An officer who has received the required training on the duty to intercede and then fails to act to intercede when required by law, may be disciplined in the same manner as the officer who used force beyond that which is necessary (Government Code § 7286(b)).

300.3 USE OF FORCE

Officers shall use only that amount of force that reasonably appears necessary given the facts and totality of the circumstances known to or perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose (Penal Code § 835a).

The reasonableness of force will be judged from the perspective of a reasonable officer on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that officers are often forced to make split-second decisions about the amount of force that reasonably appears necessary in a particular situation, with limited information and in circumstances that are tense, uncertain, and rapidly evolving.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Use of Force

Given that no policy can realistically predict every possible situation an officer might encounter, officers are entrusted to use well-reasoned discretion in determining the appropriate use of force in each incident. Officers may only use a level of force that they reasonably believe is proportional to the seriousness of the suspected offense or the reasonably perceived level of actual or threatened resistance (Government Code § 7286(b)).

It is also recognized that circumstances may arise in which officers reasonably believe that it would be impractical or ineffective to use any of the approved or authorized tools, weapons, or methods provided by the Department. Officers may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be objectively reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

While the ultimate objective of every law enforcement encounter is to avoid or minimize injury, nothing in this policy requires an officer to retreat or be exposed to possible physical injury before applying reasonable force.

300.3.1 USE OF FORCE TO EFFECT AN ARREST

Any peace officer may use objectively reasonable force to effect an arrest, to prevent escape, or to overcome resistance. A peace officer who makes or attempts to make an arrest need not retreat or desist from his/her efforts by reason of resistance or threatened resistance on the part of the person being arrested; nor shall an officer be deemed the aggressor or lose his/her right to self-defense by the use of reasonable force to effect the arrest, prevent escape, or to overcome resistance. Retreat does not mean tactical repositioning or other de-escalation techniques (Penal Code § 835a).

300.3.2 FACTORS USED TO DETERMINE THE REASONABLENESS OF FORCE

When determining whether to apply force and evaluating whether an officer has used reasonable force, a number of factors should be taken into consideration, as time and circumstances permit (Government Code § 7286(b)). These factors include but are not limited to:

- (a) The apparent immediacy and severity of the threat to officers or others (Penal Code § 835a).
- (b) The conduct of the individual being confronted, as reasonably perceived by the officer at the time (Penal Code § 835a).
- (c) Officer/subject factors (age, size, relative strength, skill level, injuries sustained, level of exhaustion or fatigue, the number of officers available vs. subjects).
- (d) The conduct of the involved officer leading up to the use of force (Penal Code § 835a).
- (e) The effects of suspected drugs or alcohol.
- (f) The individual's apparent mental state or capacity (Penal Code § 835a).
- (g) The individual's apparent ability to understand and comply with officer commands (Penal Code § 835a).

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Use of Force

- (h) Proximity of weapons or dangerous improvised devices.
- (i) The degree to which the subject has been effectively restrained and his/her ability to resist despite being restrained.
- (j) The availability of other reasonable and feasible options and their possible effectiveness (Penal Code § 835a).
- (k) Seriousness of the suspected offense or reason for contact with the individual prior to and at the time force is used.
- (l) Training and experience of the officer.
- (m) Potential for injury to officers, suspects, bystanders, and others.
- (n) Whether the person appears to be resisting, attempting to evade arrest by flight, or is attacking the officer.
- (o) The risk and reasonably foreseeable consequences of escape.
- (p) The apparent need for immediate control of the subject or a prompt resolution of the situation.
- (q) Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the officer or others.
- (r) Prior contacts with the subject or awareness of any propensity for violence.
- (s) Any other exigent circumstances.

300.3.3 PAIN COMPLIANCE TECHNIQUES

Pain compliance techniques may be effective in controlling a physically or actively resisting individual. Officers may only apply those pain compliance techniques for which they have successfully completed department-approved training. Officers utilizing any pain compliance technique should consider:

- (a) The degree to which the application of the technique may be controlled given the level of resistance.
- (b) Whether the person can comply with the direction or orders of the officer.
- (c) Whether the person has been given sufficient opportunity to comply.

The application of any pain compliance technique shall be discontinued once the officer determines that compliance has been achieved.

300.3.4 RESTRICTIONS ON THE USE OF CAROTID CONTROL HOLD

Officers of this department are not authorized to use a carotid restraint hold. A carotid restraint means a vascular neck restraint or any similar restraint, hold, or other defensive tactic in which pressure is applied to the sides of a person's neck that involves a substantial risk of restricting blood flow and may render the person unconscious in order to subdue or control the person (Government Code § 7286.5).

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Use of Force

300.3.5 USE OF FORCE TO SEIZE EVIDENCE

In general, officers may use reasonable force to lawfully seize evidence and to prevent the destruction of evidence. However, officers are discouraged from using force solely to prevent a person from swallowing evidence or contraband. In the instance when force is used, officers should not intentionally use any technique that restricts blood flow to the head, restricts respiration or which creates a reasonable likelihood that blood flow to the head or respiration would be restricted. Officers are encouraged to use techniques and methods taught by the Auburn Police Department for this specific purpose.

300.3.6 ALTERNATIVE TACTICS - DE-ESCALATION

As time and circumstances reasonably permit, and when community and officer safety would not be compromised, officers should consider actions that may increase officer safety and may decrease the need for using force:

- (a) Summoning additional resources that are able to respond in a reasonably timely manner.
- (b) Formulating a plan with responding officers before entering an unstable situation that does not reasonably appear to require immediate intervention.
- (c) Employing other tactics that do not unreasonably increase officer jeopardy.

In addition, when reasonable, officers should evaluate the totality of circumstances presented at the time in each situation and, when feasible, consider and utilize reasonably available alternative tactics and techniques that may persuade an individual to voluntarily comply or may mitigate the need to use a higher level of force to resolve the situation before applying force (Government Code § 7286(b)). Such alternatives may include but are not limited to:

- (a) Attempts to de-escalate a situation.
- (b) If reasonably available, the use of crisis intervention techniques by properly trained personnel.

300.3.7 RESTRICTIONS ON THE USE OF A CHOKE HOLD

Officers of this department are not authorized to use a choke hold. A choke hold means any defensive tactic or force option in which direct pressure is applied to a person's trachea or windpipe (Government Code § 7286.5).

300.3.8 ADDITIONAL RESTRICTIONS

Terms such as "positional asphyxia," "restraint asphyxia," and "excited delirium" continue to remain the subject of debate among experts and medical professionals, are not universally recognized medical conditions, and frequently involve other collateral or controlling factors such as narcotics or alcohol influence or pre-existing medical conditions. While it is impractical to restrict an officer's use of reasonable control methods when attempting to restrain a combative individual, officers are not authorized to use any restraint or transportation method which might unreasonably impair an individual's breathing or respiratory capacity for a period beyond the point when the individual has been adequately and safely controlled. Once the individual is safely secured, officers

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Use of Force

should promptly check and continuously monitor the individual's condition for signs of medical distress (Government Code § 7286.5).

300.4 DEADLY FORCE APPLICATIONS

Where feasible, the officer shall, prior to the use of deadly force, make reasonable efforts to identify him/herself as a peace officer and to warn that deadly force may be used, unless the officer has objectively reasonable grounds to believe the person is aware of those facts (Penal Code 835a).

If an objectively reasonable officer would consider it safe and feasible to do so under the totality of the circumstances, officers shall evaluate and use other reasonably available resources and techniques when determining whether to use deadly force. To the extent that it is reasonably practical, officers should consider their surroundings and any potential risks to bystanders prior to discharging a firearm (Government Code § 7286(b)).

The use of deadly force is only justified when the officer reasonably believes it is necessary in the following circumstances (Penal Code § 835a):

- (a) An officer may use deadly force to protect him/herself or others from what he/she reasonably believes is an imminent threat of death or serious bodily injury to the officer or another person.
- (b) An officer may use deadly force to apprehend a fleeing person for any felony that threatened or resulted in death or serious bodily injury, if the officer reasonably believes that the person will cause death or serious bodily injury to another unless immediately apprehended.

Officers shall not use deadly force against a person based on the danger that person poses to him/herself, if an objectively reasonable officer would believe the person does not pose an imminent threat of death or serious bodily injury to the officer or to another person (Penal Code § 835a).

An “imminent” threat of death or serious bodily injury exists when, based on the totality of the circumstances, a reasonable officer in the same situation would believe that a person has the present ability, opportunity, and apparent intent to immediately cause death or serious bodily injury to the officer or another person. An officer’s subjective fear of future harm alone is insufficient as an imminent threat. An imminent threat is one that from appearances is reasonably believed to require instant attention (Penal Code § 835a).

300.4.1 SHOOTING AT OR FROM MOVING VEHICLES

Shots fired at or from a moving vehicle are rarely effective and may involve additional considerations and risks. When feasible, officers should take reasonable steps to move out of the path of an approaching vehicle instead of discharging their firearm at the vehicle or any of its occupants. An officer should only discharge a firearm at a moving vehicle or its occupants when the officer reasonably believes there are no other reasonable means available to avert the imminent threat of the vehicle, or if deadly force other than the vehicle is directed at the officer or others (Government Code § 7286(b)).

Officers should not shoot at any part of a vehicle in an attempt to disable the vehicle.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Use of Force

300.4.2 DISPLAYING OF FIREARMS

Given that individuals might perceive the display of a firearm as a potential application of force, officers should carefully evaluate each tactical situation and use sound discretion when drawing a firearm in public by considering the following guidelines (Government Code § 7286(b)):

- (a) If the officer does not initially perceive a threat but reasonably believes that the potential for such threat exists, firearms should generally be kept in the low-ready or other position not directed toward an individual.
- (b) If the officer reasonably believes that a threat exists based on the totality of circumstances presented at the time (e.g., high-risk stop, tactical entry, armed encounter), firearms may be directed toward such threat until the officer no longer perceives such threat.

Once it is reasonably safe to do so, officers should carefully secure all firearms.

300.5 REPORTING THE USE OF FORCE

Any use of force by a member of this department shall be documented promptly, completely, and accurately in an appropriate report, depending on the nature of the incident. The officer should articulate the factors perceived and why he/she believed the use of force was reasonable under the circumstances. To collect data for purposes of training, resource allocation, analysis, and related purposes, the Department may require the completion of additional report forms, as specified in department policy, procedure, or law. See the Report Preparation Policy for additional circumstances that may require documentation.

300.5.1 NOTIFICATION TO SUPERVISORS

Any use of force by an officer shall be reported immediately to a supervisor, including but not limited to the following circumstances (Penal Code § 832.13):

- (a) The application caused a visible injury.
- (b) The application would lead a reasonable officer to conclude that the individual may have experienced more than momentary discomfort.
- (c) The individual subjected to the force complained of injury or continuing pain.
- (d) The individual indicates intent to pursue litigation.
- (e) Any application of a conducted energy device or control device.
- (f) Any application of a restraint device other than handcuffs, shackles, or belly chains.
- (g) The individual subjected to the force was rendered unconscious.
- (h) An individual was struck or kicked.
- (i) An individual alleges unreasonable force was used or that any of the above has occurred.

As used in this subsection, "immediately" means as soon as it is safe and feasible to do so.

300.5.2 REPORTING TO CALIFORNIA DEPARTMENT OF JUSTICE

Statistical data regarding all officer-involved shootings and incidents involving use of force resulting in serious bodily injury is to be reported to the California Department of Justice as required by Government Code § 12525.2. See the Records Bureau Policy.

300.5.3 REPORT RESTRICTIONS

Officers shall not use the term "excited delirium" to describe an individual in an incident report. Officers may describe the characteristics of an individual's conduct, but shall not generally describe the individual's demeanor, conduct, or physical and mental condition at issue as "excited delirium" (Health and Safety Code § 24402).

300.6 MEDICAL CONSIDERATIONS

Once it is reasonably safe to do so, properly trained officers should promptly provide or procure medical assistance for any person injured or claiming to have been injured in a use of force incident (Government Code § 7286(b)).

Prior to booking or release, medical assistance shall be obtained for any person who exhibits signs of physical distress, who has sustained visible injury, expresses a complaint of injury or continuing pain, or who was rendered unconscious. Any individual exhibiting signs of physical distress after an encounter should be continuously monitored until the individual can be medically assessed.

Based upon the officer's initial assessment of the nature and extent of the subject's injuries, medical assistance may consist of examination by fire personnel, paramedics, hospital staff, or medical staff at the jail. If any such individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practicable, should be witnessed by another officer and/or medical personnel. If a recording is made of the contact or an interview with the individual, any refusal should be included in the recording, if possible.

The on-scene supervisor or, if the on-scene supervisor is not available, the primary handling officer shall ensure that any person providing medical care or receiving custody of a person following any use of force is informed that the person was subjected to force. This notification shall include a description of the force used and any other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

Persons who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics and imperviousness to pain, or who require a protracted physical encounter with multiple officers to be brought under control, may be at an increased risk of sudden death. Calls involving these persons should be considered medical emergencies. Officers who reasonably suspect a medical emergency should request medical assistance as soon as practicable and have medical personnel stage away if appropriate.

See the Medical Aid and Response Policy for additional guidelines.

300.7 SUPERVISOR RESPONSIBILITY

A supervisor should respond to any reported use of force, if reasonably available. The responding supervisor is expected to (Government Code § 7286(b)):

- (a) Obtain the basic facts from the involved officers. Absent an allegation of misconduct or excessive force, this will be considered a routine contact in the normal course of duties.
- (b) Ensure that any injured parties are examined and treated.
- (c) When possible, separately obtain a recorded interview with the subject upon whom force was applied. If this interview is conducted without the person having voluntarily waived his/her *Miranda* rights, the following shall apply:
 - 1. The content of the interview should not be summarized or included in any related criminal charges.
 - 2. The fact that a recorded interview was conducted should be documented in a property or other report.
 - 3. The recording of the interview should be distinctly marked for retention until all potential for civil litigation has expired.
- (d) Once any initial medical assessment has been completed or first aid has been rendered, ensure that photographs have been taken of any areas involving visible injury or complaint of pain, as well as overall photographs of uninjured areas. These photographs should be retained until all potential for civil litigation has expired.
- (e) Ensure a canvass of the immediate area has been conducted, specifically identifying any video surveillance locations and witnesses who many not have made themselves immediately known.
- (f) Review and approve all related reports.
- (g) Determine if there is any indication that the subject may pursue civil litigation.
 - 1. If there is an indication of potential civil litigation, the supervisor should complete and route a notification of a potential claim through the appropriate channels.
- (h) Evaluate the circumstances surrounding the incident and initiate an administrative investigation if there is a question of policy non-compliance or if for any reason further investigation may be appropriate.
- (i) In the event an employee is injured, ensure all workers compensation paperwork is completed and provided to the Human Resource Manager.

In the event that a supervisor is unable to respond to the scene of an incident involving the reported application of force, the supervisor is still expected to complete as many of the above items as circumstances permit.

300.7.1 SHIFT SUPERVISOR RESPONSIBILITY

The Shift Supervisor shall review each use of force by any personnel within his/her command to ensure compliance with this policy.

300.8 TRAINING

Officers, investigators, and supervisors will receive periodic training on this policy and demonstrate their knowledge and understanding (Government Code § 7286(b)).

Subject to available resources, the Training Manager should ensure that officers receive periodic training on de-escalation tactics, including alternatives to force.

Training should also include (Government Code § 7286(b)):

- (a) Guidelines regarding vulnerable populations, including but not limited to children, elderly persons, pregnant individuals, and individuals with physical, mental, and developmental disabilities.
- (b) Training courses required by and consistent with POST guidelines set forth in Penal Code § 13519.10.

See the Training Policy for restrictions relating to officers who are the subject of a sustained use of force complaint.

300.9 USE OF FORCE ANALYSIS

At least annually, the Operations Division Commander should prepare an analysis report on use of force incidents. The report should be submitted to the Chief of Police. The report should not contain the names of officers, suspects or case numbers, and should include:

- (a) The identification of any trends in the use of force by members.
- (b) Training needs recommendations.
- (c) Equipment needs recommendations.
- (d) Policy revision recommendations.

300.10 SECTION TITLE

300.11 USE OF FORCE COMPLAINTS

The receipt, processing, and investigation of civilian complaints involving use of force incidents should be handled in accordance with the Personnel Complaints Policy (Government Code § 7286(b)).

300.12 POLICY REVIEW

The Chief of Police or the authorized designee should regularly review and update this policy to reflect developing practices and procedures (Government Code § 7286(b)).

300.13 POLICY AVAILABILITY

The Chief of Police or the authorized designee should ensure this policy is accessible to the public (Government Code § 7286(c)).

300.14 PUBLIC RECORDS REQUESTS

Requests for public records involving an officer's personnel records shall be processed in accordance with Penal Code § 832.7 and the Personnel Records and Records Maintenance and Release policies (Government Code § 7286(b)).

Handcuffing and Restraints

305.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of handcuffs and other restraints during detentions and arrests.

305.2 POLICY

The Auburn Police Department authorizes the use of restraint devices in accordance with this policy, the Use of Force Policy, and department training. Restraint devices shall not be used to punish, to display authority, or as a show of force.

305.3 USE OF RESTRAINTS

Only members who have successfully completed Auburn Police Department-approved training on the use of restraint devices described in this policy are authorized to use these devices.

When deciding whether to use any restraint, officers should carefully balance officer safety concerns with factors that include but are not limited to:

- The circumstances or crime leading to the arrest.
- The demeanor and behavior of the arrested person.
- The age and health of the person.
- Whether the person is known to be pregnant.
- Whether the person has a hearing or speaking disability. In such cases, consideration should be given, safety permitting, to handcuffing to the front in order to allow the person to sign or write notes.
- Whether the person has any other apparent disability.

305.3.1 RESTRAINT OF DETAINEES

Situations may arise where it may be reasonable to restrain a person who may, after brief investigation, be released without arrest. Unless arrested, the use of restraints on detainees should continue only for as long as is reasonably necessary to ensure the safety of officers and others. When deciding whether to remove restraints from a detainee, officers should continuously weigh the safety interests at hand against the continuing intrusion upon the detainee.

305.3.2 RESTRAINT OF PREGNANT PERSONS

Persons who are known to be pregnant should be restrained in the least restrictive manner that is effective for officer safety. Leg irons, waist chains, or handcuffs behind the body should not be used unless the officer has a reasonable suspicion that the person may resist, attempt escape, injure self or others, or damage property.

No person who is in labor, delivery, or recovery after delivery shall be handcuffed or restrained except in extraordinary circumstances and only when a supervisor makes an individualized

Handcuffing and Restraints

determination that such restraints are necessary for the safety of the arrestee, officers, or others (Penal Code § 3407; Penal Code § 6030).

305.3.3 RESTRAINT OF JUVENILES

A juvenile under 14 years of age should not be restrained unless he/she is suspected of a dangerous felony or when the officer has a reasonable suspicion that the juvenile may resist, attempt escape, injure him/herself, injure the officer, or damage property.

305.3.4 NOTIFICATIONS

Whenever an officer transports a person with the use of restraints other than handcuffs, the officer shall inform the jail staff upon arrival at the jail that restraints were used. This notification should include information regarding any other circumstances the officer reasonably believes would be potential safety concerns or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration) that may have occurred prior to, or during, transportation to the jail.

305.4 APPLICATION OF HANDCUFFS OR PLASTIC CUFFS

Handcuffs, including temporary nylon or plastic cuffs, may be used only to restrain a person's hands to ensure officer safety.

Although recommended for most arrest situations, handcuffing is discretionary and not an absolute requirement of the Department. Officers should consider handcuffing any person they reasonably believe warrants that degree of restraint. However, officers should not conclude that in order to avoid risk every person should be handcuffed, regardless of the circumstances.

In most situations, handcuffs should be applied with the hands behind the person's back. When feasible, handcuffs should be double-locked to prevent tightening, which may cause undue discomfort or injury to the hands or wrists.

In situations where one pair of handcuffs does not appear sufficient to restrain the person or may cause unreasonable discomfort due to the person's size, officers should consider alternatives, such as using an additional set of handcuffs or multiple plastic cuffs.

Handcuffs should be removed as soon as it is reasonable or after the person has been searched and is safely confined within a detention facility.

305.5 APPLICATION OF SPIT HOODS

Spit hoods are temporary protective devices designed to prevent the wearer from biting and/or transferring or transmitting fluids (saliva and mucous) to others.

Spit hoods may be placed upon persons in custody when the officer reasonably believes the person will bite or spit, either on a person or in an inappropriate place. They are generally used during application of a physical restraint, while the person is restrained, or during or after transport.

Officers utilizing spit hoods should ensure that the spit hood is fastened properly to allow for adequate ventilation and so that the restrained person can breathe normally. Officers should provide assistance during the movement of a restrained person due to the potential for impairing

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Handcuffing and Restraints

or distorting that person's vision. Officers should avoid comingling those wearing spit hoods with other detainees.

Spit hoods should not be used in situations where the restrained person is bleeding profusely from the area around the mouth or nose, or if there are indications that the person has a medical condition, such as difficulty breathing or vomiting. In such cases, prompt medical care should be obtained. If the person vomits while wearing a spit hood, the spit hood should be promptly removed and discarded. Persons who have been sprayed with oleoresin capsicum (OC) spray should be thoroughly decontaminated, including hair, head, and clothing, prior to application of a spit hood.

Those who have been placed in a spit hood should be continually monitored and shall not be left unattended until the spit hood is removed. Spit hoods shall be discarded after each use.

305.6 APPLICATION OF AUXILIARY RESTRAINT DEVICES

Auxiliary restraint devices include the WRAP, transport belts, waist or belly chains, transportation chains, leg irons, and other similar devices. Auxiliary restraint devices are intended for use during long-term restraint or transportation. They provide additional security and safety without impeding breathing, while permitting adequate movement, comfort, and mobility.

Only department-authorized devices may be used. Any person in auxiliary restraints should be monitored as reasonably appears necessary.

305.7 APPLICATION OF THE WRAP AND LEG RESTRAINT DEVICES

The WRAP or leg restraints may be used to restrain the legs of a violent or potentially violent person when it is reasonable to do so during the course of detention, arrest, or transportation. Only restraint devices approved by the Department shall be used.

In determining whether to use the leg restraint, officers should consider:

- (a) Whether the officer or others could be exposed to injury due to the assaultive or resistant behavior of a person.
- (b) Whether it is reasonably necessary to protect the person from his/her own actions (e.g., hitting his/her head against the interior of the patrol vehicle, running away from the arresting officer while handcuffed, kicking at objects or officers).
- (c) Whether it is reasonably necessary to avoid damage to property (e.g., kicking at windows of the patrol vehicle).

305.7.1 GUIDELINES FOR USE OF THE WRAP AND LEG RESTRAINTS

When applying the WRAP or leg restraints, the following guidelines should be followed:

- (a) If practicable, officers should notify a supervisor of the intent to apply the WRAP or leg restraint device. In all cases, a supervisor shall be notified as soon as practicable after the application of the WRAP or leg restraint device.
- (b) Once applied, absent a medical or other emergency, the WRAP or restraints should remain in place until the officer arrives at the jail or other facility or the person no longer reasonably appears to pose a threat.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Handcuffing and Restraints

- (c) Once secured, the person should be placed in a seated or upright position, secured with a seat belt, and shall not be placed on his/her stomach for an extended period, as this could reduce the person's ability to breathe.
- (d) The restrained person should be continually monitored by an officer while in the WRAP or leg restraint. The officer should ensure that the person does not roll onto and remain on his/her stomach.
- (e) The officer should look for signs of labored breathing and take appropriate steps to relieve and minimize any obvious factors contributing to this condition.
- (f) When transported by emergency medical services, the restrained person should be accompanied by an officer when requested by medical personnel. The transporting officer should describe to medical personnel any unusual behaviors or other circumstances the officer reasonably believes would be potential safety or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration).

305.8 REQUIRED DOCUMENTATION

If a person is restrained and released without an arrest, the officer shall document the details of the detention and the need for handcuffs or other restraints.

If a person is arrested, the use of handcuffs or other restraints shall be documented in the related report.

Officers should document the following information in reports, as appropriate, when restraints other than handcuffs are used on a person:

- (a) The factors that led to the decision to use restraints.
- (b) Supervisor notification and approval of restraint use.
- (c) The types of restraint used.
- (d) The amount of time the person was restrained.
- (e) How the person was transported and the position of the person during transport.
- (f) Observations of the person's behavior and any signs of physiological problems.
- (g) Any known or suspected drug use or other medical problems.

305.9 TRAINING

Subject to available resources, the Training Manager should ensure that officers receive periodic training on the proper use of handcuffs and other restraints, including:

- (a) Proper placement and fit of handcuffs and other restraint devices approved for use by the Department.
- (b) Response to complaints of pain by restrained persons.
- (c) Options for restraining those who may be pregnant without the use of leg irons, waist chains, or handcuffs behind the body.
- (d) Options for restraining amputees or those with medical conditions or other physical conditions that may be aggravated by being restrained.

Control Devices and Techniques

307.1 PURPOSE AND SCOPE

This policy provides guidelines for the use and maintenance of control devices that are described in this policy.

307.2 POLICY

In order to control subjects who are violent or who demonstrate the intent to be violent, the Auburn Police Department authorizes officers to use control devices in accordance with the guidelines in this policy and the Use of Force Policy.

307.3 ISSUING, CARRYING AND USING CONTROL DEVICES

Control devices described in this policy may be carried and used by members of this department only if the device has been issued by the Department or approved by the Chief of Police or the authorized designee.

Only officers who have successfully completed department-approved training in the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain or arrest a subject who is violent or who demonstrates the intent to be violent, and the use of the device appears reasonable under the circumstances. When reasonable, a verbal warning and opportunity to comply should precede the use of these devices.

When using control devices, officers should carefully consider potential impact areas in order to minimize injuries and unintentional targets.

307.4 RESPONSIBILITIES

307.4.1 SHIFT SUPERVISOR OR SUPERVISOR RESPONSIBILITIES

The Shift Supervisor or Supervisor may authorize the use of a control device by selected personnel or members of specialized units who have successfully completed the required training.

307.4.2 RANGEMASTER RESPONSIBILITIES

The Rangemaster shall control the inventory and issuance of all control devices and shall ensure that all damaged, inoperative, outdated or expended control devices or munitions are properly disposed of, repaired or replaced.

Every control device will be periodically inspected by the Rangemaster or the designated instructor for a particular control device. The inspection shall be documented.

307.4.3 USER RESPONSIBILITIES

All normal maintenance, charging or cleaning shall remain the responsibility of personnel using the various devices.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Control Devices and Techniques

Any damaged, inoperative, outdated or expended control devices or munitions, along with documentation explaining the cause of the damage, shall be returned to the Rangemaster for disposition. Damage to City property forms shall also be prepared and forwarded through the chain of command, when appropriate, explaining the cause of damage.

307.5 BATON GUIDELINES

The need to immediately control a suspect must be weighed against the risk of causing serious injury. The head, neck, throat, spine, heart, kidneys and groin should not be intentionally targeted except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

When carrying a baton, uniformed personnel shall carry the baton in its authorized holder on the equipment belt. Plainclothes and non-field personnel may carry the baton as authorized and in accordance with the needs of their assignment or at the direction of their supervisor.

Members of the Department are authorized to carry the following batons so long as they have completed training in the use of the baton they wish to carry. If the baton is not on the list, approval must be given by the Chief of Police or his/her designee. Authorized batons are: Side handle, straight, collapsible, long baton, and the yawara stick.

307.6 NOT USED

307.7 OLEORESIN CAPSICUM (OC) GUIDELINES

As with other control devices, oleoresin capsicum (OC) spray and pepper projectiles may be considered for use to bring under control an individual or groups of individuals who are engaging in, or are about to engage in violent behavior. Pepper projectiles and OC spray should not, however, be used against individuals or groups who merely fail to disperse or do not reasonably appear to present a risk to the safety of officers or the public.

307.7.1 OC SPRAY

Uniformed personnel carrying OC spray shall carry the device in its holster on the equipment belt. Plainclothes and non-field personnel may carry OC spray as authorized, in accordance with the needs of their assignment or at the direction of their supervisor.

307.7.2 PEPPER PROJECTILE SYSTEMS

Pepper projectiles are plastic spheres that are filled with a derivative of OC powder. Because the compressed gas launcher delivers the projectiles with enough force to burst the projectiles on impact and release the OC powder, the potential exists for the projectiles to inflict injury if they strike the head, neck, spine or groin. Therefore, personnel using a pepper projectile system should not intentionally target those areas, except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

Officers encountering a situation that warrants the use of a pepper projectile system shall notify a supervisor as soon as practicable. A supervisor shall respond to all pepper projectile system

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Control Devices and Techniques

incidents where the suspect has been hit or exposed to the chemical agent. The supervisor shall ensure that all notifications and reports are completed as required by the Use of Force Policy.

Each deployment of a pepper projectile system shall be documented. This includes situations where the launcher was directed toward the suspect, whether or not the launcher was used. Unintentional discharges shall be promptly reported to a supervisor and documented on the appropriate report form. Only non-incident use of a pepper projectile system, such as training and product demonstrations, is exempt from the reporting requirement.

307.7.3 TREATMENT FOR OC SPRAY EXPOSURE

Persons who have been sprayed with or otherwise affected by the use of OC should be promptly provided with clean water to cleanse the affected areas. Those persons who complain of further severe effects shall be examined by appropriate medical personnel.

307.8 POST-APPLICATION NOTICE

Whenever tear gas or OC has been introduced into a residence, building interior, vehicle or other enclosed area, officers should provide the owners or available occupants with notice of the possible presence of residue that could result in irritation or injury if the area is not properly cleaned. Such notice should include advisement that clean up will be at the owner's expense. Information regarding the method of notice and the individuals notified should be included in related reports.

307.9 KINETIC ENERGY PROJECTILE GUIDELINES

This department is committed to reducing the potential for violent confrontations. Kinetic energy projectiles, when used properly, are less likely to result in death or serious physical injury and can be used in an attempt to de-escalate a potentially deadly situation.

307.9.1 DEPLOYMENT AND USE

Only department-approved kinetic energy munitions shall be carried and deployed. Approved munitions may be used to compel an individual to cease his/her actions when such munitions present a reasonable option.

Officers are not required or compelled to use approved munitions in lieu of other reasonable tactics if the involved officer determines that deployment of these munitions cannot be done safely. The safety of hostages, innocent persons and officers takes priority over the safety of subjects engaged in criminal or suicidal behavior.

Circumstances appropriate for deployment include, but are not limited to, situations in which:

- (a) The suspect is armed with a weapon and the tactical circumstances allow for the safe application of approved munitions.
- (b) The suspect has made credible threats to harm him/herself or others.
- (c) The suspect is engaged in riotous behavior or is throwing rocks, bottles or other dangerous projectiles at people and/or officers.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Control Devices and Techniques

- (d) There is probable cause to believe that the suspect has already committed a crime of violence and is refusing to comply with lawful orders.

307.9.2 DEPLOYMENT CONSIDERATIONS

Before discharging projectiles, the officer should consider such factors as:

- (a) Distance and angle to target.
- (b) Type of munitions employed.
- (c) Type and thickness of subject's clothing.
- (d) The subject's proximity to others.
- (e) The location of the subject.
- (f) Whether the subject's actions dictate the need for an immediate response and the use of control devices appears appropriate.

A verbal warning of the intended use of the device should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to give the individual a reasonable opportunity to voluntarily comply and to warn other officers and individuals that the device is being deployed.

Officers should keep in mind the manufacturer's recommendations and their training regarding effective distances and target areas. However, officers are not restricted solely to use according to manufacturer recommendations. Each situation must be evaluated on the totality of circumstances at the time of deployment.

The need to immediately incapacitate the subject must be weighed against the risk of causing serious injury or death. The head and neck should not be intentionally targeted, except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

307.9.3 SAFETY PROCEDURES

Shotguns specifically designated for use with kinetic energy projectiles will be specially marked in a manner that makes them readily identifiable as such.

Officers will inspect the shotgun and projectiles at the beginning of each shift to ensure that the shotgun is in proper working order and the projectiles are of the approved type and appear to be free from defects.

When it is not deployed, the shotgun will be unloaded and properly and securely stored in the vehicle. When deploying the kinetic energy projectile shotgun, the officer shall visually inspect the kinetic energy projectiles to ensure that conventional ammunition is not being loaded into the shotgun.

Absent compelling circumstances, officers who must transition from conventional ammunition to kinetic energy projectiles will employ the two-person rule for loading. The two-person rule is a

Auburn Police Department

Auburn PD Policy Manual

safety measure in which a second officer watches the unloading and loading process to ensure that the weapon is completely emptied of conventional ammunition.

307.10 TRAINING FOR CONTROL DEVICES

The Training Manager shall ensure that all personnel who are authorized to carry a control device have been properly trained and certified to carry the specific control device and are retrained or recertified as necessary.

- (a) Proficiency training shall be monitored and documented by a certified, control-device weapons or tactics instructor.
- (b) All training and proficiency for control devices will be documented in the officer's training file.
- (c) Officers who fail to demonstrate proficiency with the control device or knowledge of this agency's Use of Force Policy will be provided remedial training. If an officer cannot demonstrate proficiency with a control device or knowledge of this agency's Use of Force Policy after remedial training, the officer will be restricted from carrying the control device and may be subject to discipline.

307.11 REPORTING USE OF CONTROL DEVICES AND TECHNIQUES

Any application of a control device or technique listed in this policy shall be documented in the related incident report and reported pursuant to the Use of Force Policy.

Conducted Energy Device

308.1 PURPOSE AND SCOPE

This policy provides guidelines for the issuance and use of the conducted energy device (CED).

308.2 POLICY

The CED is used in an attempt to control a violent or potentially violent individual. The appropriate use of such a device may result in fewer serious injuries to officers and suspects.

308.3 ISSUANCE AND CARRYING CEDS

Only members who have successfully completed department-approved training may be issued and may carry the CED.

The Rangemaster should keep a log of issued CED devices and the serial numbers of cartridges/magazines issued to members.

CEDs are issued for use during a member's current assignment. Those leaving a particular assignment may be required to return the device to the department inventory.

Officers shall only use the CED and cartridges/magazines that have been issued by the Department. Cartridges/magazines should not be used after the manufacturer's expiration date.

Uniformed officers who have been issued the CED shall wear the device in an approved holster.

Officers who carry the CED while in uniform shall carry it in a holster on the side opposite the duty weapon (Penal Code § 13660).

- (a) All CEDs shall be clearly distinguishable to differentiate them from the duty weapon and any other device.
- (b) For single-shot devices, whenever practicable, officers should carry an additional cartridge on their person when carrying the CED.
- (c) Officers should not hold a firearm and the CED at the same time.

Non-uniformed officers may secure the CED in a concealed, secure location in the driver's compartment of their vehicles.

308.3.1 USER RESPONSIBILITIES

Officers shall be responsible for ensuring that the issued CED is properly maintained and in good working order. This includes a function test and battery life monitoring, as required by the manufacturer, and should be completed prior to the beginning of the officer's shift.

CEDs that are damaged or inoperative, or cartridges/magazines that are expired or damaged, shall be returned to the Rangemaster for disposition. Officers shall submit documentation stating the reason for the return and how the CED or cartridge/magazine was damaged or became inoperative, if known.

308.4 VERBAL AND VISUAL WARNINGS

A verbal warning of the intended use of the CED should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to:

- (a) Provide the individual with a reasonable opportunity to voluntarily comply.
- (b) Provide other officers and individuals with a warning that the CED may be deployed.

If, after a verbal warning, an individual fails to voluntarily comply with an officer's lawful orders and it appears both reasonable and feasible under the circumstances, the officer may, but is not required to, activate any warning on the device, which may include display of the electrical arc, an audible warning, or the laser in a further attempt to gain compliance prior to the application of the CED. The laser should not be intentionally directed into anyone's eyes.

The fact that a verbal or other warning was given or the reasons it was not given shall be documented by the officer deploying the CED in the related report.

308.5 USE OF THE CED

The CED has limitations and restrictions requiring consideration before its use. The CED should only be used when its operator can safely deploy the device within its operational range. Although the CED may be effective in controlling most individuals, officers should be aware that the device may not achieve the intended results and be prepared with other options.

If sufficient personnel are available and can be safely assigned, an officer designated as lethal cover for any officer deploying a CED may be considered for officer safety.

308.5.1 APPLICATION OF THE CED

The CED may be used, when the circumstances reasonably perceived by the officer at the time indicate that such application reasonably appears necessary to control a person who:

- (a) Is violent or is physically resisting.
- (b) Has demonstrated, by words or action, an intention to be violent or to physically resist, and reasonably appears to present the potential to harm officers, themselves, or others.

Mere flight from a pursuing officer, without additional circumstances or factors, is not good cause for the use of the CED to apprehend an individual.

The CED shall not be used to psychologically torment, to elicit statements, or to punish any individual.

308.5.2 SPECIAL DEPLOYMENT CONSIDERATIONS

The use of the CED on certain individuals should generally be avoided unless the totality of the circumstances indicates that other available options reasonably appear ineffective or would present a greater danger to the officer, the subject or others, and the officer reasonably believes that the need to control the individual outweighs the potential risk of using the device. This includes:

- (a) Individuals who are known to be pregnant.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Conducted Energy Device

- (b) Elderly individuals or obvious juveniles.
- (c) Individuals with obviously low body mass.
- (d) Individuals who are handcuffed or otherwise restrained.
- (e) Individuals known to have been recently sprayed with a flammable chemical agent or who are otherwise known to be in close proximity to any known combustible vapor or flammable material, including alcohol-based oleoresin capicum (OC) spray.
- (f) Individuals whose position or activity is likely to result in collateral injury (e.g., falls from height, located in water, operating vehicles).

Any CED capable of being applied in the drive-stun mode (i.e., direct contact without probes as a primary form of pain compliance) should be limited to supplementing the probe-mode to complete the circuit, or as a distraction technique to gain separation between officers and the subject, thereby giving officers time and distance to consider other force options or actions.

308.5.3 TARGETING CONSIDERATIONS

Recognizing that the dynamics of a situation and movement of the subject may affect target placement of probes, when practicable, officers should attempt to target the back, lower center mass, and upper legs of the subject, and avoid intentionally targeting the head, neck, area of the heart, or genitals. If circumstances result in one or more probes inadvertently striking an area outside of the preferred target zones, the individual should be closely monitored until examined by paramedics or other medical personnel.

308.5.4 MULTIPLE APPLICATIONS OF THE CED

Once an officer has successfully deployed two probes on the subject, the officer should continually assess the subject to determine if additional probe deployments or cycles reasonably appear necessary. Additional factors officers may consider include but are not limited to:

- (a) Whether it is reasonable to believe that the need to control the individual outweighs the potentially increased risk posed by multiple applications.
- (b) Whether the probes are making proper contact.
- (c) Whether the individual has the ability and has been given a reasonable opportunity to comply.
- (d) Whether verbal commands or other options or tactics may be more effective.

Given that on certain devices (e.g., TASER 10™) each trigger pull deploys a single probe, the officer must pull the trigger twice to deploy two probes to create the possibility of neuro-muscular incapacitation.

308.5.5 ACTIONS FOLLOWING DEPLOYMENTS

Officers shall notify a supervisor of all TASER device discharges. Officers shall notify a supervisor of all TASER device discharges. The cartridge serial number should be noted and documented in the related arrest/crime report. The cartridge and prongs should be collected and disposed of.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Conducted Energy Device

the probes have penetrated the subject's skin they shall be marked "Biohazard" and disposed of accordingly.

308.5.6 DANGEROUS ANIMALS

The CED may be deployed against an animal if the animal reasonably appears to pose an imminent threat to human safety.

308.5.7 OFF-DUTY CONSIDERATIONS

Officers are not authorized to carry department CEDs while off-duty.

Officers shall ensure that CEDs are secured while in their homes, vehicles, or any other area under their control, in a manner that will keep the device inaccessible to others.

308.6 DOCUMENTATION

Officers shall document all CED discharges in the related arrest/crime reports and the CED report forms. Photographs should be taken of any obvious probe impact or drive-stun application sites and attached to the CED report form. Notification shall also be made to a supervisor in compliance with the Use of Force Policy. Unintentional discharges, pointing the device at a person, audible warning, laser activation, and arcing the device, other than for testing purposes, will also be documented on the report form. Data downloads from the CED after use on a subject should be done as soon as practicable using a department-approved process to preserve the data.

308.6.1 CED REPORT FORM

As applicable based on the device type, items that shall be included in the CED report form are:

- (a) The brand, model, and serial number of the CED and any cartridge/magazine.
- (b) Date, time, and location of the incident.
- (c) Whether any warning, display, laser, or arc deterred a subject and gained compliance.
- (d) The number of probes deployed, CED activations, the duration of each cycle, the duration between activations, and (as best as can be determined) the duration that the subject received applications.
- (e) The range at which the CED was used.
- (f) The type of mode used (e.g., probe deployment, drive-stun).
- (g) Location of any probe impact.
- (h) Location of contact in drive-stun mode.
- (i) Description of where missed probes went.
- (j) Whether medical care was provided to the subject.
- (k) Whether the subject sustained any injuries.
- (l) Whether any officers sustained any injuries.

The Training Manager should periodically analyze the report forms to identify trends, including deterrence and effectiveness. The Training Manager should also conduct audits of CED

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Conducted Energy Device

device data downloaded to an approved location and reconcile CED report forms with recorded activations. CED information and statistics, with identifying information removed, should periodically be made available to the public.

308.6.2 REPORTS

The officer should include the following in the arrest/crime report:

- (a) Identification of all personnel firing CEDs
- (b) Identification of all witnesses
- (c) Medical care provided to the subject
- (d) Observations of the subject's physical and physiological actions
- (e) Any known or suspected drug use, intoxication, or other medical problems

308.7 MEDICAL TREATMENT

Consistent with local medical personnel protocols and absent extenuating circumstances, only appropriate medical personnel or officers trained in probe removal and handling should remove CED probes from a person's body. Used CED probes shall be treated as a sharps biohazard, similar to a used hypodermic needle, and handled appropriately. Universal precautions should be taken.

All persons who have been struck by CED probes or who have been subjected to the electric discharge of the device, or who sustained direct exposure of the laser to the eyes shall be medically assessed prior to booking. Additionally, any such individual who falls under any of the following categories should, as soon as practicable, be examined by paramedics or other qualified medical personnel:

- (a) The person is suspected of being under the influence of controlled substances and/or alcohol.
- (b) The person may be pregnant.
- (c) The person reasonably appears to be in need of medical attention.
- (d) The CED probes are lodged in a sensitive area (e.g., groin, female breast, head, face, neck).
- (e) The person requests medical treatment.

Any individual exhibiting signs of distress or who is exposed to multiple or prolonged applications shall be transported to a medical facility for examination or medically evaluated prior to booking. If any individual refuses medical attention, such a refusal should be witnessed by another officer and/or medical personnel and shall be fully documented in related reports. If an audio/video recording is made of the contact or an interview with the individual, any refusal should be included, if possible.

The transporting officer shall inform any person providing medical care or receiving custody that the individual has been subjected to the application of the CED (see the Medical Aid and Response Policy).

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Conducted Energy Device

308.8 SUPERVISOR RESPONSIBILITIES

When possible, supervisors should respond to calls when they reasonably believe there is a likelihood the CED may be used. A supervisor should respond to all incidents where the CED was activated.

A supervisor should review each incident where a person has been exposed to a CED. The device's internal logs should be downloaded by a supervisor or Rangemaster and saved with the related arrest/crime report. The supervisor should arrange for photographs of probe sites to be taken and witnesses to be interviewed.

308.9 TRAINING

Personnel who are authorized to carry the CED shall be permitted to do so only after successfully completing the initial department-approved training. Any personnel who have not carried the CED as a part of their assignments for a period of six months or more shall be recertified by a qualified CED instructor prior to again carrying or using the device.

Proficiency training for personnel who have been issued CEDs should occur every year. A reassessment of an officer's knowledge and/or practical skills may be required at any time, if deemed appropriate by the Training Manager. All training and proficiency for CEDs will be documented in the officer's training files.

Command staff, supervisors, and investigators should receive CED training as appropriate for the investigations they conduct and review.

Officers who do not carry CEDs should receive training that is sufficient to familiarize them with the device and with working with officers who use the device.

The Training Manager is responsible for ensuring that all members who carry CEDs have received initial and annual proficiency training. Periodic audits should be used for verification.

Application of CEDs during training could result in injuries and should not be mandatory for certification.

The Training Manager should include the following training:

- (a) A review of this policy.
- (b) A review of the Use of Force Policy.
- (c) Performing weak-hand draws or cross-draws until proficient to reduce the possibility of unintentionally drawing and firing a firearm.
- (d) Target area considerations, to include techniques or options to reduce the unintentional application of probes to the head, neck, area of the heart, and groin.
- (e) Scenario-based training, including virtual reality training when available.
- (f) Handcuffing a subject during the application of the CED and transitioning to other force options.
- (g) De-escalation techniques.

Conducted Energy Device

- (h) Restraint techniques that do not impair respiration following the application of the CED.
- (i) Proper use of cover and concealment during deployment of the CED for purposes of officer safety.
- (j) Proper tactics and techniques related to multiple applications of CEDs.

Officer-Involved Shootings and Deaths

309.1 PURPOSE AND SCOPE

The purpose of this policy is to establish policy and procedures for the investigation of an incident in which a person is injured or dies as the result of an officer-involved shooting or dies as a result of another action of an officer.

In other incidents not covered by this policy, the Chief of Police may decide that the investigation will follow the process provided in this policy.

309.2 TYPES OF INVESTIGATIONS

Officer-involved shootings and deaths involve several separate investigations. The investigations may include:

- A criminal investigation of the suspect's actions.
- A criminal investigation of the involved officer's actions.
- An administrative investigation as to policy compliance by involved officers.
- A civil investigation to determine potential liability.

309.3 CONTROL OF INVESTIGATIONS

Investigators from surrounding agencies may be assigned to work on the criminal investigation of officer-involved shootings and deaths. This may include at least one investigator from the agency that employs the involved officer.

Jurisdiction is determined by the location of the shooting or death and the agency employing the involved officer. The following scenarios outline the jurisdictional responsibilities for investigating officer-involved shootings and deaths.

309.3.1 CRIMINAL INVESTIGATION OF SUSPECT ACTIONS

The investigation of any possible criminal conduct by the suspect is controlled by the agency in whose jurisdiction the suspect's crime occurred. For example, the Auburn Police Department would control the investigation if the suspect's crime occurred in Auburn.

If multiple crimes have been committed in multiple jurisdictions, identification of the agency that will control the investigation may be reached in the same way as with any other crime. The investigation may be conducted by the agency in control of the criminal investigation of the involved officer, at the discretion of the Chief of Police and with concurrence from the other agency.

309.3.2 CRIMINAL INVESTIGATION OF OFFICER ACTIONS

The control of the criminal investigation into the involved officer's conduct during the incident will be determined by the employing agency's protocol. 309.3.3 ADMINISTRATIVE AND CIVIL INVESTIGATION

Regardless of where the incident occurs, the administrative and civil investigation of each involved officer is controlled by the respective employing agency.

309.4 INVESTIGATION PROCESS

The following procedures are guidelines used in the investigation of an officer-involved shooting or death.

309.4.1 UNINVOLVED OFFICER RESPONSIBILITIES

Upon arrival at the scene of an officer-involved shooting, the first uninvolved APD officer will be the officer-in-charge and will assume the responsibilities of a supervisor until properly relieved. This officer should, as appropriate:

309.4.3 SUPERVISOR RESPONSIBILITIES

Upon arrival at the scene, the first uninvolved APD supervisor should ensure completion of the duties as outlined above, plus:

- (a) Attempt to obtain a brief overview of the situation from any uninvolved officers.
 - 1. In the event that there are no uninvolved officers who can supply adequate overview, the supervisor should attempt to obtain a brief voluntary overview from one involved officer.
- (b) If necessary, the supervisor may administratively order any APD officer to immediately provide public safety information necessary to secure the scene, identify injured parties and pursue suspects.
 - 1. Public safety information shall be limited to such things as outstanding suspect information, number and direction of any shots fired, perimeter of the incident scene, identity of known or potential witnesses and any other pertinent information.
 - 2. The initial on-scene supervisor should not attempt to order any involved officer to provide any information other than public safety information.
- (c) Provide all available information to the Shift Supervisor and the Dispatch Center. If feasible, sensitive information should be communicated over secure networks.
- (d) Take command of and secure the incident scene with additional APD members until properly relieved by another supervisor or other assigned personnel or investigator.
- (e) As soon as practicable, ensure that involved officers are transported (separately, if feasible) to a suitable location for further direction.
 - 1. Each involved APD officer should be given an administrative order not to discuss the incident with other involved officers or APD members pending further direction from a supervisor.
 - 2. When an involved officer's weapon is taken or left at the scene for other than officer-safety reasons (e.g., evidence), ensure that he/she is provided with a comparable replacement weapon or transported by other officers.

309.4.4 INVOLVED OFFICERS

The following shall be considered for the involved officer:

- (a) Any request for legal or union representation will be accommodated.
 - 1. Involved APD officers shall not be permitted to meet collectively or in a group with an attorney or any representative prior to providing a formal interview or report.
 - 2. Requests from involved non-APD officers should be referred to their employing agency.
- (b) Discussions with licensed attorneys will be considered privileged as attorney-client communications.

Auburn Police Department

Officer-Involved Shootings and Deaths

- (c) Discussions with agency representatives/employee groups will be privileged only as to the discussion of non-criminal information (Government Code § 3303(i)).
- (d) A licensed psychotherapist shall be provided by the Department to each involved APD officer. A licensed psychotherapist may also be provided to any other affected APD members, upon request.
 - 1. Interviews with a licensed psychotherapist will be considered privileged.
 - 2. An interview or session with a licensed psychotherapist may take place prior to the member providing a formal interview or report. However, involved members shall not be permitted to consult or meet collectively or in a group with a licensed psychotherapist prior to providing a formal interview or report.
 - 3. A separate fitness-for-duty exam may also be required (see the Fitness for Duty Policy).
- (e) Communications between the involved officer and a peer support member are addressed in the Wellness Program Policy.

Care should be taken to preserve the integrity of any physical evidence present on the involved officer's equipment or clothing, such as blood or fingerprints, until investigators or lab personnel can properly retrieve it.

Each involved APD officer shall be given reasonable paid administrative leave following an officer-involved shooting or death. It shall be the responsibility of the Shift Supervisor to make schedule adjustments to accommodate such leave.

309.4.5 NOTIFICATION TO DEPARTMENT OF JUSTICE

The California Department of Justice (DOJ) is required to investigate an officer-involved shooting resulting in the death of an unarmed civilian. The Shift Supervisor should promptly notify the DOJ in all incidents involving an officer-involved shooting resulting in the death of an unarmed civilian, including where it is undetermined if the civilian was unarmed.

For purposes of notification, "unarmed civilian" means anyone who is not in possession of a deadly weapon (Government Code § 12525.3).

309.5 CRIMINAL INVESTIGATION

The District Attorney's Office is responsible for the criminal investigation into the circumstances of any officer-involved shooting or death.

If available, investigative personnel from this department may be assigned to partner with investigators from outside agencies or the District Attorney's Office to avoid duplicating efforts in related criminal investigations.

Once public safety issues have been addressed, criminal investigators should be given the opportunity to obtain a voluntary statement from involved officers and to complete their interviews. The following shall be considered for the involved officer:

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Officer-Involved Shootings and Deaths

- (a) APD supervisors and Internal Affairs Unit personnel should not participate directly in any voluntary interview of APD officers. This will not prohibit such personnel from monitoring interviews or providing the criminal investigators with topics for inquiry.
- (b) If requested, any involved officer will be afforded the opportunity to consult individually with a representative of the officer's choosing or an attorney prior to speaking with criminal investigators. However, in order to maintain the integrity of each involved officer's statement, involved officers shall not consult or meet with a representative or an attorney collectively or in groups prior to being interviewed.
- (c) If any involved officer is physically, emotionally, or otherwise not in a position to provide a voluntary statement when interviewed by criminal investigators, consideration should be given to allowing a reasonable period for the officer to schedule an alternate time for the interview.
- (d) Any voluntary statement provided by an involved officer will be made available for inclusion in any related investigation, including administrative investigations. However, no administratively coerced statement will be provided to any criminal investigators unless the officer consents.

309.5.1 REPORTS BY INVOLVED APD OFFICERS

In the event that suspects remain outstanding or subject to prosecution for related offenses, this department shall retain the authority to require involved APD officers to provide sufficient information for related criminal reports to facilitate the apprehension and prosecution of those individuals (Government Code § 3304(a)).

While the involved APD officer may write the report, it is generally recommended that such reports be completed by assigned investigators, who should interview all involved officers as victims/witnesses. Since the purpose of these reports will be to facilitate criminal prosecution, statements of involved officers should focus on evidence to establish the elements of criminal activities by suspects. Care should be taken not to duplicate information provided by involved officers in other reports.

Nothing in this section shall be construed to deprive an involved APD officer of the right to consult with legal counsel prior to completing any such criminal report.

Reports related to the prosecution of criminal suspects will be processed according to normal procedures but should also be included for reference in the investigation of the officer-involved shooting or death.

309.5.2 WITNESS IDENTIFICATION AND INTERVIEWS

Because potential witnesses to an officer-involved shooting or death may become unavailable or the integrity of their statements compromised with the passage of time, a supervisor should take reasonable steps to promptly coordinate with criminal investigators to utilize available personnel for the following:

- (a) Identification of all persons present at the scene and in the immediate area.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Officer-Involved Shootings and Deaths

1. When feasible, a recorded statement should be obtained from those persons who claim not to have witnessed the incident but who were present at the time it occurred.
 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, officers should attempt to identify the witness prior to his/her departure.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by a member of the Department.
1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transportation.
- (c) Promptly contacting the suspect's known family and associates to obtain any available and untainted background information about the suspect's activities and state of mind prior to the incident.

309.5.3 INVESTIGATIVE PERSONNEL

Once notified of an officer-involved shooting or death, it shall be the responsibility of the designated Criminal Investigations Division supervisor to assign appropriate investigative personnel to handle the investigation of related crimes. Department investigators will be assigned to work with investigators from the District Attorney's Office and may be assigned to separately handle the investigation of any related crimes not being investigated by the District Attorney's Office.

All related department reports, except administrative and/or privileged reports, will be forwarded to the designated Criminal Investigations Division supervisor for approval. Privileged reports shall be maintained exclusively by members who are authorized such access. Administrative reports will be forwarded to the appropriate Division Commander.

309.6 ADMINISTRATIVE INVESTIGATION

In addition to all other investigations associated with an officer-involved shooting or death, this department will conduct an internal administrative investigation of APD officers to determine conformance with department policy. The investigation will be conducted under the supervision of the Internal Affairs Unit and will be considered a confidential officer personnel file.

Interviews of members shall be subject to department policies and applicable laws (see the Personnel Complaints Policy).

- (a) Any officer involved in a shooting or death may be requested or administratively compelled to provide a blood sample for alcohol/drug screening. Absent consent from

Auburn Police Department

the officer, such compelled samples and the results of any such testing shall not be disclosed to any criminal investigative agency.

- (b) If any officer has voluntarily elected to provide a statement to criminal investigators, the assigned administrative investigator should review that statement before proceeding with any further interview of that involved officer.
 - 1. If a further interview of the officer is deemed necessary to determine policy compliance, care should be taken to limit the inquiry to new areas with minimal, if any, duplication of questions addressed in the voluntary statement. The involved officer shall be provided with a copy of his/her prior statement before proceeding with any subsequent interviews.
- (c) In the event that an involved officer has elected to not provide criminal investigators with a voluntary statement, the assigned administrative investigator shall conduct an administrative interview to determine all relevant information.
 - 1. Although this interview should not be unreasonably delayed, care should be taken to ensure that the officer's physical and psychological needs have been addressed before commencing the interview.
 - 2. If requested, the officer shall have the opportunity to select an uninvolved representative to be present during the interview. However, in order to maintain the integrity of each individual officer's statement, involved officers shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed (Government Code § 3303(i)).
 - 3. Administrative interviews should be recorded by the investigator. The officer may also record the interview (Government Code § 3303(g)).
 - 4. The officer shall be informed of the nature of the investigation. If an officer refuses to answer questions, he/she should be given his/her *Lybarger* or *Garrity* rights and ordered to provide full and truthful answers to all questions. The officer shall be informed that the interview will be for administrative purposes only and that the statement cannot be used criminally.
 - 5. The Internal Affairs Unit shall compile all relevant information and reports necessary for the Department to determine compliance with applicable policies.
 - 6. Regardless of whether the use of force is an issue in the case, the completed administrative investigation shall be submitted to the Use of Force Review Board, which will restrict its findings as to whether there was compliance with the Use of Force Policy.
 - 7. Any other indications of potential policy violations shall be determined in accordance with standard disciplinary procedures.

309.7 AUDIO AND VIDEO RECORDINGS

Any officer involved in a shooting or death may be permitted to review available Mobile Audio/Video (MAV), body-worn video, or other video or audio recordings prior to providing a recorded statement or completing reports.

Officer-Involved Shootings and Deaths

Upon request, non-law enforcement witnesses who are able to verify their presence and their ability to contemporaneously perceive events at the scene of an incident may also be permitted to review available MAV, body-worn video, or other video or audio recordings with approval of assigned investigators or a supervisor.

Any MAV, body-worn and other known video or audio recordings of an incident should not be publicly released during an ongoing investigation without consulting the prosecuting attorney or City Attorney's Office, as appropriate.

309.8 CIVIL LIABILITY RESPONSE

A member of this department may be assigned to work exclusively under the direction of the legal counsel for the Department to assist in the preparation of materials deemed necessary in anticipation of potential civil litigation.

All materials generated in this capacity shall be considered attorney work product and may not be used for any other purpose. The civil liability response is not intended to interfere with any other investigation but shall be given reasonable access to all other investigations.

309.9 DEBRIEFING

Following an officer-involved shooting or death, the Auburn Police Department should conduct both a Critical Incident Stress Debriefing and a tactical debriefing. See the Wellness Program Policy for guidance on Critical Incident Stress Debriefings.

309.9.1 TACTICAL DEBRIEFING

A tactical debriefing should take place to identify any training or areas of policy that need improvement. The Chief of Police should identify the appropriate participants. This debriefing should not be conducted until all involved members have provided recorded or formal statements to criminal and/or administrative investigators.

309.10 MEDIA RELATIONS

Any media release shall be prepared with input and concurrence from the supervisor and department representative responsible for each phase of the investigation. Releases will be available to the Shift Supervisor, Criminal Investigations Division Division Commander and Public Information Officer in the event of inquiries from the media.

The Department shall not subject any involved APD officer to visits by the media (Government Code § 3303(e)). No involved APD officer shall make any comment to the media unless he/she is authorized by the Chief of Police or a Division Commander. Department members receiving inquiries regarding officer-involved shootings or deaths occurring in other jurisdictions shall refrain from public comment and will direct those inquiries to the agency having jurisdiction and primary responsibility for the investigation.

309.11 REPORTING

If the death of an individual occurs in the Auburn Police Department jurisdiction and qualifies to be reported to the state as a justifiable homicide or an in-custody death, the Operations

311.1 PURPOSE AND SCOPE

Under circumstances requiring an officer's personal handgun being booked for evidentiary purposes, the Auburn Police Department will issue the Glock 17 as a replacement

311.3.2 SHOTGUNS

The authorized department-issued shotgun is the Remington 870 12 Gauge or shotguns owned by the Department and approved by the Chief of Police or his/her designee. The following additional shotguns are approved for on-duty use:

Members should be aware that negligent storage of a firearm could result in civil and criminal liability (Penal Code § 25100).

311.6.3 ALCOHOL AND DRUGS

Firearms shall not be carried by any member, either on or off-duty, who has consumed an amount of an alcoholic beverage, taken any drugs or medication, or has taken any combination thereof that would tend to adversely affect the member's senses or judgment.

311.6.4 STORAGE IN VEHICLES

When leaving a handgun in an unattended vehicle, members shall ensure that it is locked in the trunk, or in a locked container that is placed out of view, or in a locked container that is permanently affixed to the vehicle's interior and not in plain view, or in a locked toolbox or utility box permanently affixed to the vehicle (Penal Code § 16850; Penal Code § 25140; Penal Code § 25452).

If the vehicle does not have a trunk or a locked container, then the firearm should be locked within the center utility console that can be locked with a padlock, keylock, combination lock, or other similar locking device (Penal Code § 25140).

Officers are exempt from these requirements during circumstances requiring immediate aid or action in the course of official duties (Penal Code § 25140).

311.7 FIREARMS TRAINING AND QUALIFICATIONS

All members who carry a firearm while on-duty are required to successfully complete training annually with their duty firearms. In addition to annual training, all members will qualify at least annually with their duty firearms. Members will qualify with off-duty and secondary firearms at least once a year. Training and qualifications must be on an approved range course.

At least annually, all members carrying a firearm should receive practical training designed to simulate field situations including low-light shooting.

If, for some reason, an employee is on vacation, sick or out on the date of training, a make-up date should be done in a reasonable time-frame upon the employee returning to work.

311.7.1 NON-CERTIFICATION OR NON-QUALIFICATION

If any member fails to meet minimum standards for firearms training or qualification for any reason, including injury, illness, duty status or scheduling conflict, that member shall submit a memorandum to his/her immediate supervisor prior to the end of the required training or qualification period.

Those who fail to meet minimum standards or qualify on their first shooting attempt shall be provided remedial training and will be subject to the following requirements:

- (a) Additional range assignments may be scheduled to assist the member in demonstrating consistent firearm proficiency.

- (b) Members shall be given credit for a range training or qualification when obtaining a qualifying score or meeting standards after remedial training.
- (c) No range credit will be given for the following:
 - 1. Unauthorized range make-up
 - 2. Failure to meet minimum standards or qualify after remedial training

Members who repeatedly fail to meet minimum standards will be removed from field assignment and may be subject to disciplinary action.

311.8 FIREARM DISCHARGE

Except during training or recreational use, any member who discharges a firearm intentionally or unintentionally, on- or off-duty, shall make a verbal report to his/her supervisor as soon as circumstances permit. If the discharge results in injury or death to another person, additional statements and reports shall be made in accordance with the Officer-Involved Shootings and Deaths Policy. If a firearm was discharged as a use of force, the involved member shall adhere to the additional reporting requirements set forth in the Use of Force Policy.

In all other cases, written reports shall be made as follows:

- (a) If on-duty at the time of the incident, the member shall file a written report with his/her Division Commander or provide a recorded statement to investigators prior to the end of shift, unless otherwise directed.
- (b) If off-duty at the time of the incident, the member shall file a written report or provide a recorded statement no later than the end of the next regularly scheduled shift, unless otherwise directed by a supervisor.

311.8.1 DESTRUCTION OF ANIMALS

Members are authorized to use firearms to stop an animal in circumstances where the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

In circumstances where there is sufficient advance notice that a potentially dangerous animal may be encountered, department members should develop reasonable contingency plans for dealing with the animal (e.g., fire extinguisher, conducted energy device, oleoresin capsicum (OC) spray, animal control officer). Nothing in this policy shall prohibit any member from shooting a dangerous animal if circumstances reasonably dictate that a contingency plan has failed, becomes impractical, or if the animal reasonably appears to pose an imminent threat to human safety.

311.8.2 INJURED ANIMALS

With the approval of a supervisor, a member may euthanize an animal that is so badly injured that human compassion requires its removal from further suffering and where other dispositions are impractical.

Stray or abandoned injured animals that may be moved or taken to an available veterinarian should not be euthanized. With supervisor approval, abandoned injured animals (with the exception

Auburn Police Department

of dogs and cats) may only be euthanized after a reasonable search to locate the owner has been made. Injured dogs and cats found without their owners shall be taken to an appropriate veterinarian for determination of whether they should be treated or humanely destroyed (Penal Code § 597.1).

311.8.3 WARNING AND OTHER SHOTS

Generally, warning shots or shots fired for the purpose of summoning aid are discouraged and may not be discharged unless the member reasonably believes that they appear necessary, effective and reasonably safe.

311.9 RANGEMASTER DUTIES

The range will be under the exclusive control of the Rangemaster. All members attending will follow the directions of the Rangemaster. The Rangemaster will maintain a roster of all members attending the range and will submit the roster to the Training Manager after each range date. Failure of any member to sign in and out with the Rangemaster may result in non-qualification.

The range shall remain operational and accessible to Department members during hours established by the Department.

The Rangemaster and/or Armorer has the responsibility of making an inspection, at least once a year, of all duty firearms carried by members of this department to verify proper operation, as well as audit the location and issuance of all Department firearms. The Rangemaster and/or Armorer has the authority to deem any department-issued or personally owned firearm unfit for service. The member will be responsible for all repairs to his/her personally owned firearm and it will not be returned to service until inspected by the Rangemaster and/or Armorer. Any inspection should be documented in a memo to the Administrative Services Commander.

The Rangemaster has the responsibility for ensuring each member meets the minimum requirements during training shoots and, on at least a yearly basis, can demonstrate proficiency in the care, cleaning and safety of all firearms the member is authorized to carry.

The Rangemaster shall complete and submit to the Training Manager documentation of the training courses provided. Documentation shall include the qualifications of each instructor who provides the training, a description of the training provided and, on a form that has been approved by the Department, a list of each member who completes the training. The Rangemaster should keep accurate records of all training shoots, qualifications, repairs, maintenance or other records as directed by the Training Manager.

311.10 FLYING WHILE ARMED

The Transportation Security Administration (TSA) has imposed rules governing law enforcement officers flying armed on commercial aircraft. The following requirements apply to officers who intend to be armed while flying on a commercial air carrier or flights where screening is conducted (49 CFR 1544.219):

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Firearms

- (a) Officers wishing to fly while armed must be flying in an official capacity, not for vacation or pleasure, and must have a need to have the firearm accessible, as determined by the Department based on the law and published TSA rules.
- (b) Officers must carry their Auburn Police Department identification card, bearing the officer's name, a full-face photograph, identification number, the officer's signature and the signature of the Chief of Police or the official seal of the Department and must present this identification to airline officials when requested. The officer should also carry the standard photo identification needed for passenger screening by airline and TSA officials (e.g., driver license, passport).
- (c) The Auburn Police Department must submit a National Law Enforcement Telecommunications System (NLETS) message prior to the officer's travel. If approved, TSA will send the Auburn Police Department an NLETS message containing a unique alphanumeric identifier. The officer must present the message on the day of travel to airport personnel as authorization to travel while armed.
- (d) An official letter signed by the Chief of Police authorizing armed travel may also accompany the officer. The letter should outline the officer's need to fly armed, detail his/her itinerary, and include that the officer has completed the mandatory TSA training for a law enforcement officer flying while armed.
- (e) Officers must have completed the mandated TSA security training covering officers flying while armed. The training shall be given by the department-appointed instructor.
- (f) It is the officer's responsibility to notify the air carrier in advance of the intended armed travel. This notification should be accomplished by early check-in at the carrier's check-in counter.
- (g) Any officer flying while armed should discreetly contact the flight crew prior to take-off and notify them of his/her assigned seat.
- (h) Discretion must be used to avoid alarming passengers or crew by displaying a firearm. The officer must keep the firearm concealed on his/her person at all times. Firearms are not permitted in carry-on luggage and may not be stored in an overhead compartment.
- (i) Officers should try to resolve any problems associated with flying armed through the flight captain, ground security manager, TSA representative or other management representative of the air carrier.
- (j) Officers shall not consume alcoholic beverages while aboard an aircraft, or within eight hours prior to boarding an aircraft.

311.11 CARRYING FIREARMS OUT OF STATE

Qualified, active, full-time officers of this department are authorized to carry a concealed firearm in all other states subject to the following conditions (18 USC § 926B):

- (a) The officer shall carry his/her Auburn Police Department identification card whenever carrying such firearm.
- (b) The officer is not the subject of any current disciplinary action.

- (c) The officer may not be under the influence of alcohol or any other intoxicating or hallucinatory drug.
- (d) The officer will remain subject to this and all other department policies (including qualifying and training).

Officers are cautioned that individual states may enact local regulations that permit private persons or entities to prohibit or restrict the possession of concealed firearms on their property, or that prohibit or restrict the possession of firearms on any state or local government property, installation, building, base or park. Federal authority may not shield an officer from arrest and prosecution in such locally restricted areas.

Active law enforcement officers from other states are subject to all requirements set forth in 18 USC § 926B.

Vehicle Pursuits

313.1 PURPOSE AND SCOPE

This policy provides guidelines for vehicle pursuits in order to protect the safety of involved officers, the public, and fleeing suspects.

313.1.1 DEFINITIONS

Blocking - A low-speed tactic where one or more authorized police department emergency vehicles intentionally restrict the movement of a suspect vehicle, with the goal of containment or preventing a pursuit. Blocking is not boxing in or a roadblock.

Boxing-in - A tactic designed to stop a suspect's moving vehicle by surrounding it with law enforcement vehicles and then slowing all vehicles to a stop.

Pursuit Intervention - An attempt to stop the suspect's ability to continue to flee in a vehicle through tactical application of technology, tire deflation devices, blocking or vehicle intercept, boxing-in, the PIT (known as Pursuit Intervention Technique or Precision Immobilization Technique), ramming, or roadblock procedures.

Pursuit Intervention Technique (PIT) - A low-speed tactic intentionally applied to cause the suspect vehicle to spin out and terminate the pursuit.

Ramming - The deliberate act of impacting a suspect's vehicle with another vehicle to functionally damage or otherwise force the suspect's vehicle to stop.

Roadblocks - A tactic designed to stop a suspect's vehicle by intentionally placing an emergency vehicle or other immovable object in the path of the suspect's vehicle.

Tire deflation device - A device that extends across the roadway designed to puncture the tires of the pursued vehicle, sometimes referred to as spike strips.

Terminate - To discontinue a pursuit or stop chasing fleeing vehicles.

Trail - Following the path of the pursuit at a safe speed while obeying all traffic laws and without activating emergency equipment. If the pursuit is at a slow rate of speed, the trailing vehicle will maintain sufficient distance from the pursuit vehicles so as to clearly indicate an absence of participation in the pursuit

Vehicle Pursuit - An event involving one or more law enforcement officers attempting to apprehend a suspect, who is attempting to avoid arrest while operating a motor vehicle by using high-speed driving or other evasive tactics, such as driving off a highway, turning suddenly, or driving in a legal manner but willfully failing to yield to an officer's signal to stop.

Surveillance Mode - A response in which an air unit is utilized as an observation platform for continued surveillance of a motor vehicle after a pursuit has been terminated at the direction of a supervisor. Operating in Surveillance Mode allows officers on the ground to work in conjunction with the air unit to maintain a loose containment of the motor vehicle until the suspect stops and abandons the motor vehicle.

313.2 OFFICER RESPONSIBILITIES

It shall be the policy of this department that a vehicle pursuit shall be conducted only with red light and siren as required by Vehicle Code § 21055 for exemption from compliance with the rules of the road. The following policy is established to provide officers with guidelines for driving with due regard and caution for the safety of all persons using the highway as required by Vehicle Code § 21056.

313.2.1 WHEN TO INITIATE A PURSUIT

Officers are authorized to initiate a pursuit when the officer reasonably believes that a suspect, who has been given appropriate signal to stop by a law enforcement officer, is attempting to evade arrest or detention by fleeing in a vehicle and the vehicle is a suspected stolen vehicle, a suspected driving under the influence (DUI) suspect, or a felony crime suspect(s). Felony evading of and in itself does not constitute a felony want as a consideration to initiate and/or continue a pursuit.

Factors that should be considered in deciding whether to initiate a pursuit include:

- (a) The seriousness of the known or reasonably suspected crime and its relationship to community safety.
- (b) The importance of protecting the public and balancing the known or reasonably suspected offense and the apparent need for immediate capture against the risks to officers, innocent motorists, and others.
- (c) The safety of the public in the area of the pursuit, including the type of area, time of day, the amount of vehicular and pedestrian traffic (e.g., school zones), and the speed of the pursuit relative to these factors.
- (d) The pursuing officers' familiarity with the area of the pursuit, the quality of radio communications between the pursuing units and the dispatcher supervisor, and the driving capabilities of the pursuing officers under the conditions of the pursuit.
- (e) Whether weather, traffic, and road conditions unreasonably increase the danger of the pursuit when weighed against the risk of the suspect's escape.
- (f) Whether the identity of the suspect has been verified and whether there is comparatively minimal risk in allowing the suspect to be apprehended at a later time.
- (g) The performance capabilities of the vehicles used in the pursuit in relation to the speeds and other conditions of the pursuit.
- (h) Emergency lighting and siren limitations on unmarked police department vehicles that may reduce visibility of the vehicle, such as visor or dash-mounted lights, concealable or temporary emergency lighting equipment, and concealed or obstructed siren positioning.
- (i) Suspect and officer vehicle speeds.
- (j) Other persons in or on the pursued vehicle (e.g., passengers, co-offenders, hostages).
- (k) Availability of other resources such as air support or vehicle locator or deactivation technology.

Auburn PD Policy Manual

Vehicle Pursuits

313.2.2 WHEN TO TERMINATE A PURSUIT

Pursuits should be terminated whenever the totality of objective circumstances known or which reasonably ought to be known to the officer or supervisor during the pursuit indicates that the present risks of continuing the pursuit reasonably appear to outweigh the risks resulting from the suspect's escape.

The factors listed in this policy on when to initiate a pursuit will apply equally to the decision to terminate a pursuit. Officers and supervisors must objectively and continuously weigh the seriousness of the offense against the potential danger to innocent motorists, themselves, and the public when electing to continue a pursuit.

In addition to the factors that govern when to initiate a pursuit, other factors should be considered in deciding whether to terminate a pursuit, including:

- (a) The distance between the pursuing vehicle and the fleeing vehicle is so great that further pursuit would be futile or require the pursuit to continue for an unreasonable time and/or distance.
- (b) The pursued vehicle's location is no longer definitely known.
- (c) The pursuing vehicle sustains damage or a mechanical failure that renders it unsafe to drive.
- (d) The pursuing vehicle's emergency lighting equipment or siren becomes partially or completely inoperable.
- (e) Hazards to uninvolved bystanders or motorists.
- (f) The danger that the continued pursuit poses to the public, the officers, or the suspect, balanced against the risk of allowing the suspect to remain at large.
- (g) The identity of the suspect is known and it does not reasonably appear that the need for immediate capture outweighs the risks associated with continuing the pursuit.
- (h) Extended pursuits of violators for misdemeanors not involving violence, risk of serious harm, or weapons (independent of the pursuit) are generally discouraged.

313.2.3 SPEED LIMITS

The speed of a pursuit is a factor that should be evaluated on a continuing basis by the officer and supervisor. Evaluation of vehicle speeds should take into consideration public safety, officer safety, and the safety of the occupants of the fleeing vehicle.

Should high vehicle speeds be reached during a pursuit, officers and supervisors should also consider these factors when determining the reasonableness of the speed of the pursuit:

- (a) Pursuit speeds have become unreasonably unsafe for the surrounding conditions.
- (b) Pursuit speeds have exceeded the driving ability of the officer.
- (c) Pursuit speeds are beyond the capabilities of the pursuit vehicle thus making its operation unsafe.

Auburn PD Policy Manual

313.3 PURSUIT UNITS

When involved in a pursuit, unmarked police department emergency vehicles should be replaced by marked emergency vehicles whenever practicable.

Vehicle pursuits should be limited to three vehicles (two units and a supervisor); however, the number of units involved may vary with the circumstances.

An officer or supervisor may request additional units to join a pursuit if, after assessing the factors outlined above, it reasonably appears that the number of officers involved may be insufficient to safely arrest the suspects. All other officers should stay out of the pursuit, but should remain alert to its progress and location. Any officer who drops out of a pursuit may then, if necessary, proceed to the termination point at legal speeds, following the appropriate rules of the road.

313.3.1 MOTORCYCLE OFFICERS

When involved in a pursuit, police department motorcycles should be replaced by marked four-wheel emergency vehicles as soon as practicable.

313.3.2 VEHICLES WITHOUT EMERGENCY EQUIPMENT

Officers operating vehicles not equipped with red light and siren are prohibited from initiating or joining in any pursuit.

313.3.3 PRIMARY UNIT RESPONSIBILITIES

The initial pursuing unit will be designated as the primary pursuit unit and will be responsible for the conduct of the pursuit unless the officer is unable to remain reasonably close to the suspect's vehicle. The primary responsibility of the officer initiating the pursuit is the apprehension of the suspects without unreasonable danger to any person.

The primary unit should notify the dispatcher commencing with a request for priority radio traffic, that a vehicle pursuit has been initiated, and as soon as practicable provide information including but not limited to:

- (a) The location, direction of travel, and estimated speed of the suspect's vehicle.
- (b) The description of the suspect's vehicle including license plate number, if known.
- (c) The reason for the pursuit.
- (d) Known or suspected weapons. Threat of force, violence, injuries, hostages, or other unusual hazards.
- (e) The suspected number of occupants and identity or description.
- (f) The weather, road, and traffic conditions.
- (g) The need for any additional resources or equipment.
- (h) The identity of other law enforcement agencies involved in the pursuit.

Until relieved by a supervisor or secondary unit, the officer in the primary unit is responsible for the broadcasting of the progress of the pursuit. Unless circumstances reasonably indicate otherwise, the primary pursuing officer should, as soon as practicable, relinquish the responsibility

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Vehicle Pursuits

of broadcasting the progress of the pursuit to a secondary unit or air support joining the pursuit to minimize distractions and allow the primary pursuing officer to concentrate foremost on safe pursuit tactics.

313.3.4 SECONDARY UNIT RESPONSIBILITIES

The second officer in the pursuit will be designated as the secondary unit and is responsible for:

- (a) Immediately notifying the dispatcher of entry into the pursuit.
- (b) Remaining a safe distance behind the primary unit unless directed to assume the role of primary pursuit vehicle or if the primary pursuit vehicle is unable to continue the pursuit.
- (c) Broadcasting the progress, updating known or critical information, and providing changes in the pursuit, unless the situation indicates otherwise.
- (d) Identifying the need for additional resources or equipment as appropriate.
- (e) Serving as backup to the primary pursuing officer once the suspect has been stopped.

313.3.5 PURSUIT DRIVING

The decision to use specific driving tactics requires the same assessment of the factors the officer considered when determining whether to initiate and/or terminate a pursuit. The following are tactics for units involved in the pursuit:

- (a) Officers, considering their driving skills and vehicle performance capabilities, will space themselves from other involved vehicles such that they are able to see and avoid hazards or react safely to maneuvers by the fleeing vehicle.
- (b) Because intersections can present increased risks, the following tactics should be considered:
 - 1. Available units not directly involved in the pursuit may proceed safely to controlled intersections ahead of the pursuit in an effort to warn cross traffic.
 - 2. Pursuing units should exercise due regard and caution when proceeding through controlled intersections.
- (c) As a general rule, officers should not pursue a vehicle driving left of center (wrong way) against traffic. In the event that the pursued vehicle does so, the following tactics should be considered:
 - 1. Requesting assistance from available air support.
 - 2. Maintain visual contact with the pursued vehicle by paralleling it on the correct side of the roadway.
 - 3. Request other units to observe exits available to the suspects.
- (d) Notify the California Highway Patrol (CHP) and/or other law enforcement agency if it appears that the pursuit may enter its jurisdiction.
- (e) Officers involved in a pursuit should not attempt to pass other units unless the situation indicates otherwise or they are requested to do so by the primary unit and with a clear understanding of the maneuver process between the involved units.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Vehicle Pursuits

313.3.6 PURSUIT TRAILING

In the event the initiating unit from this agency either relinquishes control of the pursuit to another unit or jurisdiction, that initiating unit may, with permission of a supervisor, trail the pursuit to the termination point in order to provide information and assistance for the arrest of the suspects and reporting the incident.

313.3.7 AIR SUPPORT ASSISTANCE

When available, air support assistance should be requested. Once the air unit has established visual contact with the pursued vehicle, the unit should assume control over the pursuit. The primary and secondary ground units, or involved supervisor, will maintain operational control but should consider whether the participation of air support warrants the continued close proximity and/or involvement of ground units in the pursuit.

The air unit should coordinate the activities of resources on the ground, report progress of the pursuit and provide officers and supervisors with details of upcoming traffic congestion, road hazards, or other pertinent information to evaluate whether to continue the pursuit. If ground units are not within visual contact of the pursued vehicle and the air support unit determines that it is unsafe to continue the pursuit, the air support unit should recommend terminating the pursuit.

313.3.8 UNITS NOT INVOLVED IN THE PURSUIT

There should be no paralleling of the pursuit route. Officers are authorized to use emergency equipment at intersections along the pursuit path to clear intersections of vehicular and pedestrian traffic to protect the public. Officers should remain in their assigned area and should not become involved with the pursuit unless directed otherwise by a supervisor.

The primary and secondary units should be the only units operating under emergency conditions (red light and siren) unless other units are assigned to the pursuit.

313.4 SUPERVISORY CONTROL AND RESPONSIBILITIES

Available supervisory and management control will be exercised over all vehicle pursuits involving officers from this department.

The field supervisor of the officer initiating the pursuit, or if unavailable, the nearest field supervisor will be responsible for:

- (a) Immediately notifying involved unit and the dispatcher of supervisory presence and ascertaining all reasonably available information to continuously assess the situation and risk factors associated with the pursuit.
- (b) Engaging in the pursuit, when appropriate, to provide on-scene supervision.
- (c) Exercising management and control of the pursuit even if not engaged in it.
- (d) Ensuring that no more than the required number of units are involved in the pursuit under the guidelines set forth in this policy.
- (e) Directing that the pursuit be terminated if, in the supervisor's judgment, it is unreasonable to continue the pursuit under the guidelines of this policy.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

- (f) Ensuring that assistance from air support, canines, or additional resources is requested, if available and appropriate.
- (g) Ensuring that the proper radio channel is being used.
- (h) Ensuring that the Shift Supervisor is notified of the pursuit as soon as practicable.
- (i) Ensuring the notification and/or coordination of outside agencies if the pursuit either leaves or is likely to leave the jurisdiction of this department.
- (j) Controlling and managing Auburn Police Department units when a pursuit enters another jurisdiction.
- (k) Preparing a post-pursuit review and documentation of the pursuit.
 - 1. Supervisors should initiate follow up or additional review when appropriate.

313.4.1 SHIFT SUPERVISOR RESPONSIBILITIES

Upon becoming aware that a pursuit has been initiated, the Shift Supervisor should monitor and continually assess the situation and ensure the pursuit is conducted within the guidelines and requirements of this policy. Once notified, the Shift Supervisor has the final responsibility for the coordination, control, and termination of a vehicle pursuit and shall be in overall command.

The Shift Supervisor shall review all pertinent reports for content and forward to the Division Commander.

313.5 THE DISPATCH CENTER

If the pursuit is confined within the City limits, radio communications will be conducted on the primary channel unless instructed otherwise by a supervisor or dispatcher. If the pursuit leaves the jurisdiction of this department or such is imminent, involved units should, whenever available, switch radio communications to a tactical or emergency channel most accessible by participating agencies and units.

313.5.1 THE DISPATCH CENTER RESPONSIBILITIES

Upon notification or becoming aware that a pursuit has been initiated, the dispatcher is responsible for:

- (a) Clearing the radio channel of non-emergency traffic.
- (b) Coordinating pursuit communications of the involved units and personnel.
- (c) Broadcasting pursuit updates as well as other pertinent information as necessary.
- (d) Ensuring that a field supervisor is notified of the pursuit.
- (e) Notifying and coordinating with other involved or affected agencies as practicable.
- (f) Notify the Shift Supervisor as soon as practicable.
- (g) Assigning an incident number and logging all pursuit activities.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Vehicle Pursuits

313.5.2 LOSS OF PURSUED VEHICLE

When the pursued vehicle is lost, the primary unit should broadcast pertinent information to assist other units in locating suspects. The primary unit or supervisor will be responsible for coordinating any further search for either the pursued vehicle or suspects fleeing on foot.

313.6 INTER-JURISDICTIONAL CONSIDERATIONS

When a pursuit enters another agency's jurisdiction, the primary officer or supervisor, taking into consideration distance traveled, unfamiliarity with the area and other pertinent facts, should determine whether to request the other agency to assume the pursuit. Unless entry into another jurisdiction is expected to be brief, it is generally recommended that the primary officer or supervisor ensure that notification is provided to each outside jurisdiction into which the pursuit is reasonably expected to enter, regardless of whether such jurisdiction is expected to assist.

313.6.1 ASSUMPTION OF PURSUIT BY ANOTHER AGENCY

Officers will relinquish control of the pursuit when another agency has assumed the pursuit, unless the continued assistance of the Auburn Police Department is requested by the agency assuming the pursuit. Upon relinquishing control of the pursuit, the involved officers may proceed, with supervisory approval, to the termination point of the pursuit to assist in the investigation. The supervisor should coordinate such assistance with the assuming agency and obtain any information that is necessary for any reports. Notification of a pursuit in progress should not be construed as a request to join the pursuit. Requests to or from another agency to assume a pursuit should be specific.

313.6.2 PURSUITS EXTENDING INTO THIS JURISDICTION

The agency that initiates a pursuit is responsible for conducting the pursuit. Units from this department should not join a pursuit unless specifically requested to do so by the pursuing agency and with approval from a supervisor. The exception to this is when a single unit from the initiating agency is in pursuit. Under this circumstance, a supervisor may authorize units from this department to join the pursuit until sufficient units from the initiating agency join the pursuit or until additional information is provided allowing withdrawal of the pursuit.

When a request is made for this department to assist or take over a pursuit that has entered the jurisdiction of Auburn Police Department, the supervisor should consider:

- (a) The public's safety within this jurisdiction.
- (b) The safety of the pursuing officers.
- (c) Whether the circumstances are serious enough to continue the pursuit.
- (d) Whether there is adequate staffing to continue the pursuit.
- (e) The ability to maintain the pursuit.

As soon as practicable, a supervisor or the Shift Supervisor should review a request for assistance from another agency. The Shift Supervisor or supervisor, after considering the above factors, may decline to assist in, or assume the other agency's pursuit.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Vehicle Pursuits

Assistance to a pursuing allied agency by officers of this department will terminate at the City limits provided that the pursuing officers have sufficient assistance from other sources. Ongoing participation from this department may continue only until sufficient assistance is present.

In the event that a pursuit from another agency terminates within this jurisdiction, officers should provide appropriate assistance to officers from the allied agency including but not limited to scene control, coordination and completion of supplemental reports, and any other reasonable assistance requested or needed.

313.7 WHEN PURSUIT INTERVENTION IS AUTHORIZED

Whenever practicable, an officer shall seek approval from a supervisor before employing any intervention to stop the pursued vehicle. In deciding whether to use intervention tactics, officers/supervisors should balance the risks of allowing the pursuit to continue with the potential hazards to the public arising from the use of each tactic, the officers, and persons in or on the pursued vehicle to determine which, if any, intervention tactic may be reasonable.

313.7.1 USE OF FIREARMS

An officer should only discharge a firearm at a moving vehicle or its occupants when the officer reasonably believes there are no other reasonable means available to avert the threat of the vehicle, or if deadly force other than the vehicle is directed at the officer or others.

Officers should not shoot at any part of a vehicle in an attempt to disable the vehicle (see the Use of Force Policy).

313.7.2 INTERVENTION STANDARDS

Any intervention tactic, depending upon the conditions and circumstances under which it is used, may present dangers to the officers, the public, or anyone in or on the vehicle being pursued. Certain applications of intervention tactics may be construed to be a use of force, including deadly force, and subject to the policies guiding such use. Officers should consider these facts and requirements prior to deciding how, when, where, and if an intervention tactic should be employed.

(a) Blocking should only be used after giving consideration to the following:

1. The technique should only be used by officers who have received training in the technique.
2. The need to immediately stop the suspect vehicle or prevent it from leaving reasonably appears to outweigh the risks of injury or death to occupants of the suspect vehicle, officers, or other members of the public.
3. It reasonably appears the technique will contain or prevent the pursuit.

(b) The PIT should only be used after giving consideration to the following:

1. The technique should only be used by officers who have received training in the technique, including speed restrictions.
2. Supervisory approval should be obtained before using the technique.

3. The need to immediately stop the suspect vehicle reasonably appears to outweigh the risks of injury or death to occupants of the suspect vehicle, officers, or other members of the public.
4. It reasonably appears the technique will terminate or prevent the pursuit.
- (c) Ramming a fleeing vehicle should only be done after giving consideration to the following:
 1. Supervisory approval should be obtained before using the technique.
 2. The need to immediately stop the suspect vehicle reasonably appears to substantially outweigh the risks of injury or death to occupants of the suspect vehicle, officers, or other members of the public.
 3. It reasonably appears the technique will terminate or prevent the pursuit.
 4. Ramming may be used only under circumstances when deadly force would be authorized.
 5. Ramming may be used when all other reasonable alternatives have been exhausted or reasonably appear ineffective.
- (d) Before attempting to box a suspect vehicle during a pursuit the following should be considered:
 1. The technique should only be used by officers who have received training in the technique.
 2. Supervisory approval should be obtained before using the technique.
 3. The need to immediately stop the suspect vehicle reasonably appears to outweigh the risks of injury or death to occupants of the suspect vehicle, officers, or other members of the public.
 4. It reasonably appears the technique will terminate or prevent the pursuit.
- (e) Tire deflation devices should only be used after considering the following:
 1. Tire deflation devices should only be used by officers who have received training in their use.
 2. Supervisory approval should be obtained before using tire deflation devices.
 3. The need to immediately stop the suspect vehicle reasonably appears to outweigh the risks of injury or death to occupants of the suspect vehicle, officers, or other members of the public.
 4. It reasonably appears the use will terminate or prevent the pursuit.
 5. Tire deflation devices should not be used when the pursued vehicle is a motorcycle, a vehicle transporting hazardous materials, or a school bus transporting children, except in extraordinary circumstances.
 6. Due to the increased risk to officers deploying tire deflation devices, such deployment should be communicated to all involved personnel.
- (f) Roadblocks should only be used after considering the following:

Vehicle Pursuits

1. Roadblocks should only be used by officers who have received training in their use.
2. Supervisory approval should be obtained before using the technique.
3. The need to immediately stop the suspect vehicle reasonably appears to substantially outweigh the risks of injury or death to occupants of the suspect vehicle, officers, or other members of the public.
4. It reasonably appears the technique will terminate or prevent the pursuit. Roadblocks may be used only under circumstances when deadly force would be authorized.
5. Roadblocks may be used when all other reasonable alternatives have been exhausted or reasonably appear ineffective.

313.7.3 CAPTURE OF SUSPECTS

Proper self-discipline and sound professional judgment are the keys to a successful conclusion of a pursuit and apprehension of evading suspects. Officers shall use only that amount of force, which reasonably appears necessary under the circumstances, to accomplish a legitimate law enforcement purpose.

Unless relieved by a supervisor, the primary pursuing officer should coordinate efforts to apprehend the suspects following the pursuit. Officers should consider safety of the public and the involved officers when formulating plans for setting up perimeters or for containing and capturing the suspects.

313.8 REPORTING REQUIREMENTS

All appropriate reports should be completed to comply with applicable laws, policies, and procedures.

- (a) The primary officer should complete appropriate crime/arrest reports.
- (b) The Shift Supervisor shall ensure that an Allied Agency Vehicle Pursuit Report (form CHP 187A) is filed with the CHP not later than 30 days following the pursuit (Vehicle Code § 14602.1). The primary officer should complete as much of the required information on the form as is known and forward the report to the Shift Supervisor for review and distribution.
- (c) After first obtaining the available information, the involved, or if unavailable on-duty, field supervisor shall promptly complete a Supervisor's Log or interoffice memorandum, briefly summarizing the pursuit to the Chief of Police or the authorized designee. This log or memorandum should include, at a minimum:
 1. Date and time of pursuit.
 2. Initial reason and circumstances surrounding the pursuit.
 3. Length of pursuit in distance and time, including the starting and termination points.
 4. Involved units and officers.

5. Alleged offenses.
 6. Whether a suspect was apprehended, as well as the means and methods used.
 7. Any use of force that occurred during the vehicle pursuit.
 - (a) Any use of force by a member should be documented in the appropriate report (See the Use of Force Policy).
 8. Any injuries and/or medical treatment.
 9. Any property or equipment damage.
 10. Name of supervisor at scene or who handled the incident.
- (d) After receiving copies of reports, logs, and other pertinent information, the Chief of Police or the authorized designee should conduct or assign the completion of a post-pursuit review.

Annually, the Chief of Police should direct a documented review and analysis of department vehicle pursuit reports to minimally include policy suitability, policy compliance, and training or equipment needs.

313.8.1 REGULAR AND PERIODIC PURSUIT TRAINING

The Training Manager shall make available to all officers initial and supplementary Police Officer Standard Training (POST) training on pursuits required by Penal Code § 13519.8, Vehicle Code § 17004.7(d), and 11 CCR 1081, and no less than annual training addressing:

- (a) This policy.
- (b) The importance of vehicle safety and protecting the public.
- (c) The need to balance the known offense and the need for immediate capture against the risks to officers and others.

313.8.2 POLICY REVIEW

Officers of this department shall certify in writing that they have received, read, and understand this policy initially, upon any amendments, and whenever training on this policy is provided. The POST attestation form, or an equivalent form, may be used to document the compliance and should be retained in the member's training file.

313.9 APPLICATION OF VEHICLE PURSUIT POLICY

This policy is expressly written and adopted pursuant to the provisions of Vehicle Code § 17004.7, with additional input from the POST Vehicle Pursuit Guidelines.

313.10 POLICY

It is the policy of this department to balance the importance of apprehending suspects who unlawfully flee from law enforcement against the risks associated with vehicle pursuits.

Bait Car Use

314.1 PURPOSE AND SCOPE

The Auburn Police Department operates a bait vehicle equipped with specialized tracking and surveillance equipment. The bait vehicle is designed to facilitate arrests of in-progress vehicle related crimes including auto thefts. The system will alert dispatch and or designated person(s) when the vehicle is moved. The location is tracked by a dispatcher or officer who coordinates the response.

314.2 ADMINISTRATION AND RESPONSIBILITIES

The Bait Supervisor or his/her designee is responsible for the maintenance, training and deployment of the bait vehicles. In most cases, the Bait Supervisor will be the Criminal Investigations Division supervisor. The Bait Supervisor reports to the Administrative Lieutenant. Deployment of the bait vehicles should be tracked and any incident or case number should be a part of the tracking mechanism that the Criminal Investigations Division (CID) utilizes. The tracking should additionally include:

- Arrests and citations for the bait vehicle use.
- The number of deployments.
- The location of the deployments.
- Should be accessible to staff and kept in the Criminal Investigations Division.

314.3 DEPLOYMENT PROTOCOL

Authorization to deploy the bait vehicle will be made through the Bait Supervisor. Bait vehicle equipment shall be inspected prior to deployment. The deployment of the bait vehicle shall be documented on a bulletin sheet and discussed during watch briefings. Auburn Police Dispatch shall be notified of the deployment. The bait vehicle will be driven to the location by plain clothes officers.

314.4 GENERAL PROCEDURES

AVOID responding Code 3 without supervisor approval.

AVOID engaging in a high speed pursuit of the bait vehicle.

Note: Follow the criteria set forth in the Vehicle Pursuits and Officer Response to Calls policies regarding Code 3 response or vehicle pursuits.

Initial dispatch to any activation will be primarily done through MDC, not radio, in order to counter scanners and smart phone police radio applications.

Bait Car Deployments will be put on the Computer Aided Dispatch (CAD) as a Bait Car Detail (BAIT) When the bait is activated, a **Signal 2000** (SIG2000) will be entered/activated. Patrol briefings should cover the deployment. All sworn personnel shall be notified by e-mail of bait car deployments by the deploying unit. Dispatch may broadcast the location in exigent situations (no

-

314.5 ACTIVATION OF A BAIT VEHICLE

Once the vehicle is armed, any of the below actions will activate the bait vehicle:

-
-
-
-
- Moving past a pre-determined geographical fence (if applicable)
- Vehicle movement

314.6 RESPONSE TO A STOLEN BAIT VEHICLE

When the bait vehicle is activated, the following will occur:

- Dispatch will give an alert tone and report a Signal 2000 in progress. All units will be prompted to check their MDT's for location and activity updates.
- The primary unit and cover units will be dispatched to the call.
- In most cases, a code three response is not necessary. Refer to APD Vehicle Pursuits policy regarding code three responses.
-
-
-
-
-
-
-
- The officers should not tell suspects that they were in a bait vehicle. Given the totality of circumstances, officers should consider whether there is sufficient evidence to believe that all passengers knew the vehicle was stolen and benefited and participated in the theft thus making them principals to the crime.

- Prior to the deployment, the vehicle will be checked to insure all components are functioning properly.

314.7 THEFT OF BAIT VEHICLE: UNABLE TO LOCATE

The GPS signal can be lost when a vehicle is moved indoors, such as a garage, or in a poor coverage area. When tracking of the vehicle is lost:

- Dispatch will give officers the last known position of the vehicle.
- Consideration should be given to the legal standing to enter property with or without a warrant.

Officer Response to Calls

315.1 PURPOSE AND SCOPE

This policy provides for the safe and appropriate response to emergency and non-emergency situations whether dispatched or self-initiated.

315.2 RESPONSE TO CALLS

Officers dispatched "Code-3" shall consider the call an emergency response and proceed immediately. Officers responding Code-3 shall continuously operate emergency lighting equipment, including at minimum a steady forward facing red light, and shall sound the siren as reasonably necessary pursuant to Vehicle Code § 21055.

Responding with emergency light(s) and siren does not relieve the officer of the duty to continue to drive with due regard for the safety of all persons. The use of any other warning equipment without a red light and siren does not provide any exemption from the Vehicle Code.

Officers should only respond Code-3 when so dispatched or when circumstances reasonably indicate an emergency response is required. Officers not authorized to respond Code-3 shall observe all traffic laws and proceed without the use of emergency lights and siren.

315.3 REQUESTING EMERGENCY ASSISTANCE

Requests for emergency assistance should be limited to those situations where the involved personnel reasonably believe that there is an immediate threat to the safety of officers, or assistance is needed to prevent imminent serious harm to a citizen. In any event, where a situation has stabilized and emergency response is not required, the requesting officer shall immediately notify the Dispatch Center.

If circumstances permit, the requesting officer should give the following information:

- The unit number
- The location
- The reason for the request and type of emergency
- The number of units required

315.3.1 NUMBER OF UNITS ASSIGNED

Normally, only two units should respond to an emergency call Code-3 unless the Sergeant or the Officer in charge authorizes an additional unit(s).

315.4 INITIATING CODE 3 RESPONSE

If an officer believes a Code-3 response to any call is appropriate, the officer shall immediately notify Dispatch. Generally, only two units should respond Code-3 to any situation. Should another officer believe a Code-3 response is appropriate, Dispatch shall be notified and the Sergeant or Officer in Charge will make a determination as to whether one or more officers driving Code-3 is appropriate.

Officer Response to Calls

315.5 RESPONSIBILITIES OF RESPONDING OFFICERS

Officers shall exercise sound judgment and care with due regard for life and property when responding to an emergency call. Officers shall reduce speed at all street intersections to such a degree that they shall have complete control of the vehicle.

The decision to continue a Code-3 response is at the discretion of the officer. If, in the officer's judgment, the roadway conditions or traffic congestion does not permit such a response without unreasonable risk, the officer may elect to respond to the call without the use of red lights and siren at the legal speed limit. In such an event, the officer should immediately notify the Dispatch Center. An officer shall also discontinue the Code-3 response when directed by a supervisor.

Upon receiving authorization or determining a Code-3 response is appropriate, an officer shall immediately give the location from which he/she is responding.

315.6 COMMUNICATIONS RESPONSIBILITIES

A dispatcher shall assign a Code-3 response when an officer requests emergency assistance or available information reasonably indicates that the public is threatened with serious injury or death and immediate police response is needed. In all other circumstances, the dispatcher and/or officer shall obtain authorization from the Shift Supervisor or a field supervisor prior to assigning units Code-3 . The dispatcher shall:

- (a) Attempt to assign the closest available unit to the location requiring assistance
- (b) Immediately notify the Shift Supervisor
- (c) Confirm the location from which the unit is responding when possible
- (d) Notify and coordinate allied emergency services (e.g., fire and ambulance)
- (e) Continue to obtain and broadcast information as necessary concerning the response and monitor the situation until it is stabilized or terminated
- (f) Control all radio communications during the emergency and coordinate assistance under the direction of the Shift Supervisor or field supervisor

315.7 SUPERVISORY RESPONSIBILITIES

Upon being notified that a Code-3 response has been initiated, the Shift Supervisor or the field supervisor shall verify the following:

- (a) The proper response has been initiated
- (b) No more than those units reasonably necessary under the circumstances are involved in the response
- (c) Affected outside jurisdictions are being notified as practical

The field supervisor shall monitor the response until it has been stabilized or terminated and assert control by directing units into or out of the response if necessary. If, in the supervisor's judgment,

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Officer Response to Calls

the circumstances require additional units to be assigned a Code-3 response, the supervisor may do so.

It is the supervisor's responsibility to terminate a Code-3 response that, in his/her judgment is inappropriate due to the circumstances.

When making the decision to authorize a Code-3 response, the Shift Supervisor or the field supervisor should consider the following:

- The type of call
- The necessity of a timely response
- Traffic and roadway conditions
- The location of the responding units

315.8 FAILURE OF EMERGENCY EQUIPMENT

If the emergency equipment on the vehicle should fail to operate, the officer must terminate the Code-3 response and respond accordingly. In all cases, the officer shall notify the Sergeant or Officer in Charge, and Dispatch of the equipment failure.

Domestic Violence

318.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to deter, prevent and reduce domestic violence through vigorous enforcement and to address domestic violence as a serious crime against society. The policy specifically addresses the commitment of this department to take enforcement action when appropriate, to provide assistance to victims and to guide officers in the investigation of domestic violence.

318.1.1 DEFINITIONS

Definitions related to this policy include:

Court order - All forms of orders related to domestic violence that have been issued by a court of this state or another, whether civil or criminal, regardless of whether service has been made.

318.2 POLICY

The Auburn Police Department's response to incidents of domestic violence and violations of related court orders shall stress enforcement of the law to protect the victim and shall communicate the philosophy that domestic violence is criminal behavior. It is also the policy of this department to facilitate victims' and offenders' access to appropriate civil remedies and community resources whenever feasible.

318.3 OFFICER SAFETY

The investigation of domestic violence cases often places officers in emotionally charged and sometimes highly dangerous environments. No provision of this policy is intended to supersede the responsibility of all officers to exercise due caution and reasonable care in providing for the safety of any officers and parties involved.

318.4 INVESTIGATIONS

The following guidelines should be followed by officers when investigating domestic violence cases:

- (a) Calls of reported, threatened, imminent, or ongoing domestic violence and the violation of any court order are of extreme importance and should be considered among the highest response priorities. This includes incomplete 9-1-1 calls.
- (b) When practicable, officers should obtain and document statements from the victim, the suspect, and any witnesses. Reporting Officers should consider obtaining a minimal factual statement from any children who were in or around the household or location of occurrence where a serious incident of domestic violence occurred. A more detailed statement may be obtained at a later date through an MDIC which are generally requested by the Investigations Unit or a Deputy District Attorney. In regards to incidents of domestic violence which are less severe in nature (243(e)(1) PC or 273.5 PC with minor injuries) a detailed statement should be obtained from any children who were in or around the household or location of occurrence in an effort to establish Probable Cause.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Domestic Violence

- (c) Officers should list the full name and date of birth (and school if available) of each child who was present in the household at the time of the offense. The names of other children who may not have been in the house at that particular time should also be obtained for follow-up.
- (d) When practicable and legally permitted, video or audio record all significant statements and observations.
- (e) All injuries should be photographed, regardless of severity, taking care to preserve the victim's personal privacy. Where practicable, photographs should be taken by a person of the same sex. Victims whose injuries are not visible at the time of the incident should be asked to contact the Criminal Investigations Division in the event that the injuries later become visible.
- (f) Officers should request that the victim complete and sign an authorization for release of medical records related to the incident when applicable.
- (g) If the suspect is no longer at the scene, officers should make reasonable efforts to locate the suspect to further the investigation, provide the suspect with an opportunity to make a statement, and make an arrest or seek an arrest warrant if appropriate.
- (h) Seize any firearms or other dangerous weapons in the home, if appropriate and legally permitted, for safekeeping or as evidence. If the domestic violence involved threats of bodily harm, any firearm discovered in plain view or pursuant to consent or other lawful search must be taken into temporary custody (Penal Code § 18250).
- (i) When completing an incident or arrest report for violation of a court order, officers should include specific information that establishes that the offender has been served, including the date the offender was served, the name of the agency that served the order, and the provision of the order that the subject is alleged to have violated. When reasonably available, the arresting officer should attach a copy of the order to the incident or arrest report.
- (j) Officers should take appropriate enforcement action when there is probable cause to believe an offense has occurred. Factors that should not be used as sole justification for declining to take enforcement action include:
 - 1. Whether the suspect lives on the premises with the victim.
 - 2. Claims by the suspect that the victim provoked or perpetuated the violence.
 - 3. The potential financial or child custody consequences of arrest.
 - 4. The physical or emotional state of either party.
 - 5. Use of drugs or alcohol by either party.
 - 6. Denial that the abuse occurred where evidence indicates otherwise.
 - 7. A request by the victim not to arrest the suspect.
 - 8. Location of the incident (public/private).
 - 9. Speculation that the complainant may not follow through with the prosecution.

Domestic Violence

10. Actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or marital status of the victim or suspect.
11. The social status, community status, or professional position of the victim or suspect.

318.4.1 IF A SUSPECT IS ARRESTED

If a suspect is arrested, officers should:

- (a) Advise the victim that there is no guarantee the suspect will remain in custody.
- (b) Provide the victim with the enrollment information for (VINE) Victim Information & Notification Everyday to enable notification of the victim upon the suspect's release from jail.
- (c) Advise the victim whether any type of court order will be in effect when the suspect is released from jail.

318.4.2 IF NO ARREST IS MADE

If no arrest is made, the officer should:

- (a) Advise the parties of any options, including but not limited to:
 1. Voluntary separation of the parties.
 2. Appropriate resource referrals (e.g., counselors, friends, relatives, shelter homes, victim witness unit).
- (b) Document the resolution in a report.

318.5 VICTIM ASSISTANCE

Because victims may be traumatized or confused, officers should be aware that a victim's behavior and actions may be affected:

- (a) Victims should be provided with the department's domestic violence information handout, even if the incident may not rise to the level of a crime.
- (b) Victims should also be alerted to any available victim advocates, shelters, and community resources.
- (c) When an involved person requests law enforcement assistance while removing essential items of personal property, officers should stand by for a reasonable amount of time.
- (d) If the victim has sustained injury or complaints of pain, officers should seek medical assistance as soon as practicable.
- (e) Officers should ask the victim whether the victim has a safe place to stay and assist in arranging transportation to an alternate shelter if the victim expresses a concern for the victim's safety or if the officer determines that a need exists.
- (f) Officers should make reasonable efforts to ensure that children or dependent adults who are under the supervision of the suspect or victim are being properly cared for.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Domestic Violence

- (g) If appropriate, officers should seek or assist the victim in obtaining an emergency order if appropriate.

An officer shall advise an individual protected by a Canadian domestic violence protection order of available local victim services (Family Code § 6452).

318.5.1 MEDICAL RECORDS RELEASE

If the victim has injuries that appear to need medical attention, request the victims signature on the "Authorization to Disclose Health Information and Medical Records" form.

318.6 DISPATCH ASSISTANCE

All calls of domestic violence, including incomplete 9-1-1 calls, should be dispatched as soon as practicable.

Dispatchers are not required to verify the validity of a court order before responding to a request for assistance. Officers should request that dispatchers check whether any of the involved persons are subject to the terms of a court order.

318.6.1 SUPERVISORS ROLE

The on duty supervisor should make sure the notifications to Placer County Family and Children Services and Victim Witness are properly completed.

Attention should be made to make sure the Domestic Violence Checklist is properly completed.

318.7 FOREIGN COURT ORDERS

Various types of orders may be issued in domestic violence cases. Any foreign court order properly issued by a court of another state, Indian tribe, or territory shall be enforced by officers as if it were the order of a court in this state. An order should be considered properly issued when it reasonably appears that the issuing court has jurisdiction over the parties and reasonable notice and opportunity to respond was given to the party against whom the order was issued (18 USC § 2265). An otherwise valid out-of-state court or foreign order shall be enforced, regardless of whether the order has been properly registered with this state (Family Code § 6403).

Canadian domestic violence protection orders shall also be enforced in the same manner as if issued in this state (Family Code § 6452).

318.8 VERIFICATION OF COURT ORDERS

Determining the validity of a court order, particularly an order from another jurisdiction, can be challenging. Therefore, in determining whether there is probable cause to make an arrest for a violation of any court order, officers should carefully review the actual order when available, and where appropriate and practicable:

- (a) Ask the subject of the order about his/her notice or receipt of the order, his/her knowledge of its terms and efforts to respond to the order.
 - 1. If a determination is made that a valid foreign order cannot be enforced because the subject has not been notified or served the order, the officer shall inform the subject of the order, make a reasonable effort to serve the order upon the

subject, and allow the subject a reasonable opportunity to comply with the order before enforcing the order. Verbal notice of the terms of the order is sufficient notice (Family Code § 6403).

- (b) Check available records or databases that may show the status or conditions of the order.
 - 1. Registration or filing of an order in California is not required for the enforcement of a valid foreign order (Family Code § 6403).
- (c) Contact the issuing court to verify the validity of the order.
- (d) Contact a law enforcement official from the jurisdiction where the order was issued to verify information.

Officers should document in an appropriate report their efforts to verify the validity of an order, regardless of whether an arrest is made. Officers should contact a supervisor for clarification when needed.

318.9 STANDARDS FOR ARRESTS

Officers investigating a domestic violence report should consider the following:

- (a) An arrest should be made when there is probable cause to believe that a felony or misdemeanor domestic violence offense has been committed (Penal Code § 13701). Any decision to not arrest an adult when there is probable cause to do so requires supervisor approval.
 - 1. Officers are only authorized to make an arrest without a warrant for a misdemeanor domestic violence offense if the officer makes the arrest as soon as probable cause arises (Penal Code § 836).
- (b) An officer responding to a domestic violence call who cannot make an arrest will advise the victim of the victim's right to make a private person's arrest. The advisement should be made out of the presence of the suspect and shall include advising the victim how to safely execute the arrest. Officers shall not dissuade victims from making a lawful private person's arrest. Officers should refer to the provisions in the Private Persons Arrests Policy for options regarding the disposition of private person's arrests (Penal Code § 836(b)).
- (c) Officers shall not cite and release a person for the following offenses (Penal Code § 853.6(a)(3)):
 - 1. Penal Code § 243(e)(1) (battery against spouse, cohabitant)
 - 2. Penal Code § 273.5 (corporal injury on spouse, cohabitant, fiancé/fiancée, person of a previous dating or engagement relationship, mother/father of the offender's child)
 - 3. Penal Code § 273.6 (violation of protective order) if violence or threats of violence have occurred or the suspect has gone to the workplace or residence of the protected party
 - 4. Penal Code § 646.9 (stalking)

Domestic Violence

5. Other serious or violent felonies specified in Penal Code § 1270.1
- (d) In responding to domestic violence incidents, including mutual protective order violations, officers should generally be reluctant to make dual arrests. Officers shall make reasonable efforts to identify the dominant aggressor in any incident. The dominant aggressor is the person who has been determined to be the most significant, rather than the first, aggressor (Penal Code § 13701). In identifying the dominant aggressor, an officer shall consider:
 1. The intent of the law to protect victims of domestic violence from continuing abuse.
 2. The threats creating fear of physical injury.
 3. The history of domestic violence between the persons involved.
 4. Whether either person acted in self-defense.
- (e) An arrest shall be made when there is probable cause to believe that a violation of a domestic violence court order has been committed (Penal Code § 13701; Penal Code § 836), regardless of whether the offense was committed in the officer's presence. After arrest, the officer shall confirm that a copy of the order has been registered, unless the victim provides a copy (Penal Code § 836).

318.10 REPORTS AND RECORDS

- (a) A written report shall be completed on all incidents of domestic violence. All such reports should be documented on the appropriate form, which includes information and notations specific to domestic violence incidents as required by Penal Code § 13730.
- (b) Reporting officers should provide the victim with the case number of the report. The case number may be placed in the space provided on the domestic violence victim information handout provided to the victim. If the case number is not immediately available, an explanation should be given regarding how the victim can obtain the information at a later time.
- (c) Officers who seize any firearm, ammunition, or other deadly weapon in a domestic violence incident shall issue the individual possessing such weapon a receipt that includes the name and residential mailing address of the owner or person who possessed the weapon and notice of where the weapon may be recovered, along with the applicable time limit for recovery (Penal Code § 18250; Penal Code § 18255; Penal Code § 33800; Family Code § 6389(c)).

318.11 RECORD-KEEPING AND DATA COLLECTION

This department shall maintain records of court orders related to domestic violence and the service status of each (Penal Code § 13710), as well as records on the number of domestic violence related calls reported to the Department, including whether weapons were used in the incident or whether the incident involved strangulation or suffocation (Penal Code § 13730). This information is to be reported to the Attorney General monthly. It shall be the responsibility of the Records Communication Supervisor to maintain and report this information as required.

318.12 SERVICE OF COURT ORDERS

- (a) An officer who obtains an emergency protective order from the court shall serve it on the restrained person if the person can be reasonably located and shall provide the person protected or the person's parent/guardian with a copy of the order. The officer shall file a copy with the court as soon as practicable and shall have the order entered into the computer database system for protective and restraining orders maintained by the Department of Justice (Family Code § 6271; Penal Code § 646.91).
- (b) A temporary restraining order, emergency protective order, or an order issued after a hearing shall, at the request of the petitioner, be served on the restrained person by an officer who is present at the scene of a reported domestic violence incident or when the officer receives a request from the petitioner to provide service of the order (Family Code § 6383; Penal Code § 13710).
- (c) Any officer serving a protective order that indicates that the respondent possesses weapons or ammunition shall request that the firearm/ammunition be immediately surrendered (Family Code § 6389(c)).
- (d) During the service of a protective order any firearm discovered in plain view or pursuant to consent or other lawful search shall be taken into temporary custody (Penal Code § 18250).
 - 1. An officer should ensure that the Records Bureau is notified of any firearm obtained for entry into the Automated Firearms System (Family Code § 6383) (see the Records Bureau Policy for additional guidance).
- (e) If a valid Canadian order cannot be enforced because the person subject to the order has not been notified or served with the order, the officer shall notify the protected individual that reasonable efforts shall be made to contact the person subject to the order. The officer shall make a reasonable effort to inform the person subject to the order of the existence and terms of the order and provide the person with a record of the order, if available, and shall allow the person a reasonable opportunity to comply with the order before taking enforcement action (Family Code § 6452).

318.13 PUBLIC ACCESS TO POLICY

A copy of this domestic violence policy will be provided to members of the public upon request (Penal Code § 13701).

318.14 DECLARATION IN SUPPORT OF BAIL INCREASE

Any officer who makes a warrantless arrest for a felony or misdemeanor violation of a domestic violence restraining order shall evaluate the totality of the circumstances to determine whether reasonable cause exists to seek an increased bail amount. If there is reasonable cause to believe that the scheduled bail amount is insufficient to assure the arrestee's appearance or to protect the victim or family member of a victim, the officer shall prepare a declaration in support of increased bail (Penal Code § 1269c).

318.15 DOMESTIC VIOLENCE DEATH REVIEW TEAM

This department should cooperate with any interagency domestic violence death review team investigation. Written and oral information relating to a domestic violence death that would otherwise be subject to release restrictions may be disclosed to the domestic violence death review team upon written request and approval of a supervisor (Penal Code § 11163.3).

Search and Seizure

320.1 PURPOSE AND SCOPE

Both the federal and state Constitutions provide every individual with the right to be free from unreasonable searches and seizures. This policy provides general guidelines for Auburn Police Department personnel to consider when dealing with search and seizure issues.

320.2 POLICY

It is the policy of the Auburn Police Department to respect the fundamental privacy rights of individuals. Members of this department will conduct searches in strict observance of the constitutional rights of persons being searched. All seizures by this department will comply with relevant federal and state law governing the seizure of persons and property.

The Department will provide relevant and current training to officers as guidance for the application of current law, local community standards and prosecutorial considerations regarding specific search and seizure situations, as appropriate.

320.3 SEARCHES

The U.S. Constitution generally provides that a valid warrant is required in order for a search to be valid. There are, however, several exceptions that permit a warrantless search.

Examples of law enforcement activities that are exceptions to the general warrant requirement include, but are not limited to, searches pursuant to the following:

- Valid consent
- Incident to a lawful arrest
- Legitimate community caretaking interests
- Vehicle searches under certain circumstances
- Exigent circumstances

Certain other activities are recognized by federal and state courts and by certain statutes as legitimate law enforcement activities that also do not require a warrant. Such activities may include seizure and examination of abandoned property, and observations of activities and property located on open public areas.

Because case law regarding search and seizure is constantly changing and subject to interpretation by the courts, each member of this department is expected to act in each situation according to current training and his/her familiarity with clearly established rights as determined by case law.

Whenever practicable, officers are encouraged to contact a supervisor to resolve questions regarding search and seizure issues prior to electing a course of action.

Search and Seizure

320.4 SEARCH PROTOCOL

Although conditions will vary and officer safety and other exigencies must be considered in every search situation, the following guidelines should be followed whenever circumstances permit:

- (a) Members of this department will strive to conduct searches with dignity and courtesy.
- (b) Officers should explain to the person being searched the reason for the search and how the search will be conducted.
- (c) Searches should be carried out with due regard and respect for private property interests and in a manner that minimizes damage. Property should be left in a condition as close as reasonably possible to its pre-search condition.
- (d) In order to minimize the need for forcible entry, an attempt should be made to obtain keys, combinations or access codes when a search of locked property is anticipated.
- (e) When the person to be searched is of the opposite sex as the searching officer, a reasonable effort should be made to summon an officer of the same sex as the subject to conduct the search. When it is not practicable to summon an officer of the same sex as the subject, the following guidelines should be followed:
 1. Another officer or a supervisor should witness the search.
 2. The officer should not search areas of the body covered by tight-fitting clothing, sheer clothing or clothing that could not reasonably conceal a weapon.

320.5 DOCUMENTATION

Officers are responsible to document any search and to ensure that any required reports are sufficient including, at minimum, documentation of the following:

- Reason for the search
- Any efforts used to minimize the intrusiveness of any search (e.g., asking for consent or keys)
- What, if any, injuries or damage occurred
- All steps taken to secure property
- The results of the search, including a description of any property or contraband seized
- If the person searched is the opposite sex, any efforts to summon an officer of the same sex as the person being searched and the identification of any witness officer

Supervisors shall review reports to ensure the reports are accurate, that actions are properly documented and that current legal requirements and department policy have been met.

Temporary Custody of Juveniles

322.1 PURPOSE AND SCOPE

This policy provides guidelines consistent with the Juvenile Justice and Delinquency Prevention Act for juveniles taken into temporary custody by members of the Auburn Police Department (34 USC § 11133).

Guidance regarding contacting juveniles at schools or who may be victims is provided in the Child Abuse Policy.

322.1.1 DEFINITIONS

Definitions related to this policy include:

Juvenile non-offender - An abused, neglected, dependent, or alien juvenile who may be legally held for the juvenile's own safety or welfare. This also includes any juvenile who may have initially been contacted for an offense that would not subject an adult to arrest (e.g., fine-only offense) but was taken into custody for the juvenile's protection or for purposes of reuniting the juvenile with a parent, guardian, or other responsible person. Juveniles 11 years of age or younger are considered juvenile non-offenders even if they have committed an offense that would subject an adult to arrest.

Juvenile offender - A juvenile 12 to 17 years of age who is alleged to have committed an offense that would subject an adult to arrest (a non-status offense) (Welfare and Institutions Code § 602). It also includes an offense under Penal Code § 29610 for underage possession of a handgun or concealable firearm (28 CFR 31.303).

Non-secure custody - When a juvenile is held in the presence of an officer or other custody employee at all times and is not placed in a locked room, cell, or behind any locked doors. Juveniles in non-secure custody may be handcuffed but not to a stationary or secure object. Personal supervision, through direct visual monitoring and audio two-way communication is maintained. Monitoring through electronic devices, such as video, does not replace direct visual observation (Welfare and Institutions Code § 207.1; 15 CCR 1150).

Safety checks - Direct, visual observation personally by a member of this department performed at random intervals within time frames prescribed in this policy to provide for the health and welfare of juveniles in temporary custody.

Secure custody - When a juvenile offender is held in a locked room, a set of rooms, or a cell. Secure custody also includes being physically secured to a stationary object (15 CCR 1146).

Examples of secure custody include:

- (a) A juvenile left alone in an unlocked room within the secure perimeter of the adult temporary holding area.
- (b) A juvenile handcuffed to a rail.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Temporary Custody of Juveniles

- (c) A juvenile placed in a room that contains doors with delayed egress devices that have a delay of more than 30 seconds.
- (d) A juvenile being processed in a secure booking area when a non-secure booking area is available.
- (e) A juvenile left alone in a secure booking area after being photographed and fingerprinted.
- (f) A juvenile placed in a cell within the adult temporary holding area, whether or not the cell door is locked.
- (g) A juvenile placed in a room that is capable of being locked or contains a fixed object designed for cuffing or restricting movement.

Sight and sound separation - Located or arranged to prevent physical, visual, or auditory contact that is more than brief or inadvertent.

Status offender - A juvenile suspected of committing a criminal violation of the law that would not be a criminal violation but for the age of the offender. Examples may include running away, underage possession of tobacco, curfew violation, and truancy. A juvenile in custody on a court order or warrant based upon a status offense is also a status offender. This includes the habitually disobedient or truant juvenile under Welfare and Institutions Code § 601 and any juvenile suspected of an offense that would not subject an adult to arrest (e.g., fine-only offense).

322.2 POLICY

The Auburn Police Department is committed to releasing juveniles from temporary custody as soon as reasonably practicable and keeping juveniles safe while they are in temporary custody at the Auburn Police Department. Juveniles should be held in temporary custody only for as long as reasonably necessary for processing, transfer, or release.

322.3 JUVENILES WHO SHOULD NOT BE HELD

Juveniles who exhibit any of the following conditions should not be held at the Auburn Police Department:

- (a) Unconscious
- (b) Seriously injured
- (c) A known suicide risk or obviously severely emotionally disturbed
- (d) Significantly intoxicated except when approved by the Shift Supervisor. A medical clearance shall be obtained for minors who are under the influence of drugs, alcohol, or any other intoxicating substance to the extent that they are unable to care for themselves (15 CCR 1151).
- (e) Extremely violent or continuously violent

Officers taking custody of a juvenile who exhibits any of the above conditions should take reasonable steps to provide medical attention or mental health assistance and notify a supervisor of the situation (15 CCR 1142; 15 CCR 1151).

Auburn Police Department

Temporary Custody of Juveniles

These juveniles should not be held at the Auburn Police Department unless they have been evaluated by a qualified medical and/or mental health professional (15 CCR 1142).

If the officer taking custody of the juvenile believes the juvenile may be a suicide risk, the juvenile shall be under continuous direct supervision until evaluation, release, or a transfer is completed (15 CCR 1142).

322.3.1 EMERGENCY MEDICAL CARE OF JUVENILES IN CUSTODY

When emergency medical attention is required for a juvenile, medical assistance will be called immediately. The Shift Supervisor shall be notified of the need for medical attention for the juvenile. Department members should administer first aid as applicable (15 CCR 1142).

322.3.2 SUICIDE PREVENTION OF JUVENILES IN CUSTODY

Department members should be alert to potential symptoms based upon exhibited behavior that may indicate the juvenile is a suicide risk. These symptoms may include depression, refusal to communicate, verbally threatening to kill themselves, or any unusual behavior which may indicate the juvenile may harm themselves while in either secure or non-secure custody (15 CCR 1142).

322.4 CUSTODY OF JUVENILES

Officers should take custody of a juvenile and temporarily hold the juvenile at the Auburn Police Department when there is no other lawful and practicable alternative to temporary custody. Refer to the Child Abuse Policy for additional information regarding detaining a juvenile that is suspected of being a victim.

No juvenile should be held in temporary custody at the Auburn Police Department without authorization of the arresting officer's supervisor or the Shift Supervisor. Juveniles taken into custody shall be held in non-secure custody unless otherwise authorized by this policy.

Any juvenile taken into custody shall be released to the care of the juvenile's parent or other responsible adult or transferred to a juvenile custody facility or to other authority as soon as practicable and in no event shall a juvenile be held beyond six hours from the time of the juvenile's entry into the Auburn Police Department (34 USC § 11133; Welfare and Institutions Code § 207.1).

322.4.1 CUSTODY OF JUVENILE NON-OFFENDERS

Non-offenders taken into protective custody in compliance with the Child Abuse Policy should generally not be held at the Auburn Police Department. Custodial arrangements should be made for non-offenders as soon as reasonably possible. Juvenile non-offenders shall not be held in secure custody (34 USC § 11133; Welfare and Institutions Code § 206).

Juveniles 11 years of age or younger who have committed an offense that would subject an adult to arrest may be held in non-secure custody for the offenses listed in Welfare and Institutions Code § 602(b) (murder and the sexual assault offenses) and should be referred to a probation officer for a placement determination (Welfare and Institutions Code § 602.1).

322.4.2 CUSTODY OF JUVENILE STATUS OFFENDERS

Status offenders should generally be released by citation or with a warning rather than taken into temporary custody. However, officers may take custody of a status offender if requested to do so by a parent or legal guardian in order to facilitate reunification (e.g., transported home or to the station to await a parent). Juvenile status offenders shall not be held in secure custody (34 USC § 11133).

322.4.3 CUSTODY OF JUVENILE OFFENDERS

Juvenile offenders should be held in non-secure custody while at the Auburn Police Department unless another form of custody is authorized by this policy or is necessary due to exigent circumstances.

Generally, a juvenile offender may be taken into custody when authorized by a court order or when there is probable cause to believe the juvenile has committed an offense that would subject an adult to arrest (Welfare and Institutions Code § 625).

A juvenile offender who is 14 years of age or older and taken into custody for committing or attempting to commit a felony with a firearm shall not be released and be transported to a juvenile facility (Welfare and Institutions Code § 625.3).

A juvenile offender suspected of committing murder, a sex offense described in Welfare and Institutions Code § 602(b) that may subject the juvenile to criminal jurisdiction under Welfare and Institutions Code § 707, or a serious or violent felony should be referred to a probation officer for a decision on further detention.

In all other cases the juvenile offender may be:

- (a) Released upon warning or citation.
- (b) Released to a parent or other responsible adult after processing at the Department.
- (c) Referred to a probation officer for a decision regarding whether to transport the juvenile offender to a juvenile facility.
- (d) Transported to the juvenile offender's home or to the place where the juvenile offender was taken into custody (Welfare and Institutions Code § 207.2).

In determining which disposition is appropriate, the investigating officer or supervisor shall prefer the alternative that least restricts the juvenile's freedom of movement, provided that alternative is compatible with the best interests of the juvenile and the community (Welfare and Institutions Code § 626).

Whenever a juvenile offender under the age of 14 is taken into custody, the officer should take reasonable steps to verify and document the child's ability to differentiate between right and wrong, particularly in relation to the alleged offense (Penal Code § 26).

322.5 ADVISEMENTS

Officers shall take immediate steps to notify the juvenile's parent, guardian, or a responsible relative that the juvenile is in custody, the location where the juvenile is being held, and the intended disposition (Welfare and Institutions Code § 627).

Whenever a juvenile is taken into temporary custody, the juvenile shall be given the *Miranda* rights advisement regardless of whether questioning is intended. This does not apply to juvenile non-offenders taken into temporary custody for their safety or welfare (Welfare and Institutions Code § 625).

Anytime a juvenile offender is placed in secure custody, the juvenile offender shall be informed of the purpose of the secure custody, the length of time the secure custody is expected to last, and of the maximum six-hour limitation (Welfare and Institutions Code § 207.1).

Juveniles taken into custody for an offense shall immediately be advised (or at least within one hour from being taken into custody, if possible) that they may make three telephone calls: one call completed to their parent or guardian; one to a responsible relative or their employer; and another call completed to an attorney. The calls shall be at no expense to the juvenile when completed to telephone numbers within the local calling area. Juveniles should be asked whether they are a caregiver and provided two more phone calls in the same manner as provided to adults in the Temporary Custody of Adults Policy (Welfare and Institutions Code § 627; Penal Code § 851.5).

322.6 JUVENILE CUSTODY LOGS

Any time a juvenile is held in custody at the Department, the custody shall be promptly and properly documented in the juvenile custody log, including:

- (b) Date and time of arrival and release from the Auburn Police Department (15 CCR 1150).
- (c) Shift Supervisor notification and approval to temporarily hold the juvenile.

- (h) Circumstances that justify any secure custody (Welfare and Institutions Code § 207.1; 15 CCR 1145).
- (i) Any other information that may be required by other authorities, such as compliance inspectors or a local juvenile court authority.

The Shift Supervisor shall initial the log to approve the custody, including any secure custody, and shall also initial the log when the juvenile is released.

Sight and sound separation shall be maintained between all juveniles and adults while in custody at the Department (34 USC § 11133; Welfare and Institutions Code § 207.1; Welfare and Institutions Code § 208; 15 CCR 1144). There should also be sight and sound separation between non-offenders and juvenile and status offenders.

In situations where brief or accidental contact may occur (e.g., during the brief time a juvenile is being fingerprinted and/or photographed in booking), a member of the Auburn Police Department (trained in the supervision of persons in custody) shall maintain a constant, immediate, side-by-side presence with the juvenile or the adult to minimize any contact. If inadvertent or accidental contact does occur, reasonable efforts shall be taken to end the contact (15 CCR 1144).

A juvenile offender may be handcuffed at the Auburn Police Department when the juvenile presents a heightened risk. However, non-offenders and status offenders should not be handcuffed unless they are combative or threatening (15 CCR 1142).

Other restraints shall only be used after less restrictive measures have failed and with the approval of the Shift Supervisor. Restraints shall only be used so long as it reasonably appears necessary for the juvenile's protection or the protection of others (15 CCR 1142).

Juveniles in restraints shall be kept away from other unrestrained juveniles or monitored in such a way as to protect the juvenile from abuse (15 CCR 1142).

322.11 SECURE CUSTODY

Only juvenile offenders 14 years of age or older may be placed in secure custody (Welfare and Institutions Code § 207; 15 CCR 1145). Shift Supervisor approval is required before placing a juvenile offender in secure custody.

Secure custody should only be used for juvenile offenders when there is a reasonable belief that the juvenile is a serious risk of harm to themselves or others. Factors to be considered when determining if the juvenile offender presents a serious security risk to themselves or others include the following (15 CCR 1145):

- (a) Age, maturity, and delinquent history
- (b) Severity of offense for which the juvenile was taken into custody
- (c) The juvenile offender's behavior
- (d) Availability of staff to provide adequate supervision or protection of the juvenile offender
- (e) Age, type, and number of other individuals in custody at the facility

Members of this department shall not use secure custody for convenience when non-secure custody is, or later becomes, a reasonable option (15 CCR 1145).

When practicable and when no locked enclosure is available, handcuffing one hand of a juvenile offender to a fixed object while otherwise maintaining the juvenile in non-secure custody should be considered as the method of secure custody. An employee must be present at all times to ensure the juvenile's safety while secured to a stationary object (15 CCR 1148).

Juveniles shall not be secured to a stationary object for more than 60 minutes. Supervisor approval is required to secure a juvenile to a stationary object for longer than 60 minutes and every 30 minutes thereafter (15 CCR 1148). Supervisor approval should be documented.

The decision for securing a minor to a stationary object for longer than 60 minutes and every 30 minutes thereafter shall be based upon the best interests of the juvenile offender (15 CCR 1148).

 - 1. All safety checks shall be logged.
 - 2. The safety check should involve questioning the juvenile as to the juvenile's well-being (sleeping juveniles or apparently sleeping juveniles should be awakened).
 - 3. Requests or concerns of the juvenile should be logged.
- (e) Juveniles of different genders shall not be placed in the same locked room (15 CCR 1147).
- (f) Juvenile offenders should be separated according to severity of the crime (e.g., felony or misdemeanor).
- (g) Restrained juveniles shall not be mixed in a cell or room with unrestrained juveniles.

322.12 SUICIDE ATTEMPT, DEATH, OR SERIOUS INJURY OF A JUVENILE

The Shift Supervisor will ensure procedures are in place to address the suicide attempt, death, or serious injury of any juvenile held at the Auburn Police Department (15 CCR 1142; 15 CCR 1047). The procedures will address:

- (h) A medical and operational review of deaths and suicide attempts pursuant to 15 CCR 1046.
- (i) Evidence preservation.

322.13 INTERVIEWING OR INTERROGATING JUVENILE SUSPECTS

No interview or interrogation of a juvenile should occur unless the juvenile has the apparent capacity to consent, and does consent to an interview or interrogation.

Prior to conducting a custodial interrogation, including the waiver of *Miranda* rights, an officer shall permit a juvenile 17 years of age or younger to consult with legal counsel in person, by telephone, or by video conference. The consultation may not be waived by the juvenile. The requirement to consult with legal counsel does not apply when (Welfare and Institutions Code § 625.6):

- (a) Information is necessary to protect life or property from an imminent threat.
- (b) The questions are limited to what is reasonably necessary to obtain the information relating to the threat.

322.13.1 MANDATORY RECORDINGS OF JUVENILES

Any interrogation of an individual under 18 years of age who is in custody and suspected of committing murder shall be audio and video recorded when the interview takes place at a department facility, jail, detention facility, or other fixed place of detention. The recording shall include the entire interview and a *Miranda* advisement preceding the interrogation (Penal Code § 859.5).

This recording is not mandatory when (Penal Code § 859.5):

- (a) Recording is not feasible because of exigent circumstances that are later documented in a report.
- (b) The individual refuses to have the interrogation recorded, including a refusal any time during the interrogation, and the refusal is documented in a report. If feasible, the refusal shall be electronically recorded.
- (c) The custodial interrogation occurred in another state by law enforcement officers of that state, unless the interrogation was conducted with the intent to avoid the requirements of Penal Code § 859.5.
- (d) The interrogation occurs when no member conducting the interrogation has a reason to believe that the individual may have committed murder. Continued custodial interrogation concerning that offense shall be electronically recorded if the interrogating member develops a reason to believe the individual committed murder.
- (e) The interrogation would disclose the identity of a confidential informant or would jeopardize the safety of an officer, the individual being interrogated, or another individual. Such circumstances shall be documented in a report.
- (f) A recording device fails despite reasonable maintenance and the timely repair or replacement is not feasible.
- (g) The questions are part of a routine processing or booking, and are not an interrogation.
- (h) The suspect is in custody for murder and the interrogation is unrelated to a murder. However, if any information concerning a murder is mentioned during the interrogation, the remainder of the interrogation shall be recorded.

These recordings shall be retained until a conviction is final and all direct and habeas corpus appeals are exhausted, a court no longer has any jurisdiction over the individual, or the prosecution for that offense is barred (Penal Code § 859.5; Welfare and Institutions Code § 626.8).

322.14 FORMAL BOOKING

No juvenile offender shall be formally booked without the authorization of the arresting officer's supervisor, or in the supervisor's absence, the Shift Supervisor.

A copy of the current policy of the juvenile court concerning authorized release of information and appropriate acknowledgment forms shall be kept with copies of this procedure in the Auburn Police Department Policy Manual. Such releases are authorized by Welfare and Institutions Code § 827.

The Chief of Police shall retain the report for a minimum of five years and shall make it available to the state protection and advocacy agency upon request (Penal Code § 368.6(c)(27)).

324.3 INVESTIGATIONS AND REPORTING

All reported or suspected cases of elder and dependent adult abuse require investigation and a report, even if the allegations appear unfounded or unsubstantiated (Penal Code § 368.6).

Investigations and reports related to suspected cases of elder and dependent adult abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating officer in all circumstances where a suspected elder and dependent adult abuse victim is contacted.
- (b) Any relevant statements the victim may have made and to whom he/she made the statements.

Any unexplained death of an adult who was in the care of a guardian or caretaker should be considered as potential elder or dependent adult abuse and investigated similarly.

An unexplained or suspicious death of an elder, dependent adult, or other adult or child with a disability should be treated as a potential homicide until a complete investigation including an

autopsy is completed, and it should not be assumed that the death of an elder or person with a disability is natural simply because of the age or disability of the deceased (Penal Code § 368.6(c)(18)).

324.3.1 ADDITIONAL INVESTIGATIVE CONSIDERATIONS

The following factors as provided in Penal Code § 368.6 should be considered when investigating incidents of elder and dependent adult abuse:

- (a) Elder and dependent adult abuse, sex crimes, child abuse, domestic violence, and any other criminal act, when committed in whole or in part because of the victim's actual or perceived disability, including disability caused by advanced age, is also a hate crime (Penal Code § 368.6) (see the Hate Crimes Policy for additional guidance).
- (b) Senior and disability victimization crimes are also domestic violence subject to the mandatory arrest requirements of Penal Code § 836 if they meet the elements described in Penal Code § 273.5, including but not limited to a violation by a caretaker or other person who is or was a cohabitant of the victim, regardless of whether the cohabitant is or was a relative of, or in an intimate personal relationship with, the victim (Penal Code § 368.6(c)(10)).
- (c) Many victims of sexual assault and other sex crimes delay disclosing the crimes for reasons including but not limited to shame, embarrassment, self-doubt, fear of being disbelieved, and fear of retaliation by the perpetrator or others (Penal Code § 368.6(c)(11)).
- (d) Victims and witnesses with disabilities, including cognitive and communication disabilities, can be highly credible witnesses when interviewed appropriately by trained officers or other trained persons (Penal Code § 368.6(c)(14)).

324.4 QUALIFIED INVESTIGATORS

Qualified investigators should be available to investigate cases of elder and dependent adult abuse. These investigators should:

- (a) Conduct interviews in appropriate interview facilities.
 - (b) Be familiar with forensic interview techniques specific to elder and dependent adult abuse investigations.
 - (c) Present all cases of alleged elder and dependent adult abuse to the prosecutor for review.
 - (d) Coordinate with other enforcement agencies, social service agencies, and facility administrators as needed (Welfare and Institutions Code § 15650).
 - (e) Provide referrals to therapy services, victim advocates, guardians, and support for the victim and family as appropriate (see the Victim and Witness Assistance Policy for additional guidance).
1. Ensure victims of sex crimes know their right to have a support person of their choice present at all times during an interview or contact (Penal Code § 368.6) (see the Sexual Assault Investigations Policy for additional guidance).

2. Referrals to the crime victim liaison as appropriate for victims requiring further assistance or information regarding benefits from crime victim resources.
- (f) Participate in or coordinate with multidisciplinary investigative teams as applicable (Welfare and Institutions Code § 15610.55).
- (g) Make reasonable efforts to determine whether any person committed unlawful interference in a mandated report.

324.5 MANDATORY NOTIFICATION

Members of the Auburn Police Department shall notify the local office of the California Department of Social Services (CDSS) APS agency of known, suspected, or alleged instances of abuse when they reasonably suspect, have observed, or have knowledge of an incident that reasonably appears to be abuse of an elder or dependent adult, or are told by an elder or dependent adult that the person has experienced abuse (Welfare and Institutions Code § 15630(b)).

Notification shall be made by telephone or through a confidential internet reporting tool as soon as practicable. If notification is made by telephone, a written report shall be sent or internet report shall be made through the confidential internet reporting tool within two working days, as provided in Welfare and Institutions Code § 15630(b).

Notification shall also be made to the following agencies as soon as practicable or as provided below (Welfare and Institutions Code § 15630):

- (a) If the abuse occurred in a long-term care facility (not a state mental health hospital or a state developmental center), notification shall be made as follows (Welfare and Institutions Code § 15630(b)(1)):
 1. If there is serious bodily injury, notification shall be made by telephone and, within two hours, a written report shall be made to the local ombudsman and the corresponding licensing agency.
 2. If the abuse is allegedly caused by a resident with dementia and there is no serious bodily injury, notification shall be made by a written report to the local ombudsman within 24 hours.
 3. If there is any other abuse in a long-term care facility (not a state mental health or a state developmental center), a written report shall be made to the local ombudsman and corresponding state licensing agency within 24 hours.
- (b) The California Department of Public Health (DPH) shall be notified of all known or suspected abuse in a long-term care facility.

- (g) If the abuse occurred at a state mental hospital or a state developmental center, notification shall be made to the designated investigators of the California Department of State Hospitals or the California Department of Developmental Services as soon as practicable but no later than two hours after law enforcement becomes aware of the abuse (Welfare and Institutions Code § 15630(b)).
 - 1. When a report of abuse is received by the Department, investigation efforts shall be coordinated with the designated investigators of the California Department of State Hospitals or the California Department of Developmental Services (Welfare and Institutions Code § 15630(b)).
- (h) If during an investigation it is determined that the elder or dependent adult abuse is being committed by a licensed health practitioner as identified in Welfare and Institutions Code § 15640(b), the appropriate licensing agency shall be immediately notified (Welfare and Institutions Code § 15640(b)).
- (i) When the Department receives a report of abuse, neglect, or abandonment of an elder or dependent adult alleged to have occurred in a long-term care facility, the licensing agency shall be notified by telephone as soon as practicable (Welfare and Institutions Code § 15640(e)).

The Criminal Investigations Division supervisor is responsible for ensuring that proper notifications have occurred to the District Attorney's Office and any other regulatory agency that may be applicable based upon where the abuse took place (e.g., care facility, hospital) per Welfare and Institutions Code § 15630(b).

Notification is not required for a person who was merely present when a person self-administered a prescribed aid-in-dying drug or a person prepared an aid-in-dying drug so long as the person did not assist the individual in ingesting the aid-in-dying drug (Health and Safety Code § 443.14; Health and Safety Code § 443.18).

Failure to report or impeding or inhibiting a report of abuse of an elder or dependent adult is a misdemeanor (Welfare and Institutions Code § 15630(h)).

- (g) Any other information, including information that led the person to suspect elder or dependent adult abuse.

324.6 PROTECTIVE CUSTODY

Before taking an elder or dependent adult abuse victim into protective custody when facts indicate the adult may not be able to care for him/herself, the officer should make reasonable attempts to contact APS. Generally, removal of an adult abuse victim from his/her family, guardian, or other responsible adult should be left to the welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove an elder or dependent adult abuse victim from his/her family or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the victim. Prior to taking an elder or dependent adult abuse victim into protective custody, the officer should take reasonable steps to deliver the adult to another qualified legal guardian, unless it reasonably appears that the release would endanger the victim or result in abduction. If this is not a reasonable option, the officer shall ensure that the adult is delivered to APS.

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking an elder or dependent adult abuse victim into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking the adult into protective custody.

When elder or dependent adult abuse victims are under state control, have a state-appointed guardian, or there are other legal holdings for guardianship, it may be necessary or reasonable to seek a court order on behalf of the adult victim to either remove the adult from a dangerous environment (protective custody) or restrain a person from contact with the adult.

324.6.1 EMERGENCY PROTECTIVE ORDERS

In any situation which an officer reasonably believes that an elder or dependent adult is in immediate and present danger of abuse based on an allegation of a recent incident of abuse or threat of abuse (other than financial abuse alone), the officer may seek an emergency protective order against the person alleged to have committed or threatened such abuse (Family Code § 6250(d)).

324.6.2 VERIFICATION OF PROTECTIVE ORDER

Whenever an officer verifies that a relevant protective order has been issued, the officer shall make reasonable efforts to determine if the order prohibits the person from possession of firearms or requires the relinquishment of firearms, and if the order does so, the officer shall make reasonable efforts to (Penal Code § 368.6(c)(19)):

- (a) Inquire whether the restrained person possesses firearms. The officer should make this effort by asking the restrained person and the protected person.
- (b) Query the California Law Enforcement Telecommunications System to determine if any firearms are registered to the restrained person.

Auburn Police Department

Auburn PD Policy Manual

- (c) Receive or seize prohibited firearms located in plain view or pursuant to a consensual or other lawful search in compliance with Penal Code § 18250 et seq. and in accordance with department procedures.

324.7 INTERVIEWS

324.7.1 PRELIMINARY INTERVIEWS

Absent extenuating circumstances or impracticality, officers should audio record the preliminary interview with a suspected elder or dependent adult abuse victim. Officers should avoid multiple interviews with the victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available.

324.7.2 DETAINING VICTIMS FOR INTERVIEWS

An officer should not detain an adult involuntarily who is suspected of being a victim of abuse solely for the purpose of an interview or physical exam without his/her consent or the consent of a guardian unless one of the following applies:

- (a) Exigent circumstances exist, such as:
 - 1. A reasonable belief that medical issues of the adult need to be addressed immediately.
 - 2. A reasonable belief that the adult is or will be in danger of harm if the interview or physical exam is not immediately completed.
 - 3. The alleged offender is a family member or guardian and there is reason to believe the adult may be in continued danger.
- (b) A court order or warrant has been issued.

324.7.3 INTERVIEWS WITH A PERSON WITH DEAFNESS OR HEARING LOSS

An officer who is interviewing a victim or witness who reports or demonstrates deafness or hearing loss should secure the services of a qualified interpreter (as defined by Evidence Code § 754) prior to the start of the interview (Penal Code § 368.6) (see the Communications with Persons with Disabilities Policy for additional guidance).

324.8 MEDICAL EXAMINATIONS

When an elder or dependent adult abuse investigation requires a medical examination, the investigating officer should obtain consent for such examination from the victim, guardian, agency, or entity having legal custody of the adult. The officer should also arrange for the adult's transportation to the appropriate medical facility.

In cases where the alleged offender is a family member, guardian, agency, or entity having legal custody and is refusing to give consent for the medical examination, officers should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for officers to take the adult for a medical examination, the supervisor should consider other government agencies or services that may obtain a court order for such an examination.

324.9 DRUG-ENDANGERED VICTIMS

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of an elder or dependent adult abuse victim who has been exposed to the manufacturing, trafficking, or use of narcotics.

324.9.1 OFFICER RESPONSIBILITIES

Officers responding to a drug lab or other narcotics crime scene where an elder or dependent adult abuse victim is present or where there is evidence that an elder or dependent adult abuse victim lives should:

- (a) Document the environmental, medical, social, and other conditions of the adult, using photography as appropriate and the checklist or form developed for this purpose.
- (b) Notify the Criminal Investigations Division supervisor so an interagency response can begin.

324.9.2 SUPERVISOR RESPONSIBILITIES

The Criminal Investigations Division supervisor should:

- (a) Work with professionals from the appropriate agencies, including APS, other law enforcement agencies, medical service providers, and local prosecutors, to develop community specific procedures for responding to situations where there are elder or dependent adult abuse victims endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.
- (b) Activate any available interagency response when an officer notifies the Criminal Investigations Division supervisor that he/she has responded to a drug lab or other narcotics crime scene where an elder or dependent adult abuse victim is present or where evidence indicates that an elder or dependent adult abuse victim lives.
- (c) Develop a report format or checklist for use when officers respond to drug labs or other narcotics crime scenes. The checklist will help officers document the environmental, medical, social, and other conditions that may affect the adult.

324.10 TRAINING

The Department should provide training on best practices in elder and dependent adult abuse investigations to members tasked with investigating these cases. The training should include:

- (a) Participating in multidisciplinary investigations, as appropriate.

- (c) Availability of therapy services for adults and families.
- (d) Availability of specialized forensic medical exams.

324.12 JURISDICTION

The Auburn Police Department has concurrent jurisdiction with state law enforcement agencies when investigating elder and dependent adult abuse and all other crimes against elder victims and victims with disabilities (Penal Code § 368.5).

Adult protective services agencies and local long-term care ombudsman programs also have jurisdiction within their statutory authority to investigate elder and dependent adult abuse and criminal neglect and may assist in criminal investigations upon request, if consistent with federal law, in such cases. However, this department will retain responsibility for the criminal investigations (Penal Code § 368.5).

Additional jurisdiction responsibilities for investigations of abuse involving various facilities and agencies may be found in Welfare and Institutions Code § 15650.

A department member appointed by the Chief of Police or the authorized designee will serve as the Elder and Dependent Adult Abuse Liaison. Responsibilities of the liaison include but are not limited to (Penal Code § 368.6):

- (a) Acting as a liaison to other responsible agencies (defined by Penal Code § 368.6(b)(15)) to increase cooperation and collaboration among them while retaining the law enforcement agency's exclusive responsibility for criminal investigations (Welfare and Institutions Code § 15650).
- (b) Reaching out to the senior and disability communities and to the public to encourage prevention and reporting of senior and disability victimization.

Discriminatory Harassment

326.1 PURPOSE AND SCOPE

The purpose of this policy is to prevent department members from being subjected to discriminatory harassment, including sexual harassment and retaliation. Nothing in this policy is intended to create a legal or employment right or duty that is not created by law.

326.2 POLICY

The Auburn Police Department is an equal opportunity employer and is committed to creating and maintaining a work environment that is free of all forms of discriminatory harassment, including sexual harassment and retaliation (Government Code § 12940(k); 2 CCR 11023). The Department will not tolerate discrimination against a member in hiring, promotion, discharge, compensation, fringe benefits and other privileges of employment. The Department will take preventive and corrective action to address any behavior that violates this policy or the rights it is designed to protect.

The nondiscrimination policies of the Department may be more comprehensive than state or federal law. Conduct that violates this policy may not violate state or federal law but still could subject a member to discipline.

326.3 DEFINITIONS

Definitions related to this policy include:

326.3.1 DISCRIMINATION

The Department prohibits all forms of discrimination, including any employment-related action by a member that adversely affects an applicant or member and is based on actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law.

Discriminatory harassment, including sexual harassment, is verbal or physical conduct that demeans or shows hostility or aversion toward an individual based upon that individual's protected class. It has the effect of interfering with an individual's work performance or creating a hostile or abusive work environment.

Conduct that may, under certain circumstances, constitute discriminatory harassment can include making derogatory comments; making crude and offensive statements or remarks; making slurs or off-color jokes, stereotyping; engaging in threatening acts; making indecent gestures, pictures, cartoons, posters, or material; making inappropriate physical contact; or using written material or department equipment and/or systems to transmit or receive offensive material, statements, or pictures. Such conduct is contrary to department policy and to a work environment that is free of discrimination.

326.3.2 SEXUAL HARASSMENT

The Department prohibits all forms of discrimination and discriminatory harassment, including sexual harassment. It is unlawful to harass an applicant or a member because of that person's sex.

Sexual harassment includes but is not limited to unwelcome sexual advances, requests for sexual favors, or other verbal, visual, or physical conduct of a sexual nature when:

- (a) Submission to such conduct is made either explicitly or implicitly a term or condition of employment, position, or compensation.
- (b) Submission to, or rejection of, such conduct is used as the basis for any employment decisions affecting the member.
- (c) Such conduct has the purpose or effect of substantially interfering with a member's work performance or creating an intimidating, hostile, or offensive work environment.

326.3.3 ADDITIONAL CONSIDERATIONS

Discrimination and discriminatory harassment do not include actions that are in accordance with established rules, principles, or standards, including:

- (a) Acts or omission of acts based solely upon bona fide occupational qualifications under the Equal Employment Opportunity Commission (EEOC) and the California Civil Rights Council guidelines.
- (b) Bona fide requests or demands by a supervisor that the member improve the member's work quality or output, that the member report to the job site on time, that the member comply with City or department rules or regulations, or any other appropriate work-related communication between supervisor and member.

326.3.4 RETALIATION

Retaliation is treating a person differently or engaging in acts of reprisal or intimidation against the person because the person has engaged in protected activity, filed a charge of discrimination, participated in an investigation, or opposed a discriminatory practice. Retaliation will not be tolerated.

326.4 RESPONSIBILITIES

This policy applies to all department personnel. All members shall follow the intent of these guidelines in a manner that reflects department policy, professional standards, and the best interest of the Department and its mission.

Members are encouraged to promptly report any discriminatory, retaliatory, or harassing conduct or known violations of this policy to a supervisor. Any member who is not comfortable with reporting violations of this policy to the member's immediate supervisor may bypass the chain of command and make the report to a higher-ranking supervisor or manager. Complaints may also be filed with the Chief of Police, the Finance Director, or the City Manager.

Any member who believes, in good faith, that the member has been discriminated against, harassed, or subjected to retaliation, or who has observed harassment, discrimination, or

retaliation, is encouraged to promptly report such conduct in accordance with the procedures set forth in this policy.

Supervisors and managers receiving information regarding alleged violations of this policy shall determine if there is any basis for the allegation and shall proceed with resolution as stated below.

326.4.1 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors and managers shall include but are not limited to:

- (a) Continually monitoring the work environment and striving to ensure that it is free from all types of unlawful discrimination, including harassment or retaliation.
- (b) Taking prompt, appropriate action within their work units to avoid and minimize the incidence of any form of discrimination, harassment, or retaliation.
- (c) Ensuring that their subordinates understand their responsibilities under this policy.
- (d) Ensuring that members who make complaints or who oppose any unlawful employment practices are protected from retaliation and that such matters are kept confidential to the extent possible.
- (e) Making a timely determination regarding the substance of any allegation based upon all available facts.
- (f) Notifying the Chief of Police or the Finance Director in writing of the circumstances surrounding any reported allegations or observed acts of discrimination, harassment, or retaliation no later than the next business day.

326.4.2 SUPERVISOR'S ROLE

Supervisors and managers shall be aware of the following:

- (a) Behavior of supervisors and managers should represent the values of the Department and professional standards.
- (b) False or mistaken accusations of discrimination, harassment, or retaliation can have negative effects on the careers of innocent members.

Nothing in this section shall be construed to prevent supervisors or managers from discharging supervisory or management responsibilities, such as determining duty assignments, evaluating or counseling members, or issuing discipline, in a manner that is consistent with established procedures.

326.4.3 QUESTIONS OR CLARIFICATION

Members with questions regarding what constitutes discrimination, sexual harassment, or retaliation are encouraged to contact a supervisor, a manager, the Chief of Police, the Finance Director, the City Manager, or the California Civil Rights Department for further information, direction, or clarification (Government Code § 12950).

326.5 INVESTIGATION OF COMPLAINTS

Various methods of resolution exist. During the pendency of any such investigation, the supervisor of the involved member should take prompt and reasonable steps to mitigate or eliminate

any continuing abusive or hostile work environment. It is the policy of the Department that all complaints of discrimination, retaliation, or harassment shall be fully documented and promptly and thoroughly investigated.

326.5.1 SUPERVISOR RESOLUTION

Members who believe they are experiencing discrimination, harassment, or retaliation should be encouraged to inform the individual that the behavior is unwelcome, offensive, unprofessional, or inappropriate. However, if the member feels uncomfortable or threatened or has difficulty expressing the member's concern, or if this does not resolve the concern, assistance should be sought from a supervisor or manager who is a rank higher than the alleged transgressor.

326.5.2 FORMAL INVESTIGATION

If the complaint cannot be satisfactorily resolved through the supervisory resolution process, a formal investigation will be conducted.

The person assigned to investigate the complaint will have full authority to investigate all aspects of the complaint. Investigative authority includes access to records and the cooperation of any members involved. No influence will be used to suppress any complaint and no member will be subject to retaliation or reprisal for filing a complaint, encouraging others to file a complaint, or for offering testimony or evidence in an investigation.

Formal investigation of the complaint will be confidential to the extent possible and will include but is not limited to details of the specific incident, frequency and dates of occurrences, and names of any witnesses. Witnesses will be advised regarding the prohibition against retaliation, and that a disciplinary process, up to and including termination, may result if retaliation occurs.

Members who believe they have been discriminated against, harassed, or retaliated against because of their protected status, are encouraged to follow the chain of command but may also file a complaint directly with the Chief of Police, the Finance Director, or the City Manager.

326.5.3 ALTERNATIVE COMPLAINT PROCESS

No provision of this policy shall be construed to prevent any member from seeking legal redress outside the Department. Members who believe that they have been harassed, discriminated against, or retaliated against are entitled to bring complaints of employment discrimination to federal, state, and/or local agencies responsible for investigating such allegations. Specific time limitations apply to the filing of such charges. Members are advised that proceeding with complaints under the provisions of this policy does not in any way affect those filing requirements.

326.6 DOCUMENTATION OF COMPLAINTS

All complaints or allegations shall be thoroughly documented on forms and in a manner designated by the Chief of Police. The outcome of all reports shall be:

- (a) Approved by the Chief of Police, the City Manager, or the Finance Director, depending on the ranks of the involved parties.

326.6.1 NOTIFICATION OF DISPOSITION

The complainant and/or victim will be notified in writing of the disposition of the investigation and the actions taken to remedy or address the circumstances giving rise to the complaint.

326.7 TRAINING

All new members shall be provided with a copy of this policy as part of their orientation. The policy shall be reviewed with each new member. The member shall certify by signing the prescribed form that the member has been advised of this policy, is aware of and understands its contents, and agrees to abide by its provisions during the member's term with the Department.

All members shall receive annual training on the requirements of this policy and shall certify by signing the prescribed form that they have reviewed the policy, understand its contents, and agree that they will continue to abide by its provisions.

326.7.1 STATE-REQUIRED TRAINING

The Training Manager should ensure that employees receive the required state training and education regarding sexual harassment, prevention of abusive conduct, and harassment based on gender identity, gender expression, and sexual orientation as follows (Government Code § 12950.1; 2 CCR 11024):

- (c) All employees shall receive refresher training every two years thereafter.

If the required training is to be provided by the Civil Rights Department online training courses, the Training Manager should ensure that employees are provided the following website address to the training course: <https://calcivilrights.ca.gov> (Government Code § 12950; 2 CCR 11023).

326.7.2 TRAINING RECORDS

The Training Manager shall be responsible for maintaining records of all discriminatory harassment training provided to members. Records shall be retained in accordance with established records retention schedules and for a minimum of two years (2 CCR 11024).

Child Abuse

328.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the investigation of suspected child abuse. This policy also addresses when Auburn Police Department members are required to notify the county Child Protective Services (CPS) of suspected child abuse.

328.1.1 DEFINITIONS

Definitions related to this policy include:

Child - Unless otherwise specified by a cited statute, a child is any person under the age of 18 years.

Child abuse - Any offense or attempted offense involving violence or neglect with a child victim when committed by a person responsible for the child's care or any other act that would mandate notification to a social service agency or law enforcement (Penal Code § 11165.9; Penal Code § 11166).

328.2 POLICY

The Auburn Police Department will investigate all reported incidents of alleged criminal child abuse and ensure CPS is notified as required by law.

328.3 MANDATORY NOTIFICATION

The child protection agency shall be notified when (Penal Code § 11166):

- (a) There is a known or suspected instance of child abuse or neglect reported, which is alleged to have occurred as a result of the action of a person responsible for the child's welfare, or
- (b) A person responsible for the child's welfare fails to adequately protect the child from abuse when the person knew or reasonably should have known that the child was in danger of abuse.

The District Attorney's office shall be notified in all instances of known or suspected child abuse or neglect reported to this department. Notification of the District Attorney is not required for reports only involving neglect by a person, who has the care or custody of a child, to provide adequate food, clothing, shelter, medical care, or supervision where no physical injury to the child has occurred (Penal Code § 11166).

When the abuse or neglect occurs at a licensed facility or is alleged to have resulted from the actions of a person who is required to have a state license (e.g., foster homes, group homes, day care), notification shall also be made to the California Department of Social Services or other applicable licensing authority. When the alleged abuse or neglect involves a child of a minor parent or a dependent adult, notification shall also be made to the attorney of the minor or the dependent adult within 36 hours (Penal Code 11166.1; Penal Code 11166.2).

For purposes of notification, the abuse or neglect includes physical injury or death inflicted by other than accidental means upon a child by another person; sexual abuse (Penal Code § 11165.1); neglect (Penal Code § 11165.2); the willful harming or injuring of a child or the endangering of the person or health of a child (Penal Code § 11165.3); and unlawful corporal punishment or injury (Penal Code § 11165.4). Child abuse or neglect does not include a mutual affray between minors, nor does it include an injury caused by the reasonable and necessary force used by a peace officer acting within the course and scope of the peace officer's employment as a peace officer.

328.3.1 NOTIFICATION PROCEDURE

Notification should occur as follows (Penal Code § 11166):

- (a) Notification shall be made immediately, or as soon as practicable, by telephone, fax or electronic transmission.
- (b) A written follow-up report should be forwarded within 36 hours of receiving the information concerning the incident.

328.4 QUALIFIED INVESTIGATORS

- (b) Be familiar with forensic interview techniques specific to child abuse investigations.
- (c) Present all cases of alleged child abuse to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies and school administrators as needed.
- (e) Provide referrals to therapy services, victim advocates, guardians and support for the child and family as appropriate.

328.5 INVESTIGATIONS AND REPORTING

In all reported or suspected cases of child abuse, a report will be written. Officers shall write a report even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of child abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating officer in all circumstances where a suspected child abuse victim was contacted.
- (b) The exigent circumstances that existed if officers interviewed the child victim without the presence of a parent or guardian.

- (d) If a child was taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.
- (e) Documentation of any visible injuries or any injuries identified by the child. This should include photographs of such injuries, if practicable.
- (f) Whether the child victim was transported for medical treatment or a medical examination.
- (g) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other children who may reside in the residence.

- (i) Previous addresses of the victim and suspect.
- (j) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim's environment.

All cases of the unexplained death of a child should be investigated as thoroughly as if it had been a case of suspected child abuse (e.g., a sudden or unexplained death of an infant).

328.5.1 EXTRA JURISDICTIONAL REPORTS

If a report of known or suspected child abuse or neglect that is alleged to have occurred outside this jurisdiction is received, department members shall ensure that the caller is immediately transferred to the agency with proper jurisdiction for the investigation of the case. If the caller cannot be successfully transferred to the appropriate agency, a report shall be taken and immediately referred by telephone, fax, or electronic transfer to the agency with proper jurisdiction (Penal Code § 11165.9).

If the reporter refuses to provide their name and telephone number, the member should make a reasonable effort to determine the basis for the refusal and inform them that their information will remain confidential.

328.6 PROTECTIVE CUSTODY

Before taking any child into protective custody, the officer should make reasonable attempts to contact CPS. Generally, removal of a child from the child's family, guardian, or other responsible adult should be left to the child welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove a child from the child's parent or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the child. Prior to taking a child into protective custody, the officer should take reasonable steps to deliver the child to another qualified parent or legal guardian, unless it reasonably appears that the release would endanger the child or result in abduction. If this is not a reasonable option, the officer shall ensure that the child is delivered to CPS.

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking a child into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking a child into protective custody.

Children may only be removed from a parent or guardian in the following situations when a court order cannot reasonably be obtained in a timely manner (Welfare and Institutions Code § 305):

- (a) The officer reasonably believes the child is a person described in Welfare and Institutions Code § 300, and further has good cause to believe that any of the following conditions exist:
 - 1. The child has an immediate need for medical care.
 - 2. The child is in immediate danger of physical or sexual abuse.
 - 3. The physical environment or the fact that the child is left unattended poses an immediate threat to the child's health or safety. In the case of a child left unattended, the officer shall first attempt to locate and determine if a responsible parent or guardian is available and capable of assuming custody before taking the child into protective custody.
- (b) The officer reasonably believes the child requires protective custody under the provisions of Penal Code § 279.6, in one of the following circumstances:
 - 1. It reasonably appears to the officer that a person is likely to conceal the child, flee the jurisdiction with the child or, by flight or concealment, evade the authority of the court.
 - 2. There is no lawful custodian available to take custody of the child.
 - 3. There are conflicting custody orders or conflicting claims to custody and the parties cannot agree which party should take custody of the child.
 - 4. The child is an abducted child.
- (c) The child is in the company of, or under the control of, a person arrested for Penal Code § 278 (Detainment or concealment of child from legal custodian) or Penal Code § 278.5 (Deprivation of custody of a child or right to visitation) (Penal Code § 279.6).

Child Abuse

A child taken into protective custody shall be delivered to CPS unless otherwise directed by court order.

328.6.1 CALIFORNIA SAFELY SURRENDERED BABY LAW

An individual having lawful custody of an infant less than 72 hours old is not guilty of abandonment if the individual voluntarily surrenders physical custody of the infant to personnel on-duty at a safe-surrender site, such as a hospital or fire department (Penal Code § 271.5). The law requires the surrender site to notify CPS.

328.6.2 NEWBORNS TESTING POSITIVE FOR DRUGS

Under certain circumstances, officers can be prohibited from taking a newborn who is the subject of a proposed adoption into protective custody, even when the newborn has tested positive for illegal drugs or the birth mother tested positive for illegal drugs.

Officers shall instead follow the provisions of Welfare and Institutions Code § 305.6 to ensure that the newborn is placed with the adoptive parents when it is appropriate.

328.7 INTERVIEWS

328.7.1 PRELIMINARY INTERVIEWS

Absent extenuating circumstances or impracticality, officers should record the preliminary interview with suspected child abuse victims. Officers should avoid multiple interviews with a child victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available. Generally, child victims should not be interviewed in the home or location where the alleged abuse occurred.

328.7.2 DETAINING SUSPECTED CHILD ABUSE VICTIMS FOR AN INTERVIEW

An officer should not detain a child involuntarily who is suspected of being a victim of child abuse solely for the purpose of an interview or physical exam without the consent of a parent or guardian unless one of the following applies:

- (a) Exigent circumstances exist, such as:
 - 1. A reasonable belief that medical issues of the child need to be addressed immediately.
 - 2. A reasonable belief that the child is or will be in danger of harm if the interview or physical exam is not immediately completed.
 - 3. The alleged offender is the custodial parent or guardian and there is reason to believe the child may be in continued danger.
- (b) A court order or warrant has been issued.

328.7.3 INTERVIEWS AT A SCHOOL

Any student at school who is a suspected victim of child abuse shall be afforded the option of being interviewed in private or selecting any qualified available adult member of the school staff to be present. The purpose of the staff member's presence is to provide comfort and support. The staff member shall not participate in the interview. The selection of a staff member should be such that it does not burden the school with costs or hardship (Penal Code § 11174.3).

328.8 MEDICAL EXAMINATIONS

If the child has been the victim of abuse that requires a medical examination, the investigating officer should obtain consent for such examination from the appropriate parent, guardian or agency having legal custody of the child. The officer should also arrange for the child's transportation to the appropriate medical facility.

In cases where the alleged offender is the custodial parent or guardian and is refusing consent for the medical examination, officers should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for officers to take the child for a medical examination, the notified supervisor should consider obtaining a court order for such an examination.

328.9 DRUG-ENDANGERED CHILDREN

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of children exposed to the manufacturing, trafficking or use of narcotics.

328.9.1 SUPERVISOR RESPONSIBILITIES

The Criminal Investigations Division supervisor should:

- (a) Work with professionals from the appropriate agencies, including CPS, other law enforcement agencies, medical service providers and local prosecutors to develop community specific procedures for responding to situations where there are children endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.
- (b) Activate any available interagency response when an officer notifies the Criminal Investigations Division supervisor that the officer has responded to a drug lab or other narcotics crime scene where a child is present or where evidence indicates that a child lives there.
- (c) Develop a report format or checklist for use when officers respond to drug labs or other narcotics crime scenes. The checklist will help officers document the environmental, medical, social and other conditions that may affect the child.

328.9.2 OFFICER RESPONSIBILITIES

Officers responding to a drug lab or other narcotics crime scene where a child is present or where there is evidence that a child lives should:

Child Abuse

- (a) Document the environmental, medical, social and other conditions of the child using photography as appropriate and the checklist or form developed for this purpose.
- (b) Notify the Criminal Investigations Division supervisor so an interagency response can begin.

328.10 STATE MANDATES AND OTHER RELEVANT LAWS

California requires or permits the following:

328.10.1 RELEASE OF REPORTS

Information related to incidents of child abuse or suspected child abuse shall be confidential and may only be disclosed pursuant to state law and the Records Maintenance and Release Policy (Penal Code § 841.5; Penal Code § 11167.5).

328.10.2 REQUESTS FOR REMOVAL FROM THE CHILD ABUSECENTRAL INDEX (CACI)

Any person whose name has been forwarded to the California Department of Justice (DOJ) for placement in California's CACI, as a result of an investigation, may request that his/her name be removed from the CACI list. Requests shall not qualify for consideration if there is an active case, ongoing investigation or pending prosecution that precipitated the entry to CACI (Penal Code § 11169). All requests for removal shall be submitted in writing by the requesting person and promptly routed to the CACI hearing officer.

328.10.3 CACI HEARING OFFICER

The Criminal Investigations Division supervisor will normally serve as the hearing officer but must not be actively connected with the case that resulted in the person's name being submitted to CACI. Upon receiving a qualified request for removal, the hearing officer shall promptly schedule a hearing to take place during normal business hours and provide written notification of the time and place of the hearing to the requesting party.

328.10.4 CACI HEARING PROCEDURES

The hearing is an informal process where the person requesting removal from the CACI list will be permitted to present relevant evidence (e.g., certified copy of an acquittal, factual finding of innocence) as to why his/her name should be removed. The person requesting the hearing may record the hearing at his/her own expense.

Formal rules of evidence will not apply and the hearing officer may consider, in addition to evidence submitted by the person requesting the hearing, any relevant information including, but not limited to, the following:

- (a) Case reports including any supplemental reports
- (b) Statements by investigators
- (c) Statements from representatives of the District Attorney's Office
- (d) Statements by representatives of a child protective agency who may be familiar with the case

After considering all information presented, the hearing officer shall make a determination as to whether the requesting party's name should be removed from the CACI list. Such determination shall be based on a finding that the allegations in the investigation are not substantiated (Penal Code § 11169).

If, after considering the evidence, the hearing officer finds that the allegations are not substantiated, he/she shall cause a request to be completed and forwarded to the DOJ that the person's name be removed from the CACI list. A copy of the hearing results and the request for removal will be attached to the case reports.

The findings of the hearing officer shall be considered final and binding.

328.10.5 CHILD DEATH REVIEW TEAM

This department should cooperate with any interagency child death review team investigation. Written and oral information relating to the death of a child that would otherwise be subject to release restrictions may be disclosed to the child death review team upon written request and approval of a supervisor (Penal Code § 11174.32).

328.11 TRAINING

The Department should provide training on best practices in child abuse investigations to members tasked with investigating these cases. The training should include:

- (a) Participating in multidisciplinary investigations, as appropriate.
- (b) Conducting forensic interviews.
- (c) Availability of therapy services for children and families.
- (d) Availability of specialized forensic medical exams.
- (e) Cultural competence (including interpretive services) related to child abuse investigations.
- (f) Availability of victim advocate or guardian ad litem support.

330.1 PURPOSE AND SCOPE

This policy provides guidance for handling missing person investigations.

Missing person networks - Databases or computer networks available to law enforcement and that are suitable for information related to missing persons investigations. These include the National Crime Information Center (NCIC), the California Law Enforcement Telecommunications System (CLETS), Missing Person System (MPS) and the Unidentified Persons System (UPS).

330.2 POLICY

The Auburn Police Department does not consider any report of a missing person to be routine and assumes that the missing person is in need of immediate assistance until an investigation reveals otherwise. The Auburn Police Department gives missing person cases priority over property-related cases and will not require any time frame to pass before beginning a missing person investigation (Penal Code § 14211).

330.3 REQUIRED FORMS AND BIOLOGICAL SAMPLE COLLECTION KITS

The Criminal Investigations Division supervisor should ensure the forms and kits are developed and available in accordance with this policy, state law, federal law and the California Peace Officer Standards and Training (POST) Missing Persons Investigations guidelines, including:

330.4 ACCEPTANCE OF REPORTS

Any member encountering a person who wishes to report a missing person or runaway shall render assistance without delay (Penal Code § 14211). This can be accomplished by accepting the report via telephone or in-person and initiating the investigation. Those members who do not take such reports or who are unable to render immediate assistance shall promptly dispatch or alert a member who can take the report.

A report shall be accepted in all cases and regardless of where the person was last seen, where the person resides or any other question of jurisdiction (Penal Code § 14211).

330.5 INITIAL INVESTIGATION

Officers or other members conducting the initial investigation of a missing person should take the following investigative actions, as applicable:

- (a) Respond to a dispatched call for service as soon as practicable.
- (b) Interview the reporting party and any witnesses to determine whether the person qualifies as a missing person and, if so, whether the person may be at risk.

Hate Crimes

336.1 PURPOSE AND SCOPE

This policy is designed to assist in identifying and handling crimes motivated by hate or other bias toward individuals and groups with legally defined protected characteristics, to define appropriate steps for assisting victims, and to provide a guide to conducting related investigations. It outlines the general policy framework for prevention, response, accessing assistance, victim assistance and follow-up, and reporting as related to law enforcement's role in handling hate crimes. It also serves as a declaration that hate crimes are taken seriously and demonstrates how the Auburn Police Department may best use its resources to investigate and solve an offense, in addition to building community trust and increasing police legitimacy (Penal Code § 13519.6; Penal Code § 422.87).

336.1.1 DEFINITION AND LAWS

In accordance with Penal Code § 422.55; Penal Code § 422.56; Penal Code § 422.6; and Penal Code § 422.87, for purposes of all other state law, unless an explicit provision of law or the context clearly requires a different meaning, the following shall apply:

Bias motivation - Bias motivation is a pre-existing negative attitude toward actual or perceived characteristics referenced in Penal Code § 422.55. Depending on the circumstances of each case, bias motivation may include but is not limited to hatred, animosity, discriminatory selection of victims, resentment, revulsion, contempt, unreasonable fear, paranoia, callousness, thrill-seeking, desire for social dominance, desire for social bonding with those of one's "own kind," or a perception of the vulnerability of the victim due to the victim being perceived as being weak, worthless, or fair game because of a protected characteristic, including but not limited to disability or gender.

Disability - Disability includes mental disability and physical disability as defined in Government Code § 12926, regardless of whether those disabilities are temporary, permanent, congenital, or acquired by heredity, accident, injury, advanced age, or illness.

Disability bias - In recognizing suspected disability-bias hate crimes, officers should consider whether there is any indication that the perpetrator was motivated by hostility or other bias, occasioned by factors such as but not limited to dislike of persons who arouse fear or guilt, a perception that persons with disabilities are inferior and therefore "deserving victims," a fear of persons whose visible traits are perceived as being disturbing to others, or resentment of those who need, demand, or receive alternative educational, physical, or social accommodations.

In recognizing suspected disability-bias hate crimes, officers should consider whether there is any indication that the perpetrator perceived the victim to be vulnerable and, if so, if this perception is grounded, in whole or in part, in anti-disability bias. This includes but is not limited to situations where a perpetrator targets a person with a particular perceived disability while avoiding other vulnerable-appearing persons, such as inebriated persons or persons with perceived disabilities different from those of the victim. Such circumstances could be evidence that the perpetrator's

motivations included bias against persons with the perceived disability of the victim and that the crime must be reported as a suspected hate crime and not a mere crime of opportunity.

Gender - Gender means sex and includes a person's gender identity and gender expression.

Gender expression - Gender expression means a person's gender-related appearance and behavior, regardless of whether it is stereotypically associated with the person's assigned sex at birth.

Gender identity - Gender identity means each person's internal understanding of their gender, or the perception of a person's gender identity, which may include male, female, a combination of male and female, neither male nor female, a gender different from the person's sex assigned at birth, or transgender (2 CCR § 11030).

336.2 POLICY

It is the policy of this department to safeguard the rights of all individuals irrespective of their disability, gender, nationality, race or ethnicity, religion, sexual orientation, and/or association with a person or group with one or more of these actual or perceived characteristics. Any acts or threats of violence, property damage, harassment, intimidation, or other crimes motivated by hate or bias should be viewed very seriously and given high priority.

This department will employ reasonably available resources and vigorous law enforcement action to identify and arrest hate crime perpetrators. Also, recognizing the particular fears and distress typically suffered by victims, the potential for reprisal and escalation of violence, and the far-reaching negative consequences of these crimes on the community, this department should take all reasonable steps to attend to the security and related concerns of the immediate victims and their families as feasible.

All officers are required to be familiar with the policy and use reasonable diligence to carry out the policy unless directed by the Chief of Police or other command-level officer to whom the Chief of Police formally delegates this responsibility.

336.3 PLANNING AND PREVENTION

In order to facilitate the guidelines contained within this policy, department members will continuously work to build and strengthen relationships with the community, engage in dialogue, and provide education to the community about this policy. Department personnel are also encouraged to learn about the inherent issues concerning their communities in relation to hate crimes.

Although hate incidents are not criminal events, they can be indicators of, or precursors to, hate crimes. Hate incidents should be investigated and documented as part of an overall strategy to prevent hate crimes.

336.3.1 HATE CRIMES COORDINATOR

A department member appointed by the Chief of Police or the authorized designee will serve as the Hate Crimes Coordinator. The responsibilities of the Hate Crimes Coordinator should include but not be limited to (Penal Code § 422.87):

Standards of Conduct

338.1 PURPOSE AND SCOPE

This policy establishes standards of conduct that are consistent with the values and mission of the Auburn Police Department and are expected of all department members. The standards contained in this policy are not intended to be an exhaustive list of requirements and prohibitions but they do identify many of the important matters concerning conduct. In addition to the provisions of this policy, members are subject to all other provisions contained in this manual, as well as any additional guidance on conduct that may be disseminated by this department or a member's supervisors.

338.2 POLICY

The continued employment or appointment of every member of the Auburn Police Department shall be based on conduct that reasonably conforms to the guidelines set forth herein. Failure to meet the guidelines set forth in this policy, whether on- or off-duty, may be cause for disciplinary action.

338.3 DIRECTIVES AND ORDERS

Members shall comply with lawful directives and orders from any department supervisor or person in a position of authority, absent a reasonable and bona fide justification.

338.3.1 UNLAWFUL OR CONFLICTING ORDERS

Supervisors shall not knowingly issue orders or directives that, if carried out, would result in a violation of any law or department policy. Supervisors should not issue orders that conflict with any previous order without making reasonable clarification that the new order is intended to countermand the earlier order.

No member is required to obey any order that appears to be in direct conflict with any federal law, state law or local ordinance. Following a known unlawful order is not a defense and does not relieve the member from criminal or civil prosecution or administrative discipline. If the legality of an order is in doubt, the affected member shall ask the issuing supervisor to clarify the order or shall confer with a higher authority. The responsibility for refusal to obey rests with the member, who shall subsequently be required to justify the refusal.

Unless it would jeopardize the safety of any individual, members who are presented with a lawful order that is in conflict with a previous lawful order, department policy or other directive shall respectfully inform the issuing supervisor of the conflict. The issuing supervisor is responsible for either resolving the conflict or clarifying that the lawful order is intended to countermand the previous lawful order or directive, in which case the member is obliged to comply. Members who are compelled to follow a conflicting lawful order after having given the issuing supervisor the opportunity to correct the conflict, will not be held accountable for disobedience of the lawful order or directive that was initially issued.

Members shall conduct themselves, whether on- or off-duty, in accordance with the United States and California constitutions and all applicable laws, ordinances, and rules enacted or established pursuant to legal authority.

Members shall familiarize themselves with policies and procedures and are responsible for compliance with each. Members should seek clarification and guidance from supervisors in the event of any perceived ambiguity or uncertainty.

Report Preparation

342.1 PURPOSE AND SCOPE

Report preparation is a major part of each officer's job. The purpose of reports is to document sufficient information to refresh the officer's memory and to provide sufficient information for follow-up investigation and successful prosecution. Report writing is the subject of substantial formalized training and on-the-job training.

342.1.1 REPORT PREPARATION

Employees should ensure that reports are sufficiently detailed for their purpose and free from errors prior to submission. It is the responsibility of the assigned employee to complete and submit all reports taken during the shift before going off-duty unless permission to hold the report has been approved by a supervisor. Generally, reports requiring prompt follow-up action on active leads, or arrest reports where the suspect remains in custody should not be held.

Handwritten reports must be prepared legibly. If the report is not legible, the submitting employee will be required by the reviewing supervisor to promptly make corrections and resubmit the report. Employees who dictate reports shall use appropriate grammar, as content is not the responsibility of the typist. Employees who generate reports on computers are subject to all requirements of this policy.

All reports shall accurately reflect the identity of the persons involved, all pertinent information seen, heard or assimilated by any other sense, and any actions taken. Employees shall not suppress, conceal or distort the facts of any reported incident, nor shall any employee make a false report orally or in writing. Generally, the reporting employee's opinions should not be included in reports unless specifically identified as such.

342.2 REQUIRED REPORTING

Written reports are required in all of the following situations on the appropriate department approved form unless otherwise approved by a supervisor.

Additional guidelines for report writing and report preparation may be found in the Auburn Police Department Report Writing Manual. The manual is a separate document from this policy.

342.2.1 CRIMINAL ACTIVITY

- (a) All arrests
- (b) All felony crimes
- (c) Non-Felony incidents involving threats or stalking behavior
- (d) Situations covered by separate policy. These include:

The handling officer should notify and apprise a supervisor of the circumstances surrounding the incident to determine how to proceed. The following cases shall be appropriately investigated and documented using the approved report:

- (a) Sudden or accidental deaths.

Reports shall be taken if an injury occurs that is a result of an act of a City employee. Additionally, reports shall be taken involving damage to City property or City equipment.

342.2.5 MISCELLANEOUS INJURIES

Any injury that is reported to this department shall require a report when:

- (a) The injury is a result of drug overdose
- (b) Attempted suicide
- (c) The injury is major/serious, whereas death could result
- (d) The circumstances surrounding the incident are suspicious in nature and it is desirable to record the event

The above reporting requirements are not intended to be all-inclusive. A supervisor may direct an employee to document any incident he/she deems necessary.

342.2.6 MANDATORY REPORTING OF JUVENILE GUNSHOT INJURIES

A report shall be taken when any incident in which a child 18 years or younger suffered an unintentional or self-inflicted gunshot wound. The Records Bureau shall notify the California Department of Public Health (CDPH) of the incident as required by CDPH (Penal Code § 23685).

- (i) Hit-and-run vehicle collisions with no suspect or suspect vehicle.
- (j) Supplemental property lists.

Members at the scene of one of the above incidents should not refer the reporting party to an alternate means of reporting without authorization from a supervisor. Members may refer victims to online victim assistance programs (e.g., Federal Communications Commission (FCC) website for identity theft, Internet Crime Complaint Center (IC3) website for computer crimes).

342.3 GENERAL POLICY OF EXPEDITIOUS REPORTING

In general, all officers and supervisors shall act with promptness and efficiency in the preparation and processing of all reports. An incomplete report, unorganized reports or reports delayed without supervisory approval are not acceptable. Reports shall be processed according to established priorities or according to special priority necessary under exceptional circumstances.

342.3.1 GENERAL POLICY OF HANDWRITTEN REPORTS

Some incidents and report forms lend themselves to block print rather than typing. In general, the narrative portion of those reports where an arrest is made or when there is a long narrative should be typed or dictated.

Supervisors may require, with the foregoing general policy in mind, block printing or typing of reports of any nature for department consistency.

342.3.2 GENERAL USE OF OTHER HANDWRITTEN FORMS

County, state and federal agency forms may be block printed as appropriate. In general, the form itself may make the requirement for typing apparent.

342.4 REPORT CORRECTIONS

Supervisors shall review reports for content and accuracy. If a correction is necessary, the reviewing supervisor should complete the Report Correction form stating the reasons for rejection. The original report and the correction form should be returned to the reporting employee for correction as soon as practical. It shall be the responsibility of the originating officer to ensure that any report returned for correction is processed in a timely manner.

342.5 REPORT CHANGES OR ALTERATIONS

Report errors should be corrected immediately upon notification of the error. Records personnel are authorized to correct certain agency-approved types of errors to provide for the most efficient and timely processing and approval of reports. If a correction to a report occurs after it has been submitted to outside agencies, ensure the final approved version is resubmitted. Errors corrected by Records personnel must be entered on the monthly error list.

There are two types of corrections to a report:

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Report Preparation

Non-material items: those which are not material to the crime or investigation and include errors which are mechanical in nature or NIBRS related.

Material items: those which are material to the crime or investigation and if changed by anyone other than the officer could be challenged in court. They are specific to what the officer is conveying in his/her report about the incident and investigation.

Reports with material errors that have been approved by a supervisor and submitted to the Records Bureau for filing and distribution shall not be modified or altered except by way of a supplemental report. Reviewed reports with non-material errors may be corrected, modified, or returned to the authoring officer.

342.6 ELECTRONIC SIGNATURES

The Auburn Police Department has established an electronic signature procedure for use by all employees of the Auburn Police Department. The Operations Lieutenant shall be responsible for maintaining the electronic signature system and ensuring that each employee creates a unique, confidential password for his/her electronic signature.

- Employees may only use their electronic signature for official reports or other official communications.
- Each employee shall be responsible for the security and use of his/her electronic signature and shall promptly notify a supervisor if the electronic signature has or may have been compromised or misused.

Media Relations

344.1 PURPOSE AND SCOPE

This policy provides guidelines for the release of official department information to the media. It also addresses coordinating media access to scenes of disasters, criminal investigations, emergencies, and other law enforcement activities.

344.2 RESPONSIBILITIES

The ultimate authority and responsibility for the release of information to the media shall remain with the Chief of Police. In situations not warranting immediate notice to the Chief of Police and in situations where the Chief of Police has given prior approval, Division Commanders, Shift Supervisors, and designated Public Information Officers (PIOs) may prepare and release information to the media in accordance with this policy and the applicable laws regarding confidentiality.

344.3 ACCESS

Authorized media representatives shall be provided access to scenes of disasters, criminal investigations, emergencies, and other law enforcement activities as required by law.

Access by the media is subject to the following conditions (Penal Code § 409.5(d)):

- (a) The media representative shall produce valid press credentials that shall be prominently displayed at all times while in areas otherwise closed to the public. Media representatives may not bring or facilitate the transport of an unauthorized person into a closed area unless it is for the safety of the person.
- (b) Media representatives may be prevented from interfering with emergency operations and criminal investigations.
 - 1. Based upon available resources, reasonable effort should be made to provide a safe staging area for the media that is near the incident and that will not interfere with emergency or criminal investigation operations. All information released to the media should be coordinated through the PIO or other designated spokesperson.
- (c) No member of this department who is under investigation shall be subjected to media visits or interviews without the consent of the involved member (Government Code § 3303(e)).
- (d) Media interviews with individuals who are in custody should not be permitted without the approval of the Chief of Police and the express consent of the person in custody.

344.3.1 CRITICAL OPERATIONS

A critical incident or tactical operation should be handled in the same manner as a crime scene, except the media should not be permitted within the inner perimeter of the incident, subject to any restrictions as determined by the supervisor in charge. Department members shall not jeopardize a critical incident or tactical operation in order to accommodate the media. All comments to the media shall be coordinated through a supervisor or the PIO.

344.3.2 TEMPORARY FLIGHT RESTRICTIONS

Whenever the presence of media or other aircraft pose a threat to public or member safety or significantly hamper incident operations, the field supervisor should consider requesting a Temporary Flight Restriction (TFR). All requests for a TFR should be routed through the Shift Supervisor. The TFR request should include specific information regarding the perimeter and altitude necessary for the incident and should be requested through the appropriate control tower. If the control tower is not known, the Federal Aviation Administration (FAA) should be contacted (14 CFR 91.137).

344.4 POLICY

It is the policy of the Auburn Police Department to protect the privacy rights of individuals, while releasing non-confidential information to the media regarding topics of public concern. Information that has the potential to negatively affect investigations will not be released.

344.5 PROVIDING ADVANCE INFORMATION

To protect the safety and rights of department members and other persons, advance information about planned actions by law enforcement personnel, such as movement of persons in custody or the execution of an arrest or search warrant, should not be disclosed to the media, nor should media representatives be invited to be present at such actions except with the prior approval of the Chief of Police.

Any exceptions to the above should only be considered for the furtherance of legitimate law enforcement purposes. Prior to approving any exception, the Chief of Police will consider, at a minimum, whether the release of information or presence of the media would unreasonably endanger any individual, prejudice the rights of any person, or is otherwise prohibited by law.

344.6 MEDIA REQUESTS

Any media request for information or access to a law enforcement incident shall be referred to the PIO, or if unavailable, to the first available supervisor. Prior to releasing any information to the media, members shall consider the following:

- (a) At no time shall any member of this department make any comment or release any official information to the media without prior approval from a supervisor or the PIO.
- (b) In situations involving multiple agencies or government departments, every reasonable effort should be made to coordinate media releases with the authorized representative of each involved agency prior to the release of any information by this department.
- (c) Under no circumstance should any member of this department make any comments to the media regarding any law enforcement incident not involving this department without prior approval of the Chief of Police. Under these circumstances the member should direct the media to the agency handling the incident.

344.7 CONFIDENTIAL OR RESTRICTED INFORMATION

It shall be the responsibility of the PIO to ensure that confidential or restricted information is not inappropriately released to the media (see the Records Maintenance and Release and Personnel

Records policies). When in doubt, authorized and available legal counsel should be consulted prior to releasing any information.

344.7.1 EMPLOYEE INFORMATION

The identities of officers involved in shootings or other critical incidents may only be released to the media upon the consent of the involved officer or upon a formal request filed.

Any requests for copies of related reports or additional information not contained in the information log (see the Information Log section in this policy), including the identity of officers involved in shootings or other critical incidents, shall be referred to the PIO.

Requests should be reviewed and fulfilled by the Custodian of Records, or if unavailable, the Shift Supervisor or the authorized designee. Such requests will be processed in accordance with the provisions of the Records Maintenance and Release Policy and public records laws.

344.8 RELEASE OF INFORMATION

The Department may routinely release information to the media without receiving a specific request. This may include media releases regarding critical incidents, information of public concern, updates regarding significant incidents, or requests for public assistance in solving crimes or identifying suspects. This information may also be released through the department website or other electronic data sources.

344.8.1 INFORMATION LOG

The Department will maintain a daily information log of significant law enforcement activities. Log entries shall only contain information that is deemed public information and not restricted or confidential by this policy or applicable law. Upon request, the log entries shall be made available to media representatives through the Shift Supervisor.

The daily information log will generally include:

- (a) The date, time, location, case number, type of crime, extent of injury or loss, and names of individuals involved in crimes occurring within this jurisdiction, unless the release of such information would endanger the safety of any individual or jeopardize the successful completion of any ongoing investigation, or the information is confidential (e.g., juveniles or certain victims).
- (b) The date, time, location, case number, name, birth date, and charges for each person arrested by this department, unless the release of such information would endanger the safety of any individual or jeopardize the successful completion of any ongoing investigation or the information is confidential (e.g., juveniles).
- (c) The time and location of other significant law enforcement activities or requests for service with a brief summary of the incident.

At no time shall identifying information pertaining to a juvenile arrestee (13 years of age and under), victim, or witness be publicly released without prior approval of a competent court. The identity of a minor 14 years of age or older shall not be publicly disclosed unless the minor has

been arrested for a serious felony and the release of such information has been approved by the Shift Supervisor (Welfare and Institutions Code § 827.5).

Identifying information concerning deceased individuals shall not be released to the media until notification of next of kin or otherwise cleared through the Coroner.

Any requests for copies of related reports or additional information not contained in this log shall be referred to the designated department media representative, the custodian of records, or if unavailable, to the Shift Supervisor. Such requests will generally be processed in accordance with the provisions of the Public Records Act (see the Records Maintenance and Release Policy).

Subpoenas and Court Appearances

346.1 PURPOSE AND SCOPE

This policy establishes the guidelines for department members who must appear in court. It will allow the Auburn Police Department to cover any related work absences and keep the Department informed about relevant legal matters.

346.1.1 DEFINITIONS

On-Call - When an employee has appeared in court, or is at the time on-duty, and has been told by a member of the court that he/she is free to leave the court or return to duty, subject to being available by phone or pager if called back.

Standby - As outlined in the member(s) of the department's memorandum of understanding.

Trailing Status - When an employee remains on standby status for additional court sessions until notified otherwise (as outlined in the member(s) of the department's memorandum of understanding).

Mandatory Appearance - Subpoenas and Court Trial Notices for Traffic Court require an employee's physical appearance in the specified court, unless advised otherwise by a Deputy District Attorney, Victim Witness or a court clerk. Failure to timely appear in the specified court, either intentionally or by negligence, may result in disciplinary action.

346.2 POLICY

Auburn Police Department members will respond appropriately to all subpoenas and any other court-ordered appearances.

346.2.1 SERVICE OF SUBPOENA

Subpoenas from the District Attorneys Office or Traffic Court can be transferred to the Records Clerk with out service. The Records clerk will then record the subpoenas in the subpoena log and then turn the subpoena over to the Sergeants or Officers in Charge for distribution. Sergeants or officers shall serve the subpoenas as soon as possible. Officers may serve themselves. Sergeants and Officers in Charge are responsible to make sure that subpoenas and Court Trial Notices are served.

Service of a subpoena that is not from the District Attorneys Office requiring the appearance of any department employee in connection with a matter arising out of the employee's course and scope of official duties may be accomplished by personal service on the employee or by delivery of two copies of the subpoena to the Records Clerk or other authorized departmental agent (Government Code § 68097.1 and Penal Code § 1328(c)). The Records clerk will then record the subpoenas in the subpoena log and then turn the subpoena over to the Sergeants or Officers in Charge to distribute to the served officer.

If the Deputy District Attorney can't be reached notify Victim Witness and advise them of the problem immediately upon receiving the subpoena. The officer should be able to articulate the exact dates of training and vacation in conflict, and the dates of the full vacation period or training period. The Deputy District Attorney must then go before the court and ask that a continuance be granted so notification is very time critical.
- c. The officer should notify the records clerk and his/her supervisor of the situation.

NOTE: Vacations and training where the officer is in the local area will not be a reason for the officer to request a continuance or fail to attend court.

ILLNESS OR INJURY

If, due to illness or injury, the named employee is unable to appear in court as directed by a previously served subpoena, he/she shall, at **least** one hour before the appointed date and time, inform Victim Witness of his/her potential absence.

If a subpoena is presented for service to an immediate supervisor, Records Clerk, or other authorized individual less than five working days prior to the date listed for an appearance and the supervisor or other authorized individual is not reasonably certain that the service can be completed, he/she may refuse to accept service (Penal Code § 1328(e)).

This may be accomplished by personal service to the officer or by delivery of two copies of the subpoena to the officer's supervisor or other authorized departmental agent (Government Code § 68097.1; Penal Code § 1328(c)).

The party that issues a civil subpoena to an officer to testify as a witness must tender the statutory fee of \$275 with the subpoena for each day that an appearance is required before service is accepted of the subpoena (Government Code § 68097.2).

An immediate supervisor or authorized individual may refuse to accept service for a criminal subpoena if (Penal Code § 1328(d)(e)):

348.2.2 APPOINTMENT

Applicants who are selected for appointment to the Police Reserve Unit shall, on the recommendation of the Chief of Police, be sworn in by the Chief of Police and take a loyalty oath to observe and obey all of the laws of the land and to carry out their duties to the best of their ability.

348.2.3 COMPENSATION FOR POLICE RESERVE OFFICERS

All property issued to the reserve officer shall be returned to the Department upon termination or resignation. Reserves shall receive compensation for hours worked that are not volunteer hours per current City of Auburn policy or resolution.

348.2.4 EMPLOYEES WORKING AS RESERVE OFFICERS

Qualified employees of this department, when authorized, may also serve as reserve officers. However, the Department must not utilize the services of a reserve or volunteer in such a way that it would violate employment laws or labor agreements (e.g., a detention officer working as a reserve officer for reduced or no pay). Therefore, the Reserve Coordinator should consult the Department of Human Resources prior to an employee serving in a reserve or volunteer capacity (29 CFR 553.30).

348.2.5 SPECIAL COMPENSATION

The City Council has approved an hourly rate of compensation for Police Reserve Officers, for special circumstances.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Reserve Officers

If a Reserve Officer is subpoenaed to court and must appear, he/she will be paid for a minimum of one hour even if the required appearance is less than one hour. After one hour, the Reserve Officer will be paid for whatever period of time the appearance requires.

There is no stand-by compensation for Reserve Officers. However, the Reserve Coordinator will closely monitor subpoenas and work with the court to place Reserves on-call, whenever possible.

Reserve Officers requesting payment for court duties shall complete an Overtime Card, and submit it to the on-duty Watch Commander. Approved cards are forwarded to the Patrol Division Commander for processing. There are no timesheets maintained for Reserve Officers. Checks will then be forwarded to the Officer after processing.

All Reserve Officer appointees are issued an initial set of uniforms and all designated attire and safety equipment. All property issued to the Reserve Officer shall be returned to the Department upon termination or resignation.

348.3 DUTIES OF RESERVE OFFICERS

Reserve officers assist regular officers in the enforcement of laws and in maintaining peace and order within the community. Assignments of reserve officers will usually be to augment the Operations Division. Reserve officers may be assigned to other areas within the Department as needed. Reserve officers are required to work a minimum of 16 hours per month.

348.3.1 POLICY COMPLIANCE

Police reserve officers shall be required to adhere to all departmental policies and procedures. A copy of the policies and procedures will be made available to each reserve officer upon appointment and he/she shall become thoroughly familiar with these policies.

Whenever a rule, regulation, or guideline in this manual refers to a sworn regular full-time officer, it shall also apply to a sworn reserve officer unless by its nature it is inapplicable.

348.3.2 RESERVE OFFICER ASSIGNMENTS

All reserve officers will be assigned to duties by the Reserve Coordinator or his/her designee.

348.3.3 RESERVE COORDINATOR

The Chief of Police shall delegate the responsibility for administering the Reserve Officer Program to a Reserve Coordinator.

The Reserve Coordinator shall have the responsibility of, but not be limited to:

348.4 FIELD TRAINING

Penal Code § 832.6 requires Level II reserve officers, who have not been released from the immediate supervision requirement per the Completion of the Formal Training Process subsection, to work under the immediate supervision of a peace officer who possesses a Basic POST Certificate.

348.4.1 TRAINING OFFICERS

Officers of this department, who demonstrate a desire and ability to train reserve officers, may train the reserves during Phase II, subject to Shift Supervisor approval.

348.4.2 PRIMARY TRAINING OFFICER

Upon completion of the Academy, reserve officers will be assigned to a primary training officer. The primary training officer will be selected from members of the Field Training Officer (FTO) Committee. The reserve officer will be assigned to work with his/her primary training officer during the first 160 hours of training. This time shall be known as the Primary Training Phase.

348.4.3 FIELD TRAINING MANUAL

Each new reserve officer will be issued a Field Training Manual at the beginning of his/her Primary Training Phase. This manual is an outline of the subject matter and/or skills necessary to properly function as an officer with the Auburn Police Department. The reserve officer shall become knowledgeable of the subject matter as outlined. He/she shall also become proficient with those skills as set forth in the manual.

348.4.4 COMPLETION OF THE PRIMARY TRAINING PHASE

At the completion of the Primary Training Phase, (Phase I) the primary training officer will meet with the Reserve Coordinator. The purpose of this meeting is to discuss the progress of the reserve officer in training.

If the reserve officer has progressed satisfactorily, he/she will then proceed to Phase II of the training. If he/she has not progressed satisfactorily, the Reserve Coordinator will determine the appropriate action to be taken.

348.4.5 SECONDARY TRAINING PHASE

The Secondary Training Phase (Phase II) shall consist of 100 hours of additional on-duty training. The reserve officer will no longer be required to ride with his/her primary training officer. The reserve officer may now ride with any officer designated by the Shift Supervisor.

During Phase II of training, as with Phase I, the reserve officer's performance will be closely monitored. In addition, rapid progress should continue towards the completion of the Officer's Field Training Manual. At the completion of Phase II of training, the reserve officer will return to his/her primary training officer for Phase III of the training.

348.4.6 THIRD TRAINING PHASE

Phase III of training shall consist of 24 hours of additional on-duty training. For this training phase, the reserve officer will return to his/her original primary training officer. During this phase, the training officer will evaluate the reserve officer for suitability to graduate from the formal training program.

At the completion of Phase III training, the primary training officer will meet with the Reserve Coordinator. Based upon the reserve officer's evaluations, plus input from the primary training officer, the Reserve Coordinator shall decide if the reserve officer has satisfactorily completed his/her formal training. If the reserve officer has progressed satisfactorily, he/she will then graduate from the formal training process. If his/her progress is not satisfactory, the Reserve Coordinator will decide upon the appropriate action to be taken.

348.4.7 COMPLETION OF THE FORMAL TRAINING PROCESS

When a reserve officer has satisfactorily completed all three phases of formal training, he/she will have had a minimum of 284 hours of on-duty training. He/she will no longer be required to ride with a reserve training officer. The reserve officer may now be assigned to ride with any officer for the remaining 200-hour requirement for a total of 484 hours before being considered for relief of immediate supervision.

348.5 SUPERVISION OF RESERVE OFFICERS

Reserve officers who have attained the status of Level II shall be under the immediate supervision of a regular sworn officer (Penal Code 832.6). The immediate supervision requirement shall also continue for reserve officers who have attained Level I status unless special authorization is received from the Reserve Coordinator with the approval of the Division Commander.

348.5.1 SPECIAL AUTHORIZATION REQUIREMENTS

Reserve officers certified as Level I may, with prior authorization of the Reserve Coordinator and on approval of the Division Commander, be relieved of the "immediate supervision" requirement. Level I reserve officers may function under the authority of Penal Code § 832.6(a)(1) only for the duration of the assignment or purpose for which the authorization was granted.

In the absence of the Reserve Coordinator and the Division Commander, the Shift Supervisor may assign a certified Level I reserve officer to function under the authority of Penal Code § 832.6(a)(1) for specific purposes and duration.

348.5.2 RESERVE OFFICER MEETINGS

All reserve officer meetings will be scheduled and conducted by the Reserve Coordinator. All reserve officers are required to attend scheduled meetings. Any absences must be satisfactorily explained to the Reserve Coordinator.

348.5.3 IDENTIFICATION OF RESERVE OFFICERS

All reserve officers will be issued a uniform badge and a Department identification card. The uniform badge shall be the same as that worn by a regular full-time officer. The identification card

will be the standard identification card with the exception that "Reserve" will be indicated on the card.

348.5.4 UNIFORM

Reserve officers shall conform to all uniform regulation and appearance standards of this department.

348.5.5 INVESTIGATIONS AND COMPLAINTS

If a reserve officer has a complaint made against him/her or becomes involved in an internal investigation, that complaint or internal investigation may be investigated by the Reserve Coordinator, at the discretion of the Operations Division Commander.

Reserve officers are considered at-will employees. Government Code § 3300 et seq. applies to reserve officers with the exception that the right to hearing is limited to the opportunity to clear their name.

Any disciplinary action that may have to be administered to a reserve officer shall be accomplished as outlined in the Policy Manual.

348.5.6 RESERVE OFFICER EVALUATIONS

While in training reserves will be continuously evaluated using standardized daily and weekly observation reports. The reserve will be considered a trainee until all of the training phases have been completed. Reserves having completed their field training will be evaluated annually using performance dimensions applicable to the duties and authorities granted to that reserve.

348.6 FIREARMS REQUIREMENTS

Penal Code § 830.6(a)(1) designates a reserve officer as having peace officer powers during his/her assigned tour of duty, provided the reserve officer qualifies or falls within the provisions of Penal Code § 832.6.

348.6.1 CARRYING WEAPON ON DUTY

Penal Code § 830.6(a)(1) permits qualified reserve officers to carry a loaded firearm while on-duty. It is the policy of this department to allow reserves to carry firearms only while on-duty or to and from duty.

348.6.2 CONCEALED FIREARMS PROHIBITED

No reserve officer will be permitted to carry a concealed firearm while in an off-duty capacity, other than to and from work, except those reserve officers who possess a valid CCW permit. An instance may arise where a reserve officer is assigned to a plainclothes detail for his/her assigned tour of duty. Under these circumstances, the reserve officer may be permitted to carry a weapon more suited to the assignment with the knowledge and approval of the supervisor in charge of the detail.

Any reserve officer who is permitted to carry a firearm other than the assigned duty weapon may do so only after verifying that the weapon conforms to departmental standards. The weapon must be

registered by the reserve officer and be inspected and certified as fit for service by a departmental armorer.

Before being allowed to carry any optional firearm during an assigned tour of duty, the reserve officer shall have demonstrated his/her proficiency with said weapon.

When a reserve officer has satisfactorily completed all three phases of training (as outlined in the Field Training section), he/she may be issued a permit to carry a concealed weapon. The decision to issue a concealed weapon permit will be made by the Chief of Police with input from the Reserve Program Coordinator and administrative staff. In issuing a concealed weapon permit a reserve officer's qualification will be individually judged. A reserve officer's dedication to the program and demonstrated maturity, among other factors, will be considered before a concealed weapon permit will be issued. Once issued, the concealed weapon permit will be valid only for as long as the reserve officer remains in good standing as a Reserve Officer with the Auburn Police Department.

348.6.3 RESERVE OFFICER FIREARM TRAINING

All reserve officers are required to maintain proficiency with firearms used in the course of their assignments. Reserve officers shall comply with all areas of the firearms training section of the Policy Manual, with the following exceptions:

- (a) All reserve officers are required to qualify at least once a year and/or as any full time officer.
- (b) Reserve officers may use the department approved range with approval and proper supervision upon request and/or availability of range or full-time staff.
- (c) Should a reserve officer fail to qualify, that reserve officer will not be allowed to carry a firearm until he/she has reestablishes his/her proficiency

348.7 EMERGENCY CALL-OUT FOR RESERVE PERSONNEL

The Reserve Coordinator shall develop a plan outlining an emergency call-out procedure for reserve personnel.

Outside Agency Assistance

350.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members when requesting or responding to a request for mutual aid or when assisting another law enforcement agency.

350.2 POLICY

It is the policy of the Auburn Police Department to promptly respond to requests for assistance by other law enforcement agencies, subject to available resources and consistent with the applicable laws and policies of this department.

350.3 ASSISTING OUTSIDE AGENCIES

Generally, requests for any type of assistance from another agency should be routed to the Shift Supervisor's office for approval. In some instances, a memorandum of understanding or other established protocol may exist that eliminates the need for approval of individual requests.

When another law enforcement agency requests assistance from this department, the Shift Supervisor may authorize, if available, an appropriate number of personnel to assist. Members are reminded that their actions when rendering assistance must conform with applicable laws and be consistent with the policies of this department.

Officers may respond to a request for emergency assistance, however, they shall notify a supervisor of their activity as soon as practicable.

When responding to assist outside agencies, Officers shall refrain from self-deployment and are expected to respond in a coordinated effort or manner. Additionally, when circumstances exist in which a command post has been established, responding officers shall initially respond to and check-in at the command post.

Arrestees may be temporarily detained by this department until arrangements for transportation are made by the outside agency. Probation violators who are temporarily detained by this department will not ordinarily be booked at this department. Only in exceptional circumstances, and subject to supervisor approval, will this department provide transportation of arrestees to other facilities on behalf of another agency.

When transportation assistance is rendered, a report shall be prepared and submitted by the handling member unless otherwise directed by a supervisor.

350.3.1 INITIATED ACTIVITY

Any on-duty officer who engages in law enforcement activities of any type that are not part of a mutual aid request and take place outside the jurisdiction of the Auburn Police Department shall notify his/her supervisor or the Shift Supervisor and the Dispatch Center as soon as practicable. This requirement does not apply to special enforcement details or multi-agency units that regularly work in multiple jurisdictions.

350.4 REQUESTING OUTSIDE ASSISTANCE

If assistance is needed from another agency, the member requesting assistance should, if practicable, first notify a supervisor. The handling member or supervisor should direct assisting personnel to where they are needed and to whom they should report when they arrive.

The requesting member should arrange for appropriate radio communication capabilities, if necessary and available, so that communication can be coordinated between assisting personnel.

350.5 REPORTING REQUIREMENTS

Incidents of outside assistance or law enforcement activities that are not documented in a crime report shall be documented in a general case report or as directed by the Shift Supervisor.

350.6 MANDATORY SHARING

Equipment and supplies purchased with federal funds or grants that require such equipment and supplies be shared with other agencies should be documented and updated as necessary by the Administrative Services Division Commander or the authorized designee.

The documentation should include:

- (a) The conditions relative to sharing.
- (b) The training requirements for:
 - 1. The use of the supplies and equipment.
 - 2. The members trained in the use of the supplies and equipment.
- (c) Any other requirements for use of the equipment and supplies.

Copies of the documentation should be provided to the Dispatch Center and the Shift Supervisor to ensure use of the equipment and supplies is in compliance with the applicable sharing agreements.

The Training Manager should maintain documentation that the appropriate members have received the required training.

Registered Offender Information

354.1 PURPOSE AND SCOPE

This policy establishes guidelines by which the Auburn Police Department will address issues associated with certain offenders who are residing in the jurisdiction and how the Department will disseminate information and respond to public inquiries for information about registered sex, arson and drug offenders.

354.2 POLICY

It is the policy of the Auburn Police Department to identify and monitor registered offenders living within this jurisdiction and to take reasonable steps to address the risks those persons may pose.

354.3 REGISTRATION

The Criminal Investigations Division supervisor shall establish a process to reasonably accommodate registration of certain offenders. The process should rebut any allegation on the part of the offender that the registration process was too confusing, burdensome, or difficult for compliance. If it is reasonable to do so, an investigator assigned to related investigations should conduct the registration in order to best evaluate any threat the person may pose to the community. Those assigned to register offenders should receive appropriate training regarding the registration process.

Upon conclusion of the registration process, the investigator shall ensure that the registration information is provided to the California Department of Justice (DOJ) in accordance with applicable law (Penal Code § 457.1; Penal Code § 290 et seq.).

The refusal of a registrant to provide any of the required information or complete the process should initiate a criminal investigation for failure to register.

354.3.1 CONTENTS OF REGISTRATION

The information collected from the registering offenders shall include a signed statement as required by the California DOJ, fingerprints and a photograph, and any other information required by applicable law (Penal Code § 457.1; Penal Code § 290 et seq.).

354.4 MONITORING OF REGISTERED OFFENDERS

The Criminal Investigations Division supervisor should establish a system to periodically, and at least once annually, verify that a registrant remains in compliance with his/her registration requirements after the initial registration. This verification should include:

- (a) Efforts to confirm residence using an unobtrusive method, such as an internet search or drive-by of the declared residence.
- (b) Review of information on the California DOJ website for sex offenders.
- (c) Contact with a registrant's parole or probation officer.

Any discrepancies should be reported to the California DOJ.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Registered Offender Information

The Criminal Investigations Division supervisor should also establish a procedure to routinely disseminate information regarding registered offenders to Auburn Police Department personnel, including timely updates regarding new or relocated registrants.

354.5 DISSEMINATION OF PUBLIC INFORMATION

Members will not unilaterally make a public notification advising the community of a particular registrant's presence in the community. Members who identify a significant risk or other public safety issue associated with a registrant should promptly advise their supervisor. The supervisor should evaluate the request and forward the information to the Chief of Police if warranted. A determination will be made by the Chief of Police, with the assistance of legal counsel as necessary, whether such a public alert should be made.

Members of the public requesting information on sex registrants should be provided the Megan's Law website or the Auburn Police Department's website. Information on sex registrants placed on the Auburn Police Department's website shall comply with the requirements of Penal Code § 290.46.

The Records Communication Supervisor may release local registered offender information to residents only in accordance with applicable law and in compliance with a California Public Records Act request (Government Code § 7920.000 et seq.; Penal Code § 290.45; Penal Code § 290.46; Penal Code § 457.1).

354.5.1 LIMITED RELEASE WITHIN COLLEGE CAMPUS COMMUNITY

California law allows the following additional information regarding a registered sex offender on campus, whose information is not available to the public via the internet website, to be released to a campus community (Penal Code § 290.01(d)):

- (a) The offender's full name
- (b) The offender's known aliases
- (c) The offender's sex
- (d) The offender's race
- (e) The offender's physical description
- (f) The offender's photograph
- (g) The offender's date of birth
- (h) Crimes resulting in the registration of the offender under Penal Code § 290
- (i) The date of last registration

For purposes of this section, campus community shall be defined as those persons present at or regularly frequenting any place constituting campus property, satellite facilities, laboratories, public areas contiguous to the campus and other areas set forth in Penal Code § 290.01(d).

354.5.2 RELEASE NOTIFICATIONS

Registrant information that is released should include notification that:

- (d) The crime for which a person is convicted may not accurately reflect the level of risk.
- (e) Anyone who uses information contained in the registry to harass registrants or commit any crime may be subject to criminal prosecution.

Death Investigation

358.1 PURPOSE AND SCOPE

The investigations of cases involving death include those ranging from natural cause to homicide. Some causes of death may not be readily apparent and some cases differ substantially from what they appeared to be initially. The thoroughness of death investigations cannot be emphasized enough.

358.2 INVESTIGATION CONSIDERATIONS

Death investigation cases require certain actions be taken. Paramedics shall be called in all suspected death cases unless the death is obvious (e.g., decapitated, decomposed). A supervisor shall be notified in all death investigations.

358.2.1 CORONER REQUEST

Government Code § 27491 and Health & Safety Code § 102850 direct the Coroner to inquire into and determine the circumstances, manner and cause of certain deaths. The Coroner shall be called in any of the following cases:

- (a) Unattended deaths (No physician in attendance or during the continued absence of the attending physician. Also, includes all deaths outside hospitals and nursing care facilities).

358.2.2 SEARCHING DEAD BODIES

The Coroner or Deputy Coroner is generally the only person permitted to search a body known to be dead from any of the circumstances set forth in Government Code § 27491. The only exception is that an officer is permitted to search the body of a person killed in a traffic collision for the limited purpose of locating an anatomical donor card (Government Code § 27491.3). If such a donor card is located, the Coroner or a designee shall be promptly notified. Should exigent circumstances indicate to an officer that any search of a known dead body is warranted prior to the arrival of the Coroner or a designee; the investigating officer shall first obtain verbal consent from the Coroner or a designee (Government Code § 27491.2).

Whenever possible, a witness, preferably a relative to the deceased or a member of the household, should be requested to remain at the scene with the officer pending the arrival of the Coroner or a designee. The name and address of this person shall be included in the narrative of the death report. Whenever personal effects are removed from the body of the deceased by the Coroner or a designee, a receipt shall be obtained. This receipt shall be attached to the death report.

358.2.3 DEATH NOTIFICATION

When practical, and if not handled by the Coroner's Office, notification to the next-of-kin of the deceased person shall be made, in person, by the officer assigned to the incident. The Chaplaincy may be called to assist in the notification. If the next-of-kin lives in another jurisdiction, a law enforcement official from that jurisdiction shall be requested to make the personal notification. If the relatives live outside this county, the Coroner may be requested to make the notification. The Coroner needs to know if notification has been made. Assigned detectives may need to talk to the next-of-kin.

Identity Theft

360.1 PURPOSE AND SCOPE

Identity theft is a growing trend that frequently involves related crimes in multiple jurisdictions. This policy is intended to provide guidelines for the reporting and investigation of such crimes.

360.2 REPORTING

- (a) In an effort to maintain uniformity in reporting, officers presented with the crime of identity theft (Penal Code § 530.6) shall initiate a report for victims residing within the jurisdiction of this department when the crime occurred. For incidents of identity theft occurring outside this jurisdiction, officers should observe the following:
 - 1. For any victim not residing within this jurisdiction, the officer may either take a courtesy report to be forwarded to the victim's residence agency or the victim should be encouraged to promptly report the identity theft to the law enforcement agency where he or she resides.
- (b) While the crime of identity theft should be reported to the law enforcement agency where the victim resides, officers of this department should investigate and report crimes occurring within this jurisdiction which have resulted from the original identity theft (e.g., the identity theft occurred elsewhere, but the credit card fraud occurred and is reported in this jurisdiction).
- (c) Officers should include all known incidents of fraudulent activity (e.g., credit card number applied for in victim's name when the victim has never made such an application).
- (d) Officers should also cross-reference all known reports made by the victim (e.g., U.S. Secret Service, credit reporting bureaus, U.S. Postal Service and DMV) with all known report numbers.
- (e) The reporting officer should inform victims of identity theft that the California Identity Theft Registry is available to help those who are wrongly linked to crimes. The registry can be checked by law enforcement and other authorized persons to investigate whether a criminal history or want was created in the victim's name (Penal Code § 530.7). Information regarding the California Identity Theft Registry can be obtained by calling toll free (888) 880-0240.
- (f) Following supervisory review and departmental processing, the initial report should be forwarded to the appropriate detective for follow up investigation, coordination with other agencies and prosecution as circumstances dictate.

Private Persons Arrests

362.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance for the handling of private person's arrests made pursuant to Penal Code § 837.

362.2 ADVISING PRIVATE PERSONS OF THE ARREST PROCESS

Penal Code § 836(b) expressly mandates that all officers shall advise victims of domestic violence of the right to make a private person's arrest, including advice on how to safely execute such an arrest. In all other situations, officers should use sound discretion in determining whether or not to advise an individual of the arrest process.

- (a) When advising any individual regarding the right to make a private person's arrest, officers should refrain from encouraging or dissuading any individual from making such an arrest and should instead limit advice to the legal requirements for such an arrest as listed below.
- (b) Private individuals should be discouraged from using force to effect a private person's arrest, and absent immediate threat to their own safety or the safety of others, private individuals should be encouraged to refer matters to law enforcement officials for further investigation or arrest.

362.3 ARRESTS BY PRIVATE PERSONS

Penal Code § 837 provides that a private person may arrest another:

- (a) For a public offense committed or attempted in his or her presence;
- (b) When the person arrested has committed a felony, although not in his or her presence;
- (c) When a felony has been in fact committed, and he or she has reasonable cause for believing the person arrested has committed it.

Unlike peace officers, private persons may not make an arrest on suspicion that a felony has been committed - the felony must in fact have taken place.

362.4 OFFICER RESPONSIBILITIES

Any officer presented with a private person wishing to make an arrest must determine whether or not there is reasonable cause to believe that such an arrest would be lawful (Penal Code § 847).

- (a) Should any officer determine that there is no reasonable cause to believe that a private person's arrest is lawful, the officer should take no action to further detain or restrain the individual beyond that which reasonably appears necessary to investigate the matter, determine the lawfulness of the arrest and protect the public safety.
 - 1. Any officer who determines that a private person's arrest appears to be unlawful should promptly release the arrested individual pursuant to Penal Code § 849(b)(1). The officer must include the basis of such a determination in a related report.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Private Persons Arrests

2. Absent reasonable cause to support a private person's arrest or other lawful grounds to support an independent arrest by the officer, the officer should advise the parties that no arrest will be made and that the circumstances will be documented in a related report.
- (b) Whenever an officer determines that there is reasonable cause to believe that a private person's arrest is lawful, the officer may exercise any of the following options:
 1. Take the individual into physical custody for booking
 2. Release the individual pursuant to a Notice to Appear
 3. Release the individual pursuant to Penal Code § 849

362.5 REPORTING REQUIREMENTS

In all circumstances in which a private person is claiming to have made an arrest, the individual must complete and sign a department Private Person's Arrest form under penalty of perjury.

In addition to the Private Person's Arrest Form (and any other related documents such as citations, booking forms, etc.), officers shall complete a narrative report regarding the circumstances and disposition of the incident.

Limited English Proficiency Services

366.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with limited English proficiency (LEP) (42 USC § 2000d).

366.1.1 DEFINITIONS

Definitions related to this policy include:

Authorized interpreter - A person who has been screened and authorized by the Department to act as an interpreter and/or translator for others.

Interpret or interpretation - The act of listening to a communication in one language (source language) and orally converting it to another language (target language), while retaining the same meaning.

Limited English proficient (LEP) - Any individual whose primary language is not English and who has a limited ability to read, write, speak or understand English. These individuals may be competent in certain types of communication (e.g., speaking or understanding) but still be LEP for other purposes (e.g., reading or writing). Similarly, LEP designations are context-specific; an individual may possess sufficient English language skills to function in one setting but these skills may be insufficient in other situations.

Qualified bilingual member - A member of the Auburn Police Department, designated by the Department, who has the ability to communicate fluently, directly and accurately in both English and another language. Bilingual members may be fluent enough to communicate in a non-English language but may not be sufficiently fluent to interpret or translate from one language into another.

Translate or translation - The replacement of written text from one language (source language) into an equivalent written text (target language).

366.2 POLICY

It is the policy of the Auburn Police Department to reasonably ensure that LEP individuals have meaningful access to law enforcement services, programs and activities, while not imposing undue burdens on its members.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon national origin or any other protected interest or right.

366.2.1 IDENTIFICATION OF LEP INDIVIDUAL'S LANGUAGE

The Department will utilize all reasonably available tools, such as language identification cards, when attempting to determine an LEP individual's primary language in an effort to avoid misidentifying that language.

366.3 LEP COORDINATOR

The Chief of Police shall delegate certain responsibilities to an LEP Coordinator. The LEP Coordinator shall be appointed by, and directly responsible to, the Operations Division Commander or the authorized designee.

The responsibilities of the LEP Coordinator include, but are not limited to:

- (a) Coordinating and implementing all aspects of the Auburn Police Department's LEP services to LEP individuals.
- (b) Developing procedures that will enable members to access LEP services, including telephonic interpreters, and ensuring the procedures are available to all members.
- (c) Ensuring that a list of all qualified bilingual members and authorized interpreters is maintained and available to each Shift Supervisor and Records Communication Supervisor. The list should include information regarding the following:
 - 1. Languages spoken
 - 2. Contact information
 - 3. Availability
- (d) Ensuring signage stating that interpreters are available free of charge to LEP individuals is posted in appropriate areas and in the most commonly spoken languages.
- (e) Reviewing existing and newly developed documents to determine which are vital documents and should be translated, and into which languages the documents should be translated.
- (f) Annually assessing demographic data and other resources, including contracted language services utilization data and community-based organizations, to determine if there are additional documents or languages that are appropriate for translation.
- (g) Identifying standards and assessments to be used by the Department to qualify individuals as qualified bilingual members or authorized interpreters.
- (h) Periodically reviewing efforts of the Department in providing meaningful access to LEP individuals, and, as appropriate, developing reports, new procedures or recommending modifications to this policy.
- (i) Receiving and responding to complaints regarding department LEP services.
- (j) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

366.3.1 BILINGUAL PERSONNEL

Personnel utilized for LEP services need not be certified as interpreters, but must have demonstrated, through established department procedures, a level of competence to ascertain whether his/her language skills are best suited to monolingual communications, interpretation, translation, or all or none of these functions.

All personnel used for communication with LEP individuals must demonstrate knowledge of the functions of an interpreter and the ethical issues involved when acting as a language conduit. In addition, employees who serve as interpreters and/or translators must have demonstrated competence in both English and the non-English language. When bilingual personnel from this department are not available, personnel from other city departments who have the requisite training may be requested.

366.3.2 WRITTEN FORMS AND GUIDELINES

This department will determine the most frequently used and critical forms and guidelines and translate these documents into the languages most likely to be requested. The Department will arrange to make these translated forms available to department personnel and other appropriate individuals.

366.3.3 AUDIO RECORDINGS

The Department may develop audio recordings of information that is either important to or frequently requested by LEP individuals for broadcast in a language most likely to be understood by involved LEP individuals.

366.3.4 TELEPHONE INTERPRETER SERVICES

The Shift Supervisor and the Records Communication Supervisor will maintain a list of qualified interpreter services. These services shall be available, with the approval of a supervisor, to assist department personnel in communicating with LEP individuals via official cellular telephones.

366.3.5 COMMUNITY VOLUNTEERS AND OTHER SOURCES OF INTERPRETATION

Where competent bilingual departmental personnel or other City-certified staff are unavailable to assist, responsible members of the community who have demonstrated competence in either monolingual (direct) communication and/or in interpretation and translation (as noted in above) may be called upon to assist in communication efforts. Sources for these individuals may include neighboring police departments, university languages and linguistics departments, local businesses, banks, churches, neighborhood leaders and school officials. Department personnel should ensure that community members are able to provide unbiased assistance. The nature of the contact and relationship between the LEP individual and the individual offering services must be carefully considered (e.g., victim/suspect).

Except for exigent or very informal and non-confrontational circumstances, the use of an LEP individual's bilingual friends or family members, particularly children, are generally not recommended and department personnel shall make case-by-case determinations on the

Auburn Police Department

appropriateness of using such individuals (for further guidance see: Section V(3) of the DOJ Final Guidance available at the DOJ [website](#)).

366.4 FOUR-FACTOR ANALYSIS

Since there are many different languages that members could encounter, the Department will utilize the four-factor analysis outlined in the U.S. Department of Justice (DOJ) Guidance to Federal Financial Assistance Recipients, available at the DOJ website, to determine which measures will provide meaningful access to its services and programs. It is recognized that law enforcement contacts and circumstances will vary considerably. This analysis, therefore, must remain flexible and will require an ongoing balance of four factors, which are:

- (a) The number or proportion of LEP individuals eligible to be served or likely to be encountered by department members, or who may benefit from programs or services within the jurisdiction of the Department or a particular geographic area.
- (b) The frequency with which LEP individuals are likely to come in contact with department members, programs or services.
- (c) The nature and importance of the contact, program, information or service provided.
- (d) The cost of providing LEP assistance and the resources available.

366.4.1 RECEIVING AND RESPONDING TO REQUESTS FOR ASSISTANCE

In order to provide LEP individuals with meaningful access to police services when they are victims of, or witnesses to, alleged criminal activity or other emergencies, this department has designated its 9-1-1 lines as its top priority for language services. Department personnel will make every reasonable effort to promptly accommodate such LEP individuals utilizing 9-1-1 lines through any or all of the above resources.

While 9-1-1 calls shall receive top priority, reasonable efforts should also be made to accommodate LEP individuals seeking routine access to services and information by utilizing the resources listed in this policy.

366.4.2 EMERGENCY CALLS TO 9-1-1

When a 9-1-1 call-taker receives a call and determines that the caller is an LEP individual, the call-taker should quickly determine whether sufficient information can be obtained to initiate an appropriate emergency response. If language assistance is still needed, the language is known and a language-appropriate authorized interpreter is available in the Dispatch Center, the call-taker should immediately connect the LEP caller to the interpreter.

If an appropriate authorized interpreter is not available, the call-taker will promptly connect the LEP caller to the contracted telephonic interpretation service directly for assistance in completing the call. Dispatchers will make every reasonable effort to dispatch a bilingual officer to the assignment, if available.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Limited English Proficiency Services

The Auburn Police Department will take reasonable steps and will work with the Department of Human Resources to hire and develop in-house language capacity in the Dispatch Center by hiring qualified personnel with specific language skills.

366.4.3 FIELD ENFORCEMENT AND INVESTIGATIONS

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts which may involve LEP individuals. The scope and nature of these activities and contacts will inevitably vary. Department personnel must assess each situation to determine the need and availability for translation services to all involved LEP individuals and utilize the methods outlined in § 368.3 to provide appropriate language assistance.

Although not every situation can be addressed in this policy, it is important that department personnel are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action taken with an LEP individual. It would, for example, be meaningless to request consent to search if the person requesting is unable to effectively communicate with an LEP individual.

366.4.4 INVESTIGATIVE INTERVIEWS

In any situation where the translation of an interview may contain information that might be used in a criminal trial, it is important to take certain steps to improve the chances of admissibility. This includes interviews conducted during an investigation with victims, witnesses and suspects. In such situations, audio recordings of the interviews should be made when reasonably possible. Identification and contact information for the interpreter (e.g., name, address) should be documented so that the person can be subpoenaed for trial if necessary.

Any person selected as an interpreter and/or translator must have demonstrated competence in both English and the non-English language involved and knowledge of the functions of an interpreter that allows for correct and effective translation, and should not be a person with an interest in the case. The person providing interpretation or translation services may be required to establish the accuracy and trustworthiness of the interpretation or translation to the court.

366.4.5 CUSTODIAL INTERROGATIONS AND BOOKINGS

In an effort to ensure the rights of LEP individuals are protected during arrest and custodial interrogation, this department places a high priority on providing competent interpretation during such situations. It is further recognized that miscommunication during custodial interrogations may have a substantial impact on the evidence presented in any related criminal prosecution. As such, department personnel providing interpretation services or translated forms in these situations will have demonstrated competence in interpretation/translation and make every reasonable effort to accurately interpret/translate all communications with LEP individuals.

In order to ensure that translations during criminal investigations are documented accurately and admissible as evidence, audio recordings of interrogations, victim interviews and witness interviews should be used whenever reasonably possible.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Limited English Proficiency Services

Employees providing interpretation or translation services shall also be aware of the inherent communication impediments to gathering information from the LEP individual throughout the booking process or any other situation in which an LEP individual is within the control of department personnel. Medical screening questions are commonly used to elicit information on an individual's medical needs, suicidal inclinations, presence of contagious diseases, potential illness, resulting symptoms upon withdrawal from certain medications, or the need to segregate the arrestee from other prisoners, therefore it is important for members of this department to make every reasonable effort to provide effective language services in these situations.

366.4.6 COMPLAINTS

The Department shall ensure access to LEP persons who wish to file a complaint regarding the discharge of department duties. The Department may do so by providing interpretation assistance or translated forms to such individuals. If the Department responds to complaints filed by LEP individuals, the Department shall attempt to communicate its response in an accessible manner.

366.4.7 COMMUNITY OUTREACH

Community outreach programs and other such services offered by this department have become increasingly recognized as important to the ultimate success of more traditional law enforcement duties. As such, this department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services to LEP individuals and groups.

366.5 TYPES OF LEP ASSISTANCE AVAILABLE

Auburn Police Department members should never refuse service to an LEP individual who is requesting assistance, nor should they require an LEP individual to furnish an interpreter as a condition for receiving assistance. The Department will make every reasonable effort to provide meaningful and timely assistance to LEP individuals through a variety of services.

The Department will utilize all reasonably available tools, such as language identification cards, when attempting to determine an LEP individual's primary language.

LEP individuals may choose to accept department-provided LEP services at no cost or they may choose to provide their own.

Department-provided LEP services may include, but are not limited to, the assistance methods described in this policy.

366.6 WRITTEN FORMS AND GUIDELINES

Vital documents or those that are frequently used should be translated into languages most likely to be encountered. The LEP Coordinator will arrange to make these translated documents available to members and other appropriate individuals, as necessary.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Limited English Proficiency Services

366.7 AUDIO RECORDINGS

The Department may develop audio recordings of important or frequently requested information in a language most likely to be understood by those LEP individuals who are representative of the community being served.

366.8 QUALIFIED BILINGUAL MEMBERS

Bilingual members may be qualified to provide LEP services when they have demonstrated through established department procedures a sufficient level of skill and competence to fluently communicate in both English and a non-English language. Members utilized for LEP services must demonstrate knowledge of the functions of an interpreter/translator and the ethical issues involved when acting as a language conduit. Additionally, bilingual members must be able to communicate technical and law enforcement terminology, and be sufficiently proficient in the non-English language to perform complicated tasks, such as conducting interrogations, taking statements, collecting evidence or conveying rights or responsibilities.

When a qualified bilingual member from this department is not available, personnel from other City departments, who have been identified by the Department as having the requisite skills and competence, may be requested.

366.8.1 LEP COORDINATOR

The Chief of Police will appoint an LEP Coordinator who is responsible for coordinating and implementing all aspects of the Auburn Police Department LEP services to LEP individuals.

The LEP Coordinator shall assess demographic data, review contracted language access services utilization data, and consult with community-based organizations annually in order to determine if there are additional languages into which vital documents should be translated.

The LEP Coordinator will also be responsible for annually reviewing all new documents issued by the Auburn Police Department to assess whether they should be considered vital documents and be translated.

366.9 AUTHORIZED INTERPRETERS

Any person designated by the Department to act as an authorized interpreter and/or translator must have demonstrated competence in both English and the involved non-English language, must have an understanding of the functions of an interpreter that allows for correct and effective translation, and should not be a person with an interest in the department case or investigation involving the LEP individual. A person providing interpretation or translation services may be required to establish the accuracy and trustworthiness of the interpretation or translation in a court proceeding.

Authorized interpreters must pass a screening process established by the LEP Coordinator which demonstrates that their skills and abilities include:

- (a) The competence and ability to communicate information accurately in both English and in the target language.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Limited English Proficiency Services

- (b) Knowledge, in both languages, of any specialized terms or concepts peculiar to this department and of any particularized vocabulary or phraseology used by the LEP individual.
- (c) The ability to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (d) Knowledge of the ethical issues involved when acting as a language conduit.

366.9.1 SOURCES OF AUTHORIZED INTERPRETERS

The Department may contract with authorized interpreters who are available over the telephone. Members may use these services with the approval of a supervisor and in compliance with established procedures.

Other sources may include:

- Qualified bilingual members of this department or personnel from other City departments.
- Individuals employed exclusively to perform interpretation services.
- Contracted in-person interpreters, such as state or federal court interpreters, among others.
- Interpreters from other agencies who have been qualified as interpreters by this department, and with whom the Department has a resource-sharing or other arrangement that they will interpret according to department guidelines.

366.9.2 COMMUNITY VOLUNTEERS AND OTHER SOURCES OF LANGUAGE ASSISTANCE

Language assistance may be available from community volunteers who have demonstrated competence in either monolingual (direct) communication and/or in interpretation or translation (as noted in above), and have been approved by the Department to communicate with LEP individuals.

Where qualified bilingual members or other authorized interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the LEP individual and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

While family or friends of an LEP individual may offer to assist with communication or interpretation, members should carefully consider the circumstances before relying on such individuals. For example, children should not be relied upon except in exigent or very informal and non-confrontational situations.

366.10 CONTACT AND REPORTING

While all law enforcement contacts, services and individual rights are important, this department will utilize the four-factor analysis to prioritize service to LEP individuals so that such services may

Auburn Police Department

Auburn PD Policy Manual

be targeted where they are most needed, according to the nature and importance of the particular law enforcement activity involved.

Whenever any member of this department is required to complete a report or other documentation, and interpretation services are provided to any involved LEP individual, such services should be noted in the related report. Members should document the type of interpretation services utilized and whether the individual elected to use services provided by the Department or some other identified source.

366.11 RECEIVING AND RESPONDING TO REQUESTS FOR ASSISTANCE

The Auburn Police Department will take reasonable steps and will work with the Department of Human Resources to develop in-house language capacity by hiring or appointing qualified members proficient in languages representative of the community being served.

366.11.1 EMERGENCY CALLS TO 9-1-1

Department members will make every reasonable effort to promptly accommodate LEP individuals utilizing 9-1-1 lines. When a 9-1-1 call-taker receives a call and determines that the caller is an LEP individual, the call-taker shall quickly determine whether sufficient information can be obtained to initiate an appropriate emergency response. If language assistance is still needed, the language is known and a qualified bilingual member is available in the Dispatch Center, the call shall immediately be handled by the qualified bilingual member.

If a qualified bilingual member is not available or the call-taker is unable to identify the caller's language, the call-taker will contact the contracted telephone interpretation service and establish a three-way call between the call-taker, the LEP individual and the interpreter.

Dispatchers will make every reasonable effort to dispatch a qualified bilingual member to the assignment, if available and appropriate.

While 9-1-1 calls shall receive top priority, reasonable efforts should also be made to accommodate LEP individuals seeking routine access to services and information by utilizing the resources listed in this policy.

366.12 FIELD ENFORCEMENT

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve LEP individuals. The scope and nature of these activities and contacts will inevitably vary. Members and/or supervisors must assess each situation to determine the need and availability of language assistance to all involved LEP individuals and utilize the methods outlined in this policy to provide such assistance.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to request consent to search if the officer is unable to effectively communicate with an LEP individual.

Auburn Police Department

Auburn PD Policy Manual

Limited English Proficiency Services

If available, officers should obtain the assistance of a qualified bilingual member or an authorized interpreter before placing an LEP individual under arrest.

366.13 INVESTIGATIVE FIELD INTERVIEWS

In any situation where an interview may reveal information that could be used as the basis for arrest or prosecution of an LEP individual and a qualified bilingual member is unavailable or lacks the skills to directly communicate with the LEP individual, an authorized interpreter should be used. This includes interviews conducted during an investigation with victims, witnesses and suspects. In such situations, audio recordings of the interviews should be made when reasonably possible. Identification and contact information for the interpreter (e.g., name, address) should be documented so that the person can be subpoenaed for trial if necessary.

If an authorized interpreter is needed, officers should consider calling for an authorized interpreter in the following order:

- An authorized department member or allied agency interpreter
- An authorized telephone interpreter
- Any other authorized interpreter

Any *Miranda* warnings shall be provided to suspects in their primary language by an authorized interpreter or, if the suspect is literate, by providing a translated *Miranda* warning card.

The use of an LEP individual's bilingual friends, family members, children, neighbors or bystanders may be used only when a qualified bilingual member or authorized interpreter is unavailable and there is an immediate need to interview an LEP individual.

366.14 CUSTODIAL INTERROGATIONS

Miscommunication during custodial interrogations may have a substantial impact on the evidence presented in a criminal prosecution. Only qualified bilingual members or, if none is available or appropriate, authorized interpreters shall be used during custodial interrogations. *Miranda* warnings shall be provided to suspects in their primary language by the qualified bilingual member or an authorized interpreter.

In order to ensure that translations during custodial interrogations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

366.15 BOOKINGS

When gathering information during the booking process, members should remain alert to the impediments that language barriers can create. In the interest of the arrestee's health and welfare, the safety and security of the facility, and to protect individual rights, it is important that accurate medical screening and booking information be obtained. Members should seek the assistance of a qualified bilingual member whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by an LEP individual.

366.16 COMPLAINTS

The Department shall ensure that LEP individuals who wish to file a complaint regarding members of this department are able to do so. The Department may provide an authorized interpreter or translated forms, as appropriate. Complaints will be referred to the LEP Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Authorized interpreters used for any interview with an LEP individual during an investigation should not be members of this department.

Any notice required to be sent to an LEP individual as a complaining party pursuant to the Personnel Complaints Policy should be translated or otherwise communicated in a language-accessible manner.

366.17 COMMUNITY OUTREACH

Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

366.18 TRAINING

To ensure that all members who may have contact with LEP individuals are properly trained, the Department will provide periodic training on this policy and related procedures, including how to access department-authorized telephonic and in-person interpreters and other available resources.

The Training Manager shall be responsible for ensuring new members receive LEP training. Those who may have contact with LEP individuals should receive refresher training at least once every two years thereafter. The Training Manager shall maintain records of all LEP training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

366.18.1 TRAINING FOR AUTHORIZED INTERPRETERS

All members on the authorized interpreter list must successfully complete prescribed interpreter training. To complete interpreter training successfully, an interpreter must demonstrate proficiency in and ability to communicate information accurately in both English and in the target language, demonstrate knowledge in both languages of any specialized terms or phraseology, and understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.

Members on the authorized interpreter list must receive refresher training annually or they will be removed from the authorized interpreter list. This annual training should include language skills competency (including specialized terminology) and ethical considerations.

The Training Manager shall be responsible for coordinating the annual refresher training and will maintain a record of all training the interpreters have received.

Hearing Impaired/Disabled Communications

368.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with disabilities, including those who are deaf or hard of hearing, have impaired speech or vision, or are blind.

368.1.1 DEFINITIONS

Definitions related to this policy include:

Auxiliary aids - Tools used to communicate with people who have a disability or impairment. They include, but are not limited to, the use of gestures or visual aids to supplement oral communication; a notepad and pen or pencil to exchange written notes; a computer or typewriter; an assistive listening system or device to amplify sound; a teletypewriter (TTY) or videophones (video relay service or VRS); taped text; qualified readers; or a qualified interpreter.

Disability or impairment - A physical or mental impairment that substantially limits a major life activity, including hearing or seeing, regardless of whether the disabled person uses assistive or adaptive devices or auxiliary aids. Individuals who wear ordinary eyeglasses or contact lenses are not considered to have a disability (42 USC § 12102).

Qualified interpreter - A person who is able to interpret effectively, accurately and impartially, both receptively and expressively, using any necessary specialized vocabulary. Qualified interpreters include oral interpreters, translators, sign language interpreters and intermediary interpreters.

368.2 POLICY

It is the policy of the Auburn Police Department to reasonably ensure that people with disabilities, including victims, witnesses, suspects and arrestees have equal access to law enforcement services, programs and activities. Members must make efforts to communicate effectively with individuals with disabilities.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon disabilities.

368.2.1 INITIAL AND IMMEDIATE CONSIDERATIONS

Recognizing that various law enforcement encounters may be potentially volatile and/or emotionally charged, department employees should remain alert to the possibility of communication problems and exercise special care in the use of all gestures, and verbal and written communication in an effort to minimize initial confusion and misunderstanding when dealing with any individual(s) with known or suspected disabilities or communication impairments.

368.3 AMERICANS WITH DISABILITIES (ADA) COORDINATOR

The Chief of Police shall delegate certain responsibilities to an ADA Coordinator (28 CFR 35.107). The ADA Coordinator shall be appointed by, and directly responsible, to the Operations Division Commander or the authorized designee.

- (a) Working with the City ADA coordinator regarding the Auburn Police Department's efforts to ensure equal access to services, programs and activities.
- (b) Developing reports, new procedures, or recommending modifications to this policy.
- (c) Acting as a liaison with local disability advocacy groups or other disability groups regarding access to department services, programs and activities.
- (d) Ensuring that a list of qualified interpreter services is maintained and available to each Shift Supervisor and Records Communication Supervisor. The list should include information regarding the following:
 - 1. Contact information
 - 2. Availability
- (e) Developing procedures that will enable members to access auxiliary aids or services, including qualified interpreters, and ensure the procedures are available to all members.
- (f) Ensuring signage is posted in appropriate areas, indicating that auxiliary aids are available free of charge to people with disabilities.
- (g) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

368.3.1 FIELD RESOURCES

Individual officers and employees are encouraged to utilize resources immediately available to them in any contact with a known or suspected disabled or impaired person. Examples of this would include such simple methods as:

- (a) Hand gestures or written communications exchanged between the employee and a deaf or hearing impaired individual
- (b) Facing an individual utilizing lip reading and speaking slowly and clearly
- (c) Slowly and clearly speaking or reading simple terms to any visually or mentally impaired individual

368.3.2 AUDIO RECORDINGS AND ENLARGED PRINT

From time to time, the Department may develop audio recordings of important information needed by blind or visually impaired individuals. In the absence of such audio recordings, employees may elect to read aloud a Department form or document such as a citizen complaint form to a visually impaired individual or utilize a photocopier to enlarge printed forms for a visually impaired individual.

368.3.3 TELEPHONE INTERPRETER SERVICES

Dispatchers will maintain a list of qualified interpreter services to be contacted at department expense to assist deaf or hearing impaired individuals upon approval of a supervisor. When available and utilized, notification to such interpreters shall be made at the earliest reasonable opportunity and the interpreter should be available to respond within a reasonable time (generally not to exceed three hours).

368.3.4 TTY AND RELAY SERVICES

Individuals who are deaf or hearing impaired must be given the opportunity to use available text telephones (TTY or TDD). All calls placed by such individuals through such services shall be accepted by this department.

368.3.5 COMMUNITY VOLUNTEERS

Depending on the circumstances, location and availability, responsible members of the community may be available to provide qualified interpreter services, such as those who are proficient in American Sign Language (ASL). Sources for these individuals may include local businesses, banks, churches, neighborhood leaders and school officials. In addition to such sources developed by individual officers, the Department will attempt to maintain and update a list of qualified community volunteers who may be available to respond within a reasonable time.

368.3.6 FAMILY AND FRIENDS OF DISABLED OR IMPAIRED INDIVIDUAL

While family and friends of a disabled or impaired individual may frequently offer to assist with interpretation, employees should carefully consider the circumstances before relying on such individuals. For example, children should not be relied upon except in emergency or critical situations. Further, the nature of the contact and relationship between the disabled individual and the individual offering services must be carefully considered (e.g., victim/suspect).

368.4 FACTORS TO CONSIDER

Because the nature of any law enforcement contact may vary substantially from one situation to the next, members of this department should consider all information reasonably available to them when determining how to communicate with an individual with a disability. Members should carefully balance all known factors in an effort to reasonably ensure people who are disabled have equal access to services, programs and activities. These factors may include, but are not limited to:

- (a) Members should not always assume that effective communication is being achieved. The fact that an individual appears to be nodding in agreement does not always mean he/she completely understands the message. When there is any doubt, members should ask the individual to communicate back or otherwise demonstrate their understanding.
- (b) The nature of the disability (e.g., deafness or blindness vs. hard of hearing or low vision).
- (c) The nature of the law enforcement contact (e.g., emergency vs. non-emergency, custodial vs. consensual contact).

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Hearing Impaired/Disabled Communications

- (d) The availability of auxiliary aids. The fact that a particular aid is not available does not eliminate the obligation to reasonably ensure access. However, in an emergency, availability may factor into the type of aid used.

368.4.1 RECEIVING AND RESPONDING TO REQUESTS FOR ASSISTANCE

In order to provide disabled and impaired individuals with meaningful access to law enforcement services when they are victims of, or witnesses to, alleged criminal activity or other emergencies, this department has designated its 911 lines as its top priority for assistance with such services. Department personnel will make every reasonable effort to promptly accommodate such disabled and impaired individuals utilizing 911 lines through any or all of the above resources.

While 911 calls shall receive top priority, it is also important that reasonable efforts be made to accommodate disabled and impaired individuals seeking more routine access to services and information from this department.

368.4.2 CUSTODIAL INTERROGATIONS AND BOOKINGS

In an effort to ensure the rights of all disabled and impaired individuals are protected during arrest and custodial interrogation, this department places a high priority on providing reasonable communication assistance during such situations. It is further recognized that miscommunication during custodial interrogations may have a substantial impact on the evidence presented in any related criminal prosecution. As such, department personnel providing communication assistance in these situations will make every reasonable effort to accurately and effectively communicate with disabled or impaired individuals.

Employees providing such assistance shall also be aware of the inherent communication impediments to gathering information from disabled or impaired individuals throughout the booking process or any other situation in which a disabled or impaired individual is within the control of department personnel. Medical screening questions are commonly used to elicit information on individual's medical needs, suicidal inclinations, presence of contagious diseases, potential illness, resulting symptoms upon withdrawal from certain medications, or the need to segregate the arrestee from other prisoners, therefore it is important for this department to make every reasonable effort to provide effective communication assistance in these situations.

- (a) Individuals who require communication aids (e.g., hearing aids) should be permitted to retain such devices while in custody.
- (b) While it may present officer safety or other logistical problems to allow a physically disabled individual to retain devices such as a wheel chair or crutches during a custodial situation, the removal of such items will require that other reasonable accommodations be made to assist such individuals with access to all necessary services.
- (c) Whenever a deaf or hearing impaired individual is detained or arrested and placed in handcuffs, officers should consider, safety permitting, placing the handcuffs in front of the body in order to allow the individual to sign or write notes.

368.4.3 FIELD ENFORCEMENT AND INVESTIGATIONS

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts which may involve disabled or impaired individuals. The scope and nature of these activities and contacts will inevitably vary, therefore the Department recognizes that it would be virtually impossible to provide immediate access to complete communication services to every officer in the field. Each officer and/or supervisor must, however, assess each such situation to determine the need and availability for communication assistance to any and all involved disabled or impaired individuals.

Although not every situation can be addressed within this policy, it is important that employees are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action taken with a disabled or impaired individual. For example, it would be meaningless to verbally request consent to search if the officer is unable to effectively communicate with a deaf individual.

368.4.4 COMMUNITY OUTREACH

Community outreach programs and other such services offered by this department have become increasingly recognized as important to the ultimate success of more traditional law enforcement duties. As such, this department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services to disabled individuals and groups.

368.5 INITIAL AND IMMEDIATE CONSIDERATIONS

Recognizing that various law enforcement encounters may be potentially volatile and/or emotionally charged, members should remain alert to the possibility of communication problems.

Members should exercise special care in the use of all gestures, and verbal and written communication to minimize initial confusion and misunderstanding when dealing with any individual with known or suspected disabilities.

In a non-emergency situation, when a member knows or suspects an individual requires assistance to effectively communicate, the member shall identify the individual's choice of auxiliary aid or service.

The individual's preferred communication method must be honored unless another effective method of communication exists under the circumstances (28 CFR 35.160).

Factors to consider when determining whether an alternative method is effective include:

- (a) The methods of communication usually used by the individual.
- (b) The nature, length and complexity of the communication involved.
- (c) The context of the communication.

In emergency situations involving an imminent threat to the safety or welfare of any person, members may use whatever auxiliary aids and services that reasonably appear effective under the circumstances. This may include, for example, exchanging written notes or using the services

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

of a person who knows sign language but is not a qualified interpreter, even if the person who is deaf or hard of hearing would prefer a qualified sign language interpreter or another appropriate auxiliary aid or service. Once the emergency has ended, the continued method of communication should be reconsidered. The member should inquire as to the individual's preference and give primary consideration to that preference.

If an individual who is deaf, hard of hearing or has impaired speech must be handcuffed while in the custody of the Auburn Police Department, consideration should be given, safety permitting, to placing the handcuffs in the front of the body to facilitate communication using sign language or writing.

368.6 TYPES OF ASSISTANCE AVAILABLE

Auburn Police Department members shall never refuse to assist an individual with disabilities who is requesting assistance. The Department will not charge anyone to receive auxiliary aids, nor shall they require anyone to furnish their own auxiliary aid or service as a condition for receiving assistance. The Department will make every reasonable effort to provide equal access and timely assistance to individuals who are disabled through a variety of services.

A person who is disabled may choose to accept department-provided auxiliary aids or services or they may choose to provide their own.

Department-provided auxiliary aids or services may include, but are not limited to, the assistance methods described in this policy.

368.7 AUDIO RECORDINGS AND ENLARGED PRINT

The Department may develop audio recordings to assist people who are blind or have a visual impairment with accessing important information. If such a recording is not available, members may read aloud from the appropriate form, for example a personnel complaint form, or provide forms with enlarged print.

368.8 QUALIFIED INTERPRETERS

A qualified interpreter may be needed in lengthy or complex transactions (e.g., interviewing a victim, witness, suspect or arrestee), if the individual to be interviewed normally relies on sign language or speechreading (lip-reading) to understand what others are saying. The qualified interpreter should not be a person with an interest in the case or investigation involving the disabled individual. A person providing interpretation services may be required to establish the accuracy and trustworthiness of the interpretation in a court proceeding.

Qualified interpreters should be:

- (a) Available within a reasonable amount of time but in no event longer than one hour if requested.
- (b) Experienced in providing interpretation services related to law enforcement matters.
- (c) Familiar with the use of VRS and/or video remote interpreting services.
- (d) Certified in either American Sign Language (ASL) or Signed English (SE).

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Hearing Impaired/Disabled Communications

- (e) Able to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (f) Knowledgeable of the ethical issues involved when providing interpreter services.

Members should use department-approved procedures to request a qualified interpreter at the earliest reasonable opportunity, and generally not more than 15 minutes after a request for an interpreter has been made or it is reasonably apparent that an interpreter is needed. No individual who is disabled shall be required to provide his/her own interpreter (28 CFR 35.160).

A list of court certified translators is available through the following hyperlink, [Search for an Interpreter - court_interpreters \(ca.gov\)](#)

368.9 TTY AND RELAY SERVICES

In situations where an individual without a disability would have access to a telephone (e.g., booking or attorney contacts), members must also provide those who are deaf, hard of hearing or have impaired speech the opportunity to place calls using an available TTY (also known as a telecommunications device for deaf people, or TDD). Members shall provide additional time, as needed, for effective communication due to the slower nature of TTY and TDD communications.

The Department will accept all TTY or TDD calls placed by those who are deaf or hard of hearing and received via a telecommunications relay service (28 CFR 35.162).

Note that relay services translate verbatim, so the conversation must be conducted as if speaking directly to the caller.

368.10 COMMUNITY VOLUNTEERS

Interpreter services may be available from community volunteers who have demonstrated competence in communication services, such as ASL or SE, and have been approved by the Department to provide interpreter services.

Where qualified interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the individual with the disability and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

368.11 FAMILY AND FRIENDS

While family or friends may offer to assist with interpretation, members should carefully consider the circumstances before relying on such individuals. The nature of the contact and relationship between the individual with the disability and the person offering services must be carefully considered (e.g., victim/suspect).

Children shall not be relied upon except in emergency or critical situations when there is no qualified interpreter reasonably available.

Adults may be relied upon when (28 CFR 35.160):

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Hearing Impaired/Disabled Communications

- (a) There is an emergency or critical situation and there is no qualified interpreter reasonably available.
- (b) The person with the disability requests that the adult interpret or facilitate communication and the adult agrees to provide such assistance, and reliance on that adult for such assistance is reasonable under the circumstances.

368.12 REPORTING

Whenever any member of this department is required to complete a report or other documentation, and communication assistance has been provided, such services should be noted in the related report. Members should document the type of communication services utilized and whether the individual elected to use services provided by the Department or some other identified source. If the individual's express preference is not honored, the member must document why another method of communication was used.

All written communications exchanged in a criminal case shall be attached to the report or placed into evidence.

368.13 FIELD ENFORCEMENT

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve individuals with disabilities. The scope and nature of these activities and contacts will inevitably vary.

The Department recognizes that it would be virtually impossible to provide immediate access to complete communication services to every member of this department. Members and/or supervisors must assess each situation and consider the length, complexity and importance of the communication, as well as the individual's preferred method of communication, when determining the type of resources to use and whether a qualified interpreter is needed.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to verbally request consent to search if the officer is unable to effectively communicate with an individual who is deaf or hard of hearing and requires communications assistance.

If available, officers should obtain the assistance of a qualified interpreter before placing an individual with a disability under arrest. Individuals who are arrested and are assisted by service animals should be permitted to make arrangements for the care of such animals prior to transport.

368.13.1 FIELD RESOURCES

Examples of methods that may be sufficient for transactions, such as checking a license or giving directions to a location or for urgent situations such as responding to a violent crime in progress, may, depending on the circumstances, include such simple things as:

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Hearing Impaired/Disabled Communications

- (a) Hand gestures or visual aids with an individual who is deaf, hard of hearing or has impaired speech.
- (b) Exchange of written notes or communications.
- (c) Verbal communication with an individual who can speechread by facing the individual and speaking slowly and clearly.
- (d) Use of computer, word processing, personal communication device or similar device to exchange texts or notes.
- (e) Slowly and clearly speaking or reading simple terms to individuals who have a visual or mental impairment.

Members should be aware that these techniques may not provide effective communication as required by law and this policy depending on the circumstances.

368.14 CUSTODIAL INTERROGATIONS

In an effort to ensure that the rights of individuals who are deaf, hard of hearing or have speech impairment are protected during a custodial interrogation, this department will provide interpreter services before beginning an interrogation, unless exigent circumstances exist or the individual has made a clear indication that he/she understands the process and desires to proceed without an interpreter. The use of a video remote interpreting service should be considered, where appropriate, if a live interpreter is not available. *Miranda* warnings shall be provided to suspects who are deaf or hard of hearing by a qualified interpreter or by providing a written *Miranda* warning card.

In order to ensure that communications during custodial investigations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

368.15 ARREST AND BOOKINGS

If an individual with speech or hearing disabilities is arrested, the arresting officer shall use department-approved procedures to provide a qualified interpreter at the place of arrest or booking as soon as reasonably practicable, unless the individual indicates that he/she prefers a different auxiliary aid or service or the officer reasonably determines another effective method of communication exists under the circumstances.

When gathering information during the booking process, members should remain alert to the impediments that often exist when communicating with those who are deaf, hard of hearing, who have impaired speech or vision, are blind, or have other disabilities. In the interest of the arrestee's health and welfare, the safety and security of the facility and to protect individual rights, it is important that accurate medical screening and booking information be obtained. If necessary, members should seek the assistance of a qualified interpreter whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by the individual.

Hearing Impaired/Disabled Communications

Individuals who require and possess personally owned communication aids (e.g., hearing aids, cochlear processors) should be permitted to retain them while in custody.

368.16 COMPLAINTS

The Department shall ensure that individuals with disabilities who wish to file a complaint regarding members of this department are able to do so. The Department may provide a qualified interpreter or forms in enlarged print, as appropriate. Complaints will be referred to the department ADA Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Qualified interpreters used during the investigation of a complaint should not be members of this Department.

368.17 COMMUNITY OUTREACH

Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

368.18 TRAINING

To ensure that all members who may have contact with individuals who are disabled are properly trained, the Department will provide periodic training that should include:

- (a) Awareness and understanding of this policy and related procedures, related forms and available resources.
- (b) Procedures for accessing qualified interpreters and other available resources.
- (c) Working with in-person and telephone interpreters and related equipment.

The Training Manager shall be responsible for ensuring new members receive training related to interacting with individuals who have disabilities, including individuals who are deaf, hard of hearing, who have impaired speech or vision, or are blind. Those who may have contact with such individuals should receive refresher training at least once every two years thereafter. The Training Manager shall maintain records of all training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

368.18.1 CALL-TAKER TRAINING

Emergency call-takers shall be trained in the use of TTY equipment protocols for communicating with individuals who are deaf, hard of hearing or who have speech impairments. Such training and information should include:

- (a) The requirements of the ADA and Section 504 of the Rehabilitation Act for telephone emergency service providers.
- (b) ASL syntax and accepted abbreviations.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Hearing Impaired/Disabled Communications

- (c) Practical instruction on identifying and processing TTY or TDD calls, including the importance of recognizing silent TTY or TDD calls, using proper syntax, abbreviations and protocol when responding to TTY or TDD calls.
- (d) Hands-on experience in TTY and TDD communications, including identification of TTY or TDD tones.

Training should be mandatory for all the Dispatch Center members who may have contact with individuals from the public who are deaf, hard of hearing or have impaired speech. Refresher training should occur every six months.

The Auburn Police Department will meet the reporting requirements of California law to minimize the risks to children and others.

370.4 ARREST OF PERSONS EMPLOYED IN COMMUNITY CARE FACILITIES

In the event an employee of a community treatment facility, a day treatment facility, a group home, a short-term residential therapeutic program or a foster family agency is arrested for child abuse (as defined in Penal Code § 11165.6) and the employee is free to return to work where children are present, the investigating member shall notify the licensee of the charge of abuse (Health and Safety Code § 1522.2).

Biological Samples

372.1 PURPOSE AND SCOPE

This policy provides guidelines for the collection of biological samples from those individuals required to provide samples upon conviction or arrest for certain offenses. This policy does not apply to biological samples collected at a crime scene or taken from a person in conjunction with a criminal investigation. Nor does it apply to biological samples from those required to register, for example, sex offenders.

372.2 POLICY

The Auburn Police Department will assist in the expeditious collection of required biological samples from offenders in accordance with the laws of this state and with as little reliance on force as practicable.

372.3 PERSONS SUBJECT TO DNA COLLECTION

Those who must submit a biological sample include (Penal Code § 296):

- (a) A person, including a juvenile, upon conviction or other adjudication of any felony offense.
- (b) A person, including a juvenile, upon conviction or other adjudication of any offense if the person has a prior felony on record.
- (c) An adult arrested or charged with any felony.

372.4 PROCEDURE

When an individual is required to provide a biological sample, a trained employee shall obtain the sample in accordance with this policy.

372.4.1 COLLECTION

The following steps should be taken to collect a sample:

- (a) Verify that the individual is required to provide a sample pursuant to Penal Code § 296; Penal Code § 296.1.
- (b) Verify that a biological sample has not been previously collected from the offender by querying the individual's criminal history record for a DNA collection flag or, during regular business hours, calling the California Department of Justice (DOJ) designated DNA laboratory. There is no need to obtain a biological sample if one has been previously obtained.
- (c) Use a DNA buccal swab collection kit provided by the California DOJ to perform the collection and take steps to avoid cross contamination.

372.5 USE OF FORCE TO OBTAIN SAMPLES

If a person refuses to cooperate with the sample collection process, officers should attempt to identify the reason for refusal and seek voluntary compliance without resorting to using force. Force will not be used in the collection of samples except as authorized by court order and only with the approval of a supervisor. Methods to consider when seeking voluntary compliance include contacting:

- (a) The person's parole or probation officer when applicable.
- (b) The prosecuting attorney to seek additional charges against the person for failure to comply or to otherwise bring the refusal before a judge.
- (c) The judge at the person's next court appearance.
- (d) The person's attorney.
- (e) A chaplain.
- (f) Another custody facility with additional resources, where an arrestee can be transferred to better facilitate sample collection.
- (g) A supervisor who may be able to authorize custodial disciplinary actions to compel compliance, if any are available.

The supervisor shall review and approve any plan to use force and be present to document the process.

372.5.1 VIDEO RECORDING

A video recording should be made anytime force is used to obtain a biological sample. The recording should document all staff participating in the process, in addition to the methods and all force used during the collection. The recording should be part of the investigation file, if any, or otherwise retained in accordance with the department's records retention schedule (15 CCR 1059).

372.5.2 CELL EXTRACTIONS

If the use of force includes a cell extraction, the extraction shall be video recorded, including audio. Video shall be directed at the cell extraction event. The video recording shall be retained by the Department for the length of time required by statute. Notwithstanding the use of the video as evidence in a criminal proceeding, the tape shall be retained administratively (15 CCR 1059).

372.6 LEGAL MANDATES AND RELEVANT LAWS

California law provides for the following:

372.6.1 DOCUMENTATION RELATED TO FORCE

The Shift Supervisor shall prepare prior written authorization for the use of any force (15 CCR 1059). The written authorization shall include information that the subject was asked to provide the requisite specimen, sample or impression and refused, as well as the related court order authorizing the force.

Biological Samples

372.6.2 BLOOD SAMPLES

A blood sample should only be obtained under this policy when:

- (a) The California DOJ requests a blood sample and the subject consents, or
- (b) A court orders a blood sample following a refusal.

The withdrawal of blood may only be performed in a medically approved manner by health care providers trained and qualified to draw blood. A California DOJ collection kit shall be used for this purpose (Penal Code § 298(a); Penal Code § 298(b)(2)).

372.6.3 LITIGATION

The Chief of Police or authorized designee should notify the California DOJ's DNA Legal Unit in the event this department is named in a lawsuit involving the DNA Data Bank sample collection, sample use or any aspect of the state's DNA Data Bank Program.

Public Safety Video Surveillance System

375.1 PURPOSE AND SCOPE

This policy provides guidance for the placement and monitoring of department public safety video surveillance, as well as the storage and release of the captured images.

This policy only applies to overt, marked public safety video surveillance systems operated by the Department. It does not apply to mobile audio/video systems, covert audio/video systems or any other image-capturing devices used by the Department.

375.2 POLICY

The Auburn Police Department operates a public safety video surveillance system to complement its anti-crime strategy, to effectively allocate and deploy personnel, and to enhance public safety and security in public areas. Cameras may be placed in strategic locations throughout the City to detect and deter crime, to help safeguard against potential threats to the public, to help manage emergency response situations during natural and man-made disasters and to assist City officials in providing services to the community.

Video surveillance in public areas will be conducted in a legal and ethical manner while recognizing and protecting constitutional standards of privacy.

375.3 OPERATIONAL GUIDELINES

Only department-approved video surveillance equipment shall be utilized. Members authorized to monitor video surveillance equipment should only monitor public areas and public activities where no reasonable expectation of privacy exists. The Chief of Police or the authorized designee shall approve all proposed locations for the use of video surveillance technology and should consult with and be guided by legal counsel as necessary in making such determinations.

375.3.1 PLACEMENT AND MONITORING

Camera placement will be guided by the underlying purpose or strategy associated with the overall video surveillance plan. As appropriate, the Chief of Police should confer with other affected City divisions and designated community groups when evaluating camera placement. Environmental factors, including lighting, location of buildings, presence of vegetation, or other obstructions, should also be evaluated when determining placement.

The cameras shall only record video images and not sound. Recorded images may be used for a variety of purposes, including criminal investigations and monitoring of activity around high-value or high-threat areas. The public video surveillance system may be useful for the following purposes:

- (a) To prevent, deter, and identify criminal activity.
- (b) To target identified areas of gang and narcotics complaints or activity.
- (c) To respond to critical incidents.
- (d) To assist in identifying, apprehending, and prosecuting offenders.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Public Safety Video Surveillance System

- (e) To document officer and offender conduct during interactions to safeguard the rights of the public and officers.
- (f) To augment resources in a cost-effective manner.
- (g) To monitor pedestrian and vehicle traffic activity.

Images from each camera should be recorded in a manner consistent with the underlying purpose of the particular camera. Images should be transmitted to monitors installed in the Shift Supervisor's office and the Dispatch Center. When activity warranting further investigation is reported or detected at any camera location, the available information should be provided to responding officers in a timely manner. The Shift Supervisor or trained personnel in the Dispatch Center are authorized to adjust the cameras to more effectively view a particular area for any legitimate public safety purpose.

The Chief of Police may authorize video feeds from the public safety video surveillance system to be forwarded to a specified location for monitoring by other than police personnel, such as allied government agencies, road or traffic crews, or fire or emergency operations personnel.

Unauthorized recording, viewing, reproduction, dissemination, or retention is prohibited.

375.3.2 CAMERA MARKINGS

All public areas monitored by public safety surveillance equipment shall be marked in a conspicuous manner with appropriate signs or decals to inform the public that the area is under police surveillance. The equipment may also be equipped with a steady or blinking light. Some temporary video monitoring devices may not be marked due to the nature of the area they are deployed (i.e. park or parking lot) to capture criminal activity and the device type/size.

375.3.3 INTEGRATION WITH OTHER TECHNOLOGY

The Department may elect to integrate its public safety video surveillance system with other technology to enhance available information. Systems such as gunshot detection, incident mapping, crime analysis, license plate recognition, facial recognition and other video-based analytical systems may be considered based upon availability and the nature of department strategy.

The Department should evaluate the availability and propriety of networking or otherwise collaborating with appropriate private sector entities and should evaluate whether the use of certain camera systems, such as pan-tilt-zoom systems and video enhancement or other analytical technology, requires additional safeguards.

375.4 VIDEO SUPERVISION

Supervisors should monitor video surveillance access and usage to ensure members are within department policy and applicable laws. Supervisors should ensure such use and access is appropriately documented.

375.4.1 VIDEO LOG

A log may be maintained at all locations where video surveillance monitors are located. When the log is used, it should document all persons not assigned to the monitoring locations who have been given access to view or monitor images provided by the video surveillance cameras. The logs should, at a minimum, record the:

- (a) Date and time access was given.
- (b) Name and agency of the person being given access to the images.
- (c) Name of person authorizing access.
- (d) Identifiable portion of images viewed.

375.4.2 PROHIBITED ACTIVITY

Public safety video surveillance systems will not intentionally be used to invade the privacy of individuals or observe areas where a reasonable expectation of privacy exists.

Public safety video surveillance equipment shall not be used in an unequal or discriminatory manner and shall not target individuals or groups based solely on actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability.

Video surveillance equipment shall not be used to harass, intimidate, or discriminate against any individual or group.

375.5 STORAGE AND RETENTION OF MEDIA

All downloaded media shall be stored in a secure area with access restricted to authorized persons. A recording needed as evidence shall be copied to a suitable medium and booked into evidence in accordance with established evidence procedures. All actions taken with respect to retention of media shall be appropriately documented.

The type of video surveillance technology employed and the manner in which recordings are used and stored will affect retention periods. The recordings should be stored and retained in accordance with the established records retention schedule. If recordings are evidence in any claim filed or any pending litigation, they shall be preserved until pending litigation is resolved (Government Code § 34090.6).

Note: The fixed POD security cameras have a storage capacity in which data is retained for approximately 90 days depending on the video quality setting for the camera. Recordings will be retained to the limits of the system and automatically removed when new storage space is needed. Any recordings needed as evidence in a criminal or civil proceeding shall be copied to a suitable medium and booked into evidence in accordance with current evidence procedures.

375.5.1 EVIDENTIARY INTEGRITY

All downloaded and retained media shall be treated in the same manner as other evidence. Media shall be accessed, maintained, stored and retrieved in a manner that ensures its integrity as evidence, including strict adherence to chain of custody requirements. Electronic trails,

including encryption, digital masking of innocent or uninvolved individuals to preserve anonymity, authenticity certificates and date and time stamping, shall be used as appropriate to preserve individual rights and to ensure the authenticity and maintenance of a secure evidentiary chain of custody.

375.6 RELEASE OF VIDEO IMAGES

All recorded video images gathered by the public safety video surveillance equipment are for the official use of the Auburn Police Department.

Requests for recorded video images from the public or the media shall be processed in the same manner as requests for department public records.

Requests for recorded images from other law enforcement agencies shall be referred to the Shift Supervisor for release in accordance with a specific and legitimate law enforcement purpose.

Recorded video images that are the subject of a court order or subpoena shall be processed in accordance with the established department subpoena process.

375.7 TRAINING

All department members authorized to operate or access public video surveillance systems shall receive appropriate training. Training should include guidance on the use of cameras, interaction with dispatch and patrol operations and a review regarding relevant policies and procedures, including this policy. Training should also address state and federal law related to the use of video surveillance equipment and privacy.

375.8 VIDEO SURVEILLANCE AUDIT

The Chief of Police or the authorized designee may conduct an annual review of the public safety video surveillance system. The review should include an analysis of the cost, benefit and effectiveness of the system, including any public safety issues that were effectively addressed or any significant prosecutions that resulted, and any systemic operational or administrative issues that were identified, including those related to training, discipline or policy.

The results of each review shall be appropriately documented and maintained by the Chief of Police or the authorized designee and other applicable advisory bodies. Any recommendations for training or policy should be promptly addressed.

Child and Dependent Adult Safety

377.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that children and dependent adults are not left without appropriate care in the event their caregiver or guardian is arrested or otherwise prevented from providing care due to actions taken by members of this department (Penal Code § 833.2(a)).

This policy does not address the actions to be taken during the course of a child abuse or dependent adult investigation. These are covered in the Child Abuse and Senior and Disability Victimization policies.

377.1.1 POLICY

It is the policy of this department to mitigate, to the extent reasonably possible, the stressful experience children may have when their parent or caregiver is arrested. The Auburn Police Department will endeavor to create a strong cooperative relationship with local, state and community-based child social services to ensure an effective, collaborative response that addresses the needs of affected children.

377.2 POLICY

It is the policy of this department to mitigate, to the extent reasonably possible, the stressful experience individuals may have when their parent or caregiver is arrested. The Auburn Police Department will endeavor to create a strong, cooperative relationship with local, state and community-based social services to ensure an effective, collaborative response that addresses the needs of those affected, including call-out availability and follow-up responsibilities.

377.2.1 DURING THE BOOKING PROCESS

During the booking process the arrestee shall be allowed to make additional free local phone calls to relatives or other responsible individuals as is reasonably necessary to arrange for the care of any minor dependent child. These phone calls shall be given immediately upon request or as soon as practicable and are in addition to any other phone calls allowed by law (Penal Code § 851.5(c)).

377.2.2 REPORTING

For all arrests where children are present or living in the household, the reporting employee will include information about the children, including names, gender, age and how they were placed.

377.3 PROCEDURES DURING AN ARREST

When encountering an arrest or prolonged detention situation, officers should make reasonable attempts to determine if the arrestee is responsible for children or dependent adults. In some cases this may be obvious, such as when children or dependent adults are present. However, officers should inquire if the arrestee has caregiver responsibilities for any children or dependent adults who are without appropriate supervision. The following steps should be taken (Penal Code § 13517.7(b)(1)):

- (a) Inquire about and confirm the location of any children or dependent adults.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Child and Dependent Adult Safety

- (b) Look for evidence of children and dependent adults. Officers should be mindful that some arrestees may conceal the fact that they have a dependent for fear the individual may be taken from them.
- (c) Consider inquiring of witnesses, neighbors, friends and relatives of the arrestee as to whether the person is responsible for a child or dependent adult.

Whenever reasonably possible, officers should take reasonable steps to accomplish the arrest of a parent, guardian or caregiver out of the presence of his/her child or dependent adult. Removing children or dependent adults from the scene in advance of the arrest will generally ensure the best outcome for the individual.

Whenever it is safe to do so, officers should allow the parent or caregiver to assure children or dependent adults that they will be provided care. If this is not safe or if the demeanor of the parent or caregiver suggests this conversation would be non-productive, the officer at the scene should explain the reason for the arrest in age-appropriate language and offer reassurance to the child or dependent adult that he/she will receive appropriate care.

377.3.1 AFTER AN ARREST

Whenever an arrest is made, the officer should take all reasonable steps to ensure the safety of the arrestee's disclosed or discovered children or dependent adults.

Officers should allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate. However, any decision should give priority to a care solution that is in the best interest of the child or dependent adult. In such cases the following guidelines should be followed:

- (a) Allow the person reasonable time to arrange for the care of children and dependent adults with a responsible party, as appropriate.
 - 1. Officers should consider allowing the person to use his/her cell phone to facilitate arrangements through access to contact phone numbers, and to lessen the likelihood of call screening by the recipients due to calls from unknown sources.
- (b) Unless there is evidence to the contrary (e.g., signs of abuse, drug use, unsafe environment), officers should respect the parent or caregiver's judgment regarding arrangements for care. It is generally best if the child or dependent adult remains with relatives or family friends that he/she knows and trusts because familiarity with surroundings and consideration for comfort, emotional state and safety are important.
 - 1. Except when a court order exists limiting contact, the officer should attempt to locate and place children or dependent adults with the non-arrested parent, guardian or caregiver.
- (c) Provide for the immediate supervision of children or dependent adults until an appropriate caregiver arrives.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Child and Dependent Adult Safety

- (d) Notify Child Protective Services or the Division of Aging and Adult Services, if appropriate.
- (e) Notify the field supervisor or Shift Supervisor of the disposition of children or dependent adults.
- (f) In all cases, child protective services (CPS) should be notified about the incident, as there are times when that organization may have helpful information to assist the employee with placement.

If children or dependent adults are at school or another known location outside the household at the time of arrest, the arresting officer should attempt to contact the school or other known location and inform the principal or appropriate responsible adult of the caregiver's arrest and of the arrangements being made for the care of the arrestee's dependent. The result of such actions should be documented in the associated report.

377.3.2 DURING THE BOOKING PROCESS

During the booking process the arrestee shall be allowed to make additional telephone calls to relatives or other responsible individuals as is reasonably necessary to arrange for the care of any child or dependent adult. These telephone calls should be given as soon as practicable and are in addition to any other telephone calls allowed by law (Penal Code § 851.5(c)).

If an arrestee is unable to resolve the care of any child or dependent adult through this process, a supervisor should be contacted to determine the appropriate steps to arrange for care. These steps may include additional telephone calls or contacting a local, county or state services agency.

377.3.3 REPORTING

- (a) For all arrests where children are present or living in the household, the reporting member will document the following information:
 - 1. Name
 - 2. Sex
 - 3. Age
 - 4. Special needs (e.g., medical, mental health)
 - 5. How, where and with whom or which agency the child was placed
 - 6. Identities and contact information for other potential caregivers
 - 7. Notifications made to other adults (e.g., schools, relatives)
- (b) For all arrests where dependent adults are present or living in the household, the reporting member will document the following information:
 - 1. Name
 - 2. Sex

Auburn Police Department

Auburn PD Policy Manual

Child and Dependent Adult Safety

3. Age
4. Whether he/she reasonably appears able to care for him/herself
5. Disposition or placement information if he/she is unable to care for him/herself

377.3.4 SUPPORT AND COUNSELING REFERRAL

If, in the judgment of the handling officers, the child or dependent adult would benefit from additional assistance, such as counseling services, contact with a victim advocate or a crisis telephone number, the appropriate referral information may be provided.

377.4 DEPENDENT WELFARE SERVICES

Whenever an arrestee is unwilling or incapable of arranging for the appropriate care of any child or dependent adult, the handling officer should contact the appropriate welfare service or other department-approved social service to determine whether protective custody is appropriate (Welfare and Institutions Code § 305).

Only when other reasonable options are exhausted should a child or dependent adult be transported to the police facility, transported in a marked patrol car, or taken into formal protective custody.

Under no circumstances should a child or dependent adult be left unattended or without appropriate care.

377.5 TRAINING

The Training Manager is responsible to ensure that all personnel of this department who may be involved in arrests affecting children or dependent adults receive approved POST-approved training on effective safety measures when a parent, guardian or caregiver is arrested (Penal Code § 13517.7).

Service Animals

379.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to ensure the rights of individuals who use service animals to assist with disabilities are protected in accordance with Title II of the Americans with Disabilities Act of 1990 (ADA).

379.1.1 DEFINITIONS

Definitions related to this policy include:

Service animal - A dog that is trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual or other mental disability. The work or tasks performed by a service animal must be directly related to the individual's disability (28 CFR 35.104; Health and Safety Code § 113903).

Service animal also includes a miniature horse if the horse is trained to do work or perform tasks for people with disabilities, provided the horse is housebroken, is under the handler's control, the facility can accommodate the horse's type, size and weight, and the horse's presence will not compromise legitimate safety requirements necessary for safe operation of the facility (28 CFR 35.136(i)).

379.2 POLICY

It is the policy of the Auburn Police Department to provide services and access to persons with service animals in the same manner as those without service animals. Department members shall protect the rights of persons assisted by service animals in accordance with state and federal law.

379.3 IDENTIFICATION AND USE OF SERVICE ANIMALS

Some service animals may be readily identifiable. However, many do not have a distinctive symbol, harness or collar.

Service animals may be used in a number of ways to provide assistance, including:

- Guiding people who are blind or have low vision.
- Alerting people who are deaf or hard of hearing.
- Retrieving or picking up items, opening doors or flipping switches for people who have limited use of their hands, arms or legs.
- Pulling wheelchairs.
- Providing physical support and assisting with stability and balance.
- Doing work or performing tasks for persons with traumatic brain injury, intellectual disabilities or psychiatric disabilities, such as reminding a person with depression to take medication.
- Alerting a person with anxiety to the onset of panic attacks, providing tactile stimulation to calm a person with post-traumatic stress disorder, assisting people with

schizophrenia to distinguish between hallucinations and reality, and helping people with traumatic brain injury to locate misplaced items or follow daily routines.

379.4 MEMBER RESPONSIBILITIES

Service animals that are assisting individuals with disabilities are permitted in all public facilities and areas where the general public is allowed. Department members are expected to treat individuals with service animals with the same courtesy and respect that the Auburn Police Department affords to all members of the public (28 CFR 35.136).

379.4.1 INQUIRY

If it is apparent or if a member is aware that an animal is a service animal, the individual generally should not be asked any questions as to the status of the animal. If it is unclear whether an animal meets the definition of a service animal, the member should ask the individual only the following questions (28 CFR 35.136(f)):

- Is the animal required because of a disability?
- What task or service has the service animal been trained to perform?

If the individual explains that the animal is required because of a disability and has been trained to work or perform at least one task, the animal meets the definition of a service animal and no further questions as to the animal's status should be asked. The individual should not be questioned about his/her disability nor should the person be asked to provide any license, certification or identification card for the service animal.

379.4.2 CONTACT

Service animals are not pets. Department members should not interfere with the important work performed by a service animal by talking to, petting or otherwise initiating contact with a service animal.

379.4.3 REMOVAL

If a service animal is not housebroken or exhibits vicious behavior, poses a direct threat to the health of others, or unreasonably disrupts or interferes with normal business operations, an officer may direct the handler to remove the animal from the premises. Barking alone is not a threat nor does a direct threat exist if the person takes prompt, effective action to control the service animal (28 CFR 35.136(b)).

Each incident must be considered individually and past incidents alone are not cause for excluding a service animal. Removal of a service animal may not be used as a reason to refuse service to an individual with disabilities. Members of this department are expected to provide all services as are reasonably available to an individual with a disability, with or without a service animal.

379.4.4 COMPLAINTS

When handling calls of a complaint regarding a service animal, members of this department should remain neutral and should be prepared to explain the ADA requirements concerning service animals to the concerned parties. Businesses are required to allow service animals to accompany

Auburn Police Department

their handlers into the same areas that other customers or members of the public are allowed (28 CFR 36.302).

Absent a violation of law independent of the ADA, officers should take no enforcement action beyond keeping the peace. Individuals who believe they have been discriminated against as a result of a disability should be referred to the Civil Rights Division of the U.S. Department of Justice (DOJ).

Volunteer Program

381.1 PURPOSE AND SCOPE

It is the policy of this department to use qualified volunteers for specified tasks and duties in order to create efficiencies for the Department and improve services to the community. Volunteers are intended to supplement and support, rather than supplant, sworn officers and civilian personnel. Volunteers can be an important part of any organization and are proven to be a valuable asset to law enforcement agencies. Volunteers help to increase departmental responsiveness, delivery of services and information input, and provide new program opportunities. In addition, volunteers bring new skills and expertise to the Department and prompt new enthusiasm.

381.1.1 DEFINITION OF VOLUNTEER

An individual who performs a service for the Department without promise, expectation or receipt of compensation for services rendered. This may include unpaid chaplains, unpaid reserve officers, interns, persons providing administrative support and youth involved in a law enforcement Explorer Post, among others.

381.2 VOLUNTEER MANAGEMENT

381.2.1 VOLUNTEER COORDINATOR

The Volunteer Coordinator shall be appointed by the Administrative Services Division Commander. The function of the Volunteer Coordinator is to provide a central coordinating point for effective volunteer management within the Department, and to direct and assist staff and volunteer efforts to jointly provide more productive services. The Volunteer Coordinator should work with other Department staff on an ongoing basis to assist in the development and implementation of volunteer-staffed positions.

The Volunteer Coordinator, or his/her designee, shall be responsible for the following:

- (a) Recruiting, selecting and training qualified volunteers for various positions.
- (b) Facilitating the implementation of new volunteer activities and assignments.
- (c) Maintaining records for each volunteer.
- (d) Tracking and evaluating the contribution of volunteers.
- (e) Maintaining the volunteer handbook and outlining expectations, policies and responsibilities for all volunteers.
- (f) Maintaining a record of volunteer schedules and work hours.
- (g) Completion and dissemination as appropriate of all necessary paperwork and information.
- (h) Planning periodic recognition events.
- (i) Administering discipline when warranted.

Auburn Police Department

Volunteer Program

- (j) Maintaining liaison with other volunteer-utilizing programs in the community and assisting in community-wide efforts to recognize and promote volunteering.

381.2.2 RECRUITMENT

Volunteers should be recruited on a continuous and ongoing basis consistent with department policy on equal opportunity nondiscriminatory employment. A primary qualification for participation in the application process should be an interest in, and an ability to assist the Department in serving the public.

Requests for volunteers should be submitted in writing by interested staff to the Volunteer Coordinator through the requester's immediate supervisor. A complete position description and a requested time-frame should be included in the request. All parties should understand that the recruitment of volunteers is enhanced by creative and interesting assignments. The Volunteer Coordinator may withhold assignment of any volunteer until such time as the requesting unit is prepared to make effective use of volunteer resources.

381.2.3 SCREENING

All prospective volunteers should complete the volunteer application form. The Volunteer Coordinator or designee should conduct a face-to-face interview with an applicant under consideration.

A documented background investigation shall be completed on each volunteer applicant and shall include, but not necessarily be limited to, the following:

- (a) Traffic and criminal background check. Fingerprints shall be obtained from all applicants and processed through the California Criminal Information Index.
- (b) Employment
- (c) Reference
- (d)

A polygraph exam may be required of each applicant depending on the type of assignment.

381.2.4 SELECTION AND PLACEMENT

Service as a volunteer with the Department shall begin with an official notice of acceptance or appointment to a volunteer position. Notice may only be given by an authorized representative of the Department, who will normally be the Volunteer Coordinator. No volunteer should begin any assignment until they have been officially accepted for that position and completed all required screening and paperwork. At the time of final acceptance, each volunteer should complete all required enrollment paperwork and will receive a copy of their position description and agreement of service with the Department. All volunteers shall receive a copy of the volunteer handbook and shall be required to sign a volunteer agreement.

Volunteers should be placed only in assignments or programs that are consistent with their knowledge, skills, abilities and the needs of the Department.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Volunteer Program

381.2.5 TRAINING

Volunteers will be provided with an orientation program to acquaint them with the Department, personnel, policies and procedures that have a direct impact on their work assignment.

Volunteers should receive position-specific training to ensure they have adequate knowledge and skills to complete tasks required by the position and should receive periodic ongoing training as deemed appropriate by their supervisor or the Volunteer Coordinator.

Training should reinforce to volunteers that they may not intentionally represent themselves as, or by omission infer that they are sworn officers or other full-time members of the Department. They shall always represent themselves as volunteers.

All volunteers shall comply with the rules of conduct and with all orders and directives, either oral or written, issued by the Department.

381.2.6 FITNESS FOR DUTY

No volunteer shall report to work or be on-duty when his/her judgment or physical condition has been impaired by alcohol, medication, other substances, illness or injury.

Volunteers shall report to their supervisor any changes in status that may affect their ability to fulfill their duties. This includes, but is not limited to, the following:

- (a) Driver license
- (b) Medical condition
- (c) Arrests
- (d) Criminal investigations

All volunteers shall adhere to the guidelines set forth by this department regarding drug and alcohol use.

381.2.7 DRESS CODE

As representatives of the Department, volunteers are responsible for presenting a professional image to the community. Volunteers shall dress appropriately for the conditions and performance of their duties.

Volunteers shall conform to department-approved dress consistent with their duty assignment. Uniforms authorized for volunteers should be readily distinguishable from those worn by sworn officers. The uniform or identifiable parts of the uniform shall not be worn while off-duty except volunteers may choose to wear the uniform while in transit to or from official department assignments or functions provided an outer garment is worn over the uniform shirt so as not to bring attention to the volunteer while he/she is off duty.

Volunteers shall be required to return any issued uniform or department property at the termination of service.

Volunteer Program

381.3 SUPERVISION OF VOLUNTEERS

Each volunteer who is accepted to a position with the Department must have a clearly identified supervisor who is responsible for direct management of that volunteer. This supervisor will be responsible for day-to-day management and guidance of the work of the volunteer and should be available to the volunteer for consultation and assistance.

A volunteer may be assigned as and act as a supervisor of other volunteers provided that the supervising volunteer is under the direct supervision of a paid staff member.

Functional supervision of volunteers is the responsibility of the supervisor in charge of the unit where the volunteer is assigned. Following are some considerations to keep in mind while supervising volunteers:

- (a) Take the time to introduce volunteers to employees on all levels.
- (b) Ensure volunteers have work space and necessary office supplies.
- (c) Make sure the work is challenging. Do not hesitate to give them an assignment or task that will tap these valuable resources.

381.4 CONFIDENTIALITY

With appropriate security clearance, volunteers may have access to confidential information such as criminal histories or investigative files. Unless otherwise directed by a supervisor or departmental policy, all information shall be considered confidential. Only that information specifically identified and approved by authorized personnel shall be released. Confidential information shall be given only to persons who have a need and a right to know as determined by departmental policy and supervisory personnel.

Each volunteer will be required to sign a nondisclosure agreement before being given an assignment with the Department. Subsequent unauthorized disclosure of any confidential information, verbally, in writing or by any other means, by the volunteer is grounds for immediate dismissal and possible criminal prosecution.

Volunteers shall not address public gatherings, appear on radio or television, prepare any article for publication, act as correspondents to a newspaper or other periodical, release or divulge any information concerning the activities of the Department, or maintain that they represent the Department in such matters without permission from the proper department personnel.

381.5 PROPERTY AND EQUIPMENT

Volunteers will be issued an identification card that must be worn at all times while on-duty. Any fixed and portable equipment issued by the Department shall be for official and authorized use only. Any property or equipment issued to a volunteer shall remain the property of the Department and shall be returned at the termination of service.

381.5.1 VEHICLE USE

Volunteers assigned to duties such as vacation house checks or other assignments that require the use of a vehicle must first complete the following:

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Volunteer Program

- (a) A driving safety briefing and department approved driver safety course.
- (b) Verification that the volunteer possesses a valid California Driver License.
- (c) Verification that the volunteer carries current vehicle insurance.

The Volunteer Coordinator should insure that all volunteers receive safety briefing updates and license and insurance verification at least once a year.

When operating a Department vehicle, volunteers shall obey all rules of the road, including seat belt requirements. Smoking is prohibited in all Department vehicles.

Volunteers should not operate a marked patrol car unless there is a prominently placed sign indicating that it is out of service and are not authorized to operate a Department vehicle Code-3.

381.5.2 RADIO AND MDT USAGE

Volunteers shall successfully complete CLETS and radio procedures training prior to using the police radio or MDC and comply with all related provisions. The Volunteer Coordinator should ensure that radio and CLETS training is provided for volunteers whenever necessary.

381.6 DISCIPLINARY PROCEDURES/TERMINATION

A volunteer may be removed from the volunteer program at the discretion of the Chief of Police or the Volunteer Coordinator. Volunteers shall have no property interests in their continued appointment. However, if a volunteer is removed for alleged misconduct, the volunteer will be afforded an opportunity solely to clear his/her name through a liberty interest hearing which shall be limited to a single appearance before the Chief of Police or authorized designee.

Volunteers may resign from volunteer service with the Department at any time. It is requested that volunteers who intend to resign provide advance notice of their departure and a reason for their decision.

381.6.1 EXIT INTERVIEWS

Exit interviews, where possible, should be conducted with volunteers who are leaving their positions. The interview should ascertain why the volunteer is leaving the position and solicit the volunteer's suggestions on improving the position. When appropriate, the interview should also include a discussion on the possibility of involvement in some other capacity with the Department.

381.7 EVALUATION

An evaluation of the overall volunteer program will be conducted on an annual basis by the Volunteer Coordinator. Regular evaluations should be conducted with volunteers to ensure the best use of human resources available, to ensure personnel problems can be identified and dealt with promptly and fairly, and to ensure optimum satisfaction on the part of volunteers.

Off-Duty Law Enforcement Actions

383.1 PURPOSE AND SCOPE

The decision to become involved in a law enforcement action when off-duty can place an officer as well as others at great risk and must be done with careful consideration. This policy is intended to provide guidelines for officers of the Auburn Police Department with respect to taking law enforcement action while off-duty.

383.2 POLICY

Initiating law enforcement action while off-duty is generally discouraged. Officers should not attempt to initiate enforcement action when witnessing minor crimes, such as suspected intoxicated drivers, reckless driving or minor property crimes. Such incidents should be promptly reported to the appropriate law enforcement agency.

Officers are not expected to place themselves in unreasonable peril. However, any sworn member of this department who becomes aware of an incident or circumstance that he/she reasonably believes poses an imminent threat of serious bodily injury or death, or significant property damage may take reasonable action to minimize the threat.

When public safety or the prevention of major property damage requires immediate action, officers should first consider reporting and monitoring the activity and only take direct action as a last resort.

383.3 FIREARMS

Officers of this department may carry firearms while off-duty in accordance with federal regulations and department policy. All firearms and ammunition must meet guidelines as described in the department Firearms Policy. When carrying firearms while off-duty officers shall also minimally carry their department-issued identification in addition to carrying their department issued badge when practical.

Officers should refrain from carrying firearms when the consumption of alcohol is likely or when the need to carry a firearm is outweighed by safety considerations. Firearms shall not be carried by any officer who has consumed an amount of an alcoholic beverage or taken any drugs or medications or any combination thereof that would tend to adversely affect the officer's senses or judgment.

383.4 DECISION TO INTERVENE

There is no legal requirement for off-duty officers to take law enforcement action. However, should officers decide to intervene, they must evaluate whether the action is necessary or desirable, and should take into consideration the following:

- (a) The tactical disadvantage of being alone and the fact there may be multiple or hidden suspects.
- (b) The inability to communicate with responding units.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Off-Duty Law Enforcement Actions

- (c) The lack of equipment, such as handcuffs, OC or baton.
- (d) The lack of cover.
- (e) The potential for increased risk to bystanders if the off-duty officer were to intervene.
- (f) Unfamiliarity with the surroundings.
- (g) The potential for the off-duty officer to be misidentified by other peace officers or members of the public.

Officers should consider waiting for on-duty uniformed officers to arrive, and gather as much accurate intelligence as possible instead of immediately intervening.

383.4.1 INTERVENTION PROCEDURE

If involvement is reasonably necessary the officer should attempt to call or have someone else call 9-1-1 to request immediate assistance. The dispatcher should be informed that an off-duty officer is on-scene and should be provided a description of the officer if possible.

Whenever practicable, the officer should loudly and repeatedly identify him/herself as an Auburn Police Department officer until acknowledged. Official identification should also be displayed.

383.4.2 INCIDENTS OF PERSONAL INTEREST

Officers should refrain from handling incidents of personal interest, (e.g., family or neighbor disputes) and should remain neutral. In such circumstances officers should call the responsible agency to handle the matter.

383.4.3 PROFESSIONAL STAFF RESPONSIBILITIES

Professional Staff personnel should not become involved in any law enforcement actions while off-duty except to notify the local law enforcement authority and remain at the scene, if safe and practicable.

383.4.4 OTHER CONSIDERATIONS

When encountering a non-uniformed officer in public, uniformed officers should wait for acknowledgement by the non-uniformed officer in case he/she needs to maintain an undercover capability.

383.5 REPORTING

Any off-duty officer who engages in any law enforcement activity, regardless of jurisdiction, shall notify the Shift Supervisor as soon as practicable. The Shift Supervisor shall determine whether a report should be filed by the employee.

Officers should cooperate fully with the agency having jurisdiction in providing statements or reports as requested or as appropriate.

Department Use of Social Media

386.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that any use of social media on behalf of the Department is consistent with the department mission.

This policy does not address all aspects of social media use. Specifically, it does not address:

- Personal use of social media by department members (see the Employee Speech, Expression and Social Networking Policy).
- Use of social media in personnel processes (see the Recruitment and Selection Policy).
- Use of social media as part of a criminal investigation, other than disseminating information to the public on behalf of this department (see the Investigation and Prosecution Policy).

386.1.1 DEFINITIONS

Definitions related to this policy include:

409.1.1 ELIGIBILITY

The Auburn Police Department Ride-Along Program is offered to residents, students and those employed within the City. Every attempt will be made to accommodate interested persons however any applicant may be disqualified without cause.

409.2.4 RIDE-ALONG CRIMINAL HISTORY CHECK

All Ride-along applicants are subject to a criminal history check. The criminal history check may include a local records check and a Department of Justice Automated Criminal History System check through CLETS prior to their approval as a ride-along with a law enforcement officer (provided that the ride-along is not an employee of the Auburn Police Department) (CLETS Policies, Practices and Procedures Manual § 1.6.1.F.2.).

1. The ride along applicant criminal history check will be completed per the DOJ requirements.

409.3 OFFICER'S RESPONSIBILITY

The officer shall advise the dispatcher that a ride-along is present in the vehicle before going into service. Officers shall consider the safety of the ride-along at all times. Officers should use sound discretion when encountering a potentially dangerous situation, and if feasible, let the participant out of the vehicle in a well-lighted place of safety. The dispatcher will be advised of the situation and as soon as practical have another police unit respond to pick up the participant at that location. The ride-along may be continued or terminated at this time.

The Shift Supervisor is responsible for maintaining and scheduling ride-alongs. Upon completion of the ride-along, the completed ride-along form shall be returned to the Shift Supervisor with any comments which may be offered by the officer and subsequently returned to the Records Unit.

- (g) Ride-alongs shall not be permitted to use cell phones or other personal electronic devices such as but not limited to cameras and video to capture all or portions of a criminal or non-criminal incident while on the ride along. There may be exceptions, and those shall be communicated and approved by the administration prior to use

Hazardous Material Response

411.1 PURPOSE AND SCOPE

Exposure to hazardous materials presents potential harm to department members and the public. This policy outlines the responsibilities of members who respond to these events and the factors that should be considered while on-scene, including the reporting of exposures and supervisor responsibilities. To comply with 8 CCR § 5194, the following is to be the policy of this department.

411.1.1 DEFINITIONS

Definitions related to this policy include:

Hazardous material – A substance which, by its nature, containment, or reactivity, has the capability of inflicting harm during exposure; characterized as being toxic, corrosive, flammable, reactive, an irritant or strong sensitizer and thereby posing a threat to health when improperly managed.

411.2 HAZARDOUS MATERIAL RESPONSE

Members may encounter situations involving suspected hazardous materials, such as at the scene of a traffic accident, chemical spill, or fire. When members come into contact with a suspected hazardous material, certain steps should be taken to protect themselves and citizens.

The following steps should be considered at any scene involving suspected hazardous materials:

- (a) Attempt to identify the type of hazardous substance. (Identification can be determined by placard, driver's manifest, or statements from the person transporting).
- (b) Notify the fire department.
- (c) Provide first-aid for injured parties if it can be done safely and without contamination.
- (d) Begin evacuation of the immediate area and surrounding areas, depending on the substance. Voluntary evacuation should be considered; however, depending on the substance, mandatory evacuation may be necessary.
- (e) Notify the local health authority. Such notification is mandatory when a spilled or released item is a pesticide (Health and Safety Code § 105215).
- (f) Notify the Department of Toxic Substances Control. This is mandatory when an officer comes in contact with, or is aware of, the presence of a suspected hazardous substance at a site where an illegal controlled substance is or was manufactured (Health and Safety Code § 79355).

411.3 REPORTING EXPOSURE

Department members who believe that they have been exposed to a hazardous material shall immediately report the exposure to a supervisor. Each exposure shall be documented by the member in an employee memorandum that shall be forwarded via chain of command to the Shift Supervisor as soon as practicable. Should the affected member be unable to document the exposure for any reason, it shall be the responsibility of the notified supervisor to complete the report.

Auburn Police Department

Auburn PD Policy Manual

Hazardous Material Response

Injury or illness caused or believed to be caused from exposure to hazardous materials shall be reported the same as any other on-duty injury or illness in addition to a crime report or incident report as applicable.

411.3.1 SUPERVISOR RESPONSIBILITY

When a supervisor has been informed that a member has been exposed to a hazardous material, the supervisor shall ensure that immediate medical treatment is obtained and appropriate action is taken to lessen the exposure.

To ensure the safety of members, safety equipment is available through supervisory personnel. Safety items not maintained by the Department will be obtained through the fire department.

Hostage and Barricade Incidents

413.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for situations where officers have legal cause to contact, detain or arrest a person, and the person refuses to submit to the lawful requests of the officers by remaining in a structure or vehicle and/or by taking a hostage.

The scope of this policy is not intended to address all variables that officers encounter during their initial response or when a hostage or barricade situation has developed. This policy does not require or purport to recommend specific strategies or tactics for resolution as each incident is a dynamic and rapidly evolving event.

413.1.1 DEFINITIONS

Definitions related to this policy include:

Barricade situation - An incident where a person maintains a position of cover or concealment and ignores or resists law enforcement personnel, and it is reasonable to believe the subject is armed with a dangerous or deadly weapon.

Hostage situation - An incident where it is reasonable to believe a person is:

- (a) Unlawfully held by a hostage-taker as security so that specified terms or conditions will be met.
- (b) Unlawfully held against his/her will under threat or actual use of force.

413.2 POLICY

It is the policy of the Auburn Police Department to address hostage and barricade situations with due regard for the preservation of life and balancing the risk of injury, while obtaining the safe release of hostages, apprehending offenders and securing available evidence.

413.3 COMMUNICATION

When circumstances permit, initial responding officers should try to establish and maintain lines of communication with a barricaded person or hostage-taker. Officers should attempt to determine if the barricaded person is arrestable for a criminal statute, identify any additional subjects, inquire about victims and injuries, seek the release of hostages, gather intelligence information, identify time-sensitive demands or conditions and obtain the suspect's surrender.

When available, department-authorized negotiators should respond to the scene as soon as practicable and assume communication responsibilities. Negotiators are permitted to exercise flexibility in each situation based upon their training, the circumstances presented, suspect actions or demands, and the available resources.

Other potential considerations for initial responding officers upon their arrival:

- a. Notification of additional resources, such as air support, k-9 handlers, negotiators, fire and medical personnel

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Hostage and Barricade Incidents

- b. Establish inner and outer perimeters
- c. Evacuation and/or relocation of bystanders and injured persons
- d. Establish a command post and staging area for resources (i.e. PIO, fire, medical)
- e. News media access
- f. Administration and city personnel notifications

413.3.1 EMERGENCY COMMUNICATIONS

Only an officer who has been designated by the District Attorney or Attorney General may use or authorize the use of an electronic amplifying or recording device to eavesdrop on or record, or both, oral communication in response to an emergency situation involving a hostage or the barricading of a location, and only when (Penal Code § 633.8(b)):

- (a) The officer reasonably determines an emergency situation exists that involves the immediate danger of death or serious physical injury to any person within the meaning of 18 USC § 2518(7)(a)(i),
- (b) The officer reasonably determines that the emergency situation requires that eavesdropping on oral communication occur immediately, and
- (c) There are grounds upon which an order could be obtained pursuant to 18 USC § 2516(2).
- (d) An application for an order approving the eavesdropping and complying with the requirements of Penal Code § 629.50 is made within 48 hours of the beginning of the eavesdropping.
- (e) The contents of any oral communications overheard are recorded on tape or other comparable device.

413.4 FIRST RESPONDER CONSIDERATIONS

First responding officers should promptly and carefully evaluate all available information to determine whether an incident involves, or may later develop into, a hostage or barricade situation.

The first responding officer should immediately request a supervisor's response as soon as it is determined that a hostage or barricade situation exists. The first responding officer shall assume the duties of the supervisor until relieved by a supervisor or a more qualified responder. The officer shall continually evaluate the situation, including the level of risk to officers, to the persons involved and to bystanders, and the resources currently available.

The handling officer should brief the arriving supervisor of the incident, including information about suspects and victims, the extent of any injuries, additional resources or equipment that may be needed, and current perimeters and evacuation areas.

Hostage and Barricade Incidents

413.4.1 BARRICADE SITUATION

Unless circumstances require otherwise, officers handling a barricade situation should attempt to avoid a forceful confrontation in favor of stabilizing the incident by establishing and maintaining lines of communication while awaiting the arrival of specialized personnel and trained negotiators. During the interim the following options, while not all-inclusive or in any particular order, should be considered:

- (a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- (b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.
- (c) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).
- (d) Provide responding emergency personnel with a safe arrival route to the location.
- (e) Evacuate uninjured persons in the immediate threat area if it is reasonably safe to do so.
- (f) Attempt or obtain a line of communication and gather as much information on the subject as possible, including weapons, other involved parties, additional hazards or injuries.
- (g) Establish an inner and outer perimeter as circumstances require and resources permit to prevent unauthorized access.
- (h) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.
- (i) Determine the need for and notify the appropriate persons within and outside the Department, such as command officers and the Public Information Officer (PIO).
- (j) If necessary and available, establish a tactical or exclusive radio frequency for the incident.
- (k) Establish a command post.

413.4.2 HOSTAGE SITUATION

Officers presented with a hostage situation should attempt to avoid a forceful confrontation in favor of controlling the incident in anticipation of the arrival of specialized personnel and trained hostage negotiators. However, it is understood that hostage situations are dynamic and can require that officers react quickly to developing or changing threats. The following options, while not all-inclusive or in any particular order, should be considered:

- (a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.

- (b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.
- (c) Establish a rapid response team in the event it becomes necessary to rapidly enter a building, structure or vehicle, such as when the suspect is using deadly force against any hostages (see the Rapid Response and Deployment Policy).
- (d) Assist hostages or potential hostages to escape if it is reasonably safe to do so. Hostages should be kept separated if practicable pending further interview.
- (e) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).
- (f) Provide responding emergency personnel with a safe arrival route to the location.
- (g) Evacuate uninjured persons in the immediate threat area if it is reasonably safe to do so.
- (h) Coordinate pursuit or surveillance vehicles and control of travel routes.
- (i) Attempt to obtain a line of communication and gather as much information about the suspect as possible, including any weapons, victims and their injuries, additional hazards, other involved parties and any other relevant intelligence information.
- (j) Establish an inner and outer perimeter as resources and circumstances permit to prevent unauthorized access.
- (k) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.
- (l) Determine the need for and notify the appropriate persons within and outside the Department, such as command officers and the PIO.
- (m) If necessary and available, establish a tactical or exclusive radio frequency for the incident.

413.5 SUPERVISOR RESPONSIBILITIES

Upon being notified that a hostage or barricade situation exists, the supervisor should immediately respond to the scene, assess the risk level of the situation, establish a proper chain of command and assume the role of Incident Commander until properly relieved. This includes requesting a Special Enforcement Team (SET) response if appropriate and apprising the SET Commander of the circumstances. In addition, the following options should be considered:

- (a) Ensure injured persons are evacuated and treated by medical personnel.
- (b) Ensure the completion of necessary first responder responsibilities or assignments.
- (c) Request crisis negotiators, specialized units, additional personnel, resources or equipment as appropriate.
- (d) Establish a command post location as resources and circumstances permit.

Auburn Police Department

Auburn PD Policy Manual

Hostage and Barricade Incidents

- (e) Designate assistants who can help with intelligence information and documentation of the incident.
- (f) If it is practicable to do so, arrange for video documentation of the operation.
- (g) Provide inner perimeter units with rules of engagement when applicable and reasonable to do so.
- (h) Consider contacting utility and communication providers to restrict such services (e.g., restricting electric power, gas, telephone service).
 - (a) When considering restricting communication services, a supervisor should make the determination that there is reason to believe an emergency situation exists involving immediate danger of death or great bodily harm and that an interruption to communication services is necessary to protect public safety (Penal Code § 11471). The supervisor must ensure the Department obtains a court order, in accordance with Penal Code § 11472, prior to requesting the interruption. In the case of an extreme emergency when there is insufficient time to obtain an order prior to the request, application for the order must be submitted within six hours after initiating the interruption. If six hours is not possible, then the application for the court order shall be made at the first reasonably available opportunity, but no later than 24 hours in accordance with Penal Code § 11475.
- (i) Ensure adequate law enforcement coverage for the remainder of the City during the incident. The supervisor should direct non-essential personnel away from the scene unless they have been summoned by the supervisor or the Dispatch Center.
- (j) Identify a media staging area outside the outer perimeter and have the department Public Information Officer or a designated temporary media representative provide media access in accordance with the Media Relations Policy.
- (k) Identify the need for mutual aid and the transition or relief of personnel for incidents of extended duration.
- (l) Debrief personnel and review documentation as appropriate.

413.6 SET RESPONSIBILITIES

The Incident Commander will decide, with input from the SET Commander, whether to deploy the SET during a hostage or barricade situation. Once the Incident Commander authorizes deployment, the SET Commander or the authorized designee will be responsible for the tactical portion of the operation. The Incident Commander shall continue supervision of the command post operation, outer perimeter security and evacuation, media access and support for the SET. The Incident Commander and the SET Commander or the authorized designee shall maintain communications at all times.

413.7 REPORTING

Unless otherwise relieved by a supervisor or Incident Commander, the handling officer at the scene is responsible for completion and/or coordination of incident reports.

Response to Bomb Calls

415.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to assist members of the Auburn Police Department in their initial response to incidents involving explosives, explosive devices, explosion/bombing incidents or threats of such incidents. Under no circumstances should these guidelines be interpreted as compromising the safety of first responders or the public. When confronted with an incident involving explosives, safety should always be the primary consideration.

415.2 POLICY

It is the policy of the Auburn Police Department to place a higher priority on the safety of persons and the public over damage or destruction to public or private property.

415.3 RECEIPT OF BOMB THREAT

Department members receiving a bomb threat should obtain as much information from the individual as reasonably possible, including the type, placement and alleged detonation time of the device.

If the bomb threat is received on a recorded line, reasonable steps should be taken to ensure that the recording is preserved in accordance with established department evidence procedures.

The member receiving the bomb threat should ensure that the Shift Supervisor is immediately advised and informed of the details. This will enable the Shift Supervisor to ensure that the appropriate personnel are dispatched, and, as appropriate, the threatened location is given an advance warning.

415.4 GOVERNMENT FACILITY OR PROPERTY

A bomb threat targeting a government facility may require a different response based on the government agency.

415.4.1 AUBURN POLICE DEPARTMENT FACILITY

If the bomb threat is against the Auburn Police Department facility, the Shift Supervisor will direct and assign officers as required for coordinating a general building search or evacuation of the police department, as he/she deems appropriate.

415.4.2 OTHER COUNTY OR MUNICIPAL FACILITY OR PROPERTY

If the bomb threat is against a county or municipal facility within the jurisdiction of the Auburn Police Department that is not the property of this department, the appropriate agency will be promptly informed of the threat. Assistance to the other entity may be provided as the Shift Supervisor deems appropriate.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Response to Bomb Calls

415.4.3 FEDERAL BUILDING OR PROPERTY

If the bomb threat is against a federal building or property, the Federal Protective Service should be immediately notified. The Federal Protective Service provides a uniformed law enforcement response for most facilities, which may include use of its Explosive Detector Dog teams.

If the bomb threat is against a federal government property where the Federal Protective Service is unable to provide a timely response, the appropriate facility's security or command staff should be notified.

Bomb threats against a military installation should be reported to the military police or other military security responsible for the installation.

415.5 PRIVATE FACILITY OR PROPERTY

When a member of this department receives notification of a bomb threat at a location in the City of Auburn, the member receiving the notification should obtain as much information as reasonably possible from the notifying individual, including:

- (a) The location of the facility.
- (b) The nature of the threat.
- (c) Whether the type and detonation time of the device is known.
- (d) Whether the facility is occupied and, if so, the number of occupants currently on-scene.
- (e) Whether the individual is requesting police assistance at the facility.
- (f) Whether there are any internal facility procedures regarding bomb threats in place, such as:
 - 1. No evacuation of personnel and no search for a device.
 - 2. Search for a device without evacuation of personnel.
 - 3. Evacuation of personnel without a search for a device.
 - 4. Evacuation of personnel and a search for a device.

The member receiving the bomb threat information should ensure that the Shift Supervisor is immediately notified so that he/she can communicate with the person in charge of the threatened facility.

415.5.1 ASSISTANCE

The Shift Supervisor should be notified when police assistance is requested. The Shift Supervisor will make the decision whether the Department will render assistance and at what level. Information and circumstances that indicate a reasonably apparent, imminent threat to the safety of either the facility or the public may require a more active approach, including police control over the facility.

Should the Shift Supervisor determine that the Department will assist or control such an incident, he/she will determine:

- (a) The appropriate level of assistance.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Response to Bomb Calls

- (b) The plan for assistance.
- (c) Whether to evacuate and/or search the facility.
- (d) Whether to involve facility staff in the search or evacuation of the building.
 - 1. The person in charge of the facility should be made aware of the possibility of damage to the facility as a result of a search.
 - 2. The safety of all participants is the paramount concern.
- (e) The need for additional resources, including:
 - 1. Notification and response, or standby notice, for fire and emergency medical services.

Even though a facility does not request police assistance to clear the interior of a building, based upon the circumstances and known threat, officers may be sent to the scene to evacuate other areas that could be affected by the type of threat, or for traffic and pedestrian control.

415.6 FOUND DEVICE

When handling an incident involving a suspected explosive device, the following guidelines, while not all inclusive, should be followed:

- (a) No known or suspected explosive item should be considered safe regardless of its size or apparent packaging.
- (b) The device should not be touched or moved except by the bomb squad or military explosive ordnance disposal team.
- (c) Personnel should not transmit on any equipment that is capable of producing radio frequency energy within the evacuation area around the suspected device. This includes the following:
 - 1. Two-way radios
 - 2. Cell phones
 - 3. Other personal communication devices
- (d) The appropriate bomb squad or military explosive ordnance disposal team should be summoned for assistance.
- (e) The largest perimeter reasonably possible should initially be established around the device based upon available personnel and the anticipated danger zone.
- (f) A safe access route should be provided for support personnel and equipment.
- (g) Search the area for secondary devices as appropriate and based upon available resources.
- (h) Consider evacuation of buildings and personnel near the device or inside the danger zone and the safest exit route.
- (i) Promptly relay available information to the Shift Supervisor including:
 - 1. The time of discovery.

Auburn Police Department

Auburn PD Policy Manual

2. The exact location of the device.
3. A full description of the device (e.g., size, shape, markings, construction).
4. The anticipated danger zone and perimeter.
5. The areas to be evacuated or cleared.

415.7 EXPLOSION/BOMBING INCIDENTS

When an explosion has occurred, there are multitudes of considerations which may confront the responding officers. As in other catastrophic events, a rapid response may help to minimize injury to victims, minimize contamination of the scene by gathering crowds, or minimize any additional damage from fires or unstable structures.

415.7.1 CONSIDERATIONS

Officers responding to explosions, whether accidental or a criminal act, should consider the following actions:

- (a) Assess the scope of the incident, including the number of victims and extent of injuries.
- (b) Request additional personnel and resources, as appropriate.
- (c) Assist with first aid.
- (d) Identify and take appropriate precautions to mitigate scene hazards, such as collapsed structures, bloodborne pathogens and hazardous materials.
- (e) Assist with the safe evacuation of victims, if possible.
- (f) Establish an inner perimeter to include entry points and evacuation routes. Search for additional or secondary devices.
- (g) Preserve evidence.
- (h) Establish an outer perimeter and evacuate if necessary.
- (i) Identify witnesses.

415.7.2 NOTIFICATIONS

When an explosion has occurred, the following people should be notified as appropriate:

- Fire department
- Bomb squad
- Additional department personnel, such as investigators and forensic services
- Field supervisor
- Shift Supervisor
- Other law enforcement agencies, including local, state or federal agencies, such as the FBI and the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF)
- Other government agencies, as appropriate

Response to Bomb Calls

415.7.3 CROWD CONTROL

Only authorized members with a legitimate need should be permitted access to the scene. Spectators and other unauthorized individuals should be restricted to a safe distance as is reasonably practicable given the available resources and personnel.

415.7.4 PRESERVATION OF EVIDENCE

As in any other crime scene, steps should immediately be taken to preserve the scene. The Shift Supervisor should assign officers to protect the crime scene area, which could extend over a long distance. Consideration should be given to the fact that evidence may be imbedded in nearby structures or hanging in trees and bushes.

Mental Illness Commitments

417.1 PURPOSE AND SCOPE

This policy provides guidelines for when officers may take a person into custody for psychiatric evaluation and treatment (5150 commitment) (Welfare and Institutions Code § 5150).

417.2 POLICY

It is the policy of the Auburn Police Department to protect the public and individuals through legal and appropriate use of the 72-hour treatment and evaluation commitment (5150 commitment) process.

417.3 AUTHORITY

An officer having probable cause may take a person into custody and place the person in an approved mental health facility for 72-hour treatment and evaluation when the officer believes that, as a result of a mental disorder, the person is a danger to him/herself or others or the person is gravely disabled (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5585.50).

When determining whether to take a person into custody, officers are not limited to determining the person is an imminent danger and shall consider reasonably available information about the historical course of the person's mental disorder, which may include evidence presented from any of the following (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5150.05):

- (a) An individual who is providing or has provided mental health treatment or related support services to the person
- (b) A family member
- (c) The person subject to the determination or anyone designated by the person

417.3.1 VOLUNTARY EVALUATION

If an officer encounters an individual who may qualify for a 5150 commitment, he/she may inquire as to whether the person desires to voluntarily be evaluated at an appropriate facility. If the person so desires, the officers should:

- (a) Transport the person to an appropriate facility that is able to conduct the evaluation and admit the person pursuant to a 5150 commitment.
- (b) If at any point the person changes his/her mind regarding voluntary evaluation, officers should proceed with the 5150 commitment, if appropriate.
- (c) Document the circumstances surrounding the individual's desire to pursue voluntary evaluation and/or admission.

417.3.2 RESTRAINTS

If the patient is violent or potentially violent, the officer will notify the staff of this concern. The staff member in charge will have discretion as to whether soft-restraints will be used. If these restraints

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Mental Illness Commitments

are desired, the officer will wait while they are being applied to help provide physical control of the patient, if needed.

417.3.3 MENTAL HEALTH DOCUMENTATION

The officer will complete an Application For 72-Hour Detention for Evaluation and Treatment form (MH-302) and provide it to the staff member assigned to that patient. The officer will retain a copy of the 72-hour evaluation for inclusion in the case report. The officer should also provide a verbal summary to an emergency department staff member and or mental health staff regarding the circumstances leading to the involuntary detention. Information about witnesses should be written on a incident report face sheet.

417.3.4 SECURING OF WEAPONS

If for some reason the officer transports a 5150 patient to the secured facility and the secured facility prohibits weapons or if an extraordinary event occurs in the treatment facility and officers determine a need to secure their firearms, the firearm shall be secured in the appropriate gun locker at the facility or in the police unit pursuant to policy.

417.4 CONSIDERATIONS AND RESPONSIBILITIES

Any officer handling a call involving an individual who may qualify for a 5150 commitment should consider, as time and circumstances reasonably permit:

- (a) Available information that might assist in determining the cause and nature of the person's action or stated intentions.
- (b) Community or neighborhood mediation services.
- (c) Conflict resolution and de-escalation techniques.
- (d) Community or other resources available to assist in dealing with mental health issues.

While these steps are encouraged, nothing in this section is intended to dissuade officers from taking reasonable action to ensure the safety of the officers and others.

Officers should consider a 5150 commitment over arrest when mental health issues appear to be a mitigating factor for people who are suspected of committing minor crimes or creating other public safety issues.

417.4.1 SECURING OF PROPERTY

When a person is taken into custody for evaluation, or within a reasonable time thereafter, and unless a responsible relative, guardian or conservator is in possession of the person's personal property, the officer shall take reasonable precautions to safeguard the individual's personal property in his/her possession or on the premises occupied by the person (Welfare and Institutions Code § 5150).

The officer taking the person into custody shall provide a report to the court that describes the person's property and its disposition in the format provided in Welfare and Institutions Code § 5211, unless a responsible person took possession of the property, in which case the officer shall

Auburn Police Department

Auburn PD Policy Manual

only include the name of the responsible person and the location of the property (Welfare and Institutions Code § 5150).

417.5 TRANSPORTATION

When transporting any individual for a 5150 commitment, the transporting officer should have the Dispatch Center notify the receiving facility of the estimated time of arrival, the level of cooperation of the individual and whether any special medical care is needed.

Officers may transport individuals in a patrol unit and shall secure them in accordance with the Handcuffing and Restraints Policy. Should the detainee require transport in a medical transport vehicle and the safety of any person, including the detainee, requires the presence of an officer during the transport, Shift Supervisor approval is required before transport commences.

417.5.1 RETURN OF CONFISCATED FIREARMS AND WEAPONS

- (a) Whenever the handling officer has cause to believe that the future return of any confiscated weapon(s) might endanger the person or others, the officer shall detail those facts and circumstances in a report. The report shall be forwarded to the Criminal Investigations Division which shall be responsible for initiating a petition to the superior court for a hearing in accordance with Welfare and Institutions Code § 8102(b), to determine whether or not the weapon(s) will be returned.
- (b) The petition to the Superior Court shall be initiated within 30 days of the release of the individual from whom such weapon(s) have been confiscated unless the Department makes an ex parte application to the court to extend the time to file such a petition, up to a maximum of 60 days. At the time any such petition is initiated, the Department shall send written notice to the individual informing him or her of the right to a hearing on the issue and that he or she has 30 days to confirm with the court clerk any desire for a hearing and that the failure to do so will result in the forfeiture of any confiscated weapon(s).
- (c) If no petition is initiated within the above period, the Department shall make the weapon(s) available for return in accordance with subsection (d) below. If the person does not confirm a desire for a hearing within the prescribed 30 days, the Department may file a petition for an order of default.
- (d) Under no circumstances shall any firearm be returned to any individual unless and until such person presents valid identification and written notification from the California Department of Justice which conforms to the provisions of Penal Code § 33865.
- (e) In no case in which a firearm or other deadly weapon is not retained as evidence shall the Department be required to retain such firearms or other deadly weapon longer than 180 days after notice has been provided to the owner that such firearm or other deadly weapon is available for return. At the expiration of such period, the firearm or other deadly weapon may be processed for disposal in accordance with applicable law (Penal Code § 33875).

417.6 TRANSFER TO APPROPRIATE FACILITY

Upon arrival at the facility, the officer will escort the individual into a treatment area designated by a facility staff member. If the individual is not seeking treatment voluntarily, the officer should provide the staff member with the written application for a 5150 commitment and remain present to provide clarification of the grounds for detention, upon request.

Absent exigent circumstances, the transporting officer should not assist facility staff with the admission process, including restraint of the individual. However, if the individual is transported and delivered while restrained, the officer may assist with transferring the individual to facility restraints and will be available to assist during the admission process, if requested. Under normal circumstances, officers will not apply facility-ordered restraints.

417.7 COUNTYWIDE PROTOCOL

Placer County agencies have developed a protocol for the handling of 5150 WIC cases. Officers should refer to the protocol for further clarification and guidance.

417.8 DOCUMENTATION

The officer shall complete an application for a 72-Hour detention for evaluation and treatment, provide it to the facility staff member assigned to that patient and retain a copy of the application for inclusion in the case report.

The application shall include the circumstances for officer involvement; the probable cause to believe the person is, as a result of a mental health disorder, a danger to others or him/herself or gravely disabled; and all information used for the determination of probable cause (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5150.05).

The officer should also provide a verbal summary to any evaluating staff member regarding the circumstances leading to the involuntary detention.

417.8.1 ADVISEMENT

The officer taking a person into custody for evaluation shall advise the person of:

- (a) The officer's name and agency.
- (b) The fact that the person is not under criminal arrest but is being taken for examination by mental health professionals and the mental health staff will advise him/her of their rights.
- (c) The name of the facility to which the person is being taken.
- (d) If the person is being taken into custody at his/her residence, he/she should also be advised that he/she may take a few personal items, which the officer must approve, and may make a telephone call or leave a note indicating where he/she is being taken. The officer should also ask if the person needs assistance turning off any appliance or water.

The advisement shall be given in a language the person understands. If the person cannot understand an oral advisement, the information shall be provided in writing (Welfare and Institutions Code § 5150).

417.9 CRIMINAL OFFENSES

Officers investigating an individual who is suspected of committing a minor criminal offense and who is being taken on a 5150 commitment should resolve the criminal matter by issuing a warning or a Notice to Appear as appropriate.

When an individual who may qualify for a 5150 commitment has committed a serious criminal offense that would normally result in an arrest and transfer to a jail facility, the officer should:

- (a) Arrest the individual when there is probable cause to do so.
- (b) Notify the appropriate supervisor of the facts supporting the arrest and the facts that would support the 5150 commitment.
- (c) Facilitate the individual's transfer to jail.
- (d) Thoroughly document in the related reports the circumstances that indicate the individual may qualify for a 5150 commitment.

In the supervisor's judgment, the individual may instead be arrested or booked and transported to the appropriate mental health facility. The supervisor should consider the seriousness of the offense, the treatment options available, the ability of this department to regain custody of the individual, department resources (e.g., posting a guard) and other relevant factors in making this decision.

417.10 FIREARMS AND OTHER WEAPONS

Whenever a person is taken into custody for a 5150 commitment, the handling officers should seek to determine if the person owns or has access to any firearm or other deadly weapon defined in Welfare and Institutions Code § 8100. Officers should consider whether it is appropriate and consistent with current search and seizure law under the circumstances to seize any such firearms or other dangerous weapons (e.g., safekeeping, evidence, consent).

Officers are cautioned that a search warrant may be needed before entering a residence or other place to search, unless lawful, warrantless entry has already been made (e.g., exigent circumstances, consent). A search warrant may also be needed before searching for or seizing weapons.

The handling officers shall issue a receipt describing the deadly weapon or any firearm seized, and list any serial number or other identification that is on the firearm. Officers shall advise the person of the procedure for the return of any firearm or other weapon that has been taken into custody (Welfare and Institutions Code § 8102 (b)) (see Property and Evidence Policy).

417.10.1 PETITION FOR RETURN OF FIREARMS AND OTHER WEAPONS

Whenever the handling officer has cause to believe that the future return of any confiscated weapon might endanger the person or others, the officer shall detail those facts and circumstances in a report. The report shall be forwarded to the Criminal Investigations Division, which shall be responsible for initiating a petition to the Superior Court for a hearing in accordance with Welfare and Institutions Code § 8102(c), to determine whether the weapon will be returned.

The petition to the Superior Court shall be initiated within 30 days of the release of the individual from whom such weapon has been confiscated, unless the Department makes an ex parte application to the court to extend the time to file such a petition, up to a maximum of 60 days. At the time any such petition is initiated, the Department shall send written notice to the individual informing him/her of the right to a hearing on the issue, that he/she has 30 days to confirm with the court clerk any desire for a hearing and that the failure to do so will result in the forfeiture of any confiscated weapon.

417.11 TRAINING

This department will endeavor to provide Peace Officer Standards and Training (POST)-approved advanced officer training on interaction with persons with mental disabilities, 5150 commitments and crisis intervention.

Cite and Release Policy

419.1 PURPOSE AND SCOPE

This policy provides guidance on when to release adults who are arrested for a criminal misdemeanor offense on a written notice to appear (citation) and when to hold for court or bail.

419.2 POLICY

It is the policy of the Auburn Police Department to release all persons arrested on misdemeanor or other qualifying charges on a citation with certain exceptions (Penal Code § 853.6).

If there is a reason for non-release, the Department's mission to protect the community will be the primary consideration when determining whether to release any individual in lieu of holding for court or bail.

419.3 RELEASE BY CITATION

Except in cases where a reason for non-release as described below exists, adults arrested for a misdemeanor offense, including a private person's arrest, shall be released from custody on a citation (Penal Code § 853.6).

The citing officer shall, at the time the defendant signs the notice to appear, call attention to the time and place for appearance and take any other steps they deem necessary to ensure that the defendant understands their written promise to appear.

419.3.1 FIELD CITATIONS

In most cases an adult arrested for a misdemeanor offense may be released in the field on a citation in lieu of physical arrest when booking and fingerprinting is not practicable or immediately required provided the individual can be satisfactorily identified, there is no outstanding arrest warrant for the individual and none of the below described disqualifying circumstances are present (Penal Code § 853.6; Penal Code § 1270.1). In such cases the arresting officer should check the booking required box on the citation form to indicate that the person will be photographed and fingerprinted at a later time when ordered by the court.

When a booking photo or fingerprints are needed for the furtherance of any investigation, the person should be released on citation after booking instead of on a field citation.

419.3.2 RELEASE AFTER BOOKING

In some cases it may not be feasible or desirable to release a person in the field. The person should instead be released on citation after booking at the jail. All bookings shall be approved by the Shift Supervisor or the authorized designee.

419.4 NON-RELEASE

Auburn Police Department

Cite and Release Policy

419.4.1 DISQUALIFYING OFFENSES

An adult arrested on any of the following disqualifying charges shall not be released on citation and shall be transported to the appropriate detention facility or held for court or bail after booking (Penal Code § 1270.1):

- (a) Misdemeanor domestic battery (Penal Code § 243(e)(1))
- (b) Felony domestic battery (Penal Code § 273.5)
- (c) Serious or violent felonies (Penal Code § 1270.1(a)(1))
- (d) Felony intimidation of witnesses and victims (Penal Code § 136.1)
- (e) Violation of a protective order and the arrested person has made threats, used violence, or has gone to the protected person's workplace or residence (Penal Code § 273.6)
- (f) Stalking (Penal Code § 646.9)
- (g) Misdemeanor violations of a protective order relating to domestic violence if there is a reasonable likelihood the offense will continue or the safety of the individuals or property would be endangered (Penal Code § 853.6)

419.4.2 REASONS FOR NON-RELEASE

A person arrested for a misdemeanor shall be released on a citation unless there is a reason for non-release. The Shift Supervisor may authorize a release on citation regardless of whether a reason for non-release exists when it is determined to be in the best interest of the Department and does not present an unreasonable risk to the community (e.g., release of an intoxicated or ill person to a responsible adult).

Reasons for non-release include (Penal Code § 853.6(i)):

- (a) The person arrested is so intoxicated that they could be a danger to themselves or to others. Release may occur as soon as this condition no longer exists.
- (b) The person arrested requires medical examination or medical care or is otherwise unable to care for their own safety.
- (c) The person is arrested for one or more of the offenses listed in Vehicle Code § 40302, Vehicle Code § 40303, and Vehicle Code § 40305.
- (d) There are one or more outstanding arrest warrants for the person (see Misdemeanor Warrants elsewhere in this policy).
- (e) The person could not provide satisfactory evidence of personal identification.
 - 1. If a person released on citation does not have satisfactory identification in their possession, a right thumbprint or fingerprint should be obtained on the citation form.
- (f) The prosecution of the offense or offenses for which the person was arrested or the prosecution of any other offense or offenses would be jeopardized by the immediate release of the person arrested.

Cite and Release Policy

- (g) There is a reasonable likelihood that the offense or offenses would continue or resume, or that the safety of persons or property would be imminently endangered by the release of the person arrested.
- (h) The person arrested demands to be taken before a magistrate or has refused to sign the notice to appear.
- (i) There is reason to believe that the person would not appear at the time and place specified in the notice to appear. The basis for this determination shall be specifically documented. Reasons may include:
 - 1. Previous failure to appear is on record
 - 2. The person lacks ties to the area, such as a residence, job, or family
 - 3. Unusual circumstances lead the officer responsible for the release of arrested persons to conclude that the suspect should be held for further investigation
- (j) A previous conviction, citation, or arrest for misdemeanor or felony retail theft from a store in the previous six months.
- (k) There is probable cause to believe that the person arrested is guilty of committing organized retail theft.

When a person is arrested on a misdemeanor offense and is not released by criminal citation, the reason for non-release shall be noted on the booking form. This form shall be submitted to the Shift Supervisor for approval and included with the case file in the Records Bureau.

419.5 MISDEMEANOR WARRANTS

An adult arrested on a misdemeanor warrant may be released, subject to Shift Supervisor approval, unless any of the following conditions exist:

- (a) The misdemeanor cited in the warrant involves violence.
- (b) The misdemeanor cited in the warrant involves a firearm.
- (c) The misdemeanor cited in the warrant involves resisting arrest.
- (d) The misdemeanor cited in the warrant involves giving false information to a peace officer.
- (e) The person arrested is a danger to themselves or others due to intoxication or being under the influence of drugs or narcotics.
- (f) The person requires medical examination or medical care or was otherwise unable to care for their own safety.
- (g) The person has other ineligible charges pending against themselves.
- (h) There is reasonable likelihood that the offense or offenses would continue or resume, or that the safety of persons or property would be immediately endangered by the release of the person.
- (i) The person refuses to sign the notice to appear.
- (j) The person cannot provide satisfactory evidence of personal identification.

Cite and Release Policy

- (k) The warrant of arrest indicates that the person is not eligible to be released on a notice to appear.

Release under this section shall be done in accordance with the provisions of this policy.

419.6 JUVENILE CITATIONS

Completion of criminal citations for juveniles is generally not appropriate with the following exceptions:

- Misdemeanor traffic violations of the Vehicle Code
- Violations of the Auburn City codes

All other misdemeanor violations for juveniles shall be documented with a case number and the case should be referred to the Criminal Investigations Division for further action including diversion.

419.7 REQUESTING CASE NUMBERS

Many cases involving a criminal citation release can be handled without requesting a case number. Traffic situations and local code violations can be documented on the reverse side of the records copy of the citation. Most Penal Code sections will require a case number to document the incident properly in a report. This section does not preclude an officer from requesting a case number if the officer feels the situation should be documented more thoroughly in a case report.

Foreign Diplomatic and Consular Representatives

421.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that members of the Auburn Police Department extend appropriate privileges and immunities to foreign diplomatic and consular representatives in accordance with international law.

421.2 POLICY

The Auburn Police Department respects international laws related to the special privileges and immunities afforded foreign diplomatic and consular representatives assigned to the United States.

All foreign diplomatic and consular representatives shall be treated with respect and courtesy, regardless of any privileges or immunities afforded them.

421.3 CLAIMS OF IMMUNITY

If a member comes into contact with a person where law enforcement action may be warranted and the person claims diplomatic or consular privileges and immunities, the member should, without delay:

- (a) Notify a supervisor.
- (b) Advise the person that his/her claim will be investigated and he/she may be released in accordance with the law upon confirmation of the person's status.
- (c) Request the person's identification card, either issued by the U.S. Department of State (DOS), Office of the Chief of Protocol, or in the case of persons accredited to the United Nations, by the U.S. Mission to the United Nations. These are the only reliable documents for purposes of determining privileges and immunities.
- (d) Contact the DOS Diplomatic Security Command Center at 571-345-3146 or toll free at 866-217-2089, or at another current telephone number and inform the center of the circumstances.
- (e) Verify the immunity status with DOS and follow any instructions regarding further detention, arrest, prosecution and/or release, as indicated by the DOS representative. This may require immediate release, even if a crime has been committed.

Identity or immunity status should not be presumed from the type of license plates displayed on a vehicle. If there is a question as to the status or the legitimate possession of a Diplomat or Consul license plate, a query should be run via the National Law Enforcement Telecommunications System (NLETS), designating "US" as the state.

421.4 ENFORCEMENT

If the DOS is not immediately available for consultation regarding law enforcement action, members shall be aware of the following:

 - 2. Support staff of missions to international organizations
 - 3. Diplomatic service staff and consular employees; however, special bilateral agreements may exclude employees of certain foreign countries.
 - 4. Honorary consular officers
 - 5. Whenever an officer arrests and incarcerates, or detains for investigation for over two hours, a person with diplomatic and consular privileges and immunities, the officer shall promptly advise the person that he/she is entitled to have his/her government notified of the arrest or detention (Penal Code § 834c). If the individual wants his/her government notified, the officer shall begin the notification process.

421.5 DOCUMENTATION

All contacts with persons who have claimed privileges and immunities afforded foreign diplomatic and consular representatives should be thoroughly documented and the related reports forwarded to DOS.

Rapid Response and Deployment

423.1 PURPOSE AND SCOPE

Violence that is committed in schools, workplaces and other locations by individuals or a group of individuals who are determined to target and kill persons and to create mass casualties presents a difficult situation for law enforcement. The purpose of this policy is to identify guidelines and factors that will assist responding officers in situations that call for rapid response and deployment.

423.2 POLICY

The Auburn Police Department will endeavor to plan for rapid response to crisis situations, and to coordinate response planning with other emergency services as well as with those that are responsible for operating sites that may be the target of a critical incident.

Nothing in this policy shall preclude the use of reasonable force, deadly or otherwise, by members of the Department in protecting themselves or others from death or serious injury.

423.3 FIRST RESPONSE

If there is a reasonable belief that acts or threats by a suspect are placing lives in imminent danger, first responding officers should consider reasonable options to reduce, prevent or eliminate the threat. Officers must decide, often under a multitude of difficult and rapidly evolving circumstances, whether to advance on the suspect, take other actions to deal with the threat or wait for additional resources.

If a suspect is actively engaged in the infliction of serious bodily harm or other life-threatening activity toward others, officers should take immediate action, if reasonably practicable, while requesting additional assistance.

Officers should remain aware of the possibility that an incident may be part of a coordinated multi-location attack that may require some capacity to respond to other incidents at other locations.

When deciding on a course of action officers should consider:

- (a) Whether to advance on or engage a suspect who is still a possible or perceived threat to others. Any advance or engagement should be based on information known or received at the time.
- (b) Whether to wait for additional resources or personnel. This does not preclude an individual officer from taking immediate action.
- (c) Whether individuals who are under imminent threat can be moved or evacuated with reasonable safety.
- (d) Whether the suspect can be contained or denied access to victims.
- (e) Whether the officers have the ability to effectively communicate with other personnel or resources.
- (f) Whether planned tactics can be effectively deployed.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Rapid Response and Deployment

- (g) The availability of rifles, shotguns, shields, breaching tools, control devices and any other appropriate tools, and whether the deployment of these tools will provide a tactical advantage.

In a case of a barricaded suspect with no hostages and no immediate threat to others, officers should consider summoning and waiting for additional assistance (special tactics and/or hostage negotiation team response).

423.3.1 RESPONSE TO SCHOOL THREATS

Upon receiving a threat or perceived threat from a school official that involves grades 6 to 12, officers shall immediately investigate and conduct a threat assessment. The investigation shall include a review of the firearm registry of the California Department of Justice. A reasonable search of the school at issue shall be conducted when the search is justified by reasonable suspicion that it would produce evidence related to the threat or perceived threat (Education Code § 49394).

For purposes of this subsection a "threat" or "perceived threat" means any writing or action of a pupil that creates a reasonable suspicion that the pupil is preparing to commit a homicidal act related to school or a school activity. This may include possession, use, or depictions of firearms, ammunition, shootings, or targets in association with infliction of physical harm, destruction, or death in a social media post, journal, class note, or other media associated with the pupil. It may also include a warning by a parent, pupil, or other individual (Education Code § 49390).

423.4 CONSIDERATIONS

When dealing with a crisis situation members should:

- (a) Assess the immediate situation and take reasonable steps to maintain operative control of the incident.
- (b) Obtain, explore and analyze sources of intelligence and known information regarding the circumstances, location and suspect involved in the incident.
- (c) Attempt to attain a tactical advantage over the suspect by reducing, preventing or eliminating any known or perceived threat.
- (d) Attempt, if feasible and based upon the suspect's actions and danger to others, a negotiated surrender of the suspect and release of the hostages.

423.5 PLANNING

The Operations Division Commander should coordinate critical incident planning. Planning efforts should consider:

- (a) Identification of likely critical incident target sites, such as schools, shopping centers, entertainment and sporting event venues.
- (b) Availability of building plans and venue schematics of likely critical incident target sites.
- (c) Communications interoperability with other law enforcement and emergency service agencies.
- (d) Training opportunities in critical incident target sites, including joint training with site occupants.

- (h) Equipment needs.
- (i) Mutual aid agreements with other agencies.
- (j) Coordination with private security providers in critical incident target sites.

423.6 TRAINING

The Training Manager should include rapid response to critical incidents in the training plan. This training should address:

- (a) Orientation to likely critical incident target sites, such as schools, shopping centers, entertainment and sporting event venues.
- (b) Communications interoperability with other law enforcement and emergency service agencies.
- (c) Patrol first-response training, including patrol rifle, shotgun, breaching tool and control device training.
 - (a) This should include the POST terrorism incident training required for officers assigned to field duties (Penal Code § 13519.12).
- (d) First aid, including gunshot trauma.
- (e) Reality-based scenario training (e.g., active shooter, disgruntled violent worker).

Immigration Violations

427.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to members of the Auburn Police Department relating to immigration and interacting with federal immigration officials.

427.1.1 DEFINITIONS

The following definitions apply to this policy (Government Code § 7284.4):

Criminal immigration violation - Any federal criminal immigration violation that penalizes a person's presence in, entry, or reentry to, or employment in, the United States. This does not include any offense where a judicial warrant already has been issued.

Immigration enforcement - Any and all efforts to investigate, enforce, or assist in the investigation or enforcement of any federal civil immigration law, including any and all efforts to investigate, enforce, or assist in the investigation or enforcement of any federal criminal immigration law that penalizes a person's presence in, entry or reentry to, or employment in the United States.

Judicial warrant - An arrest warrant for a violation of federal criminal immigration law and issued by a federal judge or a federal magistrate judge.

427.2 POLICY

It is the policy of the Auburn Police Department that all members make personal and professional commitments to equal enforcement of the law and equal service to the public. Confidence in this commitment will increase the effectiveness of this department in protecting and serving the entire community and recognizing the dignity of all persons, regardless of their national origin or immigration status.

427.3 VICTIMS AND WITNESSES

To encourage crime reporting and cooperation in the investigation of criminal activity, all individuals, regardless of their immigration status, must feel secure that contacting or being addressed by members of law enforcement will not automatically lead to immigration inquiry and/or deportation. While it may be necessary to determine the identity of a victim or witness, members shall treat all individuals equally and not in any way that would violate the United States or California constitutions.

427.4 IMMIGRATION INQUIRIES PROHIBITED

Officers shall not inquire into an individual's immigration status for immigration enforcement purposes (Government Code § 7284.6).

427.4.1 CALIFORNIA LAW ENFORCEMENT TELECOMMUNICATIONS SYSTEM (CLETS)

Members shall not use information transmitted through CLETS for immigration enforcement purposes except for criminal history information and only when consistent with the California Values Act (Government Code § 15160).

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Immigration Violations

Members shall not use the system to investigate immigration violations of 8 USC § 1325 (improper entry) if that violation is the only criminal history in an individual's record (Government Code § 15160).

427.4.2 CALIFORNIA DEPARTMENT OF MOTOR VEHICLES

Members shall not obtain, access, use, or otherwise disclose noncriminal history information maintained by the DMV for immigration enforcement (Vehicle Code § 1808.48).

427.5 DETENTIONS AND ARRESTS

An officer shall not detain any individual, for any length of time, for a civil violation of federal immigration laws or a related civil warrant (Government Code § 7284.6).

An officer who has a reasonable suspicion that an individual already lawfully contacted or detained has committed a criminal violation of 8 USC § 1326(a) (unlawful reentry) that may be subject to an enhancement due to a previous conviction of an aggravated felony under 8 USC § 1326(b) (2), may detain the person for a reasonable period of time to contact federal immigration officials to verify whether the United States Attorney General has granted the individual permission for reentry and whether the violation is subject to enhancement (Government Code § 7284.6). No individual who is otherwise ready to be released should continue to be detained only because questions about the individual's status are unresolved.

If the officer has facts that establish probable cause to believe that a person already lawfully detained has violated 8 USC § 1326(a) and the penalty may be subject to enhancement due to prior conviction for specified aggravated felonies, he/she may arrest the individual for that offense (Government Code § 7284.6).

An officer shall not detain any individual, for any length of time, for any other criminal immigration violation of federal immigration laws (Government Code § 7284.6).

An officer should notify a supervisor as soon as practicable whenever an individual is arrested for violation of 8 USC § 1326(a).

427.5.1 SUPERVISOR RESPONSIBILITIES

When notified that an officer has arrested an individual for violation of 8 USC § 1326(a) or under the authority of a judicial warrant, the supervisor should determine whether it is appropriate to:

- (a) Transfer the person to federal authorities.
- (b) Transfer the person to jail.

427.6 FEDERAL REQUESTS FOR ASSISTANCE

Absent an urgent issue of officer safety or other emergency circumstances, requests by federal immigration officials for assistance from this department should be directed to a supervisor. Emergency Utility Service

429.1 PURPOSE AND SCOPE

The City Public Works Department has personnel available to handle emergency calls 24 hours per day. Calls for service during non-business hours are frequently directed to the Police Department. Requests for such service received by this department should be handled in the following manner.

429.1.1 BROKEN WATER LINES

The City's responsibility ends at the water meter; any break or malfunction in the water system from the water meter to the citizen's residence or business is the customer's responsibility. Public Works can only turn off the valve at the meter. The citizen can normally accomplish this.

If a break occurs on the City side of the meter, emergency personnel should be called as soon as practical by Dispatch.

429.1.2 ELECTRICAL LINES

City Public Works does not maintain electrical lines to street light poles. When a power line poses a hazard, an officer should be dispatched to protect against personal injury or property damage that might be caused by power lines. The Electric Company or Public Works should be promptly notified, as appropriate.

429.1.3 RESERVOIRS, PUMPS, WELLS, ETC.

Public Works maintains the reservoirs and public water equipment, as well as several underpass and other street drainage pumps. In the event of flooding or equipment malfunctions, emergency personnel should be contacted as soon as possible.

429.1.4 EMERGENCY NUMBERS

A current list of emergency personnel who are to be called for municipal utility emergencies is maintained by Dispatch.

429.2 TRAFFIC SIGNAL MAINTENANCE

The City of Auburn contracts with a private maintenance company to furnish maintenance for all traffic signals within the City, other than those maintained by the State of California.

429.2.1 OFFICER'S RESPONSIBILITY

Upon observing a damaged or malfunctioning signal, the officer will advise the Dispatch of the location and problem with the signal. The dispatcher should make the necessary notification to the proper maintenance agency.

Aircraft Accidents

433.1 PURPOSE AND SCOPE

The purpose of this policy is to provide department members with guidelines for handling aircraft accidents.

This policy does not supersede, and is supplementary to, applicable portions of the Crime and Disaster Scene Integrity, Emergency Management Plan and Hazardous Material Response policies.

433.1.1 DEFINITIONS

Definitions related to this policy include:

Aircraft - Any fixed wing aircraft, rotorcraft, balloon, blimp/dirigible or glider that is capable of carrying a person or any unmanned aerial vehicle other than those intended for non-commercial recreational use.

433.2 POLICY

It is the policy of the Auburn Police Department to provide an appropriate emergency response to aircraft accidents. This includes emergency medical care and scene management.

433.2.1 DISPATCH RESPONSIBILITIES

Dispatchers are responsible to make notifications as directed once an aircraft accident has been reported. The notifications will vary depending on the type of accident, extent of injuries or damage, and the type of aircraft involved. Generally, the dispatcher will need to notify the following agencies or individuals when an aircraft accident has occurred.

- (a) Inform the shift supervisor as soon as possible.
- (b) Call Cal Fire and Ambulance (if necessary)
- (c) Request the tail N number if available from scene personnel.
- (d) Inform the closest military base if a military aircraft is involved.
- (e) Call the Patrol / Investigations Division Commander
- (f) Call FAA and NTSB and advise all information known. Update as information is available

When an aircraft accident is reported to the Police Department by the airport personnel the dispatcher receiving such information should verify that the airport personnel will contact the Federal Aviation Administration (FAA) Flight Standards District Office and the National Transportation Safety Board (NTSB). In the event that airport personnel are not involved, the dispatcher should notify the FAA and the NTSB after the above.

433.2.2 RECORDS SUPERVISOR RESPONSIBILITIES

The Records Supervisor is responsible for the following:

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Aircraft Accidents

- (a) Forward and maintain an approved copy of the accident report to the California Department of Aeronautics
- (b) Forward a copy of the report to the Patrol Division Commander, and the manager of the airport (if available). If there is no Airport Manager the report copy should be forwarded to the City Manager.

433.3 ARRIVAL AT SCENE

Officers or other authorized members tasked with initial scene management should establish an inner and outer perimeter to:

- (a) Protect persons and property.
- (b) Prevent any disturbance or further damage to the wreckage or debris, except to preserve life or rescue the injured.
- (c) Preserve ground scars and marks made by the aircraft.
- (d) Manage the admission and access of public safety and medical personnel to the extent necessary to preserve life or to stabilize hazardous materials.
- (e) Maintain a record of persons who enter the accident site.
- (f) Consider implementation of an Incident Command System (ICS).

433.4 INJURIES AND CASUALTIES

Members should address emergency medical issues and provide care as a first priority.

Those tasked with the supervision of the scene should coordinate with the National Transportation Safety Board (NTSB) before the removal of bodies. If that is not possible, the scene supervisor should ensure documentation of what was disturbed, including switch/control positions and instrument/gauge readings.

433.5 NOTIFICATIONS

When an aircraft accident is reported to this department, the responding supervisor shall ensure notification is or has been made to NTSB, the Federal Aviation Administration (FAA), and when applicable, the appropriate branch of the military.

Supervisors shall ensure other notifications are made once an aircraft accident has been reported. The notifications will vary depending on the type of accident, extent of injuries or damage, and the type of aircraft involved. When an aircraft accident has occurred, it is generally necessary to notify the following:

- (a) Fire department
- (b) Appropriate airport tower
- (c) Emergency medical services (EMS)

433.6 CONTROLLING ACCESS AND SCENE AUTHORITY

Prior to NTSB arrival, scene access should be limited to authorized personnel from the:

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Aircraft Accidents

- (a) FAA.
- (b) Fire department, EMS or other assisting law enforcement agencies.
- (c) Coroner.
- (d) Air Carrier/Operators investigative teams with NTSB approval.
- (e) Appropriate branch of the military, when applicable.
- (f) Other emergency services agencies (e.g., hazardous materials teams, biohazard decontamination teams, fuel recovery specialists, explosive ordnance disposal specialists).

The NTSB has primary responsibility for investigating accidents involving civil aircraft. In the case of a military aircraft accident, the appropriate branch of the military will have primary investigation responsibility.

After the NTSB or military representative arrives on-scene, the efforts of this department will shift to a support role for those agencies.

If NTSB or a military representative determines that an aircraft or accident does not qualify under its jurisdiction, the on-scene department supervisor should ensure the accident is still appropriately investigated and documented.

433.7 DANGEROUS MATERIALS

Members should be aware of potentially dangerous materials that might be present. These may include, but are not limited to:

- (a) Fuel, chemicals, explosives, biological or radioactive materials and bombs or other ordnance.
- (b) Pressure vessels, compressed gas bottles, accumulators and tires.
- (c) Fluids, batteries, flares and igniters.
- (d) Evacuation chutes, ballistic parachute systems and composite materials.

433.8 DOCUMENTATION

All aircraft accidents occurring within the City of Auburn shall be documented. At a minimum the documentation should include the date, time and location of the incident; any witness statements, if taken; the names of APD members deployed to assist; other City resources that were utilized; and cross reference information to other investigating agencies. Suspected criminal activity should be documented on the appropriate crime report.

433.8.1 WRECKAGE

When reasonably safe, members should:

- (a) Obtain the aircraft registration number (N number) and note the type of aircraft.
- (b) Attempt to ascertain the number of casualties.

Auburn Police Department

Auburn PD Policy Manual

Aircraft Accidents

- (c) Obtain photographs or video of the overall wreckage, including the cockpit and damage, starting at the initial point of impact, if possible, and any ground scars or marks made by the aircraft.
 - 1. Military aircraft may contain classified equipment and therefore shall not be photographed unless authorized by a military commanding officer (18 USC § 795).
- (d) Secure, if requested by the lead authority, any electronic data or video recorders from the aircraft that became dislodged or cell phones or other recording devices that are part of the wreckage.
- (e) Acquire copies of any recordings from security cameras that may have captured the incident.

433.8.2 WITNESSES

Members tasked with contacting witnesses should obtain:

- (a) The location of the witness at the time of his/her observation relative to the accident site.
- (b) A detailed description of what was observed or heard.
- (c) Any photographs or recordings of the accident witnesses may be willing to voluntarily surrender.
- (d) The names of all persons reporting the accident, even if not yet interviewed.
- (e) Any audio recordings of reports to 9-1-1 regarding the accident and dispatch records.

433.9 MEDIA RELATIONS

The Public Information Officer (PIO) should coordinate a response to the media, including access issues, road closures, detours and any safety information that is pertinent to the surrounding community. Any release of information regarding details of the accident itself should be coordinated with the NTSB or other authority who may have assumed responsibility for the investigation.

Depending on the type of aircraft, the airline or the military may be responsible for family notifications and the release of victims' names. The PIO should coordinate with other involved entities before the release of information.

Obtaining Air Support

437.1 PURPOSE AND SCOPE

The use of a police helicopter can be invaluable in certain situations. This policy specifies potential situations where the use of a helicopter may be requested and the responsibilities for making a request.

437.2 REQUEST FOR HELICOPTER ASSISTANCE

If a supervisor or officer in charge of an incident determines that the use of a helicopter would be beneficial, a request to obtain helicopter assistance may be made.

437.2.1 REQUEST FOR ASSISTANCE FROM ANOTHER AGENCY

After consideration and approval of the request for a helicopter, the Dispatcher will call the closest agency having helicopter support available. The Dispatcher will apprise that agency of the specific details of the incident prompting the request.

437.2.2 CIRCUMSTANCES UNDER WHICH AID MAY BE REQUESTED

Police helicopters may be requested under, but limited to, any of the following conditions:

- (a) When the helicopter is activated under existing mutual aid agreements
- (b) Whenever the safety of law enforcement personnel is in jeopardy and the presence of the helicopters may reduce such hazard
- (c) When the use of the helicopters will aid in the capture of a suspected fleeing felon whose continued freedom represents an ongoing threat to the community
- (d) When a helicopter is needed to locate a person who has strayed or is lost and whose continued absence constitutes a serious health or safety hazard
- (e) Vehicle pursuits

While it is recognized that the availability of helicopter support will generally provide valuable assistance to ground personnel, the presence of a helicopter will rarely replace the need for officers on the ground.

Contacts and Temporary Detentions

439.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for temporarily detaining but not arresting persons in the field, conducting field interviews (FI) and pat-down searches, and the taking and disposition of photographs.

439.1.1 DEFINITIONS

Definitions related to this policy include:

Consensual encounter - When an officer contacts an individual but does not create a detention through words, actions, or other means. In other words, a reasonable individual would believe that his/her contact with the officer is voluntary.

Field interview - The brief detainment of an individual, whether on foot or in a vehicle, based on reasonable suspicion for the purpose of determining the individual's identity and resolving the officer's suspicions.

Field photographs - Posed photographs taken of a person during a contact, temporary detention, or arrest in the field. Undercover surveillance photographs of an individual and recordings captured by the normal operation of a Mobile Audio Video (MAV) system, body-worn camera, or public safety camera when persons are not posed for the purpose of photographing are not considered field photographs.

Pat-down search - A type of search used by officers in the field to check an individual for dangerous weapons. It involves a thorough patting-down of clothing to locate any weapons or dangerous items that could pose a danger to the officer, the detainee, or others.

Reasonable suspicion - When, under the totality of the circumstances, an officer has articulable facts that criminal activity may be afoot and a particular person is connected with that possible criminal activity.

Temporary detention - When an officer intentionally, through words, actions, or physical force, causes an individual to reasonably believe he/she is required to restrict his/her movement without an actual arrest. Temporary detentions also occur when an officer actually restrains a person's freedom of movement.

439.2 POLICY

The Auburn Police Department respects the right of the public to be free from unreasonable searches or seizures. Due to an unlimited variety of situations confronting the officer, the decision to temporarily detain a person and complete a field interview (FI), pat-down search, or field photograph shall be left to the officer based on the totality of the circumstances, officer safety considerations, and constitutional safeguards.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Contacts and Temporary Detentions

439.3 FIELD INTERVIEWS

Based on observance of suspicious circumstances or upon information from investigation, an officer may initiate the stop of a person, and conduct an FI, when there is articulable, reasonable suspicion to do so. A person, however, shall not be detained longer than is reasonably necessary to resolve the officer's suspicion.

Nothing in this policy is intended to discourage consensual contacts. Frequent casual contact with consenting individuals is encouraged by the Auburn Police Department to strengthen community involvement, community awareness, and problem identification.

439.3.1 INITIATING A FIELD INTERVIEW

When initiating the stop, the officer should be able to point to specific facts which, when considered with the totality of the circumstances, reasonably warrant the stop. Such facts include but are not limited to an individual's:

- (a) Appearance or demeanor suggesting that he/she is part of a criminal enterprise or is engaged in a criminal act
- (b) Actions suggesting that he/she is engaged in a criminal activity
- (c) Presence in an area at an inappropriate hour of the day or night
- (d) Presence in a particular area is suspicious
- (e) Carrying of suspicious objects or items
- (f) Excessive clothes for the climate or clothes bulging in a manner that suggest he/she is carrying a dangerous weapon
- (g) Location in proximate time and place to an alleged crime
- (h) Physical description or clothing worn that matches a suspect in a recent crime
- (i) Prior criminal record or involvement in criminal activity as known by the officer

439.4 PAT-DOWN SEARCHES

Once a valid stop has been made, and consistent with the officer's training and experience, an officer may pat a suspect's outer clothing for weapons if the officer has a reasonable, articulable suspicion the suspect may pose a safety risk. The purpose of this limited search is not to discover evidence of a crime, but to allow the officer to pursue the investigation without fear of violence. Circumstances that may establish justification for performing a pat-down search include but are not limited to:

- (a) The type of crime suspected, particularly in crimes of violence where the use or threat of deadly weapons is involved.
- (b) Where more than one suspect must be handled by a single officer.
- (c) The hour of the day and the location or neighborhood where the stop takes place.
- (d) Prior knowledge of the suspect's use of force and/or propensity to carry weapons.
- (e) The actions and demeanor of the suspect.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Contacts and Temporary Detentions

- (f) Visual indications which suggest that the suspect is carrying a firearm or other weapon.

Whenever practicable, a pat-down search should not be conducted by a lone officer. A cover officer should be positioned to ensure safety and should not be involved in the search.

439.5 FIELD PHOTOGRAPHS

All available databases should be searched before photographing any field detainee. If a photograph is not located, or if an existing photograph no longer resembles the detainee, the officer shall carefully consider, among other things, the factors listed below.

439.5.1 FIELD PHOTOGRAPHS TAKEN WITH CONSENT

Field photographs may be taken when the subject being photographed knowingly and voluntarily gives consent. When taking a consensual photograph, the officer should have the individual read and sign the appropriate form accompanying the photograph.

439.5.2 FIELD PHOTOGRAPHS TAKEN WITHOUT CONSENT

Field photographs may be taken without consent only if they are taken during a detention that is based upon reasonable suspicion of criminal activity, and the photograph serves a legitimate law enforcement purpose related to the detention. The officer must be able to articulate facts that reasonably indicate that the subject was involved in or was about to become involved in criminal conduct. The subject should not be ordered to remove or lift any clothing for the purpose of taking a photograph.

If, prior to taking a photograph, the officer's reasonable suspicion of criminal activity has been dispelled, the detention must cease and the photograph should not be taken.

All field photographs and related reports shall be submitted to a supervisor and retained in compliance with this policy.

439.5.3 DISPOSITION OF PHOTOGRAPHS

All detainee photographs must be adequately labeled and submitted to the Shift Supervisor with either an associated FI card or other documentation explaining the nature of the contact. If an individual is photographed as a suspect in a particular crime, the photograph should be submitted as an evidence item in the related case, following standard evidence procedures.

If a photograph is not associated with an investigation where a case number has been issued, the Shift Supervisor should review and forward the photograph to one of the following locations:

- (a) If the photograph and associated FI or documentation is relevant to criminal organization/enterprise enforcement, the Shift Supervisor will forward the photograph and documents to the designated criminal intelligence system supervisor. The supervisor will ensure the photograph and supporting documents are retained as prescribed in the Criminal Organizations Policy.
- (b) Photographs that do not qualify for retention in a criminal intelligence system or temporary information file shall be forwarded to the Records Bureau.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Contacts and Temporary Detentions

When a photograph is taken in association with a particular case, the investigator may use such photograph in a photo lineup. Thereafter, the individual photograph should be retained as a part of the case file. All other photographs shall be retained in accordance with the established records retention schedule.

439.5.4 SUPERVISOR RESPONSIBILITIES

While it is recognized that field photographs often become valuable investigative tools, supervisors should monitor such practices in view of the above listed considerations. This is not to imply that supervisor approval is required before each photograph is taken.

Access to, and use of, field photographs shall be strictly limited to law enforcement purposes.

439.6 WITNESS IDENTIFICATION AND INTERVIEWS

Because potential witnesses to an incident may become unavailable or the integrity of their statements compromised with the passage of time, officers should, when warranted by the seriousness of the case, take reasonable steps to promptly coordinate with an on-scene supervisor and/or criminal investigator to utilize available members for the following:

- (a) Identifying all persons present at the scene and in the immediate area.
 - 1. When feasible, a recorded statement should be obtained from those who claim not to have witnessed the incident but who were present at the time it occurred.
 - 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, officers should attempt to identify the witness prior to his/her departure.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by Auburn Police Department members.
 - 1. A written, verbal, or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transport.

Criminal Organizations

441.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that the Auburn Police Department appropriately utilizes criminal intelligence systems and temporary information files to support investigations of criminal organizations and enterprises.

441.1.1 DEFINITIONS

Definitions related to this policy include:

Criminal intelligence system - Any record system that receives, stores, exchanges or disseminates information that has been evaluated and determined to be relevant to the identification of a criminal organization or enterprise, its members or affiliates. This does not include temporary information files.

441.2 POLICY

The Auburn Police Department recognizes that certain criminal activities, including but not limited to gang crimes and drug trafficking, often involve some degree of regular coordination and may involve a large number of participants over a broad geographical area.

It is the policy of this department to collect and share relevant information while respecting the privacy and legal rights of the public.

441.3 CRIMINAL INTELLIGENCE SYSTEMS

No department member may create, submit to or obtain information from a criminal intelligence system unless the Chief of Police has approved the system for department use.

Any criminal intelligence system approved for department use should meet or exceed the standards of 28 CFR 23.20.

A designated supervisor will be responsible for maintaining each criminal intelligence system that has been approved for department use. The supervisor or the authorized designee should ensure the following:

- (a) Members using any such system are appropriately selected and trained.
- (b) Use of every criminal intelligence system is appropriately reviewed and audited.
- (c) Any system security issues are reasonably addressed.

441.3.1 SYSTEM ENTRIES

It is the designated supervisor's responsibility to approve the entry of any information from a report, field interview (FI), photo or other relevant document into an authorized criminal intelligence system. If entries are made based upon information that is not on file with this department, such as open or public source documents or documents that are on file at another agency, the designated supervisor should ensure copies of those documents are retained by the Records Bureau. Any supporting documentation for an entry shall be retained by the Records Bureau in accordance

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Criminal Organizations

with the established records retention schedule and for at least as long as the entry is maintained in the system.

The designated supervisor should ensure that any documents retained by the Records Bureau are appropriately marked as intelligence information. The Records Communication Supervisor may not purge such documents without the approval of the designated supervisor.

441.3.2 GANG DATABASES

The Chief of Police may approve participation by the gang unit in a shared criminal gang intelligence database, such as CALGANG®. Members must obtain the requisite training before accessing any such database.

It is the gang unit supervisor's responsibility to determine whether any report or FI contains information that would qualify for entry into the database. Prior to designating any person as a suspected gang member, associate or affiliate in a shared gang database; or submitting a document to the Attorney General's office for the purpose of designating a person in a shared gang database; or otherwise identifying the person in a shared gang database, the gang unit supervisor shall provide written notice to the person and, if the person is under the age of 18, to his/her parent or guardian of the designation and the basis for the designation, unless providing that notification would compromise an active criminal investigation or compromise the health or safety of a minor. Notice shall also describe the process to contest the designation (Penal Code § 186.34).

The person, an attorney working on his/her behalf or his/her parent or guardian (if the person is under 18 years of age) may request, in writing, information as to whether the person is designated as a suspected gang member, associate or affiliate in a shared gang database accessible by the department, the basis for that designation and the name of the agency that made the designation. The department shall respond to a valid request in writing within 30 days, and shall provide the information requested unless doing so would compromise an active investigation or compromise the health and safety of the person if he/she is under 18 years of age (Penal Code § 186.34).

The person, or his/her parent or guardian if the person is under 18 years of age, may contest the designation by submitting written documentation which shall be reviewed by the gang unit supervisor. If it is determined that the person is not a suspected gang member, associate or affiliate, the person shall be removed from the database. The person and the parent or guardian shall be provided written verification of the department's decision within 30 days of receipt of the written documentation contesting the designation and shall include the reason for a denial when applicable (Penal Code § 186.34).

The gang unit supervisor should forward reports or FIs to the Records Bureau after appropriate database entries are made. The supervisor should clearly mark the report/FI as gang intelligence information.

It is the responsibility of the Records Bureau supervisor to retain reports and FIs in compliance with the database rules and any applicable end user agreement.

Auburn PD Policy Manual

Criminal Organizations

Records contained in a shared gang database shall not be disclosed for employment or military screening purposes, and shall not be disclosed for the purpose of enforcing federal immigration law unless required by state or federal statute or regulation (Penal Code § 186.36).

441.4 TEMPORARY INFORMATION FILE

No member may create or keep files on individuals that are separate from the approved criminal intelligence system. However, members may maintain temporary information that is necessary to actively investigate whether a person or group qualifies for entry into the department-approved criminal intelligence system only as provided in this section. Once information qualifies for inclusion, it should be submitted to the supervisor responsible for consideration of criminal intelligence system entries.

441.4.1 FILE CONTENTS

A temporary information file may only contain information and documents that, within one year, will have a reasonable likelihood to meet the criteria for entry into an authorized criminal intelligence system.

Information and documents contained in a temporary information file:

- (a) Must only be included upon documented authorization of the responsible department supervisor.
- (b) Should not be originals that would ordinarily be retained by the Records Bureau or Property and Evidence Section, but should be copies of, or references to, retained documents such as copies of reports, FI forms, the Dispatch Center records or booking forms.
- (c) Shall not include opinions. No person, organization or enterprise shall be labeled as being involved in crime beyond what is already in the document or information.
- (d) May include information collected from publicly available sources or references to documents on file with another government agency. Attribution identifying the source should be retained with the information.

441.4.2 FILE REVIEW AND PURGING

The contents of a temporary information file shall not be retained longer than one year. At the end of one year, the contents must be purged.

The designated supervisor shall periodically review the temporary information files to verify that the contents meet the criteria for retention. Validation and purging of files is the responsibility of the supervisor.

441.5 INFORMATION RECOGNITION

Department members should document facts that suggest an individual, organization or enterprise is involved in criminal activity and should forward that information appropriately. Examples include, but are not limited to:

- (a) Gang indicia associated with a person or residence.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Criminal Organizations

- (b) Information related to a drug-trafficking operation.
- (c) Vandalism indicating an animus for a particular group.
- (d) Information related to an illegal gambling operation.

Department supervisors who utilize an authorized criminal intelligence system should work with the Training Manager to train members to identify information that may be particularly relevant for inclusion.

441.6 RELEASE OF INFORMATION

Department members shall comply with the rules of an authorized criminal intelligence system regarding inquiries and release of information.

Information from a temporary information file may only be furnished to department members and other law enforcement agencies on a need-to-know basis and consistent with the Records Maintenance and Release Policy.

When an inquiry is made by the parent or guardian of a juvenile as to whether that juvenile's name is in a temporary information file, such information should be provided by the supervisor responsible for the temporary information file, unless there is good cause to believe that the release of such information might jeopardize an ongoing criminal investigation.

441.7 CRIMINAL STREET GANGS

The Criminal Investigations Division supervisor should ensure that there are an appropriate number of department members who can:

- (a) Testify as experts on matters related to criminal street gangs, and maintain an above average familiarity with:
 - 1. Any organization, associate or group of three or more persons that meets the definition of a criminal street gang under Penal Code § 186.22(f).
 - 2. Identification of a person as a criminal street gang member and criminal street gang-related crimes.
 - 3. The California Street Terrorism Enforcement and Prevention Act (Penal Code § 186.21 et seq.), associated crimes and what defines a criminal street gang (Penal Code § 186.22).
- (b) Coordinate with other agencies in the region regarding criminal street gang-related crimes and information.
- (c) Train other members to identify gang indicia and investigate criminal street gang-related crimes.

441.8 TRAINING

The Training Manager should provide training on best practices in the use of each authorized criminal intelligence system to those tasked with investigating criminal organizations and enterprises. Training should include:

- (a) The protection of civil liberties.
- (b) Participation in a multiagency criminal intelligence system.
- (c) Submission of information into a multiagency criminal intelligence system or the receipt of information from such a system, including any governing federal and state rules and statutes.
- (d) The type of information appropriate for entry into a criminal intelligence system or temporary information file.
- (e) The review and purging of temporary information files.

Patrol Supervisors

443.1 PURPOSE AND SCOPE

Each patrol shift must be directed by supervisors who are capable of making decisions and communicating in a manner consistent with departmental policies, procedures, practices, functions and objectives. To accomplish this goal, a Sergeant heads each watch.

443.2 DESIGNATION AS OFFICER IN CHARGE

When a Sergeant is unavailable for duty as the shift supervisor, an Auburn Police Department designated "Officer in Charge" (OIC) will be chosen to serve as the shift supervisor.

Mobile Digital Computer Use

446.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the proper access, use and application of the Mobile Digital Computer (MDC) system in order to ensure appropriate access to confidential records from local, state and national law enforcement databases, and to ensure effective electronic communications between department members and the Dispatch Center.

446.1.1 MDC / MDT & THE CITY OF AUBURN TECHNICAL RESOURCES POLICY
SEE THE CITY OF AUBURN TECHNICAL RESOURCES POLICY THAT OVERRIDES ANY POLICIES IN THIS SECTION. **REFER TO SECTION 213.1 FOR THE WHOLE POLICY**

446.2 MDC / MDT SECURITY

MDC's / MDT's are used to access CLETS and other law enforcement related networks and databases. State law requires that only authorized personnel are allowed access to the MDC's / MDT's

- (a) Patrol units with MDC's / MDT's will be locked/secured when unattended
- (b) Personnel will ensure that MDC's / MDT's are accessible to authorized personnel only

446.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to messages accessed, transmitted, received or reviewed on any department technology system (see the Information Technology Use Policy for additional guidance).

446.4 POLICY

Auburn Police Department members using the MDC shall comply with all appropriate federal and state rules and regulations and shall use the MDC in a professional manner, in accordance with this policy.

446.5 RESTRICTED ACCESS AND USE

MDC use is subject to the Information Technology Use and Protected Information policies.

Members shall not access the MDC system if they have not received prior authorization and the required training. Members shall immediately report unauthorized access or use of the MDC by another member to their supervisors or Shift Supervisors.

Use of the MDC system to access law enforcement databases or transmit messages is restricted to official activities, business-related tasks and communications that are directly related to the business, administration or practices of the Department. In the event that a member has questions about sending a particular message or accessing a particular database, the member should seek prior approval from his/her supervisor.

Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive, harassing or any other inappropriate messages on the MDC system is prohibited and may result in discipline.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Mobile Digital Computer Use

It is a violation of this policy to transmit a message or access a law enforcement database under another member's name or to use the password of another member to log in to the MDC system unless directed to do so by a supervisor. Members are required to log off the MDC or secure the MDC when it is unattended. This added security measure will minimize the potential for unauthorized access or misuse.

446.5.1 USE WHILE DRIVING

Use of the MDC by the vehicle operator should be limited to times when the vehicle is stopped. Information that is required for immediate enforcement, investigative, tactical or safety needs should be transmitted over the radio.

Short transmissions, such as a license plate check, are permitted if it reasonably appears that it can be done safely. In no case shall an operator attempt to send or review lengthy messages while the vehicle is in motion.

446.6 DOCUMENTATION OF ACTIVITY

Except as otherwise directed by the Shift Supervisor or other department-established protocol, all calls for service assigned by a dispatcher should be communicated by voice over the police radio and electronically via the MDC unless security or confidentiality prevents such broadcasting.

MDC and voice transmissions are used to document the member's daily activity. To ensure accuracy:

- (a) All contacts or activity shall be documented at the time of the contact.
- (b) Whenever the activity or contact is initiated by voice, it should be documented by a dispatcher.
- (c) Whenever the activity or contact is not initiated by voice, the member shall document it via the MDC.

446.6.1 STATUS CHANGES

All changes in status (e.g., arrival at scene, meal periods, in service) will be transmitted over the police radio or through the MDC system.

Members responding to in-progress calls should advise changes in status over the radio to assist other members responding to the same incident. Other changes in status can be made on the MDC when the vehicle is not in motion.

Members driving an Auburn Police Department unit equipped with an MDC should utilize the MDC for any and all updates and comments for a call when practicable, and, more specifically, to clear a call where time permits, and to do so while the vehicle is not in motion (i.e. calls for service should be cleared by the officer/employee via the MDC where time permits). Updates to a call may be broadcast over the air in many cases due to the fact officers/employees are often outside the vehicle and away from the MDC.

Mobile Digital Computer Use

446.6.2 EMERGENCY ACTIVATION

If there is an emergency activation and the member does not respond to a request for confirmation of the need for emergency assistance or confirms the need, available resources will be sent to assist in locating the member. If the location is known, the nearest available officer should respond in accordance with the Officer Response to Calls Policy.

Members should ensure a field supervisor and the Shift Supervisor are notified of the incident without delay.

Officers not responding to the emergency shall refrain from transmitting on the police radio until a no-further-assistance broadcast is made or if they are also handling an emergency.

446.7 EQUIPMENT CONSIDERATIONS

446.7.1 MALFUNCTIONING MDC

Whenever possible, members will not use vehicles with malfunctioning MDCs. Whenever members must drive a vehicle in which the MDC is not working, they shall notify the Dispatch Center. It shall be the responsibility of the dispatcher to document all information that will then be transmitted verbally over the police radio.

446.7.2 BOMB CALLS

When investigating reports of possible bombs, members should not communicate on their MDCs when in the evacuation area of a suspected explosive device. Radio frequency emitted by the MDC could cause some devices to detonate.

Portable Audio/Video Recorders

448.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of portable audio/video recording devices by members of this department while in the performance of their duties. Portable audio/video recording devices include all recording systems whether body-worn, hand held or integrated into portable equipment.

This policy does not apply to mobile audio/video recordings, interviews or interrogations conducted at any Auburn Police Department facility, authorized undercover operations, wiretaps or eavesdropping (concealed listening devices).

448.2 POLICY

The Auburn Police Department may provide members with access to portable recorders, either audio or video or both, for use during the performance of their duties. The use of recorders is intended to enhance the mission of the Department by accurately capturing contacts between members of the Department and the public.

448.3 MEMBER PRIVACY EXPECTATION

All recordings made by members on any department-issued device at any time, and any recording made while acting in an official capacity for this department, regardless of ownership of the device it was made on, shall remain the property of the Department. Members shall have no expectation of privacy or ownership interest in the content of these recordings.

448.4 MEMBER RESPONSIBILITIES

Prior to going into service, each uniformed member will be responsible for making sure that he/she is equipped with a portable recorder issued by the Department, and that the recorder is in good working order. If the recorder is not in working order or the member becomes aware of a malfunction at any time, the member shall promptly report the failure to his/her supervisor and obtain a functioning device as soon as reasonably practicable. Uniformed members should wear the recorder in a conspicuous manner or otherwise notify persons that they are being recorded, whenever reasonably practicable.

Any member assigned to a non-uniformed position may carry an approved portable recorder at any time the member believes that such a device may be useful. Unless conducting a lawful recording in an authorized undercover capacity, non-uniformed members should wear the recorder in a conspicuous manner when in use or otherwise notify persons that they are being recorded, whenever reasonably practicable.

When using a portable recorder, the assigned member shall record his/her name, APD identification number and the current date and time at the beginning and the end of the shift or other period of use, regardless of whether any activity was recorded. This procedure is not required when the recording device and related software captures the user's unique identification and the date and time of each recording.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Portable Audio/Video Recorders

Members should document the existence of a recording in any report or other official record of the contact, including any instance where the recorder malfunctioned or the member deactivated the recording. Members should include the reason for deactivation.

448.4.1 SUPERVISOR RESPONSIBILITIES

Supervisors should take custody of a portable audio/video recording device as soon as practicable when the device may have captured an incident involving the use of force, an officer-involved shooting or death or other serious incident, and ensure the data is downloaded (Penal Code § 832.18).

448.5 ACTIVATION OF THE PORTABLE RECORDER

This policy is not intended to describe every possible situation in which the portable recorder should be used, although there are many situations where its use is appropriate. Members should activate the recorder any time the member believes it would be appropriate or valuable to record an incident.

The portable recorder should be activated in any of the following situations:

- (a) All enforcement and investigative contacts including stops and field interview (FI) situations
- (b) Traffic stops including, but not limited to, traffic violations, stranded motorist assistance and all crime interdiction stops
- (c) Self-initiated activity in which a member would normally notify the Dispatch Center
- (d) Any other contact that becomes adversarial after the initial contact in a situation that would not otherwise require recording

Members should remain sensitive to the dignity of all individuals being recorded and exercise sound discretion to respect privacy by discontinuing recording whenever it reasonably appears to the member that such privacy may outweigh any legitimate law enforcement interest in recording. Requests by members of the public to stop recording should be considered using this same criterion. Recording should resume when privacy is no longer at issue unless the circumstances no longer fit the criteria for recording.

At no time is a member expected to jeopardize his/her safety in order to activate a portable recorder or change the recording media. However, the recorder should be activated in situations described above as soon as reasonably practicable.

448.5.1 SURREPTITIOUS USE OF THE PORTABLE RECORDER

Members of the Department may surreptitiously record any conversation during the course of a criminal investigation in which the member reasonably believes that such a recording will be lawful and beneficial to the investigation (Penal Code § 633).

Members shall not surreptitiously record another department member without a court order unless lawfully authorized by the Chief of Police or the authorized designee.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Portable Audio/Video Recorders

448.5.2 CESSATION OF RECORDING

Once activated, the portable recorder should remain on continuously until the member reasonably believes that his/her direct participation in the incident is complete or the situation no longer fits the criteria for activation. Recording may be stopped during significant periods of inactivity such as report writing or other breaks from direct participation in the incident.

Members shall cease audio recording whenever necessary to ensure conversations are not recorded between a person in custody and the person's attorney, religious advisor or physician, unless there is explicit consent from all parties to the conversation (Penal Code § 636).

448.5.3 EXPLOSIVE DEVICE

Many portable recorders, including body-worn cameras and audio/video transmitters, emit radio waves that could trigger an explosive device. Therefore, these devices should not be used where an explosive device may be present.

448.6 PROHIBITED USE OF PORTABLE RECORDERS

Members are prohibited from using department-issued portable recorders and recording media for personal use and are prohibited from making personal copies of recordings created while on-duty or while acting in their official capacity.

Members are also prohibited from retaining recordings of activities or information obtained while on-duty, whether the recording was created with department-issued or personally owned recorders. Members shall not duplicate or distribute such recordings, except for authorized legitimate department business purposes. All such recordings shall be retained at the Department.

Members are prohibited from using personally owned recording devices while on-duty without the express consent of the Shift Supervisor. Any member who uses a personally owned recorder for department-related activities shall comply with the provisions of this policy, including retention and release requirements, and should notify the on-duty supervisor of such use as soon as reasonably practicable.

Recordings shall not be used by any member for the purpose of embarrassment, harassment or ridicule.

448.7 IDENTIFICATION AND PRESERVATION OF RECORDINGS

To assist with identifying and preserving data and recordings, members should download, tag or mark these in accordance with procedure and document the existence of the recording in any related case report.

A member should transfer, tag or mark recordings when the member reasonably believes:

- (a) The recording contains evidence relevant to potential criminal, civil or administrative matters.
- (b) A complainant, victim or witness has requested non-disclosure.
- (c) A complainant, victim or witness has not requested non-disclosure but the disclosure of the recording may endanger the person.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Portable Audio/Video Recorders

- (d) Disclosure may be an unreasonable violation of someone's privacy.
- (e) Medical or mental health information is contained.
- (f) Disclosure may compromise an undercover officer or confidential informant.

Any time a member reasonably believes a recorded contact may be beneficial in a non-criminal matter (e.g., a hostile contact), the member should promptly notify a supervisor of the existence of the recording.

448.7.1 RETENTION REQUIREMENTS

All recordings shall be retained for a period consistent with the requirements of the organization's records retention schedule but in no event for a period less than 180 days.

448.8 REVIEW OF RECORDED MEDIA FILES

When preparing written reports, members should review their recordings as a resource (see the Officer-Involved Shootings and Deaths Policy for guidance in those cases). However, members shall not retain personal copies of recordings. Members should not use the fact that a recording was made as a reason to write a less detailed report.

Supervisors are authorized to review relevant recordings any time they are investigating alleged misconduct or reports of meritorious conduct or whenever such recordings would be beneficial in reviewing the member's performance.

Recorded files may also be reviewed:

- (a) Upon approval by a supervisor, by any member of the Department who is participating in an official investigation, such as a personnel complaint, administrative investigation or criminal investigation.
- (b) Pursuant to lawful process or by court personnel who are otherwise authorized to review evidence in a related case.
- (c) By media personnel with permission of the Chief of Police or the authorized designee.
- (d) In compliance with a public records request, if permitted, and in accordance with the Records Maintenance and Release Policy.

All recordings should be reviewed by the Custodian of Records prior to public release (see the Records Maintenance and Release Policy). Recordings that unreasonably violate a person's privacy or sense of dignity should not be publicly released unless disclosure is required by law or order of the court.

448.9 COORDINATOR

The Chief of Police or the authorized designee shall appoint a member of the Department to coordinate the use and maintenance of portable audio/video recording devices and the storage of recordings, including (Penal Code § 832.18):

- (a) Establishing a system for downloading, storing and security of recordings.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Portable Audio/Video Recorders

- (b) Designating persons responsible for downloading recorded data.
- (c) Establishing a maintenance system to ensure availability of operable portable audio/video recording devices.
- (d) Establishing a system for tagging and categorizing data according to the type of incident captured.
- (e) Establishing a system to prevent tampering, deleting and copying recordings and ensure chain of custody integrity.
- (f) Working with counsel to ensure an appropriate retention schedule is being applied to recordings and associated documentation.
- (g) Maintaining logs of access and deletions of recordings.

448.10 RETENTION OF RECORDINGS

Recordings of the following should be retained for a minimum of two years (Penal Code § 832.18):

- (a) Incidents involving use of force by an officer
- (b) Officer-involved shootings
- (c) Incidents that lead to the detention or arrest of an individual
- (d) Recordings relevant to a formal or informal complaint against an officer or the Auburn Police Department

Recordings containing evidence that may be relevant to a criminal prosecution should be retained for any additional period required by law for other evidence relevant to a criminal prosecution (Penal Code § 832.18).

All other recordings should be retained for a period consistent with the requirements of the organization's records retention schedule but in no event for a period less than 180 days.

Records or logs of access and deletion of recordings should be retained permanently (Penal Code § 832.18).

448.10.1 RELEASE OF AUDIO/VIDEO RECORDINGS

Requests for the release of audio/video recordings shall be processed in accordance with the Records Maintenance and Release Policy.

Medical Marijuana

450.1 PURPOSE AND SCOPE

The purpose of this policy is to provide members of this department with guidelines for investigating the acquisition, possession, transportation, delivery, production or use of marijuana under California's medical marijuana laws.

450.1.1 DEFINITIONS

Definitions related to this policy include:

Cardholder - A person issued a current identification card.

Compassionate Use Act (CUA) (Health and Safety Code § 11362.5) - California law intended to provide protection from prosecution to those who are seriously ill and whose health would benefit from the use of marijuana in the treatment of illness for which marijuana provides relief. The CUA does not grant immunity from arrest but rather provides an affirmative defense from prosecution for possession of medical marijuana.

Identification card - A valid document issued by the California Department of Public Health to both persons authorized to engage in the medical use of marijuana and also to designated primary caregivers.

Medical marijuana - Marijuana possessed by a patient or primary caregiver for legitimate medical purposes.

Medical Marijuana Program (MMP) (Health and Safety Code § 11362.7 et seq.) - California laws passed following the CUA to facilitate the prompt identification of patients and their designated primary caregivers in order to avoid unnecessary arrests and provide needed guidance to law enforcement officers. MMP prohibits arrest for possession of medical marijuana in certain circumstances and provides a defense in others.

Patient - A person who is entitled to the protections of the CUA because he/she has received a written or oral recommendation or approval from a physician to use marijuana for medical purposes or any person issued a valid identification card.

Primary caregiver - A person designated by the patient, who has consistently assumed responsibility for the patient's housing, health or safety, who may assist the patient with the medical use of marijuana under the CUA or the MMP (Health and Safety Code § 11362.5; Health and Safety Code § 11362.7).

Statutory amount - No more than 8 ounces of dried, mature, processed female marijuana flowers ("bud") or the plant conversion (e.g., kief, hash, hash oil), and no more than six mature or 12 immature marijuana plants (roots, stems and stem fibers should not be considered) (Health and Safety Code § 11362.77).

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Medical Marijuana

450.2 POLICY

It is the policy of the Auburn Police Department to prioritize resources to forgo making arrests related to marijuana that the arresting officer reasonably believes would not be prosecuted by state or federal authorities.

California's medical marijuana laws are intended to provide protection to those who are seriously ill and whose health would benefit from the use of medical marijuana.

However, California medical marijuana laws do not affect federal laws and there is no medical exception under federal law for the possession or distribution of marijuana. The Auburn Police Department will exercise discretion to ensure laws are appropriately enforced without unreasonably burdening both those individuals protected under California law and public resources.

450.3 INVESTIGATION

Investigations involving the possession, delivery, production or use of marijuana generally fall into one of several categories:

- (a) Investigations when no person makes a medicinal claim.
- (b) Investigations when a medicinal claim is made by a cardholder.
- (c) Investigations when a medicinal claim is made by a non-cardholder.

450.3.1 INVESTIGATIONS WITH NO MEDICINAL CLAIM

In any investigation involving the possession, delivery, production or use of marijuana or drug paraphernalia where no person claims that the marijuana is used for medicinal purposes, the officer should proceed with a criminal investigation if the amount is greater than permitted for personal use under the Control, Regulate and Tax Adult Use of Marijuana Act (Health and Safety Code § 11362.1; Health and Safety Code § 11362.2). A medicinal defense may be raised at any time, so officers should document any statements and observations that may be relevant to whether the marijuana was possessed or produced for medicinal purposes.

450.3.2 INVESTIGATIONS INVOLVING A MEDICINAL CLAIM MADE BY A CARDHOLDER

A cardholder or designated primary caregiver in possession of an identification card shall not be arrested for possession, transportation, delivery or cultivation of medical marijuana at or below the statutory amount unless there is probable cause to believe that (Health and Safety Code § 11362.71; Health and Safety Code § 11362.78):

- (a) The information contained in the card is false or falsified.
- (b) The card has been obtained or used by means of fraud.
- (c) The person is otherwise in violation of the provisions of the MMP.
- (d) The person possesses marijuana but not for personal medical purposes.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Medical Marijuana

Officers who reasonably believe that a person who does not have an identification card in his/her possession has been issued an identification card may treat the investigation as if the person had the card in his/her possession.

Cardholders may possess, transport, deliver or cultivate medical marijuana in amounts above the statutory amount if their doctor has concluded that the statutory amount does not meet the patient's medical needs (Health and Safety Code § 11362.71; Health and Safety Code § 11362.77). Investigations involving cardholders with more than the statutory amount of marijuana should be addressed as provided in this policy for a case involving a medicinal claim made by a non-cardholder.

450.3.3 INVESTIGATIONS INVOLVING A MEDICINAL CLAIM MADE BY A NON-CARDHOLDER

No patient or primary caregiver should be arrested for possession or cultivation of an amount of medical marijuana if the officer reasonably believes that marijuana is in a form and amount reasonably related to the qualified patient's current medical needs (Health and Safety Code § 11362.5). This arrest guidance also applies to sales, transportation or delivery of medical marijuana, or maintaining/renting a drug house or building that may be a nuisance if otherwise in compliance with MMP (Health and Safety Code § 11362.765).

Officers are not obligated to accept a person's claim of having a physician's recommendation when the claim cannot be readily verified with the physician but are expected to use their judgment to assess the validity of the person's medical-use claim.

Officers should review any available written documentation for validity and whether it contains the recommending physician's name, telephone number, address and medical license number for verification.

Officers should generally accept verified recommendations by a physician that statutory amounts do not meet the patient's needs (Health and Safety Code § 11362.77).

450.3.4 ADDITIONAL CONSIDERATIONS

Officers should consider the following when investigating an incident involving marijuana possession, delivery, production, or use:

- (a) Because enforcement of medical marijuana laws can be complex, time consuming, and call for resources unavailable at the time of initial investigation, officers may consider submitting a report to the prosecutor for review, in lieu of making an arrest. This can be particularly appropriate when:
 - 1. The suspect has been identified and can be easily located at a later time.
 - 2. The case would benefit from review by a person with expertise in medical marijuana investigations.
 - 3. Sufficient evidence, such as photographs or samples, has been lawfully obtained.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Medical Marijuana

4. Other relevant factors, such as available department resources and time constraints prohibit making an immediate arrest.
- (b) Whenever the initial investigation reveals an amount of marijuana greater than the statutory amount, officers should consider the following when determining whether the form and amount is reasonably related to the patient's needs:
 1. The amount of marijuana recommended by a medical professional to be ingested.
 2. The quality of the marijuana.
 3. The method of ingestion (e.g., smoking, eating, nebulizer).
 4. The timing of the possession in relation to a harvest (patient may be storing marijuana).
 5. Whether the marijuana is being cultivated indoors or outdoors.
- (c) Before proceeding with enforcement related to collective gardens or dispensaries, officers should consider conferring with a supervisor, an applicable state regulatory agency or other member with special knowledge in this area, and/or appropriate legal counsel (Business and Professions Code § 26010; Business and Professions Code § 26060). Licensing, zoning, and other related issues can be complex. Patients, primary caregivers, and cardholders who collectively or cooperatively cultivate marijuana for medical purposes may be licensed or may have a defense in certain circumstances (Business and Professions Code § 26032; Business and Professions Code § 26033).
- (d) Investigating members should not order a patient to destroy marijuana plants under threat of arrest.

450.3.5 INVESTIGATIONS INVOLVING A STATE LICENSEE

No person issued a state license under the Business and Professions Code shall be arrested or cited for cultivation, possession, manufacture, processing, storing, laboratory testing, labeling, transporting, distribution or sale of medical cannabis or a medical cannabis product related to qualifying patients and primary caregivers when conducted lawfully. Whether conduct is lawful may involve questions of license classifications, local ordinances, specific requirements of the Business and Professions Code and adopted regulations. Officers should consider conferring with a supervisor, the applicable state agency or other member with special knowledge in this area and/or appropriate legal counsel before taking enforcement action against a licensee or an employee or agent (Business and Professions Code § 26032).

450.3.6 EXCEPTIONS

This policy does not apply to, and officers should consider taking enforcement action for the following:

- (a) Persons who engage in illegal conduct that endangers others, such as driving under the influence of marijuana in violation of the Vehicle Code (Health and Safety Code § 11362.5).

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Medical Marijuana

- (b) Marijuana possession in jails or other correctional facilities that prohibit such possession (Health and Safety Code § 11362.785).
- (c) Smoking marijuana (Health and Safety Code § 11362.79):
 - 1. In any place where smoking is prohibited by law.
 - 2. In or within 1,000 feet of the grounds of a school, recreation center or youth center, unless the medical use occurs within a residence.
 - 3. On a school bus.
 - 4. While in a motor vehicle that is being operated.
 - 5. While operating a boat.
- (d) Use of marijuana by a person on probation or parole, or on bail and use is prohibited by the terms of release (Health and Safety Code § 11362.795).

450.4 FEDERAL LAW ENFORCEMENT

Officers should provide information regarding a marijuana investigation to federal law enforcement authorities when it is requested by federal law enforcement authorities or whenever the officer believes those authorities would have a particular interest in the information.

450.5 PROPERTY AND EVIDENCE SECTION SUPERVISOR RESPONSIBILITIES

The Property and Evidence Section supervisor should ensure that marijuana, drug paraphernalia or other related property seized from a person engaged or assisting in the use of medical marijuana is not destroyed pending any charges and without a court order. The Property and Evidence Section supervisor is not responsible for caring for live marijuana plants.

Upon the prosecutor's decision to forgo prosecution, or the dismissal of charges or an acquittal, the Property and Evidence Section supervisor should, as soon as practicable, return to the person from whom it was seized any useable medical marijuana, plants, drug paraphernalia or other related property.

The Property and Evidence Section supervisor may release marijuana to federal law enforcement authorities upon presentation of a valid court order or by a written order of the Criminal Investigations Division supervisor.

Bicycle Patrol Unit

452.1 PURPOSE AND SCOPE

The Auburn Police Department has established the Bicycle Patrol Unit (BPU) for the purpose of enhancing patrol efforts in the community. Bicycle patrol has been shown to be an effective way to increase officer visibility in congested areas and their quiet operation can provide a tactical approach to crimes in progress. The purpose of this policy is to provide guidelines for the safe and effective operation of the patrol bicycle.

452.2 POLICY

Patrol bicycles may be used for regular patrol duty, traffic enforcement, parking control, or special events. The use of the patrol bicycle will emphasize their mobility and visibility to the community.

Bicycles may be deployed to any area at all hours of the day or night, according to Department needs and as staffing levels allow.

Requests for specific deployment of bicycle patrol officers shall be coordinated through the Bicycle Patrol Unit supervisor or the Shift Supervisor.

452.3 SELECTION OF PERSONNEL

Interested sworn personnel, who are off probation, shall submit a change of assignment request to their appropriate Division Commander. A copy will be forwarded to the BPU supervisor. Qualified applicants will then be invited to an oral interview. The oral board will consist of the BPU supervisor and second person to be selected by the BPU supervisor. Interested personnel shall be evaluated by the following criteria:

- (a) Recognized competence and ability as evidenced by performance.
- (b) Special skills or training as it pertains to the assignment.
- (c) Good physical condition.
- (d) Willingness to perform duties using the bicycle as a mode of transportation.

452.3.1 BICYCLE PATROL UNIT SUPERVISOR

The Bicycle Patrol Unit supervisor will be selected from the rank of sergeant by the Operations Division Commander or his/her designee.

The Bicycle Patrol Unit supervisor shall have responsibility for the following:

- (a) Organizing bicycle patrol training.
- (b) Inspecting and maintaining inventory of patrol bicycles and program equipment.
- (c) Scheduling maintenance and repairs.
- (d) Evaluating performance of bicycle officers.
- (e) Coordinating activities with the Operations Division.

Auburn Police Department

Auburn PD Policy Manual

Bicycle Patrol Unit

- (f) Other activities as required to maintain the efficient operation of the Bicycle Patrol Unit.

452.4 TRAINING

Participants in the program must complete an initial Department approved bicycle-training course after acceptance into the program. Thereafter bicycle patrol officers should receive twice yearly in-service training to improve skills and refresh safety, health and operational procedures. The initial training shall minimally include the following:

- Bicycle patrol strategies.
- Bicycle safety and accident prevention.
- Operational tactics using bicycles.

Bicycle patrol officers will be required to qualify with their duty firearm while wearing bicycle safety equipment including the helmet and riding gloves.

452.5 UNIFORMS AND EQUIPMENT

Officers shall wear the department-approved uniform and safety equipment while operating the department bicycle. Safety equipment includes department-approved helmet, riding gloves, protective eyewear and approved footwear.

The bicycle patrol unit uniform consists of the standard short-sleeve uniform shirt or other department-approved shirt with department badge and patches, and department-approved bicycle patrol pants or shorts.

Optional equipment includes a radio head set and microphone, and jackets in colder weather. Turtleneck shirts or sweaters are permitted when worn under the uniform shirt.

Bicycle patrol officers shall carry the same equipment on the bicycle patrol duty belt as they would on a regular patrol assignment.

Officers will be responsible for obtaining the necessary forms, citation books and other department equipment needed while on bicycle patrol.

452.6 CARE AND USE OF PATROL BICYCLES

Officers will be assigned a specially marked and equipped patrol bicycle, attached gear bag, two batteries and a charger.

Bicycles utilized for uniformed bicycle patrol shall be primarily black or white in with a "POLICE" decal affixed to each side of the crossbar or the bike's saddlebag. Every such bicycle shall be equipped with front and rear reflectors front lights and a siren/horn satisfying the requirements of Vehicle Code §2800.1(b).

Bicycles utilized for uniformed bicycle patrol shall be equipped with a rear rack and/or saddle bag(s) sufficient to carry all necessary equipment to handle routine patrol calls including report writing, vehicle storage and citations.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Bicycle Patrol Unit

Each bicycle gear bag shall include a first aid kit, tire pump, repair tool, tire tube, security lock, equipment information and use manuals. These items are to remain with/on the bicycle at all times.

Each bicycle shall be equipped with a steady or flashing blue warning light that is visible from the front, sides, or rear of the bicycle. (Vehicle Code § 21201.3)

Bicycle officers shall conduct an inspection of the bicycle and equipment prior to use to insure proper working order of the equipment. Officers are responsible for the routine care and maintenance of their assigned equipment (e.g., tire pressure, chain lubrication, overall cleaning).

If a needed repair is beyond the ability of the bicycle officer, a repair work order will be completed and forwarded to the program supervisor for repair by an approved technician.

Each bicycle will have scheduled maintenance twice yearly to be performed by a department approved repair shop/technician.

At the end of a bicycle assignment, the bicycle shall be returned clean and ready for the next tour of duty.

Electric patrol bicycle batteries shall be rotated on the assigned charger at the end of each tour of duty. During prolonged periods of non-use, each officer assigned an electric bicycle shall periodically rotate the batteries on the respective charges to increase battery life.

Officers shall not modify the patrol bicycle, remove, modify or add components except with the expressed approval of the bicycle supervisor, or in the event of an emergency.

Vehicle bicycle racks are available should the officer need to transport the patrol bicycle. Due to possible component damage, transportation of the patrol bicycle in a trunk or on a patrol car push-bumper is discouraged.

Bicycles shall be properly secured when not in the officer's immediate presence.

452.7 OFFICER RESPONSIBILITY

Officers must operate the bicycle in compliance with the vehicle code under normal operation. Officers may operate the bicycle without lighting equipment during hours of darkness when such operation reasonably appears necessary for officer safety and tactical considerations. Officers must use caution and care when operating the bicycle without lighting equipment.

Officers are exempt from the rules of the road under the following conditions (Vehicle Code § 21200(b)(1)):

- (a) In response to an emergency call.
- (b) While engaged in rescue operations.
- (c) In the immediate pursuit of an actual or suspected violator of the law.

Foot Pursuits

456.1 PURPOSE AND SCOPE

This policy provides guidelines to assist officers in making the decision to initiate or continue the pursuit of suspects on foot.

456.1.1 POLICY

It is the policy of this department when deciding to initiate or continue a foot pursuit that officers must continuously balance the objective of apprehending the suspect with the risk and potential for injury to department personnel, the public or the suspect.

Officers are expected to act reasonably, based on the totality of the circumstances. Absent exigent circumstances, the safety of department personnel and the public should be the primary consideration when determining whether a foot pursuit should be initiated or continued. Officers must be mindful that immediate apprehension of a suspect is rarely more important than the safety of the public and department personnel.

456.2 DECISION TO PURSUE

The safety of department members and the public should be the primary consideration when determining whether a foot pursuit should be initiated or continued. Officers must be mindful that immediate apprehension of a suspect is rarely more important than the safety of the public and department members.

Officers may be justified in initiating a foot pursuit of any individual the officer reasonably believes is about to engage in, is engaging in or has engaged in criminal activity. The decision to initiate or continue such a foot pursuit, however, must be continuously re-evaluated in light of the circumstances presented at the time.

Mere flight by a person who is not suspected of criminal activity shall not serve as justification for engaging in an extended foot pursuit without the development of reasonable suspicion regarding the individual's involvement in criminal activity or being wanted by law enforcement.

Deciding to initiate or continue a foot pursuit is a decision that an officer must make quickly and under unpredictable and dynamic circumstances. It is recognized that foot pursuits may place department members and the public at significant risk. Therefore, no officer or supervisor shall be criticized or disciplined for deciding not to engage in a foot pursuit because of the perceived risk involved.

If circumstances permit, surveillance and containment are generally the safest tactics for apprehending fleeing persons. In deciding whether to initiate or continue a foot pursuit, an officer should continuously consider reasonable alternatives to a foot pursuit based upon the circumstances and resources available, such as:

- (a) Containment of the area.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Foot Pursuits

- (b) Saturation of the area with law enforcement personnel, including assistance from other agencies.
- (c) A canine search.
- (d) Thermal imaging or other sensing technology.
- (e) Air support.
- (f) Apprehension at another time when the identity of the suspect is known or there is information available that would likely allow for later apprehension, and the need to immediately apprehend the suspect does not reasonably appear to outweigh the risk of continuing the foot pursuit.

456.3 GENERAL GUIDELINES

When reasonably practicable, officers should consider alternatives to engaging in or continuing a foot pursuit when:

- (a) Directed by a supervisor to terminate the foot pursuit; such an order shall be considered mandatory
- (b) The officer is acting alone.
- (c) Two or more officers become separated, lose visual contact with one another, or obstacles separate them to the degree that they cannot immediately assist each other should a confrontation take place. In such circumstances, it is generally recommended that a single officer keep the suspect in sight from a safe distance and coordinate the containment effort.
- (d) The officer is unsure of his/her location and direction of travel.
- (e) The officer is pursuing multiple suspects and it is not reasonable to believe that the officer would be able to control the suspect should a confrontation occur.
- (f) The physical condition of the officer renders him/her incapable of controlling the suspect if apprehended.
- (g) The officer loses radio contact with the dispatcher or with assisting or backup officers.
- (h) The suspect enters a building, structure, confined space, isolated area or dense or difficult terrain, and there are insufficient officers to provide backup and containment. The primary officer should consider discontinuing the foot pursuit and coordinating containment pending the arrival of sufficient resources.
- (i) The officer becomes aware of unanticipated or unforeseen circumstances that unreasonably increase the risk to officers or the public.
- (j) The officer reasonably believes that the danger to the pursuing officers or public outweighs the objective of immediate apprehension.
- (k) The officer loses possession of his/her firearm or other essential equipment.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Foot Pursuits

- (l) The officer or a third party is injured during the pursuit, requiring immediate assistance, and there are no other emergency personnel available to render assistance.
- (m) The suspect's location is no longer definitely known.
- (n) The identity of the suspect is established or other information exists that will allow for the suspect's apprehension at a later time, and it reasonably appears that there is no immediate threat to department members or the public if the suspect is not immediately apprehended.
- (o) The officer's ability to safely continue the pursuit is impaired by inclement weather, darkness or other environmental conditions.

456.4 RESPONSIBILITIES IN FOOT PURSUITS

456.4.1 INITIATING OFFICER RESPONSIBILITIES

Unless relieved by another officer or a supervisor, the initiating officer shall be responsible for coordinating the progress of the pursuit. When acting alone and when practicable, the initiating officer should not attempt to overtake and confront the suspect but should attempt to keep the suspect in sight until sufficient officers are present to safely apprehend the suspect.

Early communication of available information from the involved officers is essential so that adequate resources can be coordinated and deployed to bring a foot pursuit to a safe conclusion. Officers initiating a foot pursuit should, at a minimum, broadcast the following information as soon as it becomes practicable and available:

- (a) Location and direction of travel
- (b) Call sign identifier
- (c) Reason for the foot pursuit, such as the crime classification
- (d) Number of suspects and description, to include name if known
- (e) Whether the suspect is known or believed to be armed with a dangerous weapon

Officers should be mindful that radio transmissions made while running may be difficult to understand and may need to be repeated.

Absent extenuating circumstances, any officer unable to promptly and effectively broadcast this information should terminate the foot pursuit. If the foot pursuit is discontinued for any reason, immediate efforts for containment should be established and alternatives considered based upon the circumstances and available resources.

When a foot pursuit terminates, the officer will notify the dispatcher of his/her location and the status of the pursuit termination (e.g., suspect in custody, lost sight of suspect), and will direct further actions as reasonably appear necessary, to include requesting medical aid as needed for officers, suspects or members of the public.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Foot Pursuits

456.4.2 ASSISTING OFFICER RESPONSIBILITIES

Whenever any officer announces that he/she is engaged in a foot pursuit, all other officers should minimize non-essential radio traffic to permit the involved officers maximum access to the radio frequency.

456.4.3 SUPERVISOR RESPONSIBILITIES

Upon becoming aware of a foot pursuit, the supervisor shall make every reasonable effort to ascertain sufficient information to direct responding resources and to take command, control and coordination of the foot pursuit. The supervisor should respond to the area whenever possible; the supervisor does not, however, need not be physically present to exercise control over the foot pursuit. The supervisor shall continuously assess the situation in order to ensure the foot pursuit is conducted within established department guidelines.

The supervisor shall terminate the foot pursuit when the danger to pursuing officers or the public appears to unreasonably outweigh the objective of immediate apprehension of the suspect.

Upon apprehension of the suspect, the supervisor shall promptly proceed to the termination point to direct the post-foot pursuit activity.

456.4.4 THE DISPATCH CENTER RESPONSIBILITIES

Upon notification or becoming aware that a foot pursuit is in progress, the dispatcher is responsible for:

- (a) Clearing the radio channel of non-emergency traffic.
- (b) Coordinating pursuit communications of the involved officers.
- (c) Broadcasting pursuit updates as well as other pertinent information as necessary.
- (d) Ensuring that a field supervisor is notified of the foot pursuit.
- (e) Notifying and coordinating with other involved or affected agencies as practicable.
- (f) Notifying the Shift Supervisor as soon as practicable.
- (g) Assigning an incident number and logging all pursuit activities.

456.5 REPORTING REQUIREMENTS

The initiating officer shall complete appropriate crime/arrest reports documenting, at minimum:

- (a) Date and time of the foot pursuit.
- (b) Initial reason and circumstances surrounding the foot pursuit.
- (c) Course and approximate distance of the foot pursuit.
- (d) Alleged offenses.
- (e) Involved vehicles and officers.
- (f) Whether a suspect was apprehended as well as the means and methods used.

Auburn Police Department

Auburn PD Policy Manual

Foot Pursuits

1. Any use of force shall be reported and documented in compliance with the Use of Force Policy.
 - (g) Arrestee information, if applicable.
 - (h) Any injuries and/or medical treatment.
 - (i) Any property or equipment damage.
 - (j) Name of the supervisor at the scene or who handled the incident.

Assisting officers taking an active role in the apprehension of the suspect shall complete supplemental reports as necessary or as directed.

The supervisor reviewing the report will make a preliminary determination that the pursuit appears to be in compliance with this policy or that additional review and/or follow-up is warranted.

In any case in which a suspect is not apprehended and there is insufficient information to support further investigation, a supervisor may authorize that the initiating officer need not complete a formal report.

456.6 POLICY

It is the policy of this department that officers, when deciding to initiate or continue a foot pursuit, continuously balance the objective of apprehending the suspect with the risk and potential for injury to department members, the public or the suspect.

Officers are expected to act reasonably, based on the totality of the circumstances.

Homeless Persons

462.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that personnel understand the needs and rights of the homeless and to establish procedures to guide officers during all contacts with the homeless, whether consensual or for enforcement purposes. The Auburn Police Department recognizes that members of the homeless community are often in need of special protection and services. The Auburn Police Department will address these needs in balance with the overall mission of this department. Therefore, officers will consider the following when serving the homeless community.

462.1.1 POLICY

It is the policy of the Auburn Police Department to provide law enforcement services to all members of the community, while protecting the rights, dignity and private property of the homeless. Homelessness is not a crime and members of this department will not use homelessness solely as a basis for detention or law enforcement action.

462.2 HOMELESS COMMUNITY LIAISON

The Chief of Police may designate a member of this department to act as the Homeless Liaison Officer. In the absence of a designated Homeless Liaison, other department staff may assist as such. The responsibilities of the Homeless Liaison Officer may include the following:

- (a) Maintain and make available to all department employees a list of assistance programs and other resources that are available to the homeless.
- (b) Meet with social services and representatives of other organizations that render assistance to the homeless.
- (c) Maintain a list of the areas within and near this jurisdiction that are used as frequent homeless encampments.
- (d) Remain abreast of laws dealing with the removal and/or destruction of the personal property of the homeless. This will include:
 - 1. Proper posting of notices of trespass and clean-up operations.
 - 2. Proper retention of property after clean-up, to include procedures for owners to reclaim their property in accordance with the Property and Evidence Policy and other established procedures.
- (e) Be present during any clean-up operation conducted by this department involving the removal of personal property of the homeless to ensure that the rights of the homeless are not violated.
- (f) Develop training to assist officers in understanding current legal and social issues relating to the homeless.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Homeless Persons

462.3 FIELD CONTACTS

Officers are encouraged to contact the homeless for purposes of rendering aid, support and for community-oriented policing purposes. Nothing in this policy is meant to dissuade an officer from taking reasonable enforcement action when facts support a reasonable suspicion of criminal activity. However, when encountering a homeless person who has committed a non-violent misdemeanor and continued freedom is not likely to result in a continuation of the offense or a breach of the peace, officers are encouraged to consider long-term solutions to problems that may relate to the homeless, such as shelter referrals and counseling in lieu of physical arrest.

Officers should provide homeless persons with resource and assistance information whenever it is reasonably apparent that such services may be appropriate.

462.3.1 OTHER CONSIDERATIONS

Homeless members of the community will receive the same level and quality of service provided to other members of the community. The fact that a victim or witness is homeless can, however, require special considerations for a successful investigation and prosecution. Officers should consider the following when handling investigations involving homeless victims, witnesses or suspects:

- (a) Document alternate contact information. This may include obtaining addresses and phone numbers of relatives and friends.
- (b) Document places the homeless person may frequent.
- (c) Provide homeless victims with victim/witness resources when appropriate.
- (d) Obtain statements from all available witnesses in the event that a homeless victim is unavailable for a court appearance.
- (e) Consider whether the person may be a dependent adult or elder, and if so, proceed in accordance with the Adult Abuse Policy.
- (f) Arrange for transportation for investigation-related matters, such as medical exams and court appearances.
- (g) Consider whether a crime should be reported and submitted for prosecution, even when a homeless victim indicates that he/she does not desire prosecution.

462.4 PERSONAL PROPERTY

The personal property of homeless persons must not be treated differently than the property of other members of the public. Officers should use reasonable care when handling, collecting and retaining the personal property of homeless persons and should not destroy or discard the personal property of a homeless person.

When a homeless person is arrested or otherwise removed from a public place, officers should make reasonable accommodations to permit the person to lawfully secure his/her personal property. Otherwise, the personal property should be collected for safekeeping. If the arrestee has more personal property than can reasonably be collected and transported by the officer, a

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Homeless Persons

supervisor should be consulted. The property should be photographed and measures should be taken to remove or secure the property. It will be the supervisor's responsibility to coordinate the removal and safekeeping of the property.

Officers should not conduct or assist in clean-up operations of belongings that reasonably appear to be the property of homeless persons without the prior authorization of a supervisor or the department Homeless Liaison Officer. When practicable, requests by the public for clean-up of a homeless encampment should be referred to the Homeless Liaison Officer.

Officers who encounter unattended encampments, bedding or other personal property in public areas that reasonably appears to belong to a homeless person should not remove or destroy such property and should inform the department Homeless Liaison Officer if such property appears to involve a trespass, blight to the community or is the subject of a complaint. It will be the responsibility of the Homeless Liaison Officer to address the matter in a timely fashion.

462.5 MENTAL ILLNESS AND MENTAL IMPAIRMENT

Some homeless persons may suffer from a mental illness or a mental impairment. Officers shall not detain a homeless person under a mental illness commitment unless facts and circumstances warrant such a detention (see the Crisis Intervention Incidents Policy).

When a mental illness hold is not warranted, the contacting officer should provide the homeless person with contact information for mental health assistance as appropriate. In these circumstances, officers may provide transportation to a mental health specialist if requested by the person and approved by a supervisor.

462.6 ECOLOGICAL ISSUES

Sometimes homeless encampments can impact the ecology and natural resources of the community and may involve criminal offenses beyond mere littering. Officers are encouraged to notify other appropriate agencies or departments when a significant impact to the environment has or is likely to occur. Significant impacts to the environment may warrant a crime report, investigation, supporting photographs and supervisor notification.

Crisis Intervention Incidents

463.1 PURPOSE AND SCOPE

This policy provides guidelines for interacting with those who may be experiencing a mental health or emotional crisis. Interaction with such individuals has the potential for miscommunication and violence. It often requires an officer to make difficult judgments about a person's mental state and intent in order to effectively and legally interact with the individual.

463.1.1 DEFINITIONS

Definitions related to this policy include:

Person in crisis - A person whose level of distress or mental health symptoms have exceeded the person's internal ability to manage his/her behavior or emotions. A crisis can be precipitated by any number of things, including an increase in the symptoms of mental illness despite treatment compliance; non-compliance with treatment, including a failure to take prescribed medications appropriately; or any other circumstance or event that causes the person to engage in erratic, disruptive or dangerous behavior that may be accompanied by impaired judgment.

463.2 POLICY

The Auburn Police Department is committed to providing a consistently high level of service to all members of the community and recognizes that persons in crisis may benefit from intervention. The Department will collaborate, where feasible, with mental health professionals to develop an overall intervention strategy to guide its members' interactions with those experiencing a mental health crisis. This is to ensure equitable and safe treatment of all involved.

463.3 SIGNS

Members should be alert to any of the following possible signs of mental health issues or crises:

- (a) A known history of mental illness
- (b) Threats of or attempted suicide
- (c) Loss of memory
- (d) Incoherence, disorientation or slow response
- (e) Delusions, hallucinations, perceptions unrelated to reality or grandiose ideas
- (f) Depression, pronounced feelings of hopelessness or uselessness, extreme sadness or guilt
- (g) Social withdrawal
- (h) Manic or impulsive behavior, extreme agitation, lack of control
- (i) Lack of fear
- (j) Anxiety, aggression, rigidity, inflexibility or paranoia

Members should be aware that this list is not exhaustive. The presence or absence of any of these should not be treated as proof of the presence or absence of a mental health issue or crisis.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Crisis Intervention Incidents

463.4 COORDINATION WITH MENTAL HEALTH PROFESSIONALS

The Chief of Police should designate an appropriate Division Commander to collaborate with mental health professionals to develop an education and response protocol. It should include a list of community resources, to guide department interaction with those who may be suffering from mental illness or who appear to be in a mental health crisis.

463.5 FIRST RESPONDERS

Safety is a priority for first responders. It is important to recognize that individuals under the influence of alcohol, drugs or both may exhibit symptoms that are similar to those of a person in a mental health crisis. These individuals may still present a serious threat to officers; such a threat should be addressed with reasonable tactics. Nothing in this policy shall be construed to limit an officer's authority to use reasonable force when interacting with a person in crisis.

Officers are reminded that mental health issues, mental health crises and unusual behavior alone are not criminal offenses. Individuals may benefit from treatment as opposed to incarceration.

An officer responding to a call involving a person in crisis should:

- (a) Promptly assess the situation independent of reported information and make a preliminary determination regarding whether a mental health crisis may be a factor.
- (b) Request available backup officers and specialized resources as deemed necessary and, if it is reasonably believed that the person is in a crisis situation, use conflict resolution and de-escalation techniques to stabilize the incident as appropriate.
- (c) If feasible, and without compromising safety, turn off flashing lights, bright lights or sirens.
- (d) Attempt to determine if weapons are present or available.
 - 1. Prior to making contact, and whenever possible and reasonable, conduct a search of the Department of Justice Automated Firearms System via the California Law Enforcement Telecommunications System (CLETS) to determine whether the person is the registered owner of a firearm (Penal Code § 11106.4).
- (e) Take into account the person's mental and emotional state and potential inability to understand commands or to appreciate the consequences of his/her action or inaction, as perceived by the officer.
- (f) Secure the scene and clear the immediate area as necessary.
- (g) Employ tactics to preserve the safety of all participants.
- (h) Determine the nature of any crime.
- (i) Request a supervisor, as warranted.
- (j) Evaluate any available information that might assist in determining cause or motivation for the person's actions or stated intentions.
- (k) If circumstances reasonably permit, consider and employ alternatives to force.

Crisis Intervention Incidents

463.6 DE-ESCALATION

Officers should consider that taking no action or passively monitoring the situation may be the most reasonable response to a mental health crisis.

Once it is determined that a situation is a mental health crisis and immediate safety concerns have been addressed, responding members should be aware of the following considerations and should generally:

- Evaluate safety conditions.
- Introduce themselves and attempt to obtain the person's name.
- Be patient, polite, calm, courteous and avoid overreacting.
- Speak and move slowly and in a non-threatening manner.
- Moderate the level of direct eye contact.
- Remove distractions or disruptive people from the area.
- Demonstrate active listening skills (e.g., summarize the person's verbal communication).
- Provide for sufficient avenues of retreat or escape should the situation become volatile.

Responding officers generally should not:

- Use stances or tactics that can be interpreted as aggressive.
- Allow others to interrupt or engage the person.
- Corner a person who is not believed to be armed, violent or suicidal.
- Argue, speak with a raised voice or use threats to obtain compliance.

463.7 INCIDENT ORIENTATION

When responding to an incident that may involve mental illness or a mental health crisis, the officer should request that the dispatcher provide critical information as it becomes available. This includes:

- (a) Whether the person relies on drugs or medication, or may have failed to take his/her medication.
- (b) Whether there have been prior incidents, suicide threats/attempts, and whether there has been previous police response.
- (c) Contact information for a treating physician or mental health professional.

Additional resources and a supervisor should be requested as warranted.

463.8 SUPERVISOR RESPONSIBILITIES

A supervisor should respond to the scene of any interaction with a person in crisis. Responding supervisors should:

- (a) Attempt to secure appropriate and sufficient resources.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Crisis Intervention Incidents

- (b) Closely monitor any use of force, including the use of restraints, and ensure that those subjected to the use of force are provided with timely access to medical care (see the Handcuffing and Restraints Policy).
- (c) Consider strategic disengagement. Absent an imminent threat to the public and, as circumstances dictate, this may include removing or reducing law enforcement resources or engaging in passive monitoring.
- (d) Ensure that all reports are completed and that incident documentation uses appropriate terminology and language.
- (e) Conduct an after-action tactical and operational debriefing, and prepare an after-action evaluation of the incident to be forwarded to the Division Commander.

Evaluate whether a critical incident stress management debriefing for involved members is warranted.

463.9 INCIDENT REPORTING

Members engaging in any oral or written communication associated with a mental health crisis should be mindful of the sensitive nature of such communications and should exercise appropriate discretion when referring to or describing persons and circumstances.

Members having contact with a person in crisis should keep related information confidential, except to the extent that revealing information is necessary to conform to department reporting procedures or other official mental health or medical proceedings.

463.9.1 DIVERSION

Individuals who are not being arrested should be processed in accordance with the Mental Illness Commitments Policy.

463.10 PROFESSIONAL STAFF INTERACTION WITH PEOPLE IN CRISIS

Professional Staff members may be required to interact with persons in crisis in an administrative capacity, such as dispatching, records request, and animal control issues.

- (a) Members should treat all individuals equally and with dignity and respect.
- (b) If a member believes that he/she is interacting with a person in crisis, he/she should proceed patiently and in a calm manner.
- (c) Members should be aware and understand that the person may make unusual or bizarre claims or requests.

If a person's behavior makes the member feel unsafe, if the person is or becomes disruptive or violent, or if the person acts in such a manner as to cause the member to believe that the person may be harmful to him/herself or others, an officer should be promptly summoned to provide assistance.

463.11 EVALUATION

The Division Commander designated to coordinate the crisis intervention strategy for this department should ensure that a thorough review and analysis of the department response to

Crisis Intervention Incidents

these incidents is conducted annually. The report will not include identifying information pertaining to any involved individuals, officers or incidents and will be submitted to the Chief of Police through the chain of command.

463.12 TRAINING

In coordination with the mental health community and appropriate stakeholders, the Department will develop and provide comprehensive education and training to all department members to enable them to effectively interact with persons in crisis.

This department will endeavor to provide Peace Officer Standards and Training (POST)-approved advanced officer training on interaction with persons with mental disabilities, welfare checks and crisis intervention (Penal Code § 11106.4; Penal Code § 13515.25; Penal Code § 13515.27; Penal Code § 13515.30).

Public Recording of Law Enforcement Activity

464.1 PURPOSE AND SCOPE

This policy provides guidelines for handling situations in which members of the public photograph or audio/video record law enforcement actions and other public activities that involve members of this department. In addition, this policy provides guidelines for situations where the recordings may be evidence.

464.2 POLICY

The Auburn Police Department recognizes the right of persons to lawfully record members of this department who are performing their official duties. Members of this department will not prohibit or intentionally interfere with such lawful recordings. Any recordings that are deemed to be evidence of a crime or relevant to an investigation will only be collected or seized lawfully.

Officers should exercise restraint and should not resort to highly discretionary arrests for offenses such as interference, failure to comply or disorderly conduct as a means of preventing someone from exercising the right to record members performing their official duties.

464.3 RECORDING LAW ENFORCEMENT ACTIVITY

Members of the public who wish to record law enforcement activities are limited only in certain aspects.

- (a) Recordings may be made from any public place or any private property where the individual has the legal right to be present (Penal Code § 69; Penal Code § 148).
- (b) Beyond the act of photographing or recording, individuals may not interfere with the law enforcement activity. Examples of interference include, but are not limited to:
 - 1. Tampering with a witness or suspect.
 - 2. Inciting others to violate the law.
 - 3. Being so close to the activity as to present a clear safety hazard to the officers.
 - 4. Being so close to the activity as to interfere with an officer's effective communication with a suspect or witness.
- (c) The individual may not present an undue safety risk to the officers, him/herself or others.

464.4 OFFICER RESPONSE

Officers should promptly request that a supervisor respond to the scene whenever it appears that anyone recording activities may be interfering with an investigation or it is believed that the recording may be evidence. If practicable, officers should wait for the supervisor to arrive before taking enforcement action or seizing any cameras or recording media.

Whenever practicable, officers or supervisors should give clear and concise warnings to individuals who are conducting themselves in a manner that would cause their recording or behavior to be unlawful. Accompanying the warnings should be clear directions on what an

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Public Recording of Law Enforcement Activity

individual can do to be compliant; directions should be specific enough to allow compliance. For example, rather than directing an individual to clear the area, an officer could advise the person that he/she may continue observing and recording from the sidewalk across the street.

If an arrest or other significant enforcement activity is taken as the result of a recording that interferes with law enforcement activity, officers shall document in a report the nature and extent of the interference or other unlawful behavior and the warnings that were issued.

464.5 SUPERVISOR RESPONSIBILITIES

A supervisor should respond to the scene when requested or any time the circumstances indicate a likelihood of interference or other unlawful behavior.

The supervisor should review the situation with the officer and:

- (a) Request any additional assistance as needed to ensure a safe environment.
- (b) Take a lead role in communicating with individuals who are observing or recording regarding any appropriate limitations on their location or behavior. When practical, the encounter should be recorded.
- (c) When practicable, allow adequate time for individuals to respond to requests for a change of location or behavior.
- (d) Ensure that any enforcement, seizure or other actions are consistent with this policy and constitutional and state law.
- (e) Explain alternatives for individuals who wish to express concern about the conduct of Department members, such as how and where to file a complaint.

464.6 SEIZING RECORDINGS AS EVIDENCE

Officers should not seize recording devices or media unless (42 USC § 2000aa):

- (a) There is probable cause to believe the person recording has committed or is committing a crime to which the recording relates, and the recording is reasonably necessary for prosecution of the person.
 - 1. Absent exigency or consent, a warrant should be sought before seizing or viewing such recordings. Reasonable steps may be taken to prevent erasure of the recording.
- (b) There is reason to believe that the immediate seizure of such recordings is necessary to prevent serious bodily injury or death of any person.
- (c) The person consents.
 - 1. To ensure that the consent is voluntary, the request should not be made in a threatening or coercive manner.
 - 2. If the original recording is provided, a copy of the recording should be provided to the recording party, if practicable. The recording party should be permitted to be present while the copy is being made, if feasible. Another way to obtain the evidence is to transmit a copy of the recording from a device to a department-owned device.

First Amendment Assemblies

465.1 PURPOSE AND SCOPE

This policy provides guidance for responding to public assemblies or demonstrations.

465.2 POLICY

The Auburn Police Department respects the rights of people to peaceably assemble. It is the policy of this department not to unreasonably interfere with, harass, intimidate or discriminate against persons engaged in the lawful exercise of their rights, while also preserving the peace, protecting life and preventing the destruction of property.

465.3 GENERAL CONSIDERATIONS

Individuals or groups present on the public way, such as public facilities, streets or walkways, generally have the right to assemble, rally, demonstrate, protest or otherwise express their views and opinions through varying forms of communication, including the distribution of printed matter. These rights may be limited by laws or ordinances regulating such matters as the obstruction of individual or vehicle access or egress, trespass, noise, picketing, distribution of handbills and leafleting, and loitering. However, officers shall not take action or fail to take action based on the opinions being expressed.

Participant behavior during a demonstration or other public assembly can vary. This may include, but is not limited to:

- Lawful, constitutionally protected actions and speech.
- Civil disobedience (typically involving minor criminal acts).
- Rioting.

All of these behaviors may be present during the same event. Therefore, it is imperative that law enforcement actions are measured and appropriate for the behaviors officers may encounter. This is particularly critical if force is being used. Adaptable strategies and tactics are essential. The purpose of a law enforcement presence at the scene of public assemblies and demonstrations should be to preserve the peace, to protect life and prevent the destruction of property.

Officers should not:

- (a) Engage in assembly or demonstration-related discussion with participants.
- (b) Harass, confront or intimidate participants.
- (c) Seize the cameras, cell phones or materials of participants or observers unless an officer is placing a person under lawful arrest.

Supervisors should continually observe department members under their commands to ensure that members' interaction with participants and their response to crowd dynamics is appropriate.

465.3.1 PHOTOGRAPHS AND VIDEO RECORDINGS

Photographs and video recording, when appropriate, can serve a number of purposes, including support of criminal prosecutions by documenting criminal acts; assistance in evaluating department performance; serving as training material; recording the use of dispersal orders; and facilitating a response to allegations of improper law enforcement conduct.

Photographs and videos will not be used or retained for the sole purpose of collecting or maintaining information about the political, religious, or social views of associations, or the activities of any individual, group, association, organization, corporation, business, or partnership, unless such information directly relates to an investigation of criminal activities and there is reasonable suspicion that the subject of the information is involved in criminal conduct.

465.4 UNPLANNED EVENTS

When responding to an unplanned or spontaneous public gathering, the first responding officer should conduct an assessment of conditions, including, but not limited to, the following:

- Location
- Number of participants
- Apparent purpose of the event
- Leadership (whether it is apparent and/or whether it is effective)
- Any initial indicators of unlawful or disruptive activity
- Indicators that lawful use of public facilities, streets or walkways will be impacted
- Ability and/or need to continue monitoring the incident

Initial assessment information should be promptly communicated to the Dispatch Center, and the assignment of a supervisor should be requested. Additional resources should be requested as appropriate. The responding supervisor shall assume command of the incident until command is expressly assumed by another, and the assumption of command is communicated to the involved members. A clearly defined command structure that is consistent with the Incident Command System (ICS) should be established as resources are deployed.

465.5 PLANNED EVENT PREPARATION

For planned events, comprehensive, incident-specific operational plans should be developed. The ICS should be considered for such events.

465.5.1 INFORMATION GATHERING AND ASSESSMENT

In order to properly assess the potential impact of a public assembly or demonstration on public safety and order, relevant information should be collected and vetted. This may include:

- Information obtained from outreach to group organizers or leaders.
- Information about past and potential unlawful conduct associated with the event or similar events.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

First Amendment Assemblies

- The potential time, duration, scope, and type of planned activities.
- Any other information related to the goal of providing a balanced response to criminal activity and the protection of public safety interests.

Information should be obtained in a transparent manner, and the sources documented. Relevant information should be communicated to the appropriate parties in a timely manner.

Information will be obtained in a lawful manner and will not be based solely on the purpose or content of the assembly or demonstration, or actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability of the participants (or any other characteristic that is unrelated to criminal conduct or the identification of a criminal subject).

465.5.2 OPERATIONAL PLANS

An operational planning team with responsibility for event planning and management should be established. The planning team should develop an operational plan for the event.

The operational plan will minimally provide for:

- (a) Command assignments, chain of command structure, roles and responsibilities.
- (b) Staffing and resource allocation.
- (c) Management of criminal investigations.
- (d) Designation of uniform of the day and related safety equipment (e.g., helmets, shields).
- (e) Deployment of specialized resources.
- (f) Event communications and interoperability in a multijurisdictional event.
- (g) Liaison with demonstration leaders and external agencies.
- (h) Liaison with City government and legal staff.
- (i) Media relations.
- (j) Logistics: food, fuel, replacement equipment, duty hours, relief and transportation.
- (k) Traffic management plans.
- (l) First aid and emergency medical service provider availability.
- (m) Prisoner transport and detention.
- (n) Review of policies regarding public assemblies and use of force in crowd control.
- (o) Parameters for declaring an unlawful assembly.
- (p) Arrest protocol, including management of mass arrests.
- (q) Protocol for recording information flow and decisions.
- (r) Rules of engagement, including rules of conduct, protocols for field force extraction and arrests, and any authorization required for the use of force.
- (s) Protocol for handling complaints during the event.

- (t) Parameters for the use of body-worn cameras and other portable recording devices.

465.5.3 MUTUAL AID AND EXTERNAL RESOURCES

The magnitude and anticipated duration of an event may necessitate interagency cooperation and coordination. The assigned Incident Commander should ensure that any required memorandums of understanding or other agreements are properly executed, and that any anticipated mutual aid is requested and facilitated (see the Outside Agency Assistance Policy).

465.6 UNLAWFUL ASSEMBLY DISPERSAL ORDERS

If a public gathering or demonstration remains peaceful and nonviolent, and there is no reasonably imminent threat to persons or property, the Incident Commander should generally authorize continued monitoring of the event.

Should the Incident Commander make a determination that public safety is presently or is about to be jeopardized, he/she or the authorized designee should attempt to verbally persuade event organizers or participants to disperse of their own accord. Warnings and advisements may be communicated through established communications links with leaders and/or participants or to the group.

When initial attempts at verbal persuasion are unsuccessful, the Incident Commander or the authorized designee should make a clear standardized announcement to the gathering that the event is an unlawful assembly, and should order the dispersal of the participants. The announcement should be communicated by whatever methods are reasonably available to ensure that the content of the message is clear and that it has been heard by the participants. The announcement should be amplified, made in different languages as appropriate, made from multiple locations in the affected area and documented by audio and video. The announcement should provide information about what law enforcement actions will take place if illegal behavior continues and should identify routes for egress. A reasonable time to disperse should be allowed following a dispersal order.

465.7 USE OF FORCE

Use of force is governed by current department policy and applicable law (see the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies).

Individuals refusing to comply with lawful orders (e.g., nonviolent refusal to disperse) should be given a clear verbal warning and a reasonable opportunity to comply. If an individual refuses to comply with lawful orders, the Incident Commander shall evaluate the type of resistance and adopt a reasonable response in order to accomplish the law enforcement mission (such as dispersal or arrest of those acting in violation of the law). Control devices and conducted energy devices should be considered only when the participants' conduct reasonably appears to present the potential to harm officers, themselves or others, or will result in substantial property loss or damage (see the Control Devices and Techniques and the Conducted Energy Device policies).

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

First Amendment Assemblies

Force or control devices, including oleoresin capsaicin (OC), should be directed toward individuals and not toward groups or crowds, unless specific individuals cannot reasonably be targeted due to extreme circumstances, such as a riotous crowd.

Any use of force by a member of this department shall be documented promptly, completely, and accurately in an appropriate report. The type of report required may depend on the nature of the incident.

465.8 ARRESTS

The Auburn Police Department should respond to unlawful behavior in a manner that is consistent with the operational plan. If practicable, warnings or advisements should be communicated prior to arrest.

Mass arrests should be employed only when alternate tactics and strategies have been, or reasonably appear likely to be, unsuccessful. Mass arrests shall only be undertaken upon the order of the Incident Commander or the authorized designee. There must be probable cause for each arrest.

If employed, mass arrest protocols should fully integrate:

- (a) Reasonable measures to address the safety of officers and arrestees.
- (b) Dedicated arrest, booking and report writing teams.
- (c) Timely access to medical care.
- (d) Timely access to legal resources.
- (e) Timely processing of arrestees.
- (f) Full accountability for arrestees and evidence.
- (g) Coordination and cooperation with the prosecuting authority, jail and courts (see the Cite and Release Policy).

465.9 MEDIA RELATIONS

The Public Information Officer should use all available avenues of communication, including press releases, briefings, press conferences, and social media to maintain open channels of communication with media representatives and the public about the status and progress of the event, taking all opportunities to reassure the public about the professional management of the event (see the Media Relations Policy).

465.9.1 MEDIA ACCESS

If officers close the immediate area surrounding any emergency field command post or any other command post, or establish a police line, or rolling closure at a demonstration, march, protest, or rally where individuals are engaged in a protected activity pursuant to the First Amendment, officers shall comply with the requirements of Penal Code § 409.7 relating to media access (i.e., access to closed areas, obtaining information) (Penal Code § 409.7).

465.10 DEMOBILIZATION

When appropriate, the Incident Commander or the authorized designee should implement a phased and orderly withdrawal of law enforcement resources. All relieved personnel should promptly complete any required reports, including use of force reports, and account for all issued equipment and vehicles to their supervisors prior to returning to normal operational duties.

465.11 POST EVENT

The Incident Commander should designate a member to assemble full documentation of the event, to include the following:

- (a) Operational plan
- (b) Any incident logs
- (c) Any assignment logs
- (d) Vehicle, fuel, equipment and supply records
- (e) Incident, arrest, use of force, injury and property damage reports
- (f) Photographs, audio/video recordings, the Dispatch Center records/tapes
- (g) Media accounts (print and broadcast media)

465.11.1 AFTER-ACTION REPORTING

The Incident Commander should work with City legal counsel, as appropriate, to prepare a comprehensive after-action report of the event, explaining all incidents where force was used including the following:

- (a) Date, time and description of the event
- (b) Actions taken and outcomes (e.g., injuries, property damage, arrests)
- (c) Problems identified
- (d) Significant events
- (e) Recommendations for improvement; opportunities for training should be documented in a generic manner, without identifying individuals or specific incidents, facts or circumstances.

465.12 TRAINING

Department members should receive periodic training regarding this policy, as well as the dynamics of crowd control and incident management (Penal Code § 13514.5). The Department should, when practicable, train with its external and mutual aid partners.

Officers should also receive periodic training on the standards for the use of kinetic energy projectiles and chemical agents for crowd control purposes as identified in Penal Code § 13652.

465.13 USE OF KINETIC ENERGY PROJECTILES AND CHEMICAL AGENTS FOR CROWD CONTROL

Kinetic energy projectiles and chemical agents for crowd control purposes shall only be deployed by officers who have received POST training for crowd control if the use is objectively reasonable

to defend against a threat to life or serious bodily injury to any individual, including an officer, or to bring an objectively dangerous and unlawful situation safely and effectively under control and in accordance with the following requirements of Penal Code § 13652.

- (a) De-escalation techniques or other alternatives to force have been attempted, when objectively reasonable, and have failed.
- (b) Repeated, audible announcements are made announcing the intent to use kinetic energy projectiles and chemical agents and the type to be used, when objectively reasonable to do so. The announcements shall be made from various locations, if necessary, and delivered in multiple languages, if appropriate.
- (c) Individuals are given an objectively reasonable opportunity to disperse and leave the scene.
- (d) An objectively reasonable effort has been made to identify individuals engaged in violent acts and those who are not, and kinetic energy projectiles or chemical agents are targeted toward those individuals engaged in violent acts. Projectiles shall not be aimed indiscriminately into a crowd or group of individuals.
- (e) Kinetic energy projectiles and chemical agents are used only with the frequency, intensity, and in a manner that is proportional to the threat and objectively reasonable.
- (f) Officers shall minimize the possible incidental impact of their use of kinetic energy projectiles and chemical agents on bystanders, medical personnel, journalists, or other unintended targets.
- (g) An objectively reasonable effort has been made to extract individuals in distress.
- (h) Medical assistance is promptly provided, if properly trained personnel are present, or procured, for injured persons, when it is reasonable and safe to do so.
- (i) Kinetic energy projectiles shall not be aimed at the head, neck, or any other vital organs.
- (j) Kinetic energy projectiles or chemical agents shall not be used solely due to any of the following:
 - 1. A violation of an imposed curfew.
 - 2. A verbal threat.
 - 3. Noncompliance with a law enforcement directive.
- (k) If the chemical agent to be deployed is tear gas, only an Incident Commander at the scene of the assembly, protest, or demonstration may authorize its use.

465.13.1 USE SUMMARY

The Operations Division Commander or the authorized designee should ensure that a summary of each deployment of kinetic energy projectiles or chemical agents for crowd control purposes is prepared and published on the department website within 60 days of each incident. The time frame may be extended for another 30 days where just cause is demonstrated, but no longer than 90 days from the time of the incident. The summary shall be limited to the information known to the Department at the time of the report and include the information required in Penal Code § 13652.1.

465.14 ANTI-REPRODUCTIVE RIGHTS CALLS

Officer response to public assemblies or demonstrations relating to anti-reproductive rights should be consistent with this policy (Penal Code § 13778.1).

Civil Disputes

466.1 PURPOSE AND SCOPE

This policy provides members of the Auburn Police Department with guidance for addressing conflicts between persons when no criminal investigation or enforcement action is warranted (e.g., civil matters), with the goal of minimizing any potential for violence or criminal acts.

The Domestic Violence Policy will address specific legal mandates related to domestic violence court orders. References in this policy to “court orders” apply to any order of a court that does not require arrest or enforcement by the terms of the order or by California law.

466.2 POLICY

The Auburn Police Department recognizes that a law enforcement presence at a civil dispute can play an important role in the peace and safety of the community. Subject to available resources, members of this department will assist at the scene of civil disputes with the primary goal of safeguarding persons and property, preventing criminal activity and maintaining the peace. When handling civil disputes, members will remain impartial, maintain a calm presence, give consideration to all sides and refrain from giving legal or inappropriate advice.

466.3 GENERAL CONSIDERATIONS

When appropriate, members handling a civil dispute should encourage the involved parties to seek the assistance of resolution services or take the matter to the civil courts. Members must not become personally involved in disputes and shall at all times remain impartial.

While not intended to be an exhaustive list, members should give considerations to the following when handling civil disputes:

- (a) Civil disputes tend to be confrontational and members should be alert that they can escalate to violence very quickly. De-escalation techniques should be used when appropriate.
- (b) Members should not dismiss alleged or observed criminal violations as a civil matter and should initiate the appropriate investigation and report when criminal activity is apparent.
- (c) Members shall not provide legal advice, however, when appropriate, members should inform the parties when they are at risk of violating criminal laws.
- (d) Members are reminded that they shall not enter a residence or other non-public location without legal authority including valid consent.
- (e) Members should not take an unreasonable amount of time assisting in these matters and generally should contact a supervisor if it appears that peacekeeping efforts longer than 30 minutes are warranted.

466.4 COURT ORDERS

Disputes involving court orders can be complex. Where no mandate exists for an officer to make an arrest for a violation of a court order, the matter should be addressed by documenting any apparent

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Civil Disputes

court order violation in a report. If there appears to be a more immediate need for enforcement action, the investigating officer should consult a supervisor prior to making any arrest.

If a person appears to be violating the terms of a court order but is disputing the validity of the order or its applicability, the investigating officer should document the following:

- (a) The person's knowledge of the court order or whether proof of service exists.
- (b) Any specific reason or rationale the involved person offers for not complying with the terms of the order.

A copy of the court order should be attached to the report when available. The report should be forwarded to the appropriate prosecutor. The report should also be forwarded to the court issuing the order with a notice that the report was also forwarded to the prosecutor for review.

466.4.1 STANDBY REQUESTS

Officer responding to a call for standby assistance to retrieve property should meet the person requesting assistance at a neutral location to discuss the process. The person should be advised that items that are disputed will not be allowed to be removed. The member may advise the person to seek private legal advice as to the distribution of disputed property.

Members should accompany the person to the location of the property. Members should ask if the other party will allow removal of the property or whether the other party would remove the property.

If the other party is uncooperative, the person requesting standby assistance should be instructed to seek private legal advice and obtain a court order to obtain the items. Officers should not order the other party to allow entry or the removal of any items. If there is a restraining or similar order against the person requesting standby assistance, that person should be asked to leave the scene or they may be subject to arrest for violation of the order.

If the other party is not present at the location, the member will not allow entry into the location or the removal of property from the location.

466.5 VEHICLES AND PERSONAL PROPERTY

Officers may be faced with disputes regarding possession or ownership of vehicles or other personal property. Officers may review documents provided by parties or available databases (e.g., vehicle registration), but should be aware that legal possession of vehicles or personal property can be complex. Generally, officers should not take any enforcement action unless a crime is apparent. The people and the vehicle or personal property involved should be identified and the incident documented.

466.6 REAL PROPERTY

Disputes over possession or occupancy of real property (e.g., land, homes, apartments) should generally be handled through a person seeking a court order.

Suspicious Activity Reporting

467.1 PURPOSE AND SCOPE

This policy provides guidelines for reporting and investigating suspicious and criminal activity.

467.1.1 DEFINITIONS

Definitions related to this policy include:

Involved party - An individual who has been observed engaging in suspicious activity, as defined in this policy, when no definitive criminal activity can be identified, thus precluding the person's identification as a suspect.

Suspicious activity - Any reported or observed activity that a member reasonably believes may have a nexus to any criminal act or attempted criminal act, or to foreign or domestic terrorism. Actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability should not be considered as factors that create suspicion (although these factors may be used as specific suspect descriptions). Examples of suspicious activity may include but are not limited to:

- Suspected pre-operational surveillance or intelligence gathering (e.g., photographing security features, asking questions about sensitive security-related subjects).
- Tests of security measures and response to incidents (e.g., "dry run," creating false alarms, attempts to enter secure areas without authorization).
- Suspicious purchases (e.g., purchasing large quantities of otherwise legal items, such as fertilizer, that could be used to create an explosive or other dangerous device).
- An individual in possession of such things as a hoax explosive or dispersal device, sensitive materials (e.g., passwords, access codes, classified government information), or coded or ciphered literature or correspondence.

Suspicious Activity Report (SAR) - An incident report used to document suspicious activity.

467.2 POLICY

The Auburn Police Department recognizes the need to protect the public from criminal conduct and acts of terrorism and shall lawfully collect, maintain and disseminate information regarding suspicious activities, while safeguarding civil liberties and privacy protections.

467.3 RESPONSIBILITIES

The Division Commander and authorized designees will manage SAR activities. Authorized designees should include supervisors who are responsible for department participation in criminal intelligence systems as outlined in the Criminal Organizations Policy.

The responsibilities of the Division Commander include, but are not limited to:

- (a) Remaining familiar with those databases available to the Department that would facilitate the purpose of this policy.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Suspicious Activity Reporting

- (b) Maintaining adequate training in the area of intelligence gathering to ensure no information is being maintained that would violate the law or civil rights of any individual.
- (c) Ensuring a process is available that would allow members to report relevant information. The process should be designed to promote efficient and quick reporting, and should not be cumbersome, duplicative or complicated.
- (d) Ensuring that members are made aware of the purpose and value of documenting information regarding suspicious activity, as well as the databases and other information resources that are available to the Department.
- (e) Ensuring that SAR information is appropriately disseminated to members in accordance with their job responsibilities.
- (f) Coordinating investigative follow-up, if appropriate.
- (g) Coordinating with any appropriate agency or fusion center.
- (h) Ensuring that, as resources are available, the Department conducts outreach that is designed to encourage members of the community to report suspicious activity and that outlines what they should look for and how they should report it (e.g., website, public service announcements).

467.4 REPORTING AND INVESTIGATION

Any department member receiving information regarding suspicious activity should take any necessary immediate and appropriate action, including a request for tactical response or immediate notification of specialized entities, when applicable. Any professional staff member who receives such information should ensure that it is passed on to an officer in a timely manner.

If the suspicious activity is not directly related to a reportable crime, the member should prepare a SAR and include information about involved parties and the circumstances of the incident. If, during any investigation, an officer becomes aware of suspicious activity that is unrelated to the current investigation, the information should be documented separately in a SAR and not included in the original incident report. The report number of the original incident should be included in the SAR as a cross reference. A SAR should be processed as any other incident report.

467.5 HANDLING INFORMATION

The Records Bureau will forward copies of SARs, in a timely manner, to the following:

- Criminal Investigations Division supervisor
- Other authorized designees

Medical Aid and Response

468.1 PURPOSE AND SCOPE

This policy recognizes that members often encounter persons in need of medical aid and establishes a law enforcement response to such situations.

468.2 POLICY

It is the policy of the Auburn Police Department that all officers and other designated members be trained to provide emergency medical aid and to facilitate an emergency medical response.

468.3 FIRST RESPONDING MEMBER RESPONSIBILITIES

Whenever practicable, members should take appropriate steps to provide initial medical aid (e.g., first aid, CPR, use of an automated external defibrillator (AED)) in accordance with their training and current certification levels. This should be done for those in need of immediate care and only when the member can safely do so.

Prior to initiating medical aid, the member should contact the Dispatch Center and request response by Emergency Medical Services (EMS) as the member deems appropriate.

Members should follow universal precautions when providing medical aid, such as wearing gloves and avoiding contact with bodily fluids, consistent with the Communicable Diseases Policy. Members should use a barrier or bag device to perform rescue breathing.

When requesting EMS, the member should provide the Dispatch Center with information for relay to EMS personnel in order to enable an appropriate response, including:

- (a) The location where EMS is needed.
- (b) The nature of the incident.
- (c) Any known scene hazards.
- (d) Information on the person in need of EMS, such as:
 - 1. Signs and symptoms as observed by the member.
 - 2. Changes in apparent condition.
 - 3. Number of patients, sex, and age, if known.
 - 4. Whether the person is conscious, breathing, and alert, or is believed to have consumed drugs or alcohol.
 - 5. Whether the person is showing signs or symptoms of extreme agitation or is engaging in violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics, and imperviousness to pain.

Members should stabilize the scene whenever practicable while awaiting the arrival of EMS.

Members should not direct EMS personnel whether to transport the person for treatment.

Medical Aid and Response

468.4 TRANSPORTING ILL AND INJURED PERSONS

Except in extraordinary cases where alternatives are not reasonably available, members should not transport persons who are unconscious, who have serious injuries or who may be seriously ill. EMS personnel should be called to handle patient transportation.

Officers should search any person who is in custody before releasing that person to EMS for transport.

An officer should accompany any person in custody during transport in an ambulance when requested by EMS personnel, when it reasonably appears necessary to provide security, when it is necessary for investigative purposes or when so directed by a supervisor.

Members should not provide emergency escort for medical transport or civilian vehicles.

468.5 PERSONS REFUSING EMS CARE

If a person who is not in custody refuses EMS care or refuses to be transported to a medical facility, an officer shall not force that person to receive care or be transported. However, members may assist EMS personnel when EMS personnel determine the person lacks mental capacity to understand the consequences of refusing medical care or to make an informed decision and the lack of immediate medical attention may result in serious bodily injury or the death of the person.

In cases where mental illness may be a factor, the officer should consider proceeding with a 72-hour treatment and evaluation commitment (5150 commitment) process in accordance with the Mental Illness Commitments Policy.

If an officer believes that a person who is in custody requires EMS care and the person refuses, he/she should encourage the person to receive medical treatment. The officer may also consider contacting a family member to help persuade the person to agree to treatment or who may be able to authorize treatment for the person.

If the person who is in custody still refuses, the officer will require the person to be transported to the nearest medical facility. In such cases, the officer should consult with a supervisor prior to the transport.

Members shall not sign refusal-for-treatment forms or forms accepting financial responsibility for treatment.

468.6 MEDICAL ATTENTION RELATED TO USE OF FORCE

Specific guidelines for medical attention for injuries sustained from a use of force may be found in the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies.

468.7 AIR AMBULANCE

Generally, when on-scene, EMS personnel will be responsible for determining whether an air ambulance response should be requested. An air ambulance may be appropriate when there are victims with life-threatening injuries or who require specialized treatment (e.g., gunshot wounds, burns, obstetrical cases), and distance or other known delays will affect the EMS response.

Medical Aid and Response

The Operations Division Commander should develop guidelines for air ambulance landings or enter into local operating agreements for the use of air ambulances, as applicable. However, nothing shall preclude officers from coordinating with fire and medical staff, including the medical air-support unit to determine the most effective mode of transportation based on the medical emergency. If guidelines are created, those guidelines, the Department considers should identify:

- Responsibility and authority for designating a landing zone and determining the size of the landing zone.
- Responsibility for securing the area and maintaining that security once the landing zone is identified.
- Consideration of the air ambulance provider's minimum standards for proximity to vertical obstructions and surface composition (e.g., dirt, gravel, pavement, concrete, grass).
- Consideration of the air ambulance provider's minimum standards for horizontal clearance from structures, fences, power poles, antennas or roadways.
- Responsibility for notifying the appropriate highway or transportation agencies if a roadway is selected as a landing zone.
- Procedures for ground personnel to communicate with flight personnel during the operation.

One department member at the scene should be designated as the air ambulance communications contact. Headlights, spotlights and flashlights should not be aimed upward at the air ambulance. Members should direct vehicle and pedestrian traffic away from the landing zone.

Members should follow these cautions when near an air ambulance:

- Never approach the aircraft until signaled by the flight crew.
- Always approach the aircraft from the front.
- Avoid the aircraft's tail rotor area.
- Wear eye protection during landing and take-off.
- Do not carry or hold items, such as IV bags, above the head.
- Ensure that no one smokes near the aircraft.

468.8 AUTOMATED EXTERNAL DEFIBRILLATOR (AED) USE

A member may use an AED only after receiving appropriate training from an approved public safety first aid and CPR course (22 CCR 100014; 22 CCR 100017; 22 CCR 100018).

468.8.1 AED USER RESPONSIBILITY

Members who are issued AEDs for use in department vehicles should check the AED at the beginning of the shift to ensure it is properly charged and functioning. Any AED that is not functioning properly will be taken out of service and given to the Training Manager who is responsible for ensuring appropriate maintenance.

Trained members may administer opioid overdose medication (Civil Code § 1714.22; Business and Professions Code § 4119.9).

468.9.1 OPIOID OVERDOSE MEDICATION USER RESPONSIBILITIES

Members who are qualified to administer opioid overdose medication, such as naloxone, should handle, store and administer the medication consistent with their training. Members should check the medication and associated administration equipment at the beginning of their shift to ensure they are serviceable and not expired. Any expired medication or unserviceable administration equipment should be removed from service and given to the Training Manager.

Any member who administers an opioid overdose medication should contact the Dispatch Center as soon as possible and request response by EMS.

468.9.2 OPIOID OVERDOSE MEDICATION REPORTING

Any member administering opioid overdose medication should detail its use in an appropriate report.

The Training Manager will ensure that the Records Communication Supervisor is provided enough information to meet applicable state reporting requirements.

468.9.3 OPIOID OVERDOSE MEDICATION TRAINING

The Training Manager should ensure initial and refresher training is provided to members authorized to administer opioid overdose medication. Training should be coordinated with the local health department and comply with the requirements in 22 CCR 100019 and any applicable POST standards (Civil Code § 1714.22).

468.10 ADMINISTRATION OF EPINEPHRINE AUTO-INJECTORS

The Operations Division Commander may authorize the acquisition of epinephrine auto-injectors for use by Department members as provided by Health and Safety Code § 1797.197a. The Training Manager shall create and maintain an operations plan for the storage, maintenance, use and disposal of epinephrine auto-injectors as required by Health and Safety Code § 1797.197a(f).

Trained members who possess valid certification may administer an epinephrine auto-injector for suspected anaphylaxis (Health and Safety Code § 1797.197a(b); 22 CCR 100019).

468.10.1 EPINEPHRINE USER RESPONSIBILITIES

Members should handle, store and administer epinephrine auto-injectors consistent with their training and the Department operations plan. Members should check the auto-injectors at the beginning of their shift to ensure the medication is not expired. Any expired medication should be removed from service in accordance with the Department Operations Plan.

Any member who administers an epinephrine auto-injector medication should contact the Dispatch Center as soon as possible and request response by EMS (Health and Safety Code § 1797.197a(b)).

468.10.2 EPINEPHRINE AUTO-INJECTOR REPORTING

Any member who administers an epinephrine auto-injector should detail its use in an appropriate report.

The Training Manager should ensure that the Records Communication Supervisor is provided enough information for required reporting to the EMS Authority within 30 days after each use (Health and Safety Code § 1797.197a(f)).

468.11 SICK OR INJURED ARRESTEE

If an arrestee appears ill or injured, or claims illness or injury, he/she should be medically cleared prior to booking. If the officer has reason to believe the arrestee is feigning injury or illness, the officer should contact a supervisor, who will determine whether medical clearance will be obtained prior to booking.

If the jail or detention facility refuses to accept custody of an arrestee based on medical screening, the officer should note the name of the facility person refusing to accept custody and the reason for refusal, and should notify a supervisor to determine the appropriate action.

Arrestees who appear to have a serious medical issue should be transported by ambulance. Officers shall not transport an arrestee to a hospital without a supervisor's approval.

Nothing in this section should delay an officer from requesting EMS when an arrestee reasonably appears to be exhibiting symptoms that appear to be life threatening, including breathing problems or an altered level of consciousness, or is claiming an illness or injury that reasonably warrants an EMS response in accordance with the officer's training.

468.12 FIRST AID TRAINING

The Training Manager should ensure officers receive initial first aid training within one year of employment and refresher training every two years thereafter (22 CCR 100016; 22 CCR 100022).

Automated License Plate Readers (ALPRs)

469.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance for the capture, storage and use of digital data obtained through the use of Automated License Plate Reader (ALPR) technology.

469.2 POLICY

The policy of the Auburn Police Department is to utilize ALPR technology to capture and store digital license plate data and images while recognizing the established privacy rights of the public.

All data and images gathered by the ALPR are for the official use of this department. Because such data may contain confidential information, it is not open to public review.

469.3 ADMINISTRATION

The ALPR technology, also known as License Plate Recognition (LPR), allows for the automated detection of license plates. It is used by the Auburn Police Department to convert data associated with vehicle license plates for official law enforcement purposes, including identifying stolen or wanted vehicles, stolen license plates and missing persons. It may also be used to gather information related to active warrants, homeland security, electronic surveillance, suspect interdiction and stolen property recovery.

All installation and maintenance of ALPR equipment, as well as ALPR data retention and access, shall be managed by the Administrative Services Division Commander. The Administrative Services Division Commander will assign members under his/her command to administer the day-to-day operation of the ALPR equipment and data.

469.3.1 ALPR ADMINISTRATOR

The Administrative Services Division Commander shall be responsible for developing guidelines and procedures to comply with the requirements of Civil Code § 1798.90.5 et seq. This includes, but is not limited to (Civil Code § 1798.90.51; Civil Code § 1798.90.53):

- (a) A description of the job title or other designation of the members and independent contractors who are authorized to use or access the ALPR system or to collect ALPR information.
- (b) Training requirements for authorized users.
- (c) A description of how the ALPR system will be monitored to ensure the security of the information and compliance with applicable privacy laws.
- (d) Procedures for system operators to maintain records of access in compliance with Civil Code § 1798.90.52.
- (e) The title and name of the current designee in overseeing the ALPR operation.
- (f) Working with the Custodian of Records on the retention and destruction of ALPR data.
- (g) Ensuring this policy and related procedures are conspicuously posted on the department's website.

Auburn Police Department

Automated License Plate Readers (ALPRs)

469.4 OPERATIONS

Use of an ALPR is restricted to the purposes outlined below. Department members shall not use, or allow others to use the equipment or database records for any unauthorized purpose (Civil Code § 1798.90.51; Civil Code § 1798.90.53).

- (a) An ALPR shall only be used for official law enforcement business.
- (b) An ALPR may be used in conjunction with any routine patrol operation or criminal investigation. Reasonable suspicion or probable cause is not required before using an ALPR.
- (c) While an ALPR may be used to canvass license plates around any crime scene, particular consideration should be given to using ALPR-equipped cars to canvass areas around homicides, shootings and other major incidents. Partial license plates reported during major crimes should be entered into the ALPR system in an attempt to identify suspect vehicles.
- (d) No member of this department shall operate ALPR equipment or access ALPR data without first completing department-approved training.
- (e) No ALPR operator may access department, state or federal data unless otherwise authorized to do so.
- (f) If practicable, the officer should verify an ALPR response through the California Law Enforcement Telecommunications System (CLETS) before taking enforcement action that is based solely on an ALPR alert.

469.5 DATA COLLECTION AND RETENTION

The Administrative Services Division Commander is responsible for ensuring systems and processes are in place for the proper collection and retention of ALPR data. Data will be transferred from vehicles to the designated storage in accordance with department procedures.

All ALPR data downloaded to the server should be stored for a minimum of one year and in accordance with the established records retention schedule. Thereafter, ALPR data should be purged unless it has become, or it is reasonable to believe it will become, evidence in a criminal or civil action or is subject to a discovery request or other lawful action to produce records. In those circumstances the applicable data should be downloaded from the server onto portable media and booked into evidence.

469.6 ACCOUNTABILITY

All data will be closely safeguarded and protected by both procedural and technological means. The Auburn Police Department will observe the following safeguards regarding access to and use of stored data (Civil Code § 1798.90.51; Civil Code § 1798.90.53):

- (a) All ALPR data downloaded to the mobile workstation and in storage shall be accessible only through a login/password-protected system capable of documenting all access of information by name, date and time (Civil Code § 1798.90.52).

Auburn Police Department

Auburn PD Policy Manual

Automated License Plate Readers (ALPRs)

- (b) Members approved to access ALPR data under these guidelines are permitted to access the data for legitimate law enforcement purposes only, such as when the data relate to a specific criminal investigation or department-related civil or administrative action.
- (c) ALPR system audits should be conducted on a regular basis.

For security or data breaches, see the Records Release and Maintenance Policy.

469.7 RELEASING ALPR DATA

The ALPR data may be shared only with other law enforcement or prosecutorial agencies for official law enforcement purposes or as otherwise permitted by law, using the following procedures:

- (a) The agency makes a written request for the ALPR data that includes:
 - 1. The name of the agency.
 - 2. The name of the person requesting.
 - 3. The intended purpose of obtaining the information.
- (b) The request is reviewed by the Administrative Services Division Commander or the authorized designee and approved before the request is fulfilled.
- (c) The approved request is retained on file.

Requests for ALPR data by non-law enforcement or non-prosecutorial agencies will be processed as provided in the Records Maintenance and Release Policy (Civil Code § 1798.90.55).

469.8 TRAINING

The Training Manager should ensure that members receive department-approved training for those authorized to use or access the ALPR system (Civil Code § 1798.90.51; Civil Code § 1798.90.53).

Chapter 5 - Traffic Operations

Traffic Function and Responsibility

500.1 PURPOSE AND SCOPE

The ultimate goal of traffic law enforcement is to reduce traffic collisions. This may be achieved through the application of such techniques as geographic/temporal assignment of personnel and equipment and the establishment of preventive patrols to deal with specific categories of unlawful driving behavior. Traffic enforcement techniques are based on accident data, enforcement activity records, traffic volume, and traffic conditions. This department provides enforcement efforts toward violations, not only in proportion to the frequency of their occurrence in accident situations, but also in terms of traffic-related needs.

500.2 TRAFFIC OFFICER DEPLOYMENT

Several factors are considered in the development of deployment schedules for officers of the Auburn Police Department. Information provided by the California Statewide Integrated Traffic Reporting System (SWITRS) is a valuable resource for traffic accident occurrences and therefore officer deployment. Some of the factors for analysis include:

- Location
- Time
- Day
- Violation factors

All officers assigned to patrol or traffic enforcement functions will emphasize enforcement of accident causing violations during high accident hours and at locations of occurrence. All officers will take directed enforcement action on request, and random enforcement action when appropriate against violators as a matter of routine. All officers shall maintain high visibility while working general enforcement, especially at high accident locations.

Other factors to be considered for deployment are requests from the public, construction zones or special events.

500.3 ENFORCEMENT

Enforcement actions are commensurate with applicable laws and take into account the degree and severity of the violation committed. This department does not establish ticket quotas and the number of arrests or citations issued by any officer shall not be used as the sole criterion for evaluating officer overall performance (Vehicle Code § 41603). The visibility and quality of an officer's work effort will be commensurate with the philosophy of this policy. Several methods are effective in the reduction of collisions:

500.3.1 WARNINGS

Warnings or other non-punitive enforcement actions should be considered in each situation and substituted for arrests or citations when circumstances warrant, especially in the case of inadvertent violations.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Traffic Function and Responsibility

500.3.2 CITATIONS

Citations may be issued when an officer believes it is appropriate. It is essential that officers fully explain the rights and requirements imposed on motorists upon issuance of a citation for a traffic violation. Officers should provide the following information at a minimum:

- (a) Explanation of the violation or charge
- (b) Court appearance procedure including the optional or mandatory appearance by the motorist
- (c) Notice of whether the motorist can enter a plea and pay the fine by mail or at the court

500.3.3 PHYSICAL ARREST

Physical arrest can be made on a number of criminal traffic offenses outlined in the Vehicle Code or Penal Code. These physical arrest cases usually deal with, but are not limited to:

- (a) Vehicular manslaughter
- (b) Felony and misdemeanor driving under the influence of alcohol/drugs
- (c) Felony or misdemeanor hit-and-run
- (d) Refusal to sign notice to appear
- (e) Any other misdemeanor at the discretion of the officer, such as reckless driving with extenuating circumstances

500.4 SUSPENDED OR REVOKED DRIVERS LICENSES

If an officer contacts a traffic violator for driving on a suspended or revoked license, the officer may issue a traffic citation pursuant to Vehicle Code § 14601.

If a computer check of a traffic violator's license status reveals a suspended or revoked driver license and the traffic violator still has his or her license in possession, the license shall be seized by the officer. The officer shall verbally advise the traffic violator of the suspension or revocation and issue the citation. The officer will be responsible for filling out the Verbal Notice form (DMV form DL-310) and causing that form and license to be forwarded to the Department of Motor Vehicles.

500.5 HIGH-VISIBILITY VESTS

The Department has provided American National Standards Institute (ANSI) Class II high-visibility vests to increase the visibility of department members who may be exposed to hazards presented by passing traffic, maneuvering or operating vehicles, machinery and equipment (23 CFR 655.601; 8 CCR 1598).

Although intended primarily for use while performing traffic related assignments, high-visibility vests should be worn at any time increased visibility would improve the safety or efficiency of the member.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Traffic Function and Responsibility

500.5.1 REQUIRED USE

Except when working in a potentially adversarial or confrontational role, such as during vehicle stops, high-visibility vests should be worn at any time it is anticipated that an employee will be exposed to the hazards of approaching traffic or construction and recovery equipment. Examples of when high-visibility vests should be worn include traffic control duties, accident investigations, lane closures and while at disaster scenes, or anytime high visibility is desirable. When emergency conditions preclude the immediate donning of the vest, officers should retrieve and wear the vest as soon as conditions reasonably permit. Use of the vests shall also be mandatory when directed by a supervisor.

Vests maintained in the investigation units may be used any time a plainclothes officer might benefit from being readily identified as a member of law enforcement.

500.5.2 CARE AND STORAGE OF HIGH-VISIBILITY VESTS

High-visibility vests shall be maintained in the trunk of each patrol and investigation unit, in the side box of each police motorcycle and in the saddlebag or gear bag of each police bicycle. Each vest should be stored inside the re-sealable plastic bag provided to protect and maintain the vest in a serviceable condition. Before going into service each employee shall ensure a serviceable high-visibility vest is properly stored.

A supply of high-visibility vests will be maintained in the equipment room for replacement of damaged or unserviceable vests. The Training Manager should be promptly notified whenever the supply of vests in the equipment room needs replenishing.

Traffic Collision Reporting

502.1 PURPOSE AND SCOPE

The Auburn Police Department prepares traffic collision reports in compliance with the California Highway Patrol Collision Investigation Manual (CIM) and as a public service makes traffic collision reports available to the community with some exceptions.

502.2 RESPONSIBILITY

The Traffic Bureau Manager will be responsible for distribution of the Collision Investigation Manual. The Traffic Bureau Manager will receive all changes in the state manual and ensure conformity with this policy.

502.3 TRAFFIC COLLISION REPORTING

All traffic collision reports taken by members of this department shall be forwarded to the Traffic Bureau for approval and data entry into the Records Management System. The Patrol Lieutenant will be responsible for monthly and quarterly reports on traffic collision statistics to be forwarded to the Operations Division Commander, or other persons as required.

502.4 REPORTING SITUATIONS

502.4.1 TRAFFIC COLLISIONS INVOLVING CITY VEHICLES

Traffic collision investigation reports shall be taken when a City-owned vehicle is involved in a traffic collision upon a roadway or highway wherein any damage or injury results. A general information report may be taken in lieu of a traffic collision report (CHP 555 form) at the direction of a supervisor when the collision occurs on private property or does not involve another vehicle. Whenever there is damage to a City vehicle, a Vehicle Damage Report shall be completed and forwarded to the appropriate Division Commander.

Photographs of the collision scene and vehicle damage shall be taken at the discretion of the traffic investigator or any supervisor.

502.4.2 TRAFFIC COLLISIONS WITH POLICE DEPARTMENT EMPLOYEES

When an employee of this department, either on-duty or off-duty, is involved in a traffic collision within the jurisdiction of the Auburn Police Department resulting in a serious injury or fatality, the Patrol Lieutenant or the Shift Supervisor, may notify the California Highway Patrol for assistance.

The term serious injury is defined as any injury that may result in a fatality.

502.4.3 TRAFFIC COLLISIONS WITH OTHER CITY EMPLOYEES OR OFFICIALS

The Patrol Lieutenant or on-duty Shift Supervisor may request assistance from the California Highway Patrol for the investigation of any traffic collision involving any City official or employee where a serious injury or fatality has occurred.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Traffic Collision Reporting

502.4.4 TRAFFIC COLLISIONS ON PRIVATE PROPERTY

In compliance with the Collision Investigation Manual, traffic collision reports shall not be taken for traffic collisions occurring on private property unless there is a death or injury to any person involved, a hit-and-run violation, or Vehicle Code violation. An Incident Report may be taken at the discretion of any supervisor.

502.4.5 TRAFFIC COLLISIONS ON ROADWAYS OR HIGHWAYS

Traffic collision reports shall be taken when they occur on a roadway or highway within the jurisdiction of this department under any of the following circumstances:

- (a) When there is a death or injury to any persons involved in the collision
- (b) When there is an identifiable violation of the Vehicle Code
- (c) When a report is requested by any involved driver

502.5 NOTIFICATION OF TRAFFIC BUREAU SUPERVISION

In the event of a serious injury or death related traffic collision, the Shift Supervisor shall notify the Patrol Lieutenant to relate the circumstances of the traffic collision and seek assistance from the Traffic Bureau. In the absence of a Patrol Lieutenant, the Shift Supervisor or any supervisor may assign an accident investigator or motor officer to investigate the traffic collision.

Vehicle Towing and Release

510.1 PURPOSE AND SCOPE

This policy provides the procedures for towing a vehicle by or at the direction of the Auburn Police Department. Nothing in this policy shall require the Department to tow a vehicle.

510.2 STORAGE AND IMPOUNDS

When circumstances permit, for example when towing a vehicle for parking or registration violations, the handling employee should, prior to having the vehicle towed, make a good faith effort to notify the owner of the vehicle that it is subject to removal. This may be accomplished by personal contact, telephone or by leaving a notice attached to the vehicle at least 24 hours prior to removal. If a vehicle presents a hazard, such as being abandoned on the roadway, it may be towed immediately.

The responsibilities of those employees towing, storing or impounding a vehicle are listed below.

510.2.1 VEHICLE STORAGE REPORT

Department members requesting towing, storage, or impound of a vehicle shall complete CHP Form 180 and accurately record the mileage and a description of property within the vehicle (Vehicle Code § 22850). A copy of the storage report should be given to the tow truck operator, and the original shall be submitted to the Records Bureau as soon as practicable after the vehicle is stored.

510.2.2 REMOVAL FROM TRAFFIC COLLISION SCENES

When a vehicle has been involved in a traffic collision and must be removed from the scene, the officer shall have the driver select a towing company, if possible, and shall relay the request for the specified towing company to the dispatcher. When there is no preferred company requested, a company will be selected from the rotational list of towing companies in the Dispatch Center.

If the owner is incapacitated, or for any reason it is necessary for the Department to assume responsibility for a vehicle involved in a collision, the officer shall request the dispatcher to call the official towing garage for the City of Auburn. The officer will then store the vehicle using a CHP Form 180.

510.2.3 STORAGE AT ARREST SCENES

Whenever a person in charge or in control of a vehicle is arrested, it is the policy of this department to provide reasonable safekeeping by storing the arrestee's vehicle subject to the exceptions described below. The vehicle, however, shall be stored whenever it is needed for the furtherance of the investigation or prosecution of the case, or when the community caretaker doctrine would reasonably suggest that the vehicle should be stored (e.g., traffic hazard, high-crime area).

The following are examples of situations where consideration should be given to leaving a vehicle at the scene in lieu of storing, provided the vehicle can be lawfully parked and left in a reasonably secured and safe condition:

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Vehicle Towing and Release

- Traffic-related warrant arrest.
- Situations where the vehicle was not used to further the offense for which the driver was arrested.
- Whenever the licensed owner of the vehicle is present, willing, and able to take control of any vehicle not involved in criminal activity.
- Whenever the vehicle otherwise does not need to be stored and the owner requests that it be left at the scene. In such cases, the owner shall be informed that the Department will not be responsible for theft or damages.

510.2.4 IMPOUNDMENT AT SOBRIETY CHECKPOINTS

Whenever a driver is stopped at a sobriety checkpoint and the only violation is that the operator is driving without a valid driver's license, the officer shall make a reasonable attempt to identify the registered owner of the vehicle (Vehicle Code § 2814.2). The officer shall release the vehicle to the registered owner if the person is a licensed driver, or to another licensed driver authorized by the registered owner, provided the vehicle is claimed prior to the conclusion of the checkpoint operation.

If the vehicle is released at the checkpoint, the officer shall list on his/her copy of the notice to appear the name and driver's license number of the person to whom the vehicle is released.

When a vehicle cannot be released at the checkpoint, it shall be towed (Vehicle Code § 22651(p)). When a vehicle is removed at the checkpoint, it shall be released during the normal business hours of the storage facility to the registered owner or his/her agent upon presentation of a valid driver's license and current vehicle registration.

510.2.5 DRIVING A NON-CITY VEHICLE

Vehicles which have been towed by or at the direction of the Department should not be driven by police personnel unless it is necessary to move a vehicle a short distance to eliminate a hazard, prevent the obstruction of a fire hydrant or to comply with posted signs.

510.2.6 DISPATCHER'S RESPONSIBILITIES

Upon receiving a request for towing, the dispatcher shall promptly telephone the specified authorized towing service. The officer shall be advised when the request has been made and the towing service has been dispatched.

When there is no preferred company requested, the dispatcher shall call the next firm in rotation from the list of approved towing companies and shall make appropriate entries on that form to ensure the following firm is called on the next request.

510.2.7 RECORDS BUREAU RESPONSIBILITY

Records personnel shall promptly enter pertinent data from the completed storage form (CHP Form 180) into the Stolen Vehicle System and return the form to the Shift Supervisor for approval (Vehicle Code § 22651.5(b); Vehicle Code § 22851.3(b); Vehicle Code § 22854.5).

Auburn Police Department

Auburn PD Policy Manual

Vehicle Towing and Release

Approved storage forms shall be promptly placed into the auto-file so that they are immediately available for release or review should inquiries be made.

Within 48 hours, excluding weekends and holidays, of the storage of any such vehicle it shall be the responsibility of the Records Bureau to determine the names and addresses of any individuals having an interest in the vehicle through DMV or CLETS computers. Notice shall be sent to all such individuals by mail as applicable and as provided in Vehicle Code § 22851.3(d), Vehicle Code § 22852(a), and Vehicle Code § 14602.6(a)(2). The notice shall include the following (Vehicle Code § 22852(b)):

- (a) The name, address, and telephone number of this Department
- (b) The location of the place of storage and description of the vehicle, which shall include, if available, the name or make, the manufacturer, the license plate number, and the mileage
- (c) The authority and purpose for the removal of the vehicle
- (d) A statement that, in order to receive their post-storage hearing, the owners, or their agents, shall request the hearing in person, in writing, or by telephone within 10 days of the date appearing on the notice

510.3 TOWING SERVICES

The City of Auburn periodically selects a firm to act as the official tow service and awards a contract to that firm. This firm will be used in the following situations:

- (a) When it is necessary to safeguard a vehicle due to the inability of the owner or operator to take the required action.
- (b) When a vehicle is being held as evidence in connection with an investigation.
- (c) When it is otherwise necessary to store a motor vehicle. This would include situations involving the recovery of stolen or abandoned vehicles, and the removal of vehicles obstructing traffic in violation of state or local regulations.

510.4 VEHICLE INVENTORY

All property in a stored or impounded vehicle shall be inventoried and listed on the vehicle storage form. This includes the trunk and any compartments or containers, even if closed and/or locked. Members conducting inventory searches should be as thorough and accurate as practical in preparing an itemized inventory. These inventory procedures are for the purpose of protecting an owner's property while in police custody, to provide for the safety of officers, and to protect the Department against fraudulent claims of lost, stolen, or damaged property.

510.5 SECURITY OF VEHICLES AND PROPERTY

Unless it would cause an unreasonable delay in the completion of a vehicle impound/storage or create an issue of officer safety, officers should make reasonable accommodations to permit a driver/owner to retrieve small items of value or personal need (e.g., cash, jewelry, cell phone, prescriptions) that are not considered evidence or contraband.

Vehicle Towing and Release

If a search of a vehicle leaves the vehicle or any property contained therein vulnerable to unauthorized entry, theft, or damage, personnel conducting the search shall take such steps as are reasonably necessary to secure and/or preserve the vehicle or property from such hazards.

510.6 RELEASE OF VEHICLE

The Department will maintain a listed, 24-hour telephone number to provide information regarding impoundment of vehicles and the right of the registered owner to request a storage hearing. Releases for towed vehicles will be made available during regular, non-emergency business hours (Vehicle Code § 14602.6).

- (a) Vehicles removed pursuant to Vehicle Code § 22850 shall be released after proof of current registration is provided by the owner or the person in control of the vehicle and after all applicable fees are paid (Vehicle Code § 22850.3; Vehicle Code § 22850.5).
- (b) Vehicles removed that require payment of parking fines or proof of valid driver's license shall only be released upon presentation of proof of compliance, proof of payment, completion of affidavit, and payment of applicable fees related to the removal (Vehicle Code § 22651 et seq., Vehicle Code § 22652 et seq., Vehicle Code § 22850.3; Vehicle Code § 22850.5).
- (c) A vehicle removed pursuant to Vehicle Code § 14602.6(a) shall be released to the registered owner or his/her agent with proof of current registration, proof of a valid driver's license, and applicable fees paid prior to the end of the 30-day impoundment period under any of the following circumstances:
 - 1. The vehicle was stolen.
 - 2. If the driver reinstates his/her driver's license or acquires a license and provides proof of proper insurance.
 - 3. Any other circumstance as set forth in Vehicle Code § 14602.6.
 - 4. When there is no remaining community caretaking need to continue impound of the vehicle or the continued impound would not otherwise comply with the Fourth Amendment.
- (d) An autonomous vehicle removed under authority of Vehicle Code § 22651(o)(1)(D) shall be released to the registered owner or person in control of the autonomous vehicle if the requirements of Vehicle Code § 22651(o)(3)(B) are met.

Personnel whose duties include releasing towed vehicles should consult the Vehicle Code under which the vehicle was towed or impounded for any specific requirements prior to release.

Employees who suspect that a vehicle was impounded in error should promptly advise a supervisor. Supervisors should approve, when appropriate, the release of the vehicle without requiring the registered owner or his/her agent to request a hearing, as described in the Vehicle Impound Hearings Policy.

510.7 TOWING FOR EXPIRED REGISTRATION

Prior to a member removing a vehicle that is found to have expired registration for more than six months, the member shall verify that no current registration exists with the Department of

Auburn Police Department

Vehicle Towing and Release

Motor Vehicles (DMV). If current registration exists with the DMV, the vehicle shall not be removed (Vehicle Code § 22651(o)(1)(A)).

Vehicle Impound Hearings

512.1 PURPOSE AND SCOPE

This policy establishes a procedure for the requirement to provide vehicle storage or impound hearings pursuant to Vehicle Code § 22852.

512.2 STORED OR IMPOUND HEARING

When a vehicle is stored or impounded by any member of the Auburn Police Department, a hearing will be conducted upon the request of the registered or legal owner of the vehicle or his/her agent (Vehicle Code § 22650(a); Vehicle Code § 22852(a)).

The hearing shall be conducted within 48 hours of the request, excluding weekends and holidays. The hearing officer must be a person other than the person who directed the storage or impound of the vehicle (Vehicle Code § 22852(c)).

512.2.1 HEARING PROCEDURES

The vehicle storage hearing is an informal process to evaluate the validity of an order to store or impound a vehicle. The employee who caused the storage or removal of the vehicle does not need to be present for this hearing.

All requests for a hearing on a stored or impounded vehicle shall be submitted in person, in writing or by telephone within 10 days of the date appearing on the notice (Vehicle Code § 22852(b)). The Patrol Lieutenant will generally serve as the hearing officer. The person requesting the hearing may record the hearing at his/her own expense.

The failure of either the registered or legal owner or interested person or his/her agent to request a hearing in a timely manner or to attend a scheduled hearing shall be considered a waiver of and satisfaction of the post-storage hearing requirement (Vehicle Code § 22851.3(e)(2); Vehicle Code § 22852(d)).

Any relevant evidence may be submitted and reviewed by the hearing officer to determine if reasonable grounds have been established for the storage or impound of the vehicle. The initial burden of proof established by a preponderance of the evidence that the storage/impound was based on probable cause rests with the Department.

After consideration of all information, the hearing officer shall determine the validity of the storage or impound of the vehicle in question and then render a decision. The hearing officer shall also consider any mitigating circumstances attendant to the storage that reasonably would warrant the release of the vehicle or a modification or reduction of the period the vehicle is impounded (Vehicle Code § 14602.6(b); Vehicle Code § 14602.8(b)).

Aside from those mitigating circumstances enumerated in the Vehicle Code, the registered owner's lack of actual knowledge that the driver to whom the vehicle was loaned was not validly licensed may constitute a mitigating circumstance under Vehicle Code § 14602.6(b) or 14602.8(b), warranting release of the vehicle. This mitigating circumstance exception is not limited to situations

Auburn Police Department

Auburn PD Policy Manual

Vehicle Impound Hearings

where the owner made a reasonable inquiry as to the licensed status of the driver before lending the vehicle.

The legislative intent and this department's policy is to prevent unlicensed driving pursuant to Vehicle Code §14602.6. If this purpose is not furthered by the continued impoundment of a vehicle, release is most often appropriate.

- (a) If a decision is made that reasonable grounds for storage or impound have been established, the hearing officer shall advise the inquiring party of the decision and that the inquiring party may pursue further civil remedies if desired.
 - 1. If mitigating circumstances are found to be relevant, the hearing officer shall make reasonable adjustments to the impound period, storage or assessment of fees as warranted.
- (b) If a decision is made that reasonable grounds for storage or impound have not been established or sufficient mitigating circumstances exist, the vehicle in storage shall be released immediately. Towing and storage fees will be paid at the Department's expense (Vehicle Code § 22852(e)).
- (c) If a decision is made that reasonable grounds for storage have not been established or sufficient mitigating circumstances exist, and the vehicle has been released with fees having been paid, the receipt for such fees will be forwarded with a letter to the appropriate Division Commander. The hearing officer will recommend to the appropriate Division Commander that the fees paid by the registered or legal owner of the vehicle in question or their agent be reimbursed by the Department.

Impaired Driving

514.1 PURPOSE AND SCOPE

This policy provides guidance to those department members who play a role in the detection and investigation of driving under the influence (DUI).

514.2 POLICY

The Auburn Police Department is committed to the safety of the roadways and the community and will pursue fair but aggressive enforcement of California's impaired driving laws.

514.3 INVESTIGATIONS

Officers should not enforce DUI laws to the exclusion of their other duties unless specifically assigned to DUI enforcement. All officers are expected to enforce these laws with due diligence.

The Patrol Lieutenant will develop and maintain, in consultation with the prosecuting attorney, report forms with appropriate checklists to assist investigating officers in documenting relevant information and maximizing efficiency. Any DUI investigation will be documented using these forms. Information documented elsewhere on the form does not need to be duplicated in the report narrative. Information that should be documented includes, at a minimum:

- (a) The field sobriety tests (FSTs) administered and the results.
- (b) The officer's observations that indicate impairment on the part of the individual, and the officer's health-related inquiries that may help to identify any serious health concerns (e.g., diabetic shock).
- (c) Sources of additional information (e.g., reporting party, witnesses) and their observations.
- (d) Information about any audio and/or video recording of the individual's driving or subsequent actions.
- (e) The location and time frame of the individual's vehicle operation and how this was determined.
- (f) Any prior related convictions in California or another jurisdiction.

514.4 FIELD TESTS

The Patrol Lieutenant should identify standardized FSTs and any approved alternate tests for officers to use when investigating violations of DUI laws.

514.5 CHEMICAL TESTS

A person implies consent to a chemical test or tests, and to providing the associated chemical sample, under any of the following (Vehicle Code § 23612):

- (a) The person is arrested for driving a vehicle while under the influence, pursuant to Vehicle Code § 23152.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Impaired Driving

- (b) The person is under 21 years of age and is arrested by an officer having reasonable cause to believe that the person's blood alcohol content is 0.05 or more (Vehicle Code § 23140).
- (c) The person is under 21 years of age and detained by an officer having reasonable cause to believe that the person was driving a vehicle while having a blood alcohol content of 0.01 or more (Vehicle Code § 23136).
- (d) The person was operating a vehicle while under the influence and proximately caused bodily injury to another person (Vehicle Code § 23153).

If a person withdraws this implied consent, or is unable to withdraw consent (e.g., the person is unconscious), the officer should consider implied consent revoked and proceed as though the person has refused to provide a chemical sample.

514.5.1 CHOICE OF TESTS

Officers shall respect a viable choice of chemical test made by an arrestee, as provided for by law (e.g., breath will not be acceptable for suspected narcotics influence).

A person arrested for DUI has the choice of whether the test is of the person's blood or breath, and the officer shall advise the person that the person has that choice. If the person arrested either is incapable, or states that the person is incapable, of completing the chosen test, the person shall submit to the remaining test.

If the person chooses to submit to a breath test and there is reasonable cause to believe that the person is under the influence of a drug or the combined influence of alcohol and any drug, the officer may also request that the person submit to a blood test. If the person is incapable of completing a blood test, the person shall submit to and complete a urine test (Vehicle Code § 23612(a)(2)(C)).

514.5.2 BREATH SAMPLES

The Patrol Lieutenant should ensure that all devices used for the collection and analysis of breath samples are properly serviced and tested, and that a record of such service and testing is properly maintained.

Officers obtaining a breath sample should monitor the device for any sign of malfunction. Any anomalies or equipment failures should be noted in the appropriate report and promptly reported to the Patrol Lieutenant.

When the arrested person chooses a breath test, the handling officer shall advise the person that the breath-testing equipment does not retain a sample, and the person may, if desired, provide a blood or urine specimen, which will be retained to facilitate subsequent verification testing (Vehicle Code § 23614).

The officer should also require the person to submit to a blood test if the officer has a clear indication that a blood test will reveal evidence of any drug or the combined influence of an

Auburn Police Department

Auburn PD Policy Manual

alcoholic beverage and any drug. Evidence of the officer's belief shall be included in the officer's report (Vehicle Code § 23612(a)(2)(C)).

514.5.3 BLOOD SAMPLES

Only persons authorized by law to draw blood shall collect blood samples (Vehicle Code § 23158). The blood draw should be witnessed by the assigned officer. No officer, even if properly certified, should perform this task.

Officers should inform an arrestee that if the arrestee chooses to provide a blood sample, a separate sample can be collected for alternate testing. Unless medical personnel object, two samples should be collected and retained as evidence, so long as only one puncture is required.

The blood sample shall be packaged, marked, handled, stored, and transported as required by the testing facility.

If an arrestee cannot submit to a blood draw because the arrestee has a bleeding disorder or has taken medication that inhibits coagulation, the arrestee shall not be required to take a blood test. Such inability to take a blood test should not be considered a refusal. However, that arrestee may be required to complete another available and viable test.

514.5.4 URINE SAMPLES

If a urine test will be performed, the arrestee should be promptly transported to the appropriate testing site. The officer shall follow any directions accompanying the urine evidence collection kit.

Urine samples shall be collected and witnessed by an officer or jail staff member of the same sex as the individual giving the sample. The arrestee should be allowed sufficient privacy to maintain the arrestee's dignity, to the extent possible, while still ensuring the accuracy of the sample (Vehicle Code § 23158(i)).

The sample shall be packaged, marked, handled, stored, and transported as required by the testing facility.

514.5.5 STATUTORY NOTIFICATIONS

Officers requesting that a person submit to chemical testing shall provide the person with the mandatory warning pursuant to Vehicle Code § 23612(a)(1)(D) and Vehicle Code § 23612(a)(4).

514.5.6 PRELIMINARY ALCOHOL SCREENING

Officers may use a preliminary alcohol screening (PAS) test to assist in establishing reasonable cause to believe a person is DUI. The officer shall advise the person that the PAS test is being requested to assist in determining whether the person is under the influence of alcohol or drugs, or a combination of the two. Unless the person is under the age of 21, the person shall be advised that the PAS test is voluntary. The officer shall also advise the person that submitting to a PAS test does not satisfy the person's obligation to submit to a chemical test as otherwise required by law (Vehicle Code § 23612).

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Impaired Driving

514.5.7 PRELIMINARY ALCOHOL SCREENING FOR A PERSON UNDER AGE 21

If an officer lawfully detains a person under 21 years of age who is driving a motor vehicle and the officer has reasonable cause to believe that the person has a blood alcohol content of 0.01 or more, the officer shall request that the person take a PAS test to determine the presence of alcohol in the person, if a PAS test device is immediately available. If a PAS test device is not immediately available, the officer may request the person to submit to chemical testing of the person's blood, breath, or urine, conducted pursuant to Vehicle Code § 23612 (Vehicle Code § 13388).

If the person refuses to take or fails to complete the PAS test or other chemical test, or if the result of either test reveals a blood alcohol content of 0.01 or more, the officer shall proceed to serve the person with a notice of order of suspension pursuant to this policy (Vehicle Code § 13388).

514.6 REFUSALS

When an arrestee refuses to provide a viable chemical sample, officers should:

- (a) Advise the arrestee of the requirement to provide a sample (Vehicle Code § 23612).
- (b) Audio- and/or video-record the admonishment when it is practicable.
- (c) Document the refusal in the appropriate report.

514.6.1 BLOOD SAMPLE WITHOUT CONSENT

A blood sample may be obtained from a person who refuses a chemical test when any of the following conditions exist:

- (a) A search warrant has been obtained (Penal Code § 1524).
- (b) The officer can articulate that exigent circumstances exist. Exigency does not exist solely because of the short time period associated with the natural dissipation of alcohol or controlled or prohibited substances in the person's bloodstream. Exigency can be established by the existence of special facts such as a lengthy time delay in obtaining a blood sample due to an accident investigation or medical treatment of the person.

514.6.2 FORCED BLOOD SAMPLE

If an arrestee indicates by word or action that the person will physically resist a blood draw, the officer should request a supervisor to respond.

The responding supervisor should:

- (a) Evaluate whether using force to obtain a blood sample is appropriate under the circumstances.
- (b) Ensure that all attempts to obtain a blood sample through force cease if the person agrees to, and completes a viable form of testing in a timely manner.
- (c) Advise the person of the person's duty to provide a sample (even if this advisement was previously done by another officer) and attempt to persuade the individual to submit to such a sample without physical resistance.
 - 1. This dialogue should be recorded on audio and/or video if practicable.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Impaired Driving

- (d) Ensure that the blood sample is taken in a medically approved manner.
- (e) Ensure the forced blood draw is recorded on audio and/or video when practicable.
- (f) Monitor and ensure that the type and level of force applied appears reasonable under the circumstances:
 - 1. Unless otherwise provided in a warrant, force should generally be limited to handcuffing or similar restraint methods.
 - 2. In misdemeanor cases, if the arrestee becomes violent or more resistant, no additional force will be used and a refusal should be noted in the report.
 - 3. In felony cases, force which reasonably appears necessary to overcome the resistance to the blood draw may be permitted.
- (g) Ensure the use of force and methods used to accomplish the collection of the blood sample are documented in the related report.

If a supervisor is unavailable, officers are expected to use sound judgment and perform as a responding supervisor, as set forth above.

514.6.3 STATUTORY NOTIFICATIONS UPON REFUSAL

Upon refusal to submit to a chemical test as required by law, officers shall personally serve the notice of order of suspension upon the arrestee and take possession of any state-issued license to operate a motor vehicle that is held by that individual (Vehicle Code § 23612(e); Vehicle Code § 23612(f)).

514.7 RECORDS BUREAU RESPONSIBILITIES

The Records Communication Supervisor will ensure that all case-related records are transmitted according to current records procedures and as required by the prosecuting attorney's office.

514.8 ADMINISTRATIVE HEARINGS

The Records Communication Supervisor will ensure that all appropriate reports and documents related to administrative license suspensions are reviewed and forwarded to DMV.

Any officer who receives notice of required attendance to an administrative license suspension hearing should promptly notify the prosecuting attorney.

An officer called to testify at an administrative hearing should document the hearing date and DMV file number in a supplemental report. Specific details of the hearing generally should not be included in the report unless errors, additional evidence or witnesses are identified.

514.9 TRAINING

The Training Manager should ensure that officers participating in the enforcement of DUI laws receive regular training. Training should include, at minimum, current laws on impaired driving, investigative techniques and rules of evidence pertaining to DUI investigations. The Training Manager should confer with the prosecuting attorney's office and update training topics as needed.

514.10.1 WARRANTLESS ARREST

In addition to the arrest authority granted to officers pursuant to Penal Code § 836, an officer may make a warrantless arrest of a person that the officer has reasonable cause to believe has been driving under the influence of an alcoholic beverage or any drug, or under the combined influence of the same when (Vehicle Code § 40300.5):

- (a) The person is involved in a traffic crash.
- (b) The person is observed in or about a vehicle that is obstructing the roadway.
- (c) The person will not be apprehended unless immediately arrested.
- (d) The person may cause injury to themselves or damage property unless immediately arrested.

514.10.2 OFFICER RESPONSIBILITIES

The officer serving the arrested person with a notice of an order of suspension shall immediately (Vehicle Code § 23612):

- (a) Forward a copy of the completed notice of suspension or revocation form and any confiscated driver's license to the Department of Motor Vehicles (DMV).
- (b) Forward a sworn report to DMV that contains the required information in Vehicle Code § 13380.
- (c) Forward the results to the appropriate forensic laboratory if the person submitted to a blood or urine test.

Traffic Citations

516.1 PURPOSE AND SCOPE

This policy outlines the responsibility for traffic citations, the procedure for dismissal, correction, and voiding of traffic citations.

516.2 RESPONSIBILITIES

The Patrol Lieutenant or the Operations or Administrative Commander as assigned shall be responsible for the development and design of all Department traffic citations in compliance with state law and the Judicial Council.

The Records Bureau shall be responsible for the supply and accounting of all traffic citations issued to employees of this department.

516.3 DISMISSAL OF TRAFFIC CITATIONS

Employees of this department do not have the authority to dismiss a citation once it has been issued. Only the court has the authority to dismiss a citation that has been issued (Vehicle Code § 40500(d)). Any request from a recipient to dismiss a citation shall be referred to the Traffic Bureau Manager. Upon a review of the circumstances involving the issuance of the traffic citation, the Traffic Bureau Manager may request the Operations Division Commander to recommend dismissal of the traffic citation. If approved, the citation will be forwarded to the appropriate court with a request for dismissal. All recipients of traffic citations whose request for the dismissal of a traffic citation has been denied shall be referred to the appropriate court.

Should an officer determine during a court proceeding that a traffic citation should be dismissed in the interest of justice or where prosecution is deemed inappropriate the officer may request the court to dismiss the citation. Upon dismissal of the traffic citation by the court, the officer shall notify his/her immediate supervisor of the circumstances surrounding the dismissal and shall complete any paperwork as directed or required. The citation dismissal shall then be forwarded to the Operations Division Commander for review.

516.4 VOIDING TRAFFIC CITATIONS

Voiding a traffic citation may occur when a traffic citation has not been completed or where it is completed, but not issued. All copies of the citation shall be presented to a supervisor to approve the voiding of the citation. The citation and copies shall then be forwarded to the Traffic Bureau or the Operations Division Commander, who will review and forward to the office of the Chief of Police for filing/record keeping, etc.

516.5 CORRECTION OF TRAFFIC CITATIONS

When a traffic citation is issued and in need of correction, the officer issuing the citation shall submit the citation and a letter requesting a specific correction to his/her immediate supervisor. The citation and letter shall then be forwarded to the Traffic Bureau. The Traffic Bureau shall prepare a letter of correction to the court having jurisdiction and to the recipient of the citation.

516.6 DISPOSITION OF TRAFFIC CITATIONS

The court and file copies of all traffic citations issued by members of this department shall be forwarded to the employee's immediate supervisor for review. The citation copies shall then be filed with the Records Bureau.

Upon separation from employment with this department, all employees issued traffic citation books shall return any unused citations to the Records Bureau.

516.7 NOTICE OF PARKING VIOLATION APPEAL PROCEDURE

Disposition of notice of parking violation appeals is conducted pursuant to Vehicle Code § 40215.

516.7.1 APPEAL STAGES

Appeals may be pursued sequentially at three different levels (Vehicle Code § 40215; Vehicle Code § 40230):

- (a) Administrative reviews are conducted by the Traffic Bureau who will review written/ documentary data. Requests for administrative reviews are available at the front desk or Traffic Bureau of the Auburn Police Department. These requests are informal written statements outlining why the notice of parking violation should be dismissed. Copies of documentation relating to the notice of parking violation and the request for dismissal must be mailed to the current mailing address of the processing agency.
- (b) If the appellant wishes to pursue the matter beyond administrative review, an administrative hearing may be conducted in person or by written application, at the election of the appellant. Independent referees review the existent administrative file, amendments, and/or testimonial material provided by the appellant and may conduct further investigation or follow-up on their own.
- (c) If the appellant wishes to pursue the matter beyond an administrative hearing, a Superior Court review may be presented in person by the appellant after an application for review and designated filing fees have been paid to the Superior Court of California.

516.7.2 TIME REQUIREMENTS

Administrative review or appearance before a hearing examiner will not be provided if the mandated time limits are not adhered to by the violator.

- (a) Requests for an administrative review must be postmarked within 21 calendar days of issuance of the notice of parking violation, or within 14 calendar days of the mailing of the Notice of Delinquent Parking Violation (Vehicle Code § 40215(a)).
- (b) Requests for administrative hearings must be made no later than 21 calendar days following the notification mailing of the results of the administrative review (Vehicle Code § 40215(b)).
- (c) An administrative hearing shall be held within 90 calendar days following the receipt of a request for an administrative hearing, excluding time tolled pursuant to Vehicle Code § 40200 - 40225. The person requesting the hearing may request one continuance, not to exceed 21 calendar days (Vehicle Code § 40215).

- (d) Registered owners of vehicles may transfer responsibility for the violation via timely affidavit of non-liability when the vehicle has been transferred, rented or under certain other circumstances (Vehicle Code § 40209; Vehicle Code § 40210).

516.7.3 COSTS

- (a) There is no cost for an administrative review.
- (b) Appellants must deposit the full amount due for the citation before receiving an administrative hearing, unless the person is indigent, as defined in Vehicle Code § 40220, and provides satisfactory proof of inability to pay (Vehicle Code § 40215).
- (c) An appeal through Superior Court requires prior payment of filing costs, including applicable court charges and fees. These costs will be reimbursed to the appellant in addition to any previously paid fines if appellant's liability is overruled by the Superior Court.

516.8 JUVENILE CITATIONS

Completion of traffic citation forms for juveniles may vary slightly from the procedure for adults. The juvenile's age, place of residency, and the type of offense should be considered before issuing the juvenile a citation.

Disabled Vehicles

520.1 PURPOSE AND SCOPE

Vehicle Code § 20018 provides that all law enforcement agencies having responsibility for traffic enforcement may develop and adopt a written policy to provide assistance to motorists in disabled vehicles within their primary jurisdiction.

520.2 OFFICER RESPONSIBILITY

When an on-duty officer observes a disabled vehicle on the roadway, the officer should make a reasonable effort to provide assistance. If that officer is assigned to a call of higher priority, the dispatcher should be advised of the location of the disabled vehicle and the need for assistance. The dispatcher should then assign another available officer to respond for assistance as soon as practical.

520.3 EXTENT OF ASSISTANCE

In most cases, a disabled motorist will require assistance. After arrangements for assistance are made, continued involvement by department personnel will be contingent on the time of day, the location, the availability of departmental resources, and the vulnerability of the disabled motorist.

520.3.1 MECHANICAL REPAIRS

Department personnel shall not make mechanical repairs to a disabled vehicle. The use of push bumpers to relocate vehicles to a position of safety is not considered a mechanical repair.

520.3.2 RELOCATION OF DISABLED VEHICLES

The relocation of disabled vehicles by members of this department by pushing or pulling a vehicle should only occur when the conditions reasonably indicate that immediate movement is necessary to reduce a hazard presented by the disabled vehicle.

520.3.3 RELOCATION OF DISABLED MOTORIST

The relocation of a disabled motorist should only occur with the person's consent and should be suggested when conditions reasonably indicate that immediate movement is necessary to mitigate a potential hazard. The department member may stay with the disabled motorist or transport him/her to a safe area to await pickup.

520.4 PUBLIC ACCESS TO THIS POLICY

This written policy is available upon request.

72-Hour Parking Violations

524.1 PURPOSE AND SCOPE

This policy provides procedures for the marking, recording, and storage of vehicles parked in violation of the Auburn City Ordinance regulating 72-hour parking violations and abandoned vehicles under the authority of Vehicle Code § 22669.

524.2 MARKING VEHICLES

Vehicles suspected of being in violation of the City of Auburn 72-Hour Parking Ordinance shall be marked and noted on the Auburn Police Department Marked Vehicle Card. No case number is required at this time.

A visible chalk mark should be placed on the left rear tire tread at the fender level unless missing tires or other vehicle conditions prevent marking. Any deviation in markings shall be noted on the Marked Vehicle Card. The investigating employee should make a good faith effort to notify the owner of any vehicle subject to towing prior to having the vehicle removed. This may be accomplished by personal contact, telephone or by leaving notice attached to the vehicle at least 24 hours prior to removal.

All Marked Vehicle Cards shall be submitted to the Traffic Bureau for computer data entry.

If a marked vehicle has been moved or the markings have been removed during a 72-hour investigation period, the vehicle shall be marked again for the 72-hour parking violation and a Marked Vehicle Card completed and forwarded to the Traffic Bureau.

Parking citations for the 72-hour parking ordinance shall not be issued when the vehicle is stored for the 72-hour parking violation.

524.2.1 MARKED VEHICLE FILE

The Traffic Bureau shall be responsible for maintaining a file for all Marked Vehicle Cards.

Parking control officers assigned to the Traffic Bureau shall be responsible for the follow up investigation of all 72-hour parking violations noted on the Marked Vehicle Cards.

524.2.2 VEHICLE STORAGE

Any vehicle in violation shall be stored by the authorized towing service and a vehicle storage report shall be completed by the officer authorizing the storage of the vehicle.

The storage report form shall be submitted to the Records Bureau immediately following the storage of the vehicle. It shall be the responsibility of the Records Bureau to immediately notify the Stolen Vehicle System (SVS) of the Department of Justice in Sacramento (Vehicle Code § 22851.3(b)). Notification may also be made to the National Law Enforcement Telecommunications System (NLETS)(Vehicle Code § 22854.5).

Within 48 hours of the storage of any such vehicle, excluding weekends and holidays, it shall be the responsibility of the Records Bureau to determine the names and addresses of any individuals

having an interest in the vehicle through DMV or CLETS computers. Notice to all such individuals shall be sent first-class or certified mail pursuant to Vehicle Code § 22851.3(d).

Chapter 6 - Investigation Operations

Investigation and Prosecution

600.1 PURPOSE AND SCOPE

The purpose of this policy is to set guidelines and requirements pertaining to the handling and disposition of criminal investigations.

600.2 POLICY

It is the policy of the Auburn Police Department to investigate crimes thoroughly and with due diligence, and to evaluate and prepare criminal cases for appropriate clearance or submission to a prosecutor.

600.3 INITIAL INVESTIGATION

600.3.1 OFFICER RESPONSIBILITIES

An officer responsible for an initial investigation shall complete no less than the following:

- (a) Make a preliminary determination of whether a crime has been committed by completing, at a minimum:
 - 1. An initial statement from any witnesses or complainants.
 - 2. A cursory examination for evidence.
- (b) If information indicates a crime has occurred, the officer shall:
 - 1. Preserve the scene and any evidence as required to complete the initial and follow-up investigation.
 - 2. Determine if additional investigative resources (e.g., investigators or scene processing) are necessary and request assistance as required.
 - 3. If assistance is warranted, or if the incident is not routine, notify a supervisor or the Shift Supervisor.
 - 4. Make reasonable attempts to locate, identify and interview all available victims, complainants, witnesses and suspects.
 - 5. Collect any evidence.
 - 6. Take any appropriate law enforcement action.
 - 7. Complete and submit the appropriate reports and documentation.
- (c) If the preliminary determination is that no crime occurred, determine what other action may be necessary, what other resources may be available, and advise the informant or complainant of this information.

600.3.2 PROFESSIONAL STAFF MEMBER RESPONSIBILITIES

A professional staff member assigned to any preliminary investigation is responsible for all investigative steps, except making any attempt to locate, contact or interview a suspect face-to-face or take any enforcement action. Should an initial investigation indicate that those steps are required, the assistance of an officer shall be requested.

600.4 CUSTODIAL INTERROGATION REQUIREMENTS

Suspects who are in custody and subjected to an interrogation shall be given the *Miranda* warning, unless an exception applies. Interview or interrogation of a juvenile shall be in accordance with the Temporary Custody of Juveniles Policy.

600.4.1 AUDIO/VIDEO RECORDINGS

Any custodial interrogation of an individual who is suspected of having committed any violent felony offense should be recorded (audio or video with audio as available) in its entirety. Regardless of where the interrogation occurs, every reasonable effort should be made to secure functional recording equipment to accomplish such recordings.

Consideration should also be given to recording a custodial interrogation, or any investigative interview, for any other offense when it is reasonable to believe it would be appropriate and beneficial to the investigation and is otherwise allowed by law.

No recording of a custodial interrogation should be destroyed or altered without written authorization from the prosecuting attorney and the Criminal Investigations Division supervisor. Copies of recorded interrogations or interviews may be made in the same or a different format as the original recording, provided the copies are true, accurate and complete and are made only for authorized and legitimate law enforcement purposes.

Recordings should not take the place of a thorough report and investigative interviews.

600.4.2 MANDATORY RECORDING OF ADULTS

Any custodial interrogation of an adult who is suspected of having committed any murder shall be recorded in its entirety. The recording should be video with audio if reasonably feasible (Penal Code § 859.5).

This recording is not mandatory when (Penal Code § 859.5):

- (a) Recording is not feasible because of exigent circumstances that are later documented in a report.
- (b) The suspect refuses to have the interrogation recorded, including a refusal any time during the interrogation, and the refusal is documented in a report. If feasible, the refusal shall be electronically recorded.
- (c) The custodial interrogation occurred in another state by law enforcement officers of that state, unless the interrogation was conducted with the intent to avoid the requirements of Penal Code § 859.5.
- (d) The interrogation occurs when no member conducting the interrogation has a reason to believe that the individual may have committed murder. Continued custodial interrogation concerning that offense shall be electronically recorded if the interrogating member develops a reason to believe the individual committed murder.
- (e) The interrogation would disclose the identity of a confidential informant or would jeopardize the safety of an officer, the individual being interrogated or another individual. Such circumstances shall be documented in a report.

Auburn Police Department

Investigation and Prosecution

- (f) A recording device fails despite reasonable maintenance and the timely repair or replacement is not feasible.
- (g) The questions are part of a routine processing or booking, and are not an interrogation.
- (h) The suspect is in custody for murder and the interrogation is unrelated to a murder. However, if any information concerning a murder is mentioned during the interrogation, the remainder of the interrogation shall be recorded.

The Department shall maintain an original or an exact copy of the recording until a conviction relating to the interrogation is final and all appeals are exhausted or prosecution is barred by law (Penal Code § 859.5).

600.5 DISCONTINUATION OF INVESTIGATIONS

The investigation of a criminal case or efforts to seek prosecution should only be discontinued if one of the following applies:

- (a) All reasonable investigative efforts have been exhausted, no reasonable belief that the person who committed the crime can be identified, and the incident has been documented appropriately.
- (b) The perpetrator of a misdemeanor has been identified and a warning is the most appropriate disposition.
 - 1. In these cases, the investigator shall document that the person was warned and why prosecution was not sought.
 - 2. Warnings shall not be given for felony offenses or other offenses identified in this policy or by law that require an arrest or submission of a case to a prosecutor.
- (c) The case has been submitted to the appropriate prosecutor but no charges have been filed. Further investigation is not reasonable nor has the prosecutor requested further investigation.
- (d) The case has been submitted to the appropriate prosecutor, charges have been filed, and further investigation is not reasonable, warranted, or requested, and there is no need to take the suspect into custody.
- (e) Suspects have been arrested, there are no other suspects, and further investigation is either not warranted, or requested.
- (f) Investigation has proven that a crime was not committed (see the Sexual Assault Investigations Policy for special considerations in these cases).

The Domestic Violence, Child Abuse, Sexual Assault Investigations, and Senior and Disability Victimization policies may also require an arrest or submittal of a case to a prosecutor.

600.6 COMPUTERS AND DIGITAL EVIDENCE

The collection, preservation, transportation and storage of computers, cell phones and other digital devices may require specialized handling to preserve the value of the related evidence. If it is anticipated that computers or similar equipment will be seized, officers should consult with

600.7 INVESTIGATIVE USE OF SOCIAL MEDIA AND INTERNET SOURCES

Use of social media and any other internet source to access information for the purpose of criminal investigation shall comply with applicable laws and policies regarding privacy, civil rights, and civil liberties. Information gathered via the internet should only be accessed by members while on-duty and for purposes related to the mission of this department. If a member encounters information relevant to a criminal investigation while off-duty or while using the member's own equipment, the member should note the dates, times, and locations of the information and report the discovery to the member's supervisor as soon as practicable. The member, or others who have been assigned to do so, should attempt to replicate the finding when on-duty and using department equipment.

Information obtained via the internet should not be archived or stored in any manner other than department-established record keeping systems (see the Records Maintenance and Release and the Criminal Organizations policies).

600.7.1 ACCESS RESTRICTIONS

Information that can be accessed from any department computer, without the need of an account, password, email address, alias, or other identifier (unrestricted websites), may be accessed and used for legitimate investigative purposes without supervisory approval.

Accessing information from any internet source that requires the use or creation of an account, password, email address, alias or other identifier, or the use of nongovernment IP addresses, requires supervisor approval prior to access. The supervisor will review the justification for accessing the information and consult with legal counsel as necessary to identify any policy or legal restrictions. Any such access and the supervisor approval shall be documented in the related investigative report.

Accessing information that requires the use of a third party's account or online identifier requires supervisor approval and the consent of the third party. The consent must be voluntary and shall be documented in the related investigative report.

Information gathered from any internet source should be evaluated for its validity, authenticity, accuracy, and reliability. Corroborative evidence should be sought and documented in the related investigative report.

Any information collected in furtherance of an investigation through an internet source should be documented in the related report. Documentation should include the source of information and the dates and times that the information was gathered.

600.7.2 INTERCEPTING ELECTRONIC COMMUNICATION

Intercepting social media communications in real time may be subject to federal and state wiretap laws. Officers should seek legal counsel before any such interception.

600.8 CELLULAR COMMUNICATIONS INTERCEPTION TECHNOLOGY

The Criminal Investigations Division Division Commander is responsible for ensuring the following for cellular communications interception technology operations (Government Code § 53166):

- (a) Security procedures are developed to protect information gathered through the use of the technology.
- (b) A usage and privacy policy is developed that includes:
 - 1. The purposes for which using cellular communications interception technology and collecting information is authorized.
 - 2. Identification by job title or other designation of employees who are authorized to use or access information collected through the use of cellular communications interception technology.
 - 3. Training requirements necessary for those authorized employees.
 - 4. A description of how the Department will monitor the use of its cellular communications interception technology to ensure the accuracy of the information collected and compliance with all applicable laws.
 - 5. Process and time period system audits.
 - 6. Identification of the existence of any memorandum of understanding or other agreement with any other local agency or other party for the shared use of cellular communications interception technology or the sharing of information collected through its use, including the identity of signatory parties.
 - 7. The purpose of, process for and restrictions on the sharing of information gathered through the use of cellular communications interception technology with other local agencies and persons.
 - 8. The length of time information gathered through the use of cellular communications interception technology will be retained, and the process the local agency will utilize to determine if and when to destroy retained information.

Members shall only use approved devices and usage shall be in compliance with department security procedures, the department's usage and privacy procedures and all applicable laws.

600.9 MODIFICATION OF CHARGES FILED

Members are not authorized to recommend to the prosecutor or to any other official of the court that charges on a pending case be amended or dismissed without the authorization of a Division Commander or the Chief of Police. Any authorized request to modify the charges or to recommend dismissal of charges shall be made to the prosecutor.

600.10 USE OF CERTAIN DNA SAMPLES

Known samples of DNA collected from a victim of a crime or alleged crime, and known reference samples of DNA from any individual that were voluntarily provided for the purpose of exclusion are to be used only for the purpose directly related to the incident being investigated and in compliance with the procedures identified in Penal Code § 679.12.

600.11 ANTI-REPRODUCTIVE RIGHTS CRIMES

A member should take a report any time a person living within the jurisdiction of the Auburn Police Department reports that the person has been a victim of an anti-reproductive rights crime as defined by Penal Code § 13776 and Penal Code § 423.3. This includes:

- (a) Taking a report, even if the location of the crime is outside the jurisdiction of this department or has not been determined (e.g., online harassment).
- (b) Providing the victim with the appropriate information, as set forth in the Victim and Witness Assistance Policy. Members should encourage the person to review the material and should assist with any questions.

A report should also be taken if a person living outside department jurisdiction reports an anti-reproductive rights crime that may have been committed or facilitated within this jurisdiction (e.g., use of a post office box in the [city/county] to facilitate the crime).

A member investigating an anti-reproductive rights crime should ensure that the case is referred to the appropriate agency if it is determined that this department should not be the investigating agency. The victim should be advised that the case is being transferred to the agency of jurisdiction. The appropriate entries should be made into any databases that have been authorized for department use and are specific to this type of investigation.

The Criminal Investigations Division supervisor should provide the Records Communication Supervisor with enough information regarding the number of calls for assistance and number of arrests to meet the reporting requirements to the California Department of Justice as required by Penal Code § 13777. See the Records Bureau Policy for additional guidance.

600.12 STATE REQUIREMENTS FOR FIREARM INVESTIGATIONS

600.12.1 CALIFORNIA DOJ NOTICE OF LOCATION OF REPORTED LOST OR STOLEN FIREARM

When notification is received from the California Department of Justice (DOJ) that a firearm purchase matches an entry made into the Automated Firearms System by the Department as lost or stolen, the Criminal Investigations Division supervisor shall assign an officer to retrieve the firearm and book the firearm into evidence in accordance with the Property and Evidence Policy. Recovery of the firearm shall be reported pursuant to Penal Code § 11108.2, Penal Code § 11109.3, and Penal Code § 11108.5. If appropriate, arrangements may be made to have another state or local law enforcement agency retrieve the firearm on behalf of the Department (Penal Code § 28220).

600.12.2 RELINQUISHMENT OF FIREARMS VERIFICATION

The Criminal Investigations Division supervisor shall designate a member to have access to the Armed Prohibited Persons System (APPS) to receive information regarding individuals in the jurisdiction of the Department who have become a prohibited possessor of a firearm registered in their name and have not provided proof of relinquishment. The member shall document steps taken to verify that the individual is no longer in possession of firearms and provide the information

to the Records Bureau for preparation of a quarterly report to the California DOJ (Penal Code § 29813) (see the Records Bureau Policy for additional guidance).

Sexual Assault Investigations

602.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the investigation of sexual assaults. These guidelines will address some of the unique aspects of such cases and the effects that these crimes have on the victims.

Mandatory notifications requirements are addressed in the Child Abuse and Senior and Disability Victimization policies.

602.1.1 DEFINITIONS

Definitions related to this policy include:

Sexual assault - Any crime or attempted crime of a sexual nature, to include but not limited to offenses defined in Penal Code § 243.4, Penal Code § 261 et seq., and Penal Code § 285 et seq.

Sexual Assault Response Team (SART) - A multidisciplinary team generally comprised of advocates; law enforcement officers; forensic medical examiners, including sexual assault forensic examiners (SAFEs) or sexual assault nurse examiners (SANEs) if possible; forensic laboratory personnel; and prosecutors. The team is designed to coordinate a broad response to sexual assault victims.

602.2 POLICY

It is the policy of the Auburn Police Department that its members, when responding to reports of sexual assaults, will strive to minimize the trauma experienced by the victims, and will aggressively investigate sexual assaults, pursue expeditious apprehension and conviction of perpetrators, and protect the safety of the victims and the community.

602.3 QUALIFIED INVESTIGATORS

Qualified investigators should be available for assignment of sexual assault investigations. These investigators should:

- (a) Have specialized training in, and be familiar with, interview techniques and the medical and legal issues that are specific to sexual assault investigations.
- (b) Conduct follow-up interviews and investigation.
- (c) Present appropriate cases of alleged sexual assault to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies and medical personnel as needed.
- (e) Provide referrals to therapy services, victim advocates and support for the victim.
- (f) Participate in or coordinate with SART.

602.4 REPORTING

In all reported or suspected cases of sexual assault, a report should be written and assigned for follow-up investigation. This includes incidents in which the allegations appear unfounded or

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Sexual Assault Investigations

unsubstantiated. The Criminal Investigations Division (CID) will notify the appropriate agencies as outlined in any Memorandums of Understanding (MOUs) or protocols.

602.5 RELEASING INFORMATION TO THE PUBLIC

In cases where the perpetrator is not known to the victim, and especially if there are multiple crimes where more than one appear to be related, consideration should be given to releasing information to the public whenever there is a reasonable likelihood that doing so may result in developing helpful investigative leads. The Criminal Investigations Division supervisor should weigh the risk of alerting the suspect to the investigation with the need to protect the victim and the public, and to prevent more crimes.

602.6 TRAINING

Subject to available resources, periodic training should be provided to:

- (a) Members who are first responders. Training should include:
 - 1. Initial response to sexual assaults.
 - 2. Legal issues.
 - 3. Victim advocacy.
 - 4. Victim's response to trauma.
 - 5. Proper use and handling of the California standardized SAFE kit (Penal Code § 13823.14).
- (b) Qualified investigators, who should receive advanced training on additional topics. Advanced training should include:
 - 1. Interviewing sexual assault victims.
 - 2. SART.
 - 3. Medical and legal aspects of sexual assault investigations.
 - 4. Serial crimes investigations.
 - 5. Use of community and other federal and state investigative resources, such as the Violent Criminal Apprehension Program (VICAP).
 - 6. Techniques for communicating with victims to minimize trauma.

602.7 VICTIM INTERVIEWS

The primary considerations in sexual assault investigations, which begin with the initial call to the Dispatch Center, should be the health and safety of the victim, the preservation of evidence, and preliminary interviews to determine if a crime has been committed and to attempt to identify the suspect.

Whenever possible, a member of SART should be included in the initial victim interviews. An in-depth follow-up interview should not be conducted until after the medical and forensic examinations are completed and the personal needs of the victim have been met (e.g., change of clothes, bathing). The follow-up interview may be delayed to the following day based upon the

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Sexual Assault Investigations

circumstances. Whenever practicable, the follow-up interview should be conducted by a qualified investigator.

No opinion of whether the case is unfounded shall be included in the report.

Victims shall not be asked or required to take a polygraph examination (34 USC § 10451; Penal Code § 637.4).

Victims should be apprised of applicable victim's rights provisions, as outlined in the Victim and Witness Assistance Policy.

All juvenile victims should be afforded the opportunity to participate in a Multi-Disciplinary Interview Center (MDIC) interview and/or as outlined in the Memorandum of Understanding for MDIC.

602.7.1 VICTIM RIGHTS

Whenever there is an alleged sexual assault, the assigned officer shall accomplish the following:

- (a) Prior to the commencement of the initial interview, advise the victim in writing of the right to have a victim advocate and a support person of the victim's choosing present at any interview or contact by law enforcement, about any other rights of a sexual assault victim pursuant to the sexual assault victim card described in Penal Code § 680.2, and the right to have a person of the same or opposite gender present in the room during any interview with a law enforcement official unless no such person is reasonably available (Penal Code § 679.04).
- (b) If the victim is transported to a hospital for any medical evidentiary or physical examination, the officer shall immediately cause the local rape victim counseling center to be notified (Penal Code § 264.2).
 - 1. The officer shall not discourage a victim from receiving a medical evidentiary or physical examination (Penal Code § 679.04).
 - 2. A support person may be excluded from the examination by the officer or the medical provider if the support person's presence would be detrimental to the purpose of the examination (Penal Code § 264.2).

602.7.2 VICTIM CONFIDENTIALITY

Officers investigating or receiving a report of an alleged sex offense shall inform the victim, or the victim's parent or guardian if the victim is a minor, that his/her name will become a matter of public record unless the victim requests that his/her name not be made public. The reporting officer shall document in his/her report that the victim was properly informed and shall include any related response made by the victim, or if a minor, any response made by the victim's parent or guardian (Penal Code § 293).

Except as authorized by law, members of this department shall not publicly disclose the name of any victim of a sex crime who has exercised his/her right to confidentiality (Penal Code § 293).

602.8 COLLECTION AND TESTING OF BIOLOGICAL EVIDENCE

Whenever possible, a SART member should be involved in the collection of forensic evidence from the victim.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Sexual Assault Investigations

When the facts of the case indicate that collection of biological evidence is warranted, it should be collected regardless of how much time has elapsed since the reported assault.

If a drug-facilitated sexual assault is suspected, urine and blood samples should be collected from the victim as soon as practicable.

Subject to requirements set forth in this policy, biological evidence from all sexual assault cases, including cases where the suspect is known by the victim, should be submitted for testing.

Victims who choose not to assist with an investigation, do not desire that the matter be investigated, or wish to remain anonymous may still consent to the collection of evidence under their control. In these circumstances, the evidence should be collected and stored appropriately (Penal Code § 680).

602.8.1 COLLECTION AND TESTING REQUIREMENTS

Members investigating a sexual assault offense should take every reasonable step to ensure that DNA testing of such evidence is performed in a timely manner and within the time periods prescribed by Penal Code § 803(g). SAFE kits should be submitted to the crime lab within 20 days after being booked into evidence (Penal Code § 680).

In order to maximize the effectiveness of such testing and identify the perpetrator of any sexual assault, the assigned officer shall ensure that an information profile for the SAFE kit evidence has been created in the California Department of Justice (DOJ) SAFE-T database within 120 days of collection and should further ensure that the results of any such test have been timely entered into and checked against both the DOJ Cal-DNA database and the Combined DNA Index System (CODIS) (Penal Code § 680.3).

If the assigned officer determines that a SAFE kit submitted to a private vendor laboratory for analysis has not been tested within 120 days after submission, the officer shall update the SAFE-T database to reflect the reason for the delay in testing. The assigned officer shall continue to update the status every 120 days thereafter until the testing is complete, the statute of limitations has run, or the SAFE kit is exempt from the update requirement (Penal Code § 680.3).

If, for any reason, DNA evidence in a sexual assault case in which the identity of the perpetrator is in issue and is not going to be analyzed within 18 months of the crime, the assigned officer shall notify the victim of such fact in writing no less than 60 days prior to the expiration of the 18-month period (Penal Code § 680).

Additional guidance regarding evidence retention and destruction is found in the Property and Evidence Policy.

602.8.2 DNA TEST RESULTS

A SART member should be consulted regarding the best way to deliver biological testing results to a victim so as to minimize victim trauma, especially in cases where there has been a significant delay in getting biological testing results (e.g., delays in testing the evidence or delayed DNA databank hits). Members should make reasonable efforts to assist the victim by providing available

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Sexual Assault Investigations

information on local assistance programs and organizations as provided in the Victim and Witness Assistance Policy.

- (a) Upon receipt of a written request from a sexual assault victim or the victim's authorized designee, members investigating sexual assault cases shall inform the victim of the status of the DNA testing of any evidence from the victim's case (Penal Code § 680).
 - 1. Although such information may be communicated orally, the assigned officer should thereafter follow-up with and retain a copy of confirmation by either written or electronic mail.
 - 2. Absent a written request, no member of this department is required to, but may, communicate with the victim or the victim's authorized designee regarding the status of any DNA testing.
- (b) Sexual assault victims shall further have the following rights (Penal Code § 680):
 - 1. To be informed if a DNA profile of the assailant was obtained from the testing of the SAFE kit or other crime scene evidence from their case.
 - 2. To be informed if there is a confirmed match between the DNA profile of the assailant developed from the evidence and a DNA profile contained in the DOJ Convicted Offender DNA Database, providing that disclosure would not impede or compromise an ongoing investigation.
 - 3. To be informed if the DNA profile of the assailant developed from the evidence has been entered into the DOJ Databank or the federal Department of Justice or Federal Bureau of Investigation CODIS database of case evidence.
 - 4. To access the DOJ SAFE-T database portal consistent with Penal Code § 680.3(e) for information involving their own forensic kit and the status of the kit.
- (c) Provided that the sexual assault victim or the victim's authorized designee has kept the assigned officer informed with regard to current address, telephone number, and email address (if available), any victim or the victim's authorized designee shall, upon request, be advised of any known significant changes regarding the victim's case (Penal Code § 680).
 - 1. Although such information may be communicated orally, the assigned officer should thereafter follow-up with and retain a copy of confirmation by either written or electronic mail.
 - 2. No officer shall be required or expected to release any information which might impede or compromise any ongoing investigation.

602.8.3 STANDARDIZED SEXUAL ASSAULT FORENSIC MEDICAL EVIDENCE KIT

The Property and Evidence Section supervisor should make California standardized sexual assault forensic medical evidence (SAFE) kits available to members who may investigate sexual assault cases. Members investigating a sexual assault should use these SAFE kits when appropriate and follow related usage guidelines issued by the California Clinical Forensic Medical Training Center (Penal Code § 13823.14).

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Sexual Assault Investigations

602.8.4 COLLECTION OF DNA REFERENCE SAMPLES

Reference samples of DNA collected directly from a victim of sexual assault, and reference samples of DNA collected from any individual that were voluntarily provided for the purpose of exclusion, shall be protected as provided in Penal Code § 679.12 (Penal Code § 680).

602.9 DISPOSITION OF CASES

If the assigned investigator has reason to believe the case is without merit, the case may be classified as unfounded only upon review and approval of the Criminal Investigations Division supervisor.

Classification of a sexual assault case as unfounded requires the Criminal Investigations Division supervisor to determine that the facts have significant irregularities with reported information and that the incident could not have happened as it was reported. When a victim has recanted his/her original statement, there must be corroborating evidence that the allegations were false or baseless (i.e., no crime occurred) before the case should be determined as unfounded.

602.10 CASE REVIEW

The Criminal Investigations Division supervisor should ensure case dispositions are reviewed on a periodic basis, at least annually, using an identified group that is independent of the investigation process. The time frames of reviews may be designated by MOUs or protocols in place with other agencies within our County. For example, members of the MDIC, SART and the District Attorney's Office. The reviews should include an analysis of:

- Case dispositions.
- Decisions to collect biological evidence.
- Submissions of biological evidence for lab testing.

The SART and/or victim advocates should be considered for involvement in this audit. Summary reports on these reviews should be forwarded through the chain of command to the Chief of Police or his/her designee. In most cases, all sexual assault investigations will be forwarded to the Placer County District Attorney's Office for review regardless of the case disposition.

Asset Forfeiture

606.1 PURPOSE AND SCOPE

This policy describes the authority and procedure for the seizure, forfeiture and liquidation of property associated with designated offenses.

606.1.1 DEFINITIONS

Definitions related to this policy include:

Fiscal agent - The person designated by the Chief of Police to be responsible for securing and maintaining seized assets and distributing any proceeds realized from any forfeiture proceedings. This includes any time the Auburn Police Department seizes property for forfeiture or when the Auburn Police Department is acting as the fiscal agent pursuant to a multi-agency agreement.

Forfeiture - The process by which legal ownership of an asset is transferred to a government or other authority.

Forfeiture reviewer - The department member assigned by the Chief of Police who is responsible for reviewing all forfeiture cases and for acting as the liaison between the Department and the assigned attorney.

Property subject to forfeiture - The following may be subject to forfeiture:

- (a) Property related to a narcotics offense, which includes (Heath and Safety Code § 11470; Health and Safety Code § 11470.1):
 - 1. Property (not including real property or vehicles) used, or intended for use, as a container for controlled substances, materials to manufacture controlled substances, etc.
 - 2. Interest in a vehicle (car, boat, airplane, other vehicle) used to facilitate the manufacture, possession for sale or sale of specified quantities of controlled substances.
 - 3. Money, negotiable instruments, securities or other things of value furnished or intended to be furnished by any person in exchange for a controlled substance, proceeds traceable to an exchange, etc.
 - 4. Real property when the owner is convicted of violating Health and Safety Code § 11366, Health and Safety Code § 11366.5 or Health and Safety Code § 11366.6 (drug houses) when the property was not used as a family residence or for other lawful purposes, or property owned by two or more persons, one of whom had no knowledge of its unlawful use.
 - 5. The expenses of seizing, eradicating, destroying or taking remedial action with respect to any controlled substance or its precursors upon conviction for the unlawful manufacture or cultivation of any controlled substance or its precursors.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Asset Forfeiture

- (b) Property related to criminal profiteering (may include gang crimes), to include (Penal Code § 186.2; Penal Code § 186.3):
 - 1. Any property interest, whether tangible or intangible, acquired through a pattern of criminal profiteering activity.
 - 2. All proceeds acquired through a pattern of criminal profiteering activity, including all things of value that may have been received in exchange for the proceeds immediately derived from the pattern of criminal profiteering activity.

Seizure - The act of law enforcement officials taking property, cash or assets that have been used in connection with or acquired by specified illegal activities.

606.2 POLICY

The Auburn Police Department recognizes that appropriately applied forfeiture laws are helpful to enforce the law, deter crime and reduce the economic incentive of crime. However, the potential for revenue should never compromise the effective investigation of criminal offenses, officer safety or any person's due process rights.

It is the policy of the Auburn Police Department that all members, including those assigned to internal or external law enforcement task force operations, shall comply with all state and federal laws pertaining to forfeiture.

606.3 ASSET SEIZURE

Property may be seized for forfeiture as provided in this policy.

606.3.1 PROPERTY SUBJECT TO SEIZURE

The following may be seized upon review and approval of a supervisor and in coordination with the forfeiture reviewer:

- (a) Property subject to forfeiture authorized for seizure under the authority of a search warrant or court order.
- (b) Property subject to forfeiture not authorized for seizure under the authority of a search warrant or court order when any of the following apply (Health and Safety Code § 11471; Health and Safety Code § 11488):
 - 1. The property subject to forfeiture is legally seized incident to an arrest.
 - 2. There is probable cause to believe that the property was used or is intended to be used in a violation of the Uniform Controlled Substances Act and the seizing officer can articulate a nexus between the property and the controlled substance offense that would lead to the item being property subject for forfeiture.

Officers aware of assets that may be forfeitable as a result of criminal profiteering or human trafficking should consider contacting the district attorney regarding a court order to protect the assets (Penal Code § 186.6; Penal Code § 236.6).

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Asset Forfeiture

Whenever practicable, a search warrant or court order for seizure prior to making a seizure is the preferred method.

A large amount of money standing alone is insufficient to establish the probable cause required to make a seizure.

606.3.2 PROPERTY NOT SUBJECT TO SEIZURE

The following property should not be seized for forfeiture:

- (a) Cash and property that does not meet the forfeiture counsel's current minimum forfeiture thresholds should not be seized.
- (b) Real property is not subject to seizure, absent exigent circumstances, without a court order (Health and Safety Code § 11471).
- (c) A vehicle which may be lawfully driven on the highway if there is a community property interest in the vehicle by a person other than the suspect and the vehicle is the sole vehicle available to the suspect's immediate family (Health and Safety Code § 11470).
- (d) Vehicles, boats or airplanes owned by an "innocent owner," such as a common carrier with no knowledge of the suspected offense (Health and Safety Code § 11490).
- (e) Any property when the associated activity involves the possession of marijuana or related paraphernalia that is permissible under the Control, Regulate and Tax Adult Use of Marijuana Act (Health and Safety Code § 11362.1).

606.3.3 SEIZED VEHICLES

Vehicles seized subject to forfeiture will be taken to a designated secure storage facility. A seized vehicle should not be impounded. The officer seizing the vehicle shall notify the detective supervisor of the seizure of the vehicle and circumstances of the seizure as soon as possible.

If the vehicle cannot be driven, a tow truck will be used to tow the vehicle to the storage facility.

Personal property located in a seized vehicle shall be removed and booked into Property as either evidence or for safekeeping.

606.4 PROCESSING SEIZED PROPERTY FOR FORFEITURE PROCEEDINGS

When property or cash subject to this policy is seized, the officer making the seizure should ensure compliance with the following:

- (a) Complete applicable seizure forms and present the appropriate copy to the person from whom the property is seized. If cash or property is seized from more than one person, a separate copy must be provided to each person, specifying the items seized. When property is seized and no one claims an interest in the property, the officer must leave the copy in the place where the property was found, if it is reasonable to do so.
- (b) Complete and submit a report and original seizure forms within 24 hours of the seizure, if practicable.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Asset Forfeiture

- (c) Forward the original seizure forms and related reports to the forfeiture reviewer within two days of seizure.

The officer will book seized property as evidence with the notation in the comment section of the property form, "Seized Subject to Forfeiture." Property seized subject to forfeiture should be booked on a separate property form. No other evidence from the case should be booked on this form.

Photographs should be taken of items seized, particularly cash, jewelry and other valuable items.

Officers who suspect property may be subject to seizure but are not able to seize the property (e.g., the property is located elsewhere, the whereabouts of the property is unknown, it is real estate, bank accounts, non-tangible assets) should document and forward the information in the appropriate report to the forfeiture reviewer.

606.5 MAINTAINING SEIZED PROPERTY

The Property and Evidence Section Supervisor is responsible for ensuring compliance with the following:

- (a) All property received for forfeiture is reasonably secured and properly stored to prevent waste and preserve its condition.

606.6 FORFEITURE REVIEWER

The training should be developed in consultation with the appropriate legal counsel and may be accomplished through traditional classroom education, electronic media, Daily Training Bulletins (DTBs) or Department Directives. The training should cover this policy and address any relevant statutory changes and court decisions.

 - 4. Property is promptly released to those entitled to its return (Health and Safety Code § 11488.2).

 9. This policy and any related policies are periodically reviewed and updated to reflect current federal and state statutes and case law.

 - (j) Ensuring that the process of selling or adding forfeited property to the department's regular inventory is in accordance with all applicable laws and consistent with the department's use and disposition of similar property.
 - (k) Keeping a manual that details the statutory grounds for forfeitures and department procedures related to asset forfeiture, including procedures for prompt notice to interest holders, the expeditious release of seized property, where appropriate, and the prompt resolution of claims of innocent ownership (Heath and Safety Code § 11469).
 - (l) Providing copies of seized business records to the person or business from whom such records were seized, when requested (Heath and Safety Code §11471).
 - (m) Notifying the California Franchise Tax Board when there is reasonable cause to believe that the value of seized property exceeds \$5,000.00 (Health and Safety Code § 11471.5).

Forfeiture proceeds should be maintained in a separate fund or account subject to appropriate accounting control, with regular reviews or audits of all deposits and expenditures.

Forfeiture reporting and expenditures should be completed in the manner prescribed by the law and City financial directives (Health and Safety Code § 11495).

606.7 DISPOSITION OF FORFEITED PROPERTY

Forfeited funds distributed under Health and Safety Code § 11489 et seq. shall only be used for purposes allowed by law, but in no case shall a peace officer's employment or salary depend upon the level of seizures or forfeitures he/she achieves (Heath and Safety Code § 11469).

The Department may request a court order so that certain uncontaminated science equipment is relinquished to a school or school district for science classroom education in lieu of destruction (Health and Safety Code § 11473; Health and Safety Code § 11473.5).

606.7.1 RECEIVING EQUITABLE SHARES

When participating in a joint investigation with a federal agency, the Auburn Police Department shall not receive an equitable share from the federal agency of all or a portion of the forfeiture proceeds absent either a required conviction under Health and Safety Code § 11471.2 or the

flight, death or willful failure to appear of the defendant. This does not apply to forfeited cash or negotiable instruments of \$40,000 or more.

606.8 CLAIM INVESTIGATIONS

An investigation shall be made as to any claimant of a vehicle, boat or airplane whose right, title, interest or lien is on the record in the Department of Motor Vehicles or in an appropriate federal agency. If investigation reveals that any person, other than the registered owner, is the legal owner, and that ownership did not arise subsequent to the date and time of arrest or notification of the forfeiture proceedings or seizure of the vehicle, boat or airplane, notice shall be made to the legal owner at his/her address appearing on the records of the Department of Motor Vehicles or the appropriate federal agency (Health and Safety Code § 11488.4).

Informants

608.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the use of informants.

608.1.1 DEFINITIONS

Definitions related to this policy include:

Informant - A person who covertly interacts with other individuals or suspects at the direction of, request of, or by agreement with, the Auburn Police Department for law enforcement purposes. This also includes a person agreeing to supply information to the Auburn Police Department for a benefit (e.g., a quid pro quo in the form of a reduced criminal penalty, money).

608.2 POLICY

The Auburn Police Department recognizes the value of informants to law enforcement efforts and will strive to protect the integrity of the informant process. It is the policy of this department that all funds related to informant payments will be routinely audited and that payments to informants will be made according to the criteria outlined in this policy.

608.3 USE OF INFORMANTS

608.3.1 INITIAL APPROVAL

Before using an individual as an informant, an officer must receive approval from the Criminal Investigatins Division (CID) supervisor. The CID supervisor will get approval from the Placer COunty District Attorney's Office. Staff shall compile sufficient information through a background investigation and experience with the informant in order to determine the suitability of the individual, including age, maturity and risk of physical harm, as well as any indicators of his/her reliability and credibility.

Members of this department should not guarantee absolute safety or confidentiality to an informant.

608.3.2 JUVENILE INFORMANTS

The use of informants under the age of 13 is prohibited.

Except for the enforcement of laws related to the commercial sale of alcohol, marijuana or tobacco products, a juvenile 13 years of age or older may only be used as an informant with the written consent of each of the following:

- (a) The juvenile's parents or legal guardians
- (b) The juvenile's attorney, if any
- (c) The court in which the juvenile's case is being handled, if applicable (Penal Code § 701.5)
- (d) The Chief of Police or the authorized designee

Informants

608.3.3 INFORMANT AGREEMENTS

All informants are required to sign and abide by the provisions of the designated department informant agreement. The officer using the informant shall discuss each of the provisions of the agreement with the informant.

Details of the agreement are to be approved in writing by a supervisor before being finalized with the informant.

608.4 INFORMANT INTEGRITY

To maintain the integrity of the informant process, the following must be adhered to:

- (a) The identity of an informant acting in a confidential capacity shall not be withheld from the Chief of Police, Division Commander, Criminal Investigations Division supervisor or their authorized designees.
 - 1. Identities of informants acting in a confidential capacity shall otherwise be kept confidential.
- (b) Criminal activity by informants shall not be condoned.
- (c) Informants shall be told they are not acting as police officers, employees or agents of the Auburn Police Department, and that they shall not represent themselves as such.
- (d) The relationship between department members and informants shall always be ethical and professional.
 - 1. Members shall not become intimately involved with an informant.
 - 2. Social contact shall be avoided unless it is necessary to conduct an official investigation, and only with prior approval of the Criminal Investigations Division supervisor.
 - 3. Members shall neither solicit nor accept gratuities or engage in any private business transaction with an informant.
- (e) Officers shall not meet with informants in a private place unless accompanied by at least one additional officer or with prior approval of the Criminal Investigations Division supervisor.
 - (a) Officers may meet informants alone in an occupied public place, such as a restaurant with CID supervisor approval.
- (f) When contacting informants for the purpose of making payments, officers shall arrange for the presence of another officer.
- (g) In all instances when department funds are paid to informants, a voucher shall be completed in advance, itemizing the expenses.
- (h) Since the decision rests with the appropriate prosecutor, officers shall not promise that the informant will receive any form of leniency or immunity from criminal prosecution.

608.4.1 UNSUITABLE INFORMANTS

The suitability of any informant should be considered before engaging him/her in any way in a covert or other investigative process. Members who become aware that an informant may be

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Informants

unsuitable will notify the supervisor, who will initiate a review to determine suitability. Until a determination has been made by a supervisor, the informant should not be used by any member. The supervisor shall determine whether the informant should be used by the Department and, if so, what conditions will be placed on his/her participation or any information the informant provides. The supervisor shall document the decision and conditions in file notes and mark the file "unsuitable" when appropriate.

Considerations for determining whether an informant is unsuitable include, but are not limited to, the following:

- (a) The informant has provided untruthful or unreliable information in the past.
- (b) The informant behaves in a way that may endanger the safety of an officer.
- (c) The informant reveals to suspects the identity of an officer or the existence of an investigation.
- (d) The informant appears to be using his/her affiliation with this department to further criminal objectives.
- (e) The informant creates officer-safety issues by providing information to multiple law enforcement agencies simultaneously, without prior notification and approval of each agency.
- (f) The informant engages in any other behavior that could jeopardize the safety of officers or the integrity of a criminal investigation.
- (g) The informant commits criminal acts subsequent to entering into an informant agreement.

608.5 INFORMANT FILES

Informant files shall be utilized as a source of background information about the informant, to enable review and evaluation of information provided by the informant, and to minimize incidents that could be used to question the integrity of department members or the reliability of the informant.

Informant files shall be maintained in a secure area within the Criminal Investigations Division. The Criminal Investigations Division supervisor or the authorized designee shall be responsible for maintaining informant files. Access to the informant files shall be restricted to the Chief of Police, Division Commander, Criminal Investigations Division supervisor or their authorized designees.

The Criminal Investigations Division Division Commander should arrange for an audit using a representative sample of randomly selected informant files on a periodic basis, but no less than one time per year. If the Criminal Investigations Division supervisor is replaced, the files will be audited before the new supervisor takes over management of the files. The purpose of the audit is to ensure compliance with file content and updating provisions of this policy. The audit should be conducted by a supervisor who does not have normal access to the informant files.

- (e) Current home address and telephone numbers
- (f) Current employers, positions, addresses and telephone numbers
- (g) Vehicles owned and registration information
- (h) Places frequented
- (i) Briefs of information provided by the informant and his/her subsequent reliability
 - 1. If an informant is determined to be unsuitable, the informant's file is to be marked "unsuitable" and notations included detailing the issues that caused this classification.
- (j) Name of the officer initiating use of the informant
- (k) Signed informant agreement
- (l) Update on active or inactive status of informant

608.6 INFORMANT PAYMENTS

No informant will be told in advance or given an exact amount or percentage for his/her service. The amount of funds to be paid to any informant will be evaluated against the following criteria:

- The extent of the informant's personal involvement in the case
- The significance, value or effect on crime
- The value of assets seized
- The quantity of the drugs or other contraband seized
- The informant's previous criminal activity
- The level of risk taken by the informant

The CID supervisor will discuss the above factors with the Administrative Division Commander, or the commander overseeing the unit at that time, and recommend the type and level of payment subject to approval by the Chief of Police.

608.6.1 PAYMENT PROCESS

Approved payments to an informant should be in cash using the following process:

Auburn Police Department

Auburn PD Policy Manual

 - 3. The cash transfer form will be kept in the informant's file.

608.6.2 REPORTING OF PAYMENTS

Each informant receiving a cash payment shall be advised of his/her responsibility to report the cash to the Internal Revenue Service (IRS) as income. If funds distributed exceed \$600 in any reporting year, the informant should be provided IRS Form 1099 (26 CFR 1.6041-1). If such documentation or reporting may reveal the identity of the informant and by doing so jeopardize any investigation, the safety of officers or the safety of the informant (26 CFR 1.6041-3), then IRS Form 1099 should not be issued.

In such cases, the informant shall be provided a letter identifying the amount he/she must report on a tax return as "other income" and shall be required to provide a signed acknowledgement of receipt of the letter. The completed acknowledgement form and a copy of the letter shall be retained in the informant's file.

608.6.3 AUDIT OF PAYMENTS

The Criminal Investigations Division supervisor or the authorized designee shall be responsible for compliance with any audit requirements associated with grant provisions and applicable state and federal law.

At least once every six months, or no less than once per year, the Chief of Police or the authorized designee, such as the commander that oversees the CID, should conduct an audit of all informant funds for the purpose of accountability and security of the funds. The funds and related documents (e.g., buy/expense fund records, cash transfer forms, invoices, receipts and logs) will assist with the audit process.

Eyewitness Identification

610.1 PURPOSE AND SCOPE

This policy sets forth guidelines to be used when members of this department employ eyewitness identification techniques (Penal Code § 859.7).

610.1.1 DEFINITIONS

Definitions related to the policy include:

Eyewitness identification process - Any field identification, live lineup or photographic identification.

Field identification - A live presentation of a single individual to a witness following the commission of a criminal offense for the purpose of identifying or eliminating the person as the suspect.

Live lineup - A live presentation of individuals to a witness for the purpose of identifying or eliminating an individual as the suspect.

Photographic lineup - Presentation of photographs to a witness for the purpose of identifying or eliminating an individual as the suspect.

610.2 POLICY

The Auburn Police Department will strive to use eyewitness identification techniques, when appropriate, to enhance the investigative process and will emphasize identifying persons responsible for crime and exonerating the innocent.

610.3 INTERPRETIVE SERVICES

Members should make a reasonable effort to arrange for an interpreter before proceeding with eyewitness identification if communication with a witness is impeded due to language or hearing barriers.

Before the interpreter is permitted to discuss any matter with the witness, the investigating member should explain the identification process to the interpreter. Once it is determined that the interpreter comprehends the process and can explain it to the witness, the eyewitness identification may proceed as provided for within this policy.

610.4 EYEWITNESS IDENTIFICATION PROCESS AND FORM

The Criminal Investigations Division supervisor shall be responsible for the development and maintenance of an eyewitness identification process for use by members when they are conducting eyewitness identifications.

The process should include appropriate forms or reports that provide (Penal Code § 859.7):

- (a) The date, time and location of the eyewitness identification procedure.
- (b) The name and identifying information of the witness.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Eyewitness Identification

- (c) The name of the person administering the identification procedure.
- (d) If applicable, the names of all of the individuals present during the identification procedure.
- (e) An instruction to the witness that it is as important to exclude innocent persons as it is to identify a perpetrator.
- (f) An instruction to the witness that the perpetrator may or may not be among those presented and that the witness is not obligated to make an identification.
- (g) If the identification process is a photographic or live lineup, an instruction to the witness that the perpetrator may not appear exactly as he/she did on the date of the incident.
- (h) An instruction to the witness that the investigation will continue regardless of whether an identification is made by the witness.
- (i) A signature line where the witness acknowledges that he/she understands the identification procedures and instructions.
- (j) A statement from the witness in the witness's own words describing how certain he/she is of the identification or non-identification. This statement should be taken at the time of the identification procedure.
- (k) Any other direction to meet the requirements of Penal Code § 859.7, including direction regarding blind or blinded administrations and filler selection.

The process and related forms should be reviewed at least annually and modified when necessary.

610.5 EYEWITNESS IDENTIFICATION

Members are cautioned not to, in any way, influence a witness as to whether any subject or photo presented in a lineup is in any way connected to the case.

Members should avoid mentioning that:

- The individual was apprehended near the crime scene.
- The evidence points to the individual as the suspect.
- Other witnesses have identified or failed to identify the individual as the suspect.

In order to avoid undue influence, witnesses should view suspects or a lineup individually and outside the presence of other witnesses. Witnesses should be instructed to avoid discussing details of the incident or of the identification process with other witnesses.

Whenever feasible, the eyewitness identification procedure should be audio and video recorded and the recording should be retained according to current evidence procedures (Penal Code § 859.7).

610.6 DOCUMENTATION

A thorough description of the eyewitness process and the result of any eyewitness identification should be documented in the case report.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Eyewitness Identification

If a photographic lineup is utilized, a copy of the photographic lineup presented to the witness should be included in the case report. In addition, the order in which the photographs were presented to the witness should be documented in the case report.

610.6.1 DOCUMENTATION RELATED TO RECORDINGS

The handling member shall document the reason that a video recording or any other recording of an identification was not obtained (Penal Code § 859.7).

610.6.2 DOCUMENTATION RELATED TO BLIND ADMINISTRATION

If a presentation of a lineup is not conducted using blind administration, the handling member shall document the reason (Penal Code § 859.7).

610.7 PHOTOGRAPHIC LINEUP AND LIVE LINEUP CONSIDERATIONS

When practicable, the member presenting the lineup should not be involved in the investigation of the case or know the identity of the suspect. In no case should the member presenting a lineup to a witness know which photograph or person in the lineup is being viewed by the witness (Penal Code § 859.7). Techniques to achieve this include randomly numbering photographs, shuffling folders, or using a computer program to order the persons in the lineup.

Individuals in the lineup should reasonably match the description of the perpetrator provided by the witness and should bear similar characteristics to avoid causing any person to unreasonably stand out. In cases involving multiple suspects, a separate lineup should be conducted for each suspect. The suspects should be placed in a different order within each lineup (Penal Code § 859.7).

The member presenting the lineup should do so sequentially (i.e., show the witness one person at a time) and not simultaneously. The witness should view all persons in the lineup.

A live lineup should only be used before criminal proceedings have been initiated against the suspect. If there is any question as to whether any criminal proceedings have begun, the investigating member should contact the appropriate prosecuting attorney before proceeding.

610.7.1 OTHER SAFEGUARDS

Witnesses should be asked for suspect descriptions as close in time to the incident as possible and before conducting an eyewitness identification. No information concerning a suspect should be given prior to obtaining a statement from the witness describing how certain he/she is of the identification or non-identification. Members should not say anything to a witness that may validate or invalidate an eyewitness' identification. In photographic lineups, writings or information concerning any previous arrest of a suspect shall not be visible to the witness (Penal Code § 859.7).

610.8 FIELD IDENTIFICATION CONSIDERATIONS

Field identifications, also known as field elimination show-ups or one-on-one identifications, may be helpful in certain cases, where exigent circumstances make it impracticable to conduct a photo or live lineup identifications. A field elimination show-up or one-on-one identification should not be

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Eyewitness Identification

used when independent probable cause exists to arrest a suspect. In such cases a live or photo lineup is the preferred course of action if eyewitness identification is contemplated.

When initiating a field identification, the member should observe the following guidelines:

- (a) Obtain a complete description of the suspect from the witness.
- (b) Assess whether a witness should be included in a field identification process by considering:
 - 1. The length of time the witness observed the suspect.
 - 2. The distance between the witness and the suspect.
 - 3. Whether the witness could view the suspect's face.
 - 4. The quality of the lighting when the suspect was observed by the witness.
 - 5. Whether there were distracting noises or activity during the observation.
 - 6. Any other circumstances affecting the witness's opportunity to observe the suspect.
 - 7. The length of time that has elapsed since the witness observed the suspect.
- (c) If safe and practicable, the person who is the subject of the show-up should not be handcuffed or in a patrol vehicle.
- (d) When feasible, members should bring the witness to the location of the subject of the show-up, rather than bring the subject of the show-up to the witness.
- (e) The person who is the subject of the show-up should not be shown to the same witness more than once.
- (f) In cases involving multiple suspects, witnesses should only be permitted to view the subjects of the show-up one at a time.
- (g) The person who is the subject of the show-up should not be required to put on clothing worn by the suspect, to speak words uttered by the suspect or to perform other actions mimicking those of the suspect.
- (h) If a witness positively identifies a subject of the show-up as the suspect, members should not conduct any further field identifications with other witnesses for that suspect. In such instances members should document the contact information for any additional witnesses for follow up, if necessary.

Brady Material Disclosure

612.1 PURPOSE AND SCOPE

This policy establishes guidelines for identifying and releasing potentially exculpatory or impeachment information (so-called “*Brady* information”) to a prosecuting attorney.

612.1.1 DEFINITIONS

Definitions related to this policy include:

Brady information -Information known or possessed by the Auburn Police Department that is both favorable and material to the current prosecution or defense of a criminal defendant.

612.2 POLICY

The Auburn Police Department will conduct fair and impartial criminal investigations and will provide the prosecution with both incriminating and exculpatory evidence, as well as information that may adversely affect the credibility of a witness. In addition to reporting all evidence of guilt, the Auburn Police Department will assist the prosecution by complying with its obligation to disclose information that is both favorable and material to the defense. The Department will identify and disclose to the prosecution potentially exculpatory information, as provided in this policy.

612.3 DISCLOSURE OF INVESTIGATIVE INFORMATION

Officers must include in their investigative reports adequate investigative information and reference to all material evidence and facts that are reasonably believed to be either incriminating or exculpatory to any individual in the case. If an officer learns of potentially incriminating or exculpatory information any time after submission of a case, the officer or the handling investigator must prepare and submit a supplemental report documenting such information as soon as practicable. Supplemental reports shall be promptly processed and transmitted to the prosecutor's office.

If information is believed to be privileged or confidential (e.g., confidential informant or protected personnel files), the officer should discuss the matter with a supervisor and/or prosecutor to determine the appropriate manner in which to proceed.

Evidence or facts are considered material if there is a reasonable probability that they would affect the outcome of a criminal proceeding or trial. Determining whether evidence or facts are material often requires legal or even judicial review. If an officer is unsure whether evidence or facts are material, the officer should address the issue with a supervisor.

Officers should ensure any facts or evidence is processed in accordance with local, state or federal laws. If there is a question as to whether an item may or may not be considered material, the officer or employee should discuss the scenario with their supervisor.

612.4 DISCLOSURE OF PERSONNEL INFORMATION

Whenever it is determined that *Brady* information is located in the personnel file of a member of this department who is a material witness in a criminal case, the following procedure shall apply:

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Brady Material Disclosure

- (a) In the event that a *Pitchess* motion has not already been filed by the criminal defendant or other party pursuant to Evidence Code § 1043, the prosecuting attorney shall be notified of the potential presence of *Brady* information in the officer's personnel file.
- (b) The prosecuting attorney should then be requested to file a *Pitchess* motion in order to initiate an in camera review by the court.
- (c) Any member who is the subject of such a motion shall be notified in writing that a motion has been filed.
- (d) The Custodian of Records shall accompany all relevant files during any in camera inspection and address any issues or questions raised by the court in determining whether any information contained in the files is both material and favorable to the criminal defendant.
- (e) If the court determines that there is relevant *Brady* information contained in the files, only that information ordered released will be copied and released to the parties filing the motion.
 - 1. Prior to the release of any information pursuant to this process, the Custodian of Records should request a protective order from the court limiting the use of such information to the involved case and requiring the return of all copies upon completion of the case.

612.5 INVESTIGATING BRADY ISSUES

If the Department receives information from any source that a member may have issues of credibility, dishonesty or has been engaged in an act of moral turpitude or criminal conduct, the information shall be investigated and processed in accordance with the Personnel Complaints Policy.

612.6 TRAINING

Department members should receive periodic training on the requirements of this policy.

Unmanned Aerial System

613.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of an unmanned aerial system (UAS) and for the storage, retrieval and dissemination of images and data captured by the UAS.

613.1.1 DEFINITIONS

Definitions related to this policy include:

Unmanned aerial system (UAS) - An unmanned aircraft of any type that is capable of sustaining directed flight, whether preprogrammed or remotely controlled (commonly referred to as an unmanned aerial vehicle (UAV)), and all of the supporting or attached systems designed for gathering information through imaging, recording or any other means.

613.2 POLICY

Unmanned aerial systems may be utilized to enhance the department's mission of protecting lives and property when other means and resources are not available or are less effective. Any use of a UAS will be in strict accordance with constitutional and privacy rights and Federal Aviation Administration (FAA) regulations.

613.3 PRIVACY

The use of the UAS potentially involves privacy considerations. Absent a warrant or exigent circumstances, operators and observers shall not intentionally record or transmit images of any location where a person would have a reasonable expectation of privacy (e.g., residence, yard, enclosure). Operators and observers shall take reasonable precautions to avoid inadvertently recording or transmitting images of areas where there is a reasonable expectation of privacy. Reasonable precautions can include, for example, deactivating or turning imaging devices away from such areas or persons during UAS operations.

613.4 PROGRAM COORDINATOR

The Chief of Police will appoint a program coordinator who will be responsible for the management of the UAS program. The program coordinator will ensure that policies and procedures conform to current laws, regulations, and best practices and will have the following additional responsibilities:

- Coordinating the FAA Certificate of Waiver or Authorization (COA) application process and ensuring that the COA is current, and/or coordinating compliance with FAA Part 107 Remote Pilot Certificate, as appropriate for department operations.
- Ensuring that all authorized operators and required observers have completed all required FAA and department-approved training in the operation, applicable laws, policies, and procedures regarding use of the UAS.
- Developing uniform protocol for submission and evaluation of requests to deploy a UAS, including urgent requests made during ongoing or emerging incidents. Deployment of a UAS shall require written authorization of the Chief of Police or the authorized designee, depending on the type of mission.

- Coordinating the completion of the FAA Emergency Operation Request Form in emergency situations, as applicable (e.g., natural disasters, search and rescue, emergency situations to safeguard human life).

- Developing a protocol for fully documenting all missions.
- Developing a UAS inspection, maintenance, and record-keeping protocol to ensure continuing airworthiness of a UAS, up to and including its overhaul or life limits.
- Developing protocols to ensure that all data intended to be used as evidence are accessed, maintained, stored, and retrieved in a manner that ensures its integrity as evidence, including strict adherence to chain of custody requirements. Electronic trails, including encryption, authenticity certificates, and date and time stamping, shall be used as appropriate to preserve individual rights and to ensure the authenticity and maintenance of a secure evidentiary chain of custody.
- Developing protocols that ensure retention and purge periods are maintained in accordance with established records retention schedules.
- Facilitating law enforcement access to images and data captured by the UAS.
- Recommending program enhancements, particularly regarding safety and information security.
- Ensuring that established protocols are followed by monitoring and providing periodic reports on the program to the Chief of Police.

613.5 USE OF UAS

Only authorized operators who have completed the required training shall be permitted to operate the UAS.

Use of vision enhancement technology (e.g., thermal and other imaging equipment not generally available to the public) is permissible in viewing areas only where there is no protectable privacy interest or when in compliance with a search warrant or court order. In all other instances, legal counsel should be consulted.

UAS operations should only be conducted consistent with FAA regulations.

Warrant Service

614.1 PURPOSE AND SCOPE

This policy establishes guidelines for the planning and serving of arrest and search warrants by members of this department. It is understood that this policy cannot address every variable or circumstance that can arise in the service of a search or arrest warrant, as these tasks can involve rapidly evolving and unique circumstances.

This policy is intended to be used in conjunction with the Operations Planning and Deconfliction Policy, which has additional guidance on planning and serving high-risk warrants.

This policy is not intended to address the service of search warrants on locations or property already secured or routine field warrant arrests by patrol officers.

614.2 POLICY

It is the policy of the Auburn Police Department to balance the safety needs of the public, the safety of department members, privacy interests and other relevant factors when making decisions related to the service of search and arrest warrants.

614.3 OPERATIONS DIRECTOR

The operations director (see the Operations Planning and Deconfliction Policy) shall review all risk assessment forms with the involved supervisor to determine the risk level of the warrant service.

The operations director will also have the responsibility to coordinate service of those warrants that are categorized as high risk. Deconfliction, risk assessment, operational planning, briefing and debriefing should follow guidelines in the Operations Planning and Deconfliction Policy.

614.4 SEARCH WARRANTS

Officers should receive authorization from a supervisor before preparing a search warrant application. Once authorization is received, the officer will prepare the affidavit and search warrant, consulting with the applicable prosecuting attorney as needed. He/she will also complete the risk assessment form and submit it, along with the warrant affidavit, to the appropriate supervisor and the operations director for review and classification of risk (see the Operations Planning and Deconfliction Policy).

614.5 ARREST WARRANTS

If an officer reasonably believes that serving an arrest warrant may pose a higher risk than commonly faced on a daily basis, the officer should complete the risk assessment form and submit it to the appropriate supervisor and the operations director for review and classification of risk (see the Operations Planning and Deconfliction Policy).

If the warrant is classified as high risk, service will be coordinated by the operations director. If the warrant is not classified as high risk, the supervisor should weigh the risk of entry into a residence to make an arrest against other alternatives, such as arresting the person outside the residence where circumstances may pose a lower risk.

Warrant Service

614.6 WARRANT PREPARATION

An officer who prepares a warrant should ensure the documentation in support of the warrant contains as applicable:

- (a) Probable cause to support the search or arrest, including relevant dates and times to demonstrate timeliness and facts to support any request for nighttime warrant execution.
- (b) A clear explanation of the affiant's training, experience and relevant education.
- (c) Adequately supported opinions, when relevant, that are not left to unsubstantiated conclusions.
- (d) A nexus between the place to be searched and the persons or items central to the investigation. The facts supporting this nexus should be clear and current. For example, the affidavit shall explain why there is probable cause to believe that a particular person is currently residing at a particular location or that the items sought are present at a particular location.
- (e) Full disclosure of known or suspected residents at the involved location and any indication of separate living spaces at the involved location. For example, it should be disclosed that several people may be renting bedrooms at a single location, even if the exact location of the rooms is not known.
- (f) A specific description of the location to be searched, including photographs of the location, if reasonably available.
- (g) A sufficient description of the items to be seized.
- (h) Full disclosure of any known exculpatory information relevant to the warrant application (refer to the Brady Material Disclosure Policy).

614.7 HIGH-RISK WARRANT SERVICE

The operations director or the authorized designee shall coordinate the service of warrants that are categorized as high risk and shall have sole authority in determining the manner in which the warrant will be served, including the number of officers deployed.

The member responsible for directing the service should ensure the following as applicable:

- (a) When practicable and when doing so does not cause unreasonable risk, video or photographic documentation is made of the condition of the location prior to execution of a search warrant. The images should include the surrounding area and persons present.
- (b) The warrant service is audio- and video-recorded when practicable and reasonable to do so.
- (c) Evidence is handled and collected only by those members who are designated to do so. All other members involved in the service of the warrant should alert one of the designated members to the presence of potential evidence and not touch or disturb the items.
- (d) Reasonable efforts are made during the search to maintain or restore the condition of the location.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Warrant Service

- (e) Persons who are detained as part of the warrant service are handled appropriately under the circumstances.
- (f) Reasonable care provisions are made for children and dependent adults (see the Child and Dependent Adult Safety Policy).
- (g) A list is made of all items seized and a copy provided to the person in charge of the premises if present or otherwise left in a conspicuous place.
- (h) A copy of the search warrant is left at the location.
- (i) The condition of the property is documented with video recording or photographs after the search.

614.8 DETENTIONS DURING WARRANT SERVICE

Officers must be sensitive to the safety risks of all persons involved with the service of a warrant. Depending on circumstances and facts present, it may be appropriate to control movements of any or all persons present at a warrant service, including those who may not be the subject of a warrant or suspected in the case. However, officers must be mindful that only reasonable force may be used and weapons should be displayed no longer than the officer reasonably believes is necessary (see the Use of Force Policy).

As soon as it can be determined that an individual is not subject to the scope of a warrant and that no further reasonable suspicion or safety concerns exist to justify further detention, the person should be promptly released.

Officers should, when and to the extent reasonable, accommodate the privacy and personal needs of people who have been detained.

614.9 ACTIONS AFTER WARRANT SERVICE

The supervisor shall ensure that all affidavits, warrants, receipts and returns, regardless of any associated cases, are filed with the issuing judge or magistrate as soon as reasonably possible, but in any event no later than any date specified on the warrant.

614.10 OUTSIDE AGENCIES AND CROSS-JURISDICTIONAL WARRANTS

The operations director will ensure that cooperative efforts with other agencies in the service of warrants conform to existing mutual aid agreements or other memorandums of understanding and will work cooperatively to mitigate risks including, but not limited to, the following:

- Identity of team members
- Roles and responsibilities
- Familiarity with equipment
- Rules of engagement
- Asset forfeiture procedures

Any outside agency requesting assistance in the service of a warrant within this jurisdiction should be referred to the operations director. The director should review and confirm the warrant, including

Auburn Police Department

the warrant location, and should discuss the service with the appropriate supervisor from the other agency. The director should ensure that members of the Auburn Police Department are utilized appropriately. Any concerns regarding the requested use of Auburn Police Department members should be brought to the attention of the Chief of Police or the authorized designee. The actual service of the warrant will remain the responsibility of the agency requesting assistance.

If the operations director is unavailable, the Shift Supervisor should assume this role.

If officers intend to serve a warrant outside Auburn Police Department jurisdiction, the operations director should provide reasonable advance notice to the applicable agency, request assistance as needed and work cooperatively on operational planning and the mitigation of risks detailed in this policy.

Officers will remain subject to the policies of the Auburn Police Department when assisting outside agencies or serving a warrant outside Auburn Police Department jurisdiction.

614.11 MEDIA ACCESS

No advance information regarding warrant service operations shall be released without the approval of the Chief of Police. Any media inquiries or press release after the fact shall be handled in accordance with the News Media Relations Policy.

614.12 TRAINING

The Training Manager should ensure officers receive periodic training on this policy and associated topics, such as legal issues, warrant preparation, warrant service and reporting requirements.

Operations Planning and Deconfliction

615.1 PURPOSE AND SCOPE

This policy provides guidelines for planning, deconfliction and execution of high-risk operations.

Additional guidance on planning and serving high-risk warrants is provided in the Warrant Service Policy.

615.1.1 DEFINITIONS

Definitions related to this policy include:

High-risk operations - Operations, including service of search and arrest warrants and sting operations, that are likely to present higher risks than are commonly faced by officers on a daily basis, including suspected fortified locations, reasonable risk of violence or confrontation with multiple persons, or reason to suspect that persons anticipate the operation.

615.2 POLICY

It is the policy of the Auburn Police Department to properly plan and carry out high-risk operations, including participation in a regional deconfliction system, in order to provide coordination, enhance the safety of members and the public, decrease the risk of compromising investigations and prevent duplicating efforts.

615.3 OPERATIONS DIRECTOR

The Chief of Police will designate a member of this department to be the operations director.

The operations director will develop and maintain a risk assessment form to assess, plan and coordinate operations. This form should provide a process to identify high-risk operations.

The operations director will review risk assessment forms with involved supervisors to determine whether a particular incident qualifies as a high-risk operation. The director will also have the responsibility for coordinating operations that are categorized as high risk.

615.4 RISK ASSESSMENT

615.4.1 RISK ASSESSMENT FORM PREPARATION

Officers assigned as operational leads for any operation that may qualify as a high-risk operation shall complete a risk assessment form.

When preparing the form, the officer should query all relevant and reasonably available intelligence resources for information about the subject of investigation, others who may be present and the involved location. These sources may include regional intelligence and criminal justice databases, target deconfliction systems, firearm records, commercial databases and property records. Where appropriate, the officer should also submit information to these resources.

The officer should gather available information that includes, but is not limited to:

Auburn Police Department

Auburn PD Policy Manual

Operations Planning and Deconfliction

- (a) Photographs, including aerial photographs, if available, of the involved location, neighboring yards and obstacles.
- (b) Maps of the location.
- (c) Diagrams of any property and the interior of any buildings that are involved.
- (d) Historical information about the subject of investigation (e.g., history of weapon possession or use, known mental illness, known drug use, threats against police, gang affiliation, criminal history).
- (e) Historical information about others who may be present at the location (e.g., other criminals, innocent third parties, dependent adults, children, animals).
- (f) Obstacles associated with the location (e.g., fortification, booby traps, reinforced doors/windows, surveillance measures, number and type of buildings, geographic and perimeter barriers, the number and types of weapons likely to be present, information that suggests the presence of explosives, chemicals or other hazardous materials, the potential for multiple dwellings or living spaces, availability of keys/door combinations).
- (g) Other environmental factors (e.g., nearby venues such as schools and day care centers, proximity of adjacent homes or other occupied buildings, anticipated pedestrian and vehicle traffic at the time of service).
- (h) Other available options that may minimize the risk to officers and others (e.g., making an off-site arrest or detention of the subject of investigation).

615.4.2 RISK ASSESSMENT REVIEW

Officers will present the risk assessment form and other relevant documents (such as copies of search warrants and affidavits and arrest warrants) to their supervisor and the operations director.

The supervisor and operations director shall confer and determine the level of risk. Supervisors should take reasonable actions if there is a change in circumstances that elevates the risks associated with the operation.

615.4.3 HIGH-RISK OPERATIONS

If the operations director, after consultation with the involved supervisor, determines that the operation is high risk, the operations director should:

- (a) Determine what resources will be needed at the location, and contact and/or place on standby any of the following appropriate and available resources:
 - 1. (SET)
 - 2. Additional personnel
 - 3. Outside agency assistance
 - 4. Special equipment
 - 5. Medical personnel
 - 6. Persons trained in negotiation
 - 7. Additional surveillance

8. Canines
 9. Property and Evidence Section or analytical personnel to assist with cataloguing seizures
 10. Forensic specialists
 11. Specialized mapping for larger or complex locations
- (b) Contact the appropriate department members or other agencies as warranted to begin preparation.
 - (c) Ensure that all legal documents such as search warrants are complete and have any modifications reasonably necessary to support the operation.
 - (d) Coordinate the actual operation.

615.5 DECONFLICTION

Deconfliction systems are designed to identify persons and locations associated with investigations or law enforcement operations and alert participating agencies when others are planning or conducting operations in close proximity or time or are investigating the same individuals, groups or locations.

The officer who is the operations lead shall ensure the subject of investigation and operations information have been entered in an applicable deconfliction system to determine if there is reported conflicting activity. This should occur as early in the process as practicable, but no later than two hours prior to the commencement of the operation. The officer should also enter relevant updated information when it is received.

If any conflict is discovered, the supervisor will contact the involved jurisdiction and resolve the potential conflict before proceeding.

615.6 OPERATIONS PLAN

The operations director should ensure that a written operations plan is developed for all high-risk operations. Plans should also be considered for other operations that would benefit from having a formal plan.

The plan should address such issues as:

- (a) Operation goals, objectives and strategies.
- (b) Operation location and people:
 1. The subject of investigation (e.g., history of weapon possession/use, known mental illness issues, known drug use, threats against police, gang affiliation, criminal history)
 2. The location (e.g., fortification, booby traps, reinforced doors/windows, surveillance cameras and/or lookouts, number/type of buildings, geographic and perimeter barriers, the number and types of weapons likely to be present, information that suggests the presence of explosives, chemicals or other hazardous materials, the potential for multiple dwellings or living spaces,

- 3. Other environmental factors (e.g., nearby venues such as schools and day care centers, proximity of adjacent homes or other occupied buildings, anticipated pedestrian and vehicle traffic at the time of service)
- 4. Identification of other people who may be present in or around the operation, such as other criminal suspects, innocent third parties and children
- (c) Information from the risk assessment form by attaching a completed copy in the operational plan.
 - 1. The volume or complexity of the information may indicate that the plan includes a synopsis of the information contained on the risk assessment form to ensure clarity and highlighting of critical information.
- (d) Participants and their roles.
 - 1. An adequate number of uniformed officers should be included in the operation team to provide reasonable notice of a legitimate law enforcement operation.
 - 2. How all participants will be identified as law enforcement.
- (e) Whether deconfliction submissions are current and all involved individuals, groups and locations have been deconflicted to the extent reasonably practicable.
- (f) Identification of all communications channels and call-signs.
- (g) Use of force issues.
- (h) Contingencies for handling medical emergencies (e.g., services available at the location, closest hospital, closest trauma center).
- (i) Plans for detaining people who are not under arrest.
- (j) Contingencies for handling children, dependent adults, animals and other people who might be at the location in accordance with the Child Abuse, Adult Abuse, Child and Dependent Adult Safety and Animal Control policies.
- (k) Communications plan
- (l) Responsibilities for writing, collecting, reviewing and approving reports.

615.6.1 OPERATIONS PLAN RETENTION

Since the operations plan contains intelligence information and descriptions of law enforcement tactics, it shall not be filed with the report. The operations plan shall be stored separately and retained in accordance with the established records retention schedule.

615.7 OPERATIONS BRIEFING

A briefing should be held prior to the commencement of any high-risk operation to allow all participants to understand the operation, see and identify each other, identify roles and responsibilities and ask questions or seek clarification as needed. Anyone who is not present at the briefing should not respond to the operation location without specific supervisory approval.

Auburn Police Department

Auburn PD Policy Manual

Operations Planning and Deconfliction

- (a) The briefing should include a verbal review of plan elements, using visual aids, to enhance the participants' understanding of the operations plan.
- (b) All participants should be provided a copy of the operations plan and search warrant, if applicable. Participating personnel should be directed to read the search warrant and initial a copy that is retained with the operation plan. Any items to be seized should be identified at the briefing.
- (c) The operations director shall ensure that all participants are visually identifiable as law enforcement officers.
 - 1. Exceptions may be made by the operations director for officers who are conducting surveillance or working under cover. However, those members exempt from visual identification should be able to transition to a visible law enforcement indicator at the time of enforcement actions, such as entries or arrests, if necessary.
- (d) The briefing should include details of the communications plan.
 - 1. It is the responsibility of the operations director to ensure that the Dispatch Center is notified of the time and location of the operation, and to provide a copy of the operation plan prior to officers arriving at the location.
 - 2. If the radio channel needs to be monitored by the Dispatch Center, the dispatcher assigned to monitor the operation should attend the briefing, if practicable, but at a minimum should receive a copy of the operation plan.
 - 3. The briefing should include a communications check to ensure that all participants are able to communicate with the available equipment on the designated radio channel.

615.8 SET PARTICIPATION

If the operations director determines that SET participation is appropriate, the director and the SET supervisor shall work together to develop a written plan. The SET supervisor shall assume operational control until all persons at the scene are appropriately detained and it is safe to begin a search. When this occurs, the SET supervisor shall transfer control of the scene to the handling supervisor. This transfer should be communicated to the officers present.

615.9 MEDIA ACCESS

No advance information regarding planned operations shall be released without the approval of the Chief of Police. Any media inquiries or press release after the fact shall be handled in accordance with the News Media Relations Policy.

615.10 OPERATIONS DEBRIEFING

High-risk operations should be debriefed as soon as reasonably practicable. The debriefing should include as many participants as possible. This debrief may be separate from any SET debriefing.

615.11 TRAINING

The Training Manager should ensure officers and SET team members who participate in operations subject to this policy should receive periodic training including, but not limited to,

topics such as legal issues, deconfliction practices, operations planning concepts and reporting requirements.

Employees may also suffer occasional loss or damage to personal or department property while performing their assigned duty. Certain procedures are required depending on the loss and ownership of the item.

700.2 CARE OF DEPARTMENTAL PROPERTY

Employees shall be responsible for the safekeeping, serviceable condition, proper care, use and replacement of department property assigned or entrusted to them. An employee's intentional or negligent abuse or misuse of department property may lead to discipline including, but not limited to the cost of repair or replacement.

- (a) Employees shall promptly report through their chain of command, any loss, damage to, or unserviceable condition of any department issued property or equipment assigned for their use.
- (b) The use of damaged or unserviceable department property should be discontinued as soon as practical and replaced with comparable Department property as soon as available and following notice to a supervisor.

- (d) Department property shall not be thrown away, sold, traded, donated, destroyed, or otherwise disposed of without proper authority.
- (e) In the event that any Department property becomes damaged or unserviceable, no employee shall attempt to repair the property without prior approval of a supervisor.

700.3 FILING CLAIMS FOR PERSONAL PROPERTY

Claims for reimbursement for damage or loss of personal property must be made on the proper form, or memorandum if the form is not available. This form or memorandum is submitted to the employee's immediate supervisor. The supervisor may require a separate written report of the loss or damage.

The supervisor shall direct a memo to the appropriate Division Commander, which shall include the results of his/her investigation and whether the employee followed proper procedures. The supervisor's report shall address whether reasonable care was taken to prevent the loss or damage.

Upon review by staff and a finding that no misconduct or negligence was involved, repair or replacement may be recommended by the Chief of Police or his/her designee who will then

These written reports, accompanied by the supervisor's written report, shall promptly be forwarded to the appropriate Division Commander.

Personal Communication Devices

702.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of mobile telephones and communication devices, whether issued or funded by the Department or personally owned, while on-duty or when used for authorized work-related purposes.

This policy generically refers to all such devices as Personal Communication Devices (PCDs) but is intended to include all mobile telephones, personal digital assistants (PDAs), wireless capable tablets and similar wireless two-way communications and/or portable Internet access devices. PCD use includes, but is not limited to, placing and receiving calls, text messaging, blogging and microblogging, emailing, using video or camera features, playing games and accessing sites or services on the Internet.

702.2 POLICY

The Auburn Police Department allows members to utilize department-issued or funded PCDs and to possess personally owned PCDs in the workplace, subject to certain limitations. Any PCD used while on-duty, or used off-duty in any manner reasonably related to the business of the Department, will be subject to monitoring and inspection consistent with the standards set forth in this policy.

The inappropriate use of a PCD while on-duty may impair officer safety. Additionally, members are advised and cautioned that the use of a personally owned PCD either on-duty or after duty hours for business-related purposes may subject the member and the member's PCD records to civil or criminal discovery or disclosure under applicable public records laws.

Members who have questions regarding the application of this policy or the guidelines contained herein are encouraged to seek clarification from supervisory personnel.

702.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to any communication accessed, transmitted, received or reviewed on any PCD issued or funded by the Department/Office and shall have no expectation of privacy in their location should the device be equipped with location detection capabilities (see the Information Technology Use Policy for additional guidance).

702.3.1 CALIFORNIA ELECTRONIC COMMUNICATIONS PRIVACY ACT (CALECPA)

No member is authorized to be the sole possessor of a department-issued PCD. Department-issued PCDs can be retrieved, reassigned, accessed or used by any member as directed by a supervisor without notice. Member use of a department-issued PCD and use of a personal PCD at work or for work-related business constitutes specific consent for access for department purposes. Prior to conducting an administrative search of a PCD, supervisors should consult legal counsel to ensure access is consistent with CalECPA (Penal Code § 1546; Penal Code § 1546.1).

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Personal Communication Devices

702.4 DEPARTMENT-ISSUED PCD

Depending on a member's assignment and the needs of the position, the Department may, at its discretion, issue or fund a PCD. Department-issued or funded PCDs are provided as a convenience to facilitate on-duty performance only. Such devices and the associated telephone number shall remain the sole property of the Department and shall be subject to inspection or monitoring (including all related records and content) at any time without notice and without cause.

Unless a member is expressly authorized by the Chief of Police or the authorized designee for off-duty use of the PCD, the PCD will either be secured in the workplace at the completion of the tour of duty or will be turned off when leaving the workplace.

702.5 PERSONALLY OWNED PCD

Members may carry a personally owned PCD while on-duty, subject to the following conditions and limitations:

- (a) Permission to carry a personally owned PCD may be revoked if it is used contrary to provisions of this policy.
- (b) The Department accepts no responsibility for loss of or damage to a personally owned PCD.
- (c) The PCD and any associated services shall be purchased, used and maintained solely at the member's expense.
- (d) The device should not be used for work-related purposes except in exigent circumstances (e.g., unavailability of radio communications). Members will have a reduced expectation of privacy when using a personally owned PCD in the workplace and have no expectation of privacy with regard to any department business-related communication.
 - 1. Members may use personally owned PCDs on-duty for routine administrative work as authorized by the Chief of Police.
- (e) The device shall not be utilized to record or disclose any business-related information, including photographs, video or the recording or transmittal of any information or material obtained or made accessible as a result of employment with the Department, without the express authorization of the Chief of Police or the authorized designee.
- (f) Use of a personally owned PCD while at work or for work-related business constitutes consent for the Department to access the PCD to inspect and copy data to meet the needs of the Department, which may include litigation, public records retention and release obligations and internal investigations. If the PCD is carried on-duty, members will provide the Department with the telephone number of the device.
- (g) All work-related documents, emails, photographs, recordings or other public records created or received on a member's personally owned PCD should be transferred to the Auburn Police Department and deleted from the member's PCD as soon as reasonably practicable but no later than the end of the member's shift.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Personal Communication Devices

Except with prior express authorization from their supervisor, members are not obligated or required to carry, access, monitor or respond to electronic communications using a personally owned PCD while off-duty. If a member is in an authorized status that allows for appropriate compensation consistent with policy or existing memorandum of understanding or collective bargaining agreements, or if the member has prior express authorization from his/her supervisor, the member may engage in business-related communications. Should members engage in such approved off-duty communications or work, members entitled to compensation shall promptly document the time worked and communicate the information to their supervisors to ensure appropriate compensation. Members who independently document off-duty department-related business activities in any manner shall promptly provide the Department with a copy of such records to ensure accurate record keeping.

702.6 USE OF PCD

The following protocols shall apply to all PCDs that are carried while on-duty or used to conduct department business:

- (a) A PCD shall not be carried in a manner that allows it to be visible while in uniform, unless it is in an approved carrier.
- (b) All PCDs in the workplace shall be set to silent or vibrate mode.
- (c) A PCD may not be used to conduct personal business while on-duty, except for brief personal communications (e.g., informing family of extended hours). Members shall endeavor to limit their use of PCDs to authorized break times, unless an emergency exists.
- (d) Members may use a PCD to communicate with other personnel in situations where the use of radio communications is either impracticable or not feasible. PCDs should not be used as a substitute for, as a way to avoid, or in lieu of regular radio communications.
- (e) Members are prohibited from taking pictures, audio or video recordings or making copies of any such picture or recording media unless it is directly related to official department business. Disclosure of any such information to any third party through any means, without the express authorization of the Chief of Police or the authorized designee, may result in discipline.
- (f) Members will not access social networking sites for any purpose that is not official department business.
- (g) Using PCDs to harass, threaten, coerce or otherwise engage in inappropriate conduct with any third party is prohibited. Any member having knowledge of such conduct shall promptly notify a supervisor.

702.7 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors include, but are not limited to:

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Personal Communication Devices

- (a) Ensuring that members under their command are provided appropriate training on the use of PCDs consistent with this policy.
- (b) Monitoring, to the extent practicable, PCD use in the workplace and taking prompt corrective action if a member is observed or reported to be improperly using a PCD.
 - 1. An investigation into improper conduct should be promptly initiated when circumstances warrant.
 - 2. Before conducting any administrative search of a member's personally owned device, supervisors should consult with the Chief of Police or the authorized designee.

702.8 USE WHILE DRIVING

The use of a PCD while driving can adversely affect safety, cause unnecessary distractions and present a negative image to the public. Officers operating emergency vehicles should restrict the use of these devices to matters of an urgent nature and should, where practicable, stop the vehicle at an appropriate location to use the PCD.

Members who are operating department vehicles that are not authorized emergency vehicles shall not use a PCD while driving unless the device is specifically designed and configured to allow hands-free use. In an emergency, a wireless phone may be used to place an emergency call to the Department or other emergency services agency (Vehicle Code § 23123; Vehicle Code § 23123.5). Hands-free use should be restricted to business-related calls or calls of an urgent nature.

702.9 OFFICIAL USE

Vehicle Use

706.1 PURPOSE AND SCOPE

The purpose of this policy is to establish a system of accountability to ensure department vehicles are used appropriately. This policy provides guidelines for on- and off-duty use of department vehicles and shall not be construed to create or imply any contractual obligation by the City of Auburn to provide assigned take-home vehicles.

706.2 POLICY

The Auburn Police Department provides vehicles for department-related business and may assign patrol and unmarked vehicles based on a determination of operational efficiency, economic impact to the Department, requirements for tactical deployments, and other considerations.

706.2.1 SHIFT ASSIGNED VEHICLES

Personnel assigned to routine scheduled field duties shall log onto the in-car computer inputting the required information when going on duty. If the vehicle is not equipped with a working in-car computer, they shall notify the Dispatch Center for entry of the vehicle number on the shift roster or the shift supervisor so the vehicle unit may be accounted for on the "daily log". If the employee exchanges vehicles during the shift, the new vehicle number shall be entered.

The Shift Supervisor shall ensure a copy of the unit roster indicating personnel assignments and vehicle numbers is completed for each shift and maintained for a minimum period of two years.

Employees shall be responsible for inspecting the interior and exterior of any assigned vehicle before taking the vehicle into service and at the conclusion of their shift. Any previously unreported damage, mechanical problems, unauthorized contents or other problems with the vehicle shall be promptly reported to a supervisor and documented as appropriate.

706.2.2 UNSCHEDULED USE OF VEHICLES

Personnel utilizing a vehicle for any purpose other than their normally assigned duties shall first notify the Watch Commander of the reasons for use and a notation will be made on the shift roster (daily log) indicating the operator's name and vehicle number. This section does not apply to personnel permanently assigned an individual vehicle (e.g., command staff, detectives), or to Property and Evidence Section personnel assigned transportation duties to and from the maintenance yard, etc.

706.2.3 UNDERCOVER VEHICLES

Unmarked units, if not assigned to an individual employee, shall not be used without first obtaining approval from the respective unit supervisor or on-duty supervisor or administrator if the unit supervisor is not available.

706.2.4 DETECTIVE BUREAU VEHICLES

Investigation Division vehicle use is restricted to the guidelines provided by the division commander or chief of police or his/her designee or, if any, a memorandum of understanding (MOU) or agreement(s).

706.2.5 AUTHORIZED PASSENGERS

Personnel operating department owned vehicles shall not permit persons other than City employees or persons required to be conveyed in the performance of duty or as otherwise authorized to ride as a passenger in their vehicle. For example, there may be times that an officer or employee may need to transport a member of the community/citizen (non-employee) in a marked or unmarked unit and this is permissible within this policy.

706.2.6 PARKING

City owned vehicles should be parked in their assigned stalls. Employees shall not park privately owned vehicles in any stall assigned to a City owned vehicle or in other areas of the parking lot not designated as a parking space unless authorized by a supervisor. Privately owned motorcycles shall be parked in designated areas.

706.2.7 INSPECTIONS

The interior of any vehicle that has been used to transport any person other than an employee should be inspected prior to placing another person in the vehicle and again after the person is removed. This is to ensure that unauthorized items have not been left in the vehicle.

706.3 USE OF VEHICLES

706.3.1 SHIFT ASSIGNED VEHICLES

The Shift Supervisor shall ensure a copy of the shift assignment roster indicating member assignments and vehicle numbers is completed for each shift and retained in accordance with the established records retention schedule. If a member exchanges vehicles during the member's shift, the new vehicle number shall be documented on the roster.

706.3.2 OTHER USE OF VEHICLES

Members utilizing a vehicle for any purpose other than their normally assigned duties or normal vehicle assignment (e.g., transportation to training, community event) shall first notify the Shift Supervisor. A notation will be made on the shift assignment roster indicating the member's name and vehicle number.

This subsection does not apply to those who are assigned to vehicle transportation duties to and from the maintenance yard or carwash.

This is to ensure that unauthorized or personal items have not been left in the vehicle.

When transporting any person in custody, the transporting member shall search all areas of the vehicle that are accessible by the person before and after that person is transported.

All department vehicles are subject to inspection and/or search at any time by a supervisor without notice and without cause. No member assigned to or operating such vehicle shall be entitled to any expectation of privacy with respect to the vehicle or its contents.

706.3.4 SECURITY AND UNATTENDED VEHICLES

Unattended vehicles should be locked and secured at all times. No key should be left in the vehicle except when it is necessary that the vehicle be left running (e.g., continued activation of emergency lights, canine safety, equipment charging). Officers who exit a vehicle rapidly in an emergency situation or to engage in a foot pursuit must carefully balance the need to exit the vehicle quickly with the need to secure the vehicle.

Members shall ensure all weapons are secured while the vehicle is unattended.

706.3.5 MDC

Members assigned to vehicles equipped with a Mobile Digital Computer (MDC) shall log onto the MDC with the required information when going on-duty. If the vehicle is not equipped with a working MDC, the member shall notify the Dispatch Center. Use of the MDC is governed by the Mobile Digital Computer Use Policy.

706.3.6 VEHICLE LOCATION SYSTEM

Patrol and other vehicles, at the discretion of the Chief of Police, may be equipped with a system designed to track the vehicle's location. While the system may provide vehicle location and other information, members are not relieved of their responsibility to use required communication practices to report their location and status.

Members shall not make any unauthorized modifications to the system. At the start of each shift, members shall verify that the system is on and report any malfunctions to their supervisor. If the member finds that the system is not functioning properly at any time during the shift, he/she should notify the supervisor and/or communications center or exchange the vehicle or MDC (MDT) for one with a working system, if available.

System data may be accessed by supervisors at any time. However, access to historical data by other than supervisors will require Division Commander approval.

All data captured by the system shall be retained in accordance with the established records retention schedule.

706.3.10 PARKING

Except when responding to an emergency or when urgent department-related business requires otherwise, members driving department vehicles should obey all parking regulations at all times.

Department vehicles should be parked in assigned stalls. Members shall not park privately owned vehicles in stalls assigned to department vehicles or in other areas of the parking lot that are not so designated unless authorized by a supervisor. Privately owned motorcycles shall be parked in designated areas.

Professional Staff members may prominently display the "out of service" placards or utilize light bar covers if the unit is out of service. Professional Staff members shall not operate the emergency lights or siren of any vehicle unless expressly authorized by a supervisor. Civilian members or volunteers with the Department may use marked emergency units as needed for the duties they are assigned (i.e. Public Relations events, traffic control, scene security, etc.) and as directed by a supervisor or administrator of the Department.

706.4 INDIVIDUAL MEMBER ASSIGNMENT TO VEHICLES

Assignment of take-home vehicles shall be based on the location of the member's residence, the nature of the member's duties, job description and essential functions, and employment or appointment status.

Department members may be required to sign a take-home vehicle agreement that outlines certain standards, including, but not limited to, how the vehicle shall be used, where it shall be parked when the member is not on-duty, vehicle maintenance responsibilities and member enforcement actions.

Members are cautioned that under federal and local tax rules, personal use of a City vehicle may create an income tax liability for the member. Questions regarding tax rules should be directed to the member's tax adviser.

Criteria for use of take-home vehicles include the following:

- (a) Vehicles shall only be used for work-related purposes unless other circumstances allow and, generally, shall not be used for personal errands or transports, unless special circumstances exist and the Chief of Police or a Division Commander gives authorization.

Personal Protective Equipment

707.1 PURPOSE AND SCOPE

This policy identifies the different types of personal protective equipment (PPE) provided by the Department as well the requirements and guidelines for the use of PPE.

707.1.1 DEFINITIONS

Definitions related to this policy include:

Personal protective equipment (PPE) - Equipment that protects a person from serious workplace injuries or illnesses resulting from contact with chemical, radiological, physical, electrical, mechanical or other workplace hazards.

Respiratory PPE - Any device that is worn by the user to protect from exposure to atmospheres where there is smoke, low levels of oxygen, high levels of carbon monoxide, or the presence of toxic gases or other respiratory hazards. For purposes of this policy, respiratory PPE does not include particulate-filtering masks such as N95 or N100 masks.

707.2 POLICY

The Auburn Police Department endeavors to protect members by supplying certain PPE to members as provided in this policy. Where PPE is issued, assigned or utilized, this policy will provide the guidance for such equipment.

707.3 OFFICER RESPONSIBILITIES

Members are required to use PPE as provided in this policy and pursuant to their training.

Members are responsible for proper maintenance and storage of issued PPE. PPE should be stored in an appropriate location so that it is available when needed.

Approved hearing protection shall be used by members during firearms training.

Hearing protection shall meet or exceed the requirements provided in 8 CCR 5098.

707.5 EYE PROTECTION

Approved eye protection, including side protection, shall be used by members during firearms training. Personal Protective Equipment

The Rangemaster or a designee shall ensure eye protection meets or exceeds the requirements provided in 8 CCR 3382.

707.6 HEAD AND BODY PROTECTION

Padded body protection consisting of chest, arm, leg and groin protection should be provided as required by any collective bargaining agreement.

707.7 RESPIRATORY PROTECTION

The Administrative Services Division Commander is responsible for ensuring a respiratory protection plan is developed and maintained by a trained and qualified member. The plan shall include procedures for (8 CCR 5144):

707.7.1 RESPIRATORY PROTECTION USE

Designated members may be issued respiratory PPE based on the member's assignment (e.g., a narcotics investigator who is involved in clandestine lab investigations).

Respiratory PPE may be worn when authorized by a scene commander who will determine the type and level of protection appropriate at a scene based upon an evaluation of the hazards present.

Scene commanders are responsible for monitoring members using respiratory PPE and their degree of exposure or stress. When there is a change in work area conditions or when a member's degree of exposure or stress may affect respirator effectiveness, the scene commander shall reevaluate the continued effectiveness of the respirator and direct the member to leave the respirator use area when the scene commander reasonably believes (8 CCR 5144):

- (c) The member needs to replace the respirator, filter, cartridge or canister.

707.7.2 MEMBER RESPONSIBILITIES FOR RESPIRATORY PROTECTION

Members shall not use self-contained breathing apparatus (SCBA), full-face respirators or cartridge respirators unless they have completed training requirements for the equipment.

Members exposed to environments that are reasonably known to be harmful due to gases, smoke or vapors shall use respiratory PPE.

Members using respiratory PPE shall (8 CCR 5144):

707.7.3 GAS MASK

Full-face air-purifying respirators, commonly referred to as gas masks, may be fitted with mechanical pre-filters or combination cartridge/filter assemblies for use in areas where gases, vapors, dusts, fumes or mists are present. Members must identify and use the correct cartridge based on the circumstances (8 CCR 5144).

A scene commander may order the use of gas masks in situations where the use of a SCBA is not necessary. These incidents may include areas where tear gas has or will be used or where a vegetation fire is burning. Gas masks shall not be used if there is a potential for an oxygen-deficient atmosphere.

Members shall ensure their gas mask filters are replaced whenever:

- (a) They smell, taste or are irritated by a contaminant.

- (a) Entering the hot zone of a hazardous materials incident.
- (b) Entering any area where contaminant levels may become unsafe without warning, or any situation where exposures cannot be identified or reasonably estimated.

The 40mm launcher can also be used to break the glass on a vehicle to extract a suspect.

b. Authorized Use- Only used by properly trained personnel for a law enforcement purpose.

c. Expected Lifespan- Dependent on use, but potentially 15+ years.

3. The Defense Technology Foam Baton Round. Quantity: 11. The Foam Baton Round is less lethal munition that is generally utilized in incidents involving unruly crowds. The munition consists of a casing that is 4.80" in length. The casing houses three,.40 oz foam projectiles. The projectiles are dislodged from the casing upon being fired from a 40mm launcher. Likewise, in the absence of proper training regarding their handling and use, the Foam Baton Round can result in catastrophic property damage, injury, and death.

a. Purpose - The use of the Foam Baton Round is designed as a crowd management tool in which it is intended to distract and gain pain compliance by projecting three,.40 oz foam projectiles. The Foam Baton Round is generally authorized when an unruly crowd refuses to comply with a lawful dispersal order which was prompted by acts of violence or the destruction of property. The Foam Baton Round increases the probability of crowd dispersal with an overall goal of a positive outcome at the crisis site, while protecting property and reducing the risk to officers and citizens from sustaining bodily injury or death during incidents of civil unrest. The Foam Baton Round would enable or assist officers in performing their lawful duties, while recognizing that most situations involve a felony crime or another potentially high-risk event.

b. Authorized Use - All sworn peace officers who have received authorized training for law enforcement use.

c. Expected Lifespan - Until used.

d. Fiscal Impact - Original cost per item approximately \$26.00. Replacement cost per unit approximately \$26.00.

e. Training - instructor-led on-going training includes, but is not limited to, weapon familiarization, classroom training, and hands-on use demonstrating the ability to appropriately deploy the Foam Baton Round.

f. Legal and Procedural Rules - It is the policy of the Auburn Police Department to deploy and utilize the Foam Baton Round for official law enforcement purposes as necessary, pursuant to State and Federal law.

4. The Combined Tactical Systems Exact Impact 40mm Sponge Round. Quantity: 22. The Exact Impact 40mm Sponge Round is a less-lethal munition. The Exact Impact 40mm Sponge Round is fired from a 40mm launcher. The 1.06 oz foam projectile is discharged from the 3.65" casing it sits in prior to being launched from the 40mm launcher. Likewise, in the absence of proper

training regarding their handling and use, the Exact Impact 40mm Sponge Round can result in catastrophic property damage, injury, and death.

a. Purpose - The Exact Impact 40mm Sponge Round is a less lethal munition designed to incapacitate a subject who poses an immediate threat to him/herself, officers, and/or citizens. Additionally, the Exact Impact 40mm Sponge Round is utilized as a crowd management tool in which it is intended to distract and gain pain compliance by firing a single 1.06 oz foam projectile. The Exact Impact 40mm Sponge Round is generally authorized as a means of less-lethal force when a subject is non-complaint and poses an immediate threat to themselves, officers, and/or citizens. Additionally, the use of the Exact Impact 40mm Sponge Round is generally authorized when an unruly crowd refuses to comply with a lawful dispersal order which was prompted by acts of violence or the destruction of property. The Exact Impact 40mm Sponge Round increases the probability of taking a non-complaint subject into custody without the use of deadly force and also increases the probability of crowd dispersal with an overall goal of a peaceful resolution at the crisis site, while protecting property and reducing the risk to officers and citizens from sustaining bodily injury or death. The Exact Impact 40mm Sponge Round would enable or assist officers in performing their lawful duties, while recognizing that most situations involve a felony crime or another potentially high-risk event.

g. Alternatives - There are no other reasonable alternatives to replace this piece of equipment.

5. The Combined Tactical Systems Direct Impact 40mm Sponge Round (Oleoresin Capsicum (OC)- orange tip). Quantity: 8. The Direct Impact 40mm Sponge Round is a less-lethal munition. The Direct Impact 40mm Sponge Round is fired from a 40mm launcher. The 1.40 oz foam projectile, containing an OC powder is discharged from the 3.84" casing it sits in prior to being launched from the 40mm launcher. Military equipment used by any member of this Department shall be approved for use and in accordance with this Department policy. Military equipment used by other jurisdiction that are providing mutual aid to this Department, or otherwise conducting law enforcement activities in this jurisdiction, shall comply with their respective military equipment use policies in performing such actions. Situations may arise where the Auburn Police Department may deploy or use military equipment owned by other law enforcement agencies. In these situations, the Auburn Police Department is authorized to deploy or use a different agency's military equipment as authorized in Section 706.4 of this policy. The Auburn Police Department is also authorized to deploy or use the following non-exhaustive list of military equipment owned by another agency.

709.6.1 EXIGENT CIRCUMSTANCES

A variety of equipment can assist incident commanders, officers, and specific units in bringing incidents to a swift and safe resolution. The use of some equipment listed in this policy is restricted for use only in certain instances. While this policy is wide ranging, it is not all-inclusive. There may be limited instances where an unpredictable critical incident demands the need for incident commanders to authorize equipment not listed in this policy or equipment listed to be used in a manner not outlined in this policy. In scrutinizing these particular incidences, the judgment of the incident commander may be influenced by the totality of the circumstances, public safety, officer safety, civil rights, and the information available at the time.

709.7 ANNUAL REPORT

Upon approval of a military equipment policy, the Chief of Police or the authorized designee should submit a military equipment report to the governing body for each type of military equipment

approved within one year of approval, and annually thereafter for as long as the military equipment is available for use (Government Code § 7072).

The Chief of Police or the authorized designee should also make each annual military equipment report publicly available on the department website for as long as the military equipment is available for use. The report shall include all information required by Government Code § 7072 for the preceding calendar year for each type of military equipment in department inventory.

709.8 COMMUNITY ENGAGEMENT

Within 30 days of submitting and publicly releasing the annual report, the Department shall hold at least one well-publicized and conveniently located community engagement meeting, at which the Department should discuss the report and respond to public questions regarding the funding, acquisition, or use of military equipment.

Chapter 8 - Support Services

Crime Analysis

800.1 PURPOSE AND SCOPE

Crime analysis should provide currently useful information to aid operational personnel in meeting their tactical crime control and prevention objectives by identifying and analyzing methods of operation of individual criminals, providing crime pattern recognition, and providing analysis of data from field interrogations and arrests. 802.5 CALL HANDLING

This Department provides members of the public with access to the 9-1-1 system for a single emergency telephone number.

When a call for services is received, the dispatcher will reasonably and quickly attempt to determine whether the call is an emergency or non-emergency, and shall quickly ascertain the call type, location and priority by asking four key questions:

- Where?
- What?
- When?
- Who?
- Weapons?

The call-taker/dispatcher should gather as much information as possible about the nature of the incident that is occurring or has occurred, including but not limited to (in no particular order):

1. Nature of incident; crime, civil, parking, other
2. Suspect description, name
3. Involved vehicle description; color year, make, model, plate
4. Weapons involved, if any
5. Injuries, and nature of injuries, if any, and to whom
6. Direction of travel if the suspect(s) and/or vehicles have left the area
7. Victim location, status (i.e. injured, etc.)
8. Witness location and status
9. Any additional information provided by the caller or deemed necessary based on the nature of the event
10. The reporting person/victim should be asked if they would like contact by our officers/staff and the appropriate CAD entry should be made to indicate if contact is or is not desired by the reporting person/victim. This will ensure staff may make the appropriate contact during or after the call for service.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

The Communications Center

If the dispatcher determines that the caller has a hearing and/or speech impairment or disability, he/she shall immediately initiate a connection with the individual via available TDD/TTY equipment or Telephone Relay Service (TRS), as mandated by the Americans with Disabilities Act (ADA).

If the dispatcher determines that the caller is a limited English proficiency (LEP) individual, the dispatcher should quickly determine whether sufficient information can be obtained to initiate an appropriate response. If language assistance is still needed, the language is known and a language-appropriate authorized interpreter is available in the Dispatch Center, the dispatcher should immediately connect the LEP caller to the authorized interpreter.

If no authorized interpreter is available or the dispatcher is unable to identify the caller's language, the dispatcher will contact the contracted telephonic interpretation service and establish a three-party call connecting the dispatcher, the LEP individual and the interpreter.

Dispatchers should be courteous, patient and respectful when dealing with the public.

802.5.1 EMERGENCY CALLS

A call is considered an emergency when there is an immediate or potential threat to life or serious property damage, and the timely arrival of public safety assistance is of the utmost importance. A person reporting an emergency should not be placed on hold until the dispatcher has obtained all necessary information to ensure the safety of the responding department members and affected individuals.

Emergency calls should be dispatched immediately. The Shift Supervisor shall be notified of pending emergency calls for service when department members are unavailable for dispatch.

802.5.2 NON-EMERGENCY CALLS

A call is considered a non-emergency call when there is no immediate or potential threat to life or property. A person reporting a non-emergency may be placed on hold, if necessary, to allow the dispatcher to handle a higher priority or emergency call.

The reporting person should be advised if there will be a delay in the dispatcher returning to the telephone line or when there will be a delay in the response for service.

802.6 TEXT TO 9-1-1 (TEXT TO 911)

It shall be the policy of the Auburn Police Department Communications Center to follow the procedures set forth in this directive for the processing of calls received via Text Messaging to 9-1-1.

Text-to-911 (or TEXT to 9-1-1) provides equal access to emergency services for the Deaf and Hard of Hearing Community as well as an alternate method of reporting emergencies when other traditional avenues are unavailable. The Short Message Service (SMS)- also known as text messaging- provides support for wireless subscribers to send 911 SMS text messages to Public Safety Answering Points (PSAPs) by using the single code 911 as the destination address of the SMS message. As with standard practice in the Communications Center, Text-to-911 is for official business and will fall under the same standards for recording and retention.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

The Communications Center

The following procedures will be followed for the processing of Short Message Service (SMS) to 911.

In lieu of voice communications, callers may opt to contact 9-1-1 via text messaging. All 9-1-1 calls are processed equally without regard to hierarchy and therefore Text to-911 (SMS) lines will be accepted and answered immediately without delay and all calls shall be prioritized based on the nature of the call whether voice or text.

Calls received via text messaging will come into the Center on the 9-1-1 telephone console.

The dispatcher shall begin the text conversation by sending a message to determine if the caller is able to engage in a voice to voice call, rather than a text conversation.

Pre-set messages are available. The dispatcher may choose to use them as appropriate.

Dispatchers will not use jargon, abbreviations, or acronyms but rather spell out questions to avoid misunderstanding with the callers. The caller should be encouraged not to use the "texting" lingo, shortcuts and/or acronyms to help eliminate any confusion on the part of both parties. However, callers are not required to oblige. In the event it becomes difficult to understand a caller's emergency due to the use of these shortcuts, the dispatcher will ask the caller to explain the shortcut. The flow of the text conversation should emulate those of voice 9-1-1 calls in that the 5 W's; Where, What, Who, When, Weapons, and How should be answered.

The TEXT MESSAGE SCREEN

The text message screen will show the latitude and longitude of the cell tower site (Phase 1) as provided by the cell service provider, not the location of the caller. The call-taker can rebid the location for a new cell tower site if the caller indicates they are traveling. In some instances apps that send text to 9-1-1 messages (such as Samsung's "My Location" app) may display the latitude and longitude of the caller, however there is no way to verify the accuracy of the location at the current time.

It is important to confirm that the caller can be reached at the same number the text is originating from.

All other pertinent information will be asked for by the call-taker to help ensure bystander and responder safety. All pertinent information will be added to the call for service in the Computer Aided Dispatch (CAD) system and relayed to the responding unit(s) as appropriate. The call taker will note that the call was received by text when creating the call in CAD.

When the call is dispatched over the radio, the responding officers or staff will be advised that the call is being received by text message.

The dispatcher will restate the location of the emergency with the caller before the end of the call by advising the caller that the requested assistance is being sent to the address the caller gave.

Example – "Officers are being sent to 123 Main Street"

HANDLING CALLS FOR INCIDENTS IN OTHER JURISDICTIONS

Handling calls for incidents in other jurisdictions without text capabilities:

If a text message is received and it is determined that the emergency is occurring in another jurisdiction, all pertinent information will be gathered and relayed by phone to the appropriate PSAP for dispatch. The session should be kept open until contact is made with the appropriate jurisdiction in case additional information is needed.

A call will be created in CAD for documentation purposes. Close the CAD call with the appropriate disposition code for transfers to another agency.

If you are able to determine the call is not an emergency and the caller is not hearing impaired, you may advise them to contact the correct agency and provide the phone number. If you are unable to determine if the caller is hearing impaired, the caller will not be referred to another agency. The dispatcher will take the information and contact the correct agency. We should avoid referring the caller if possible.

TRANSFERRING CALLS TO ANOTHER PSAP:

The transfer codes for all of the Primary PSAPs have been built into the dropdown box as pre-set messages. Once a transfer is sent, the call essentially becomes a three-way call between the 9-1-1 text messenger, the PSAP answering the original 9-1-1 text message, and the agency receiving the transfer. The text messages already displayed, as well as the caller, will be transferred to the agency listed.

MULTIPLE TEXT to 911 CONVERSATIONS:

Each dispatcher will process no more than two callers or conversations at once. Since multiple text sessions may be handled at once, per dispatcher, the highest priority Text-to-911 will be determined by the nature of the emergency.

Multiple texts, same incident if multiple texts are received about the same call or incident you must respond to each message to ensure that they are indeed related and not a different call. Additional RP information shall be added to the CAD call.

PRIVATE CHAT FEATURE:

The system has a private chat feature. This allows the two dispatchers to exchange texts during the three-way conversation initiated by a text transfer that the text to 9-1-1 messenger will not see. For example, the transferring dispatcher may want to advise the dispatcher receiving the transfer of previous contacts with the text to 9-1-1 messenger. Private messages must begin with a #p. It's important that dispatchers be aware that although the text to 9-1-1 messenger will not see the private message, the message itself is recorded and is subject to subpoena just like a 9-1-1 telephone call.

NON-RESPONSE: POSSIBLE EMERGENCY:

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

The Communications Center

If there is language within the original text to indicate that there may be a legitimate emergency the dispatcher will message back the following: "If you have an emergency, call 9-1-1 if you can, text if you cannot." If there is still no response create a call for service using the type code **T911** using the best known location, either latitude/longitude, or address. If there are indications that the circumstances would fit another type code use the most appropriate type code.

POSSIBLE ACCIDENTAL TEXT:

If the language within the original text does not indicate that there is an emergency or that it was a misdial or accidental text the dispatcher will message back the following: "If you have an emergency call 9-1-1 if you can, text if you can't."

NOTIFYING THE CALLER THE SESSION WILL END:

The dispatcher will send the caller a message indicating that the text session has ended. The dispatcher will wait a few seconds to confirm there is no further communication at which time the session will be terminated by using the **Release** button.

Dispatchers will keep in mind, that a text messaging session cannot be restored or initiated by the dispatcher. Text sessions may only be initiated by callers and may only be ended by the dispatcher.

The only way to establish contact at that point is to make a voice call to the phone number or use the dispatch or dispatch supervisor cell phone (another department or city phone may be used if the dispatch or dispatch supervisor cell phone is not available). Under no circumstances should the call-taker text the caller from their personal cell phone.

RE-ESTABLISHING CONTACT AFTER A SESSION IS CLOSED:

Dispatchers are authorized to make a voice call to the caller if needed. This will need to be done if additional information is needed from the caller or if responders are having difficulty locating them.

A caller should not be called back in cases where their safety, or the safety of another, is in question. If an officer is requesting that a callback be made in this situation, the dispatcher will advise the officer of the safety concern. If the officer still requests a callback at that point, the callback request will be honored.

UTILIZING THE LANGUAGE TRANSLATOR:

Currently there is no transfer available to a language translation service. If it is determined that language interpretation services are needed, a voice call will be placed to the caller and then the caller will be transferred to the language translation service. If there is no answer, a call for service will be entered for an area check.

806.3.3 RECORDS BUREAU PROCEDURE MANUAL

The Records Communication Supervisor should establish procedures that address and coordinate effectively with the Division Commander:

- (a) Identifying by name persons in reports.
- (b) Classifying reports by type of incident or crime.
- (c) Tracking reports through the approval process.
- (d) Assigning alpha-numerical records to all arrest records.
- (e)

806.4 DETERMINATION OF FACTUAL INNOCENCE

In any case where a person has been arrested by officers of the Auburn Police Department and no accusatory pleading has been filed, the person arrested may petition the Department to destroy the related arrest records. Petitions should be forwarded to the Records Communication Supervisor. The Records Communication Supervisor should promptly contact the prosecuting attorney and request a written opinion as to whether the petitioner is factually innocent of the charges (Penal Code § 851.8). Factual innocence means the accused person did not commit the crime.

Upon receipt of a written opinion from the prosecuting attorney affirming factual innocence, the Records Communication Supervisor should forward the petition to the Criminal Investigations Division Supervisor and the City Attorney for review. After such review and consultation with the City Attorney, the Criminal Investigations Division Supervisor and the Records Communication Supervisor shall decide whether a finding of factual innocence is appropriate.

Upon determination that a finding of factual innocence is appropriate, the Records Communication Supervisor shall ensure that the arrest record and petition are sealed for later destruction and the required notifications are made to the California DOJ and other law enforcement agencies (Penal Code § 851.8).

The Records Communication Supervisor should respond to a petition with the Department's decision within 45 days of receipt. Responses should include only the decision of the Department, not an explanation of the analysis leading to the decision.

806.5 ARREST WITHOUT FILING OF ACCUSATORY PLEADING

The Operations Division Commander should ensure a process is in place for when an individual is arrested and released and no accusatory pleading is filed so that the following occurs (Penal Code § 849.5; Penal Code § 851.6):

- (a) The individual is issued a certificate describing the action as a detention.
- (b) All references to an arrest are deleted from the arrest records of the Department and the record reflects only a detention.
- (c) The California DOJ is notified.

806.6 FILE ACCESS AND SECURITY

The security of files in the Records Bureau must be a high priority and shall be maintained as mandated by state or federal law. All case reports including but not limited to initial, supplemental, follow-up, evidence, and any other reports related to a police department case, including field interview (FI) cards, criminal history records, and publicly accessible logs, shall be maintained in a secure area within the Records Bureau, accessible only by authorized members of the Records Bureau. Access to case reports or files when Records Bureau staff is not available may be obtained through the Shift Supervisor.

The Records Bureau will also maintain a secure file for case reports deemed by the Chief of Police as sensitive or otherwise requiring extraordinary access restrictions.

806.7 ORIGINAL CASE REPORTS

Generally, original case reports shall not be removed from the Records Bureau. Should an original case report be needed for any reason, the requesting department member shall first obtain authorization from the Records Communication Supervisor. All original case reports removed from the Records Bureau shall be recorded on a designated report check-out log, which shall be the only authorized manner by which an original case report may be removed from the Records Bureau.

All original case reports to be removed from the Records Bureau shall be photocopied and the photocopy retained in the file location of the original case report until the original is returned to the Records Bureau. The photocopied report shall be shredded upon return of the original report to the file.

806.8 CONFIDENTIALITY

Records Bureau staff has access to information that may be confidential or sensitive in nature. Records Bureau staff shall not access, view, or distribute, or allow anyone else to access, view, or distribute any record, file, or report, whether in hard copy or electronic file format, or any other confidential, protected, or sensitive information except in accordance with the Records Maintenance and Release and Protected Information policies and the Records Bureau procedure manual.

Restoration of Firearm Serial Numbers

808.1 PURPOSE AND SCOPE

The primary purpose for restoring firearm serial numbers is to determine the prior owners or origin of the item from which the number has been recovered. Thus, property can be returned to rightful owners or investigations can be initiated to curb illegal trade of contraband firearms. The purpose of this plan is to develop standards, methodologies, and safety protocols for the recovery of obliterated serial numbers from firearms and other objects using procedures that are accepted as industry standards in the forensic community. All personnel who are involved in the restoration of serial numbers will observe the following guidelines. This policy complies with Penal Code § 11108.9.

808.2 PROCEDURE

Any firearm coming into the possession of the Auburn Police Department as evidence, found property, etc., where the serial numbers have been removed or obliterated will be processed in the following manner:

808.2.1 PRELIMINARY FIREARM EXAMINATION

- (a) Always keep the muzzle pointed in a safe direction. Be sure the firearm is in an unloaded condition. This includes removal of the ammunition source (e.g., the detachable magazine, contents of the tubular magazine) as well as the chamber contents.
- (b) If the firearm is corroded shut or in a condition that would preclude inspection of the chamber contents, treat the firearm as if it is loaded. Make immediate arrangements for a firearms examiner or other qualified examiner to render the firearm safe.
- (c) Accurately record/document the condition of the gun when received. Note the positions of the various components such as the safeties, cylinder, magazine, slide, hammer, etc. Accurately record/document cylinder chamber and magazine contents. Package the ammunition separately.
- (d) If the firearm is to be processed for fingerprints or trace evidence, process before the serial number restoration is attempted. First record/document important aspects such as halos on the revolver cylinder face or other relevant evidence that might be obscured by the fingerprinting chemicals.

808.2.2 PROPERTY BOOKING PROCEDURE

Any employee taking possession of a firearm with removed/obliterated serial numbers shall book the firearm into property following standard procedures. The employee booking the firearm shall indicate on the property form that serial numbers have been removed or obliterated.

Restoration of Firearm Serial Numbers

808.2.3 OFFICER RESPONSIBILITY

The Community Service Officer receiving a firearm when the serial numbers have been removed or obliterated shall arrange for the firearm to be transported to the crime lab for restoration and maintain the chain of evidence.

808.2.4 DOCUMENTATION

Case reports are prepared in order to document the chain of custody and the initial examination and handling of evidence from the time it is received/collected until it is released.

This report must include a record of the manner in which and/or from whom the firearm was received. This may appear on the request form or property form depending on the type of evidence.

808.2.5 FIREARM TRACE

After the serial number has been restored (or partially restored) by the criminalistics laboratory, the Community Service Officer will complete a Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) National Tracing Center (NTC) Obliterated Serial Number Trace Request Form (ATF 3312.1-OBL) and forward the form to the NTC in Falling Waters, West Virginia or enter the data into the ATF eTrace system.

808.3 BULLET AND CASING IDENTIFICATION

Exemplar bullets and cartridge cases from the firearm, depending upon acceptance criteria and protocol, may be submitted to the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) National Integrated Ballistic Information Network (NIBIN) which uses the Integrated Ballistic Identification System (IBIS) technology to search the national database and compare with ballistic evidence recovered from other crime scenes.

Records Maintenance and Release

810.1 PURPOSE AND SCOPE

This policy provides guidance on the maintenance and release of department records. Protected information is separately covered in the Protected Information Policy.

810.3 CUSTODIAN OF RECORDS RESPONSIBILITIES

The Chief of Police shall designate a Custodian of Records. The responsibilities of the Custodian of Records include but are not limited to:

- (a) Managing the records management system for the Department, including the retention, archiving, release, and destruction of department public records.
- (b) Maintaining and updating the department records retention schedule including:
 - 1. Identifying the minimum length of time the Department must keep records.

- (h) Ensuring that all department current standards, policies, practices, operating procedures, and education and training materials are posted on the department website in accordance with Penal Code § 13650.
- (i) Ensuring that public records posted on the Department website meet the requirements of Government Code § 7922.680 including but not limited to posting in an open format where a record may be retrieved, downloaded, indexed, and searched by a commonly used internet search application.
- (j) Ensuring that a list and description, when applicable, of enterprise systems (as defined by Government Code § 7922.700) is publicly available upon request and posted in a prominent location on the Department's website (Government Code § 7922.710; Government Code § 7922.720).

810.4.1 REQUESTS FOR RECORDS

Any member of the public, including the media and elected officials, may access unrestricted records of this department, during regular business hours by submitting a written and signed request that reasonably describes each record sought and paying any associated fees (Government Code § 7922.530).

The processing of requests for any record is subject to the following (Government Code § 7922.530; Government Code § 7922.535):

- (a) The Department is not required to create records that do not exist.
- (b) Victims of an incident or their authorized representative shall not be required to show proof of legal presence in the United States to obtain department records or information. - (c) Either the requested record or the reason for non-disclosure will be provided promptly, but no later than 10 days from the date of request, unless unusual circumstances preclude doing so. If more time is needed, an extension of up to 14 additional days may be authorized by the Custodian of Records or the authorized designee. If an extension is authorized, the Department shall provide the requester written notice that includes the reason for the extension and the anticipated date of the response.
 - 1. When the request does not reasonably describe the records sought, the Custodian of Records shall assist the requester in making the request focused and effective in a way to identify the records or information that would be responsive to the request including providing assistance for overcoming any practical basis for denying access to the records or information. The Custodian of Records shall also assist in describing the information technology and physical location in which the record exists (Government Code § 7922.600).
 - 2. If the record requested is available on the department website, the requester may be directed to the location on the website where the record is posted. If the requester is unable to access or reproduce the record, a copy of the record shall be promptly provided.
- (d) Upon request, a record shall be provided in an electronic format utilized by the Department. Records shall not be provided only in electronic format unless specifically requested (Government Code § 7922.570; Government Code § 7922.580).
- (e) When a record contains material with release restrictions and material that is not subject to release restrictions, the restricted material shall be redacted and the unrestricted material released.

Records Maintenance and Release

1. A copy of the redacted release should be maintained in the case file for proof of what was actually released and as a place to document the reasons for the redactions. If the record is audio or video, a copy of the redacted audio/video release should be maintained in the department-approved media storage system and a notation should be made in the case file to document the release and the reasons for the redacted portions.
- (f) If a record request is denied in whole or part, the requester shall be provided a written response that includes the statutory exemption for withholding the record or facts that the public interest served by nondisclosure outweighs the interest served by disclosure. The written response shall also include the names, titles, or positions of each person responsible for the denial (Government Code § 7922.000; Government Code § 7922.540).

810.5 RELEASE RESTRICTIONS

810.6 SUBPOENAS AND DISCOVERY REQUESTS

Any member who receives a subpoena duces tecum or discovery request for records should promptly contact a supervisor and the Custodian of Records for review and processing. While a subpoena duces tecum may ultimately be subject to compliance, it is not an order from the court that will automatically require the release of the requested information.

Generally, discovery requests and subpoenas from criminal defendants and their authorized representatives (including attorneys) should be referred to the District Attorney, City Attorney or the courts.

Each audio/video recording released should include the department name and to whom the record was released.

810.8 SEALED RECORD ORDERS

Sealed record orders received by the Department shall be reviewed for appropriate action by the Custodian of Records. The Custodian of Records shall seal such records as ordered by the court. Records may include but are not limited to a record of arrest, investigation, detention, or conviction. Once the record is sealed, members shall respond to any inquiry as though the record did not exist (Penal Code § 851.8; Welfare and Institutions Code § 781).

When an arrest record is sealed pursuant to Penal Code § 851.87, Penal Code § 851.90, Penal Code § 851.91, Penal Code § 1000.4, or Penal Code § 1001.9, the Records Communication Supervisor shall ensure that the required notations on local summary criminal history information

810.8.1 SEALED JUVENILE ARREST RECORDS

Upon receiving notice from a probation department to seal juvenile arrest records pursuant to Welfare and Institutions Code § 786.5, the Records Communication Supervisor should ensure that the records are sealed within 60 days of that notice and that the probation department is notified once the records have been sealed (Welfare and Institutions Code § 786.5).

810.9 SECURITY BREACHES

The Records Communication Supervisor shall ensure notice is given anytime there is a reasonable belief an unauthorized person has acquired either unencrypted personal identifying information or encrypted personal information along with the encryption key or security credential stored in any Department information system (Civil Code § 1798.29).

Notice shall be given as soon as reasonably practicable to all individuals whose information may have been acquired. The notification may be delayed if the Department determines that notification will impede a criminal investigation or any measures necessary to determine the scope of the breach and restore the reasonable integrity of the data system.

 - 6. Unique biometric data
 - 7. Genetic data
- (b) A username or email address, in combination with a password or security question and answer that permits access to an online account

 - 1. Notification may be provided electronically or in another form directing the person to promptly change either his/her password or security question and answer, as applicable, or to take other appropriate steps to protect the online account with the Department in addition to any other online accounts for which the person uses the same username or email address and password or security question and answer.
 - 2. When the breach involves an email address that was furnished by the Auburn Police Department, notification of the breach should not be sent to that email address but should instead be made by another appropriate medium as prescribed by Civil Code § 1798.29.

sufficient contact information. Substitute notice shall consist of all of the following:

- (a) Email notice when the Department has an email address for the subject person.
 - (b) Conspicuous posting of the notice on the department's webpage for a minimum of 30 days.
4. Notification to major statewide media and the California Information Security Office within the California Department of Technology.
- (b) If a single breach requires the Department to notify more than 500 California residents, the Department shall electronically submit a sample copy of the notification, excluding any personally identifiable information, to the Attorney General.

810.10 RELEASE OF AUDIO OR VIDEO RECORDINGS RELATED TO CRITICAL INCIDENTS

Video and audio recordings related to critical incidents shall be released upon a proper public record request and subject to delayed release, redaction, and other release restrictions as provided by law (Government Code § 7923.625).

For purposes of this section, a video or audio recording relates to a critical incident if it depicts an incident involving the discharge of a firearm at a person by an officer, or depicts an incident in which the use of force by an officer against a person resulted in death or in great bodily injury (as defined by Penal Code § 243(f)(4)) (Government Code § 7923.625).

The Custodian of Records should work as appropriate with the Chief of Police or the Internal Affairs Unit supervisor in determining what recordings may qualify for disclosure when a request for a recording is received and if the requested recording is subject to delay from disclosure, redaction, or other release restrictions.

810.10.1 DELAY OF RELEASE

Disclosure of critical incident recordings during active criminal or administrative investigations may be delayed as follows if disclosure would substantially interfere with the investigation, such as by endangering the safety of a witness or a confidential source:

- (a) Disclosure may be delayed up to 45 days from the date the Department knew or reasonably should have known about the incident.
- (b) Delay of disclosure may continue after the initial 45 days and up to one year if the Department demonstrates that disclosure would substantially interfere with the investigation.
- (c) Any delay of disclosure longer than one year must be supported by clear and convincing evidence that disclosure would substantially interfere with the investigation (Government Code § 7923.625).

810.10.2 NOTICE OF DELAY OF RELEASE

When there is justification to delay disclosure of a recording, the Custodian of Records shall provide written notice to the requester as follows (Government Code § 7923.625):

- (a) During the initial 45 days, the Custodian of Records shall provide the requester with written notice of the specific basis for the determination that disclosure would substantially interfere with the investigation. The notice shall also include the estimated date for the disclosure.
- (a) When delay is continued after the initial 45 days, the Custodian of Records shall promptly provide the requester with written notice of the specific basis for the determination that the interest in preventing interference with an active investigation outweighs the public interest in the disclosure, and the estimated date for the disclosure. The Custodian of Records should work with the Chief of Police in reassessing the decision to continue withholding a recording and notify the requester every 30 days.

Recordings withheld shall be disclosed promptly when the specific basis for withholding the recording is resolved.

810.10.3 REDACTION

If the Custodian of Records, in consultation with the Chief of Police or the authorized designee, determines that specific portions of the recording may violate the reasonable expectation of privacy of a person depicted in the recording, the Department should use redaction technology to redact portions of recordings made available for release. The redaction should not interfere with the viewer's ability to fully, completely, and accurately comprehend the events captured in the recording, and the recording should not otherwise be edited or altered (Government Code § 7923.625).

If any portions of a recording are withheld to protect the reasonable expectation of privacy of a person depicted in the recording, the Custodian of Records shall provide in writing to the requester the specific basis for the expectation of privacy and the public interest served (Government Code § 7923.625).

810.10.4 RECORDINGS WITHHELD FROM PUBLIC DISCLOSURE

If the reasonable expectation of privacy of a person depicted in the recording cannot adequately be protected through redaction, and that interest outweighs the public interest in disclosure, the Department may withhold the recording from the public, except that the recording, either redacted or unredacted, shall be disclosed promptly, upon request, to any of the following (Government Code § 7923.625):

- (a) The person in the recording whose privacy is to be protected, or the person's authorized representative.
- (b) If the person is a minor, the parent or legal guardian of the person whose privacy is to be protected.

- (c) If the person whose privacy is to be protected is deceased, an heir, beneficiary, designated immediate family member, or authorized legal representative of the deceased person whose privacy is to be protected.

If the Department determines that this disclosure would substantially interfere with an active criminal or administrative investigation, the Custodian of Records shall provide the requester with written notice of the specific basis for the determination and the estimated date of disclosure (Government Code § 7923.625).

The Department may continue to delay release of the recording from the public for 45 days with extensions as provided in this policy (Government Code § 7923.625).

Protected Information

812.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the access, transmission, release and security of protected information by members of the Auburn Police Department. This policy addresses the protected information that is used in the day-to-day operation of the Department and not the public records information covered in the Records Maintenance and Release Policy.

812.1.1 DEFINITIONS

Definitions related to this policy include:

Protected information - Any information or data that is collected, stored or accessed by members of the Auburn Police Department and is subject to any access or release restrictions imposed by law, regulation, order or use agreement. This includes all information contained in federal, state or local law enforcement databases that is not accessible to the public.

812.2 POLICY

Members of the Auburn Police Department will adhere to all applicable laws, orders, regulations, use agreements and training related to the access, use, dissemination and release of protected information.

812.3 RESPONSIBILITIES

The Chief of Police shall select a member of the Department to coordinate the use of protected information.

The responsibilities of this position include, but are not limited to:

- (a) Ensuring member compliance with this policy and with requirements applicable to protected information, including requirements for the National Crime Information Center (NCIC) system, National Law Enforcement Telecommunications System (NLETS), Department of Motor Vehicle (DMV) records and California Law Enforcement Telecommunications System (CLETS).
- (b) Developing, disseminating and maintaining procedures that adopt or comply with the U.S. Department of Justice's current Criminal Justice Information Services (CJIS) Security Policy.
- (c) Developing, disseminating and maintaining any other procedures necessary to comply with any other requirements for the access, use, dissemination, release and security of protected information.
- (d) Developing procedures to ensure training and certification requirements are met.
- (e) Resolving specific questions that arise regarding authorized recipients of protected information.
- (f) Ensuring security practices and procedures are in place to comply with requirements applicable to protected information.

812.4 ACCESS TO PROTECTED INFORMATION

Protected information shall not be accessed in violation of any law, order, regulation, user agreement, Auburn Police Department policy or training. Only those members who have completed applicable training and met any applicable requirements, such as a background check, may access protected information, and only when the member has a legitimate work-related reason for such access.

Unauthorized access, including access for other than a legitimate work-related purpose, is prohibited and may subject a member to administrative action pursuant to the Personnel Complaints Policy and/or criminal prosecution.

812.4.1 PENALTIES FOR MISUSE OF RECORDS

It is a misdemeanor to furnish, buy, receive or possess Department of Justice criminal history information without authorization by law (Penal Code § 11143).

Authorized persons or agencies violating state regulations regarding the security of Criminal Offender Record Information (CORI) maintained by the California Department of Justice may lose direct access to CORI (11 CCR 702).

812.4.2 RELEASE OF CORI

Only the persons listed below are authorized to release CORI. Each authorized person releasing CORI is responsible to ensure that each request granted appears legitimate and that the requester is an authorized recipient with a right and need to know.

- (a) Criminal Records Security Officer
- (b) Records Communication Supervisor
- (c) Full-time employees of the Records Bureau
- (d) Part-time employees of the Records Bureau
- (e) Volunteers assigned to or working in the Records Bureau
- (f) Administration Commander
- (g) Personnel specifically designated in writing by Division Commanders with the concurrence of the Criminal Records Security Officer

812.4.3 RELEASE OF CORI TO FIELD PERSONNEL

Personnel shall not have access to CORI until a background investigation has been completed and approved.

CORI shall not generally be transmitted by radio, cellular phone, or through computer terminals to field personnel or vehicles except in cases where circumstances reasonably indicate that the immediate safety of the officer or the public are at significant risk. Examples of situations where the transmission of summary criminal history information would be justified include a hostage situation or an armed suspect however a routine investigation or traffic enforcement stop would not be sufficient justification.

Protected Information

Nothing in this procedure is intended to prohibit broadcasting warrant information concerning wanted persons.

812.5 RELEASE OR DISSEMINATION OF PROTECTED INFORMATION

Protected information may be released only to authorized recipients who have both a right to know and a need to know.

A member who is asked to release protected information that should not be released should refer the requesting person to a supervisor or to the Records Communication Supervisor for information regarding a formal request.

Unless otherwise ordered or when an investigation would be jeopardized, protected information maintained by the Department may generally be shared with authorized persons from other law enforcement agencies who are assisting in the investigation or conducting a related investigation. Any such information should be released through the Records Bureau to ensure proper documentation of the release (see the Records Maintenance and Release Policy).

812.5.1 REVIEW OF CRIMINAL OFFENDER RECORD

Individuals requesting to review their own California criminal history information shall be referred to the Department of Justice (Penal Code § 11121).

Individuals shall be allowed to review their arrest or conviction record on file with the Department after complying with all legal requirements regarding authority and procedures in Penal Code § 11120 through Penal Code § 11127 (Penal Code § 13321).

812.5.2 TRANSMISSION GUIDELINES

Protected information, such as restricted Criminal Justice Information (CJI), which includes Criminal History Record Information (CHRI), should not be transmitted via unencrypted radio. When circumstances reasonably indicate that the immediate safety of officers, other department members, or the public is at risk, only summary information may be transmitted.

In cases where the transmission of protected information, such as Personally Identifiable Information, is necessary to accomplish a legitimate law enforcement purpose, and utilization of an encrypted radio channel is infeasible, a MDC or department-issued cellular telephone should be utilized when practicable. If neither are available, unencrypted radio transmissions shall be subject to the following:

- Elements of protected information should be broken up into multiple transmissions, to minimally separate an individual's combined last name and any identifying number associated with the individual, from either first name or first initial.
- Additional information regarding the individual, including date of birth, home address, or physical descriptors, should be relayed in separate transmissions.

Nothing in this policy is intended to prohibit broadcasting warrant information.

812.7 TRAINING

All members authorized to access or release protected information shall complete a training program that complies with any protected information system requirements and identifies authorized access and use of protected information, as well as its proper handling and dissemination.

812.7.1 COMPUTER TERMINAL SECURITY

Computer terminal equipment capable of providing access to automated criminal offender record information is located in the Records Bureau, the Dispatch Center and in the Criminal Investigations Division to preclude access by unauthorized persons.

No employee shall be authorized to operate computer terminal equipment with access to CORI until the operator has completed the appropriate training.

All personnel authorized to process or release CORI shall be required to complete a training program prescribed by the Criminal Record Security Officer. The Training Manager shall coordinate the course to provide training in the proper use, control, and dissemination of CORI.

812.9 PENALTIES FOR MISUSE OF RECORDS

Penal Code §§ 11140 and 11144 make it a misdemeanor to furnish, buy, receive, or possess Department of Justice rap sheets without authorization by a court, statute, or case law.

Title 11, California Administrative Code § 702 provides that authorized persons or agencies violating the Regulations Regarding the Security of Criminal Offender Record Information in California may lose direct access to CORI maintained by the California Department of Justice.

Divulging the content of any criminal record to anyone other than authorized personnel is a violation of Policy Manual § 340.3.7(a).

Employees who obtain, or attempt to obtain, information from the department files other than that to which they are entitled in accordance with their official duties is a violation of Policy Manual § 340.3.7(a).

812.10 CALIFORNIA RELIGIOUS FREEDOM ACT

Computers and Digital Evidence

814.1 PURPOSE AND SCOPE

This policy establishes procedures for the seizure and storage of computers, personal communications devices (PCDs) digital cameras, digital recorders and other electronic devices that are capable of storing digital information; and for the preservation and storage of digital evidence. All evidence seized and/or processed pursuant to this policy shall be done so in compliance with clearly established Fourth Amendment and search and seizure provisions.

814.2 SEIZING COMPUTERS AND RELATED EVIDENCE

Computer equipment requires specialized training and handling to preserve its value as evidence. Officers should be aware of the potential to destroy information through careless or improper handling, and utilize the most knowledgeable available resources. When seizing a computer and accessories the following steps should be taken:

- (a) Photograph each item, front and back, specifically including cable connections to other items. Look for a phone line or cable to a modem for Internet access.
- (b) Do not overlook the possibility of the presence of physical evidence on and around the hardware relevant to the particular investigation such as fingerprints, biological or trace evidence, and/or documents.
- (c) If the computer is off, do not turn it on.
- (d) If the computer is on, do not shut it down normally and do not click on anything or examine any files.
 - 1. Photograph the screen, if possible, and note any programs or windows that appear to be open and running.
 - 2. Disconnect the power cable from the back of the computer box or if a portable notebook style, disconnect any power cable from the case and remove the battery).
- (e) Label each item with case number, evidence sheet number, and item number.
- (f) Handle and transport the computer and storage media (e.g., tape, discs, memory cards, flash memory, external drives) with care so that potential evidence is not lost.
- (g) Lodge all computer items in the Property Room. Do not store computers where normal room temperature and humidity is not maintained.
- (h) At minimum, officers should document the following in related reports:
 - 1. Where the computer was located and whether or not it was in operation.
 - 2. Who was using it at the time.
 - 3. Who claimed ownership.

Auburn Police Department

Auburn PD Policy Manual

Computers and Digital Evidence

4. If it can be determined, how it was being used.
 - (i) In most cases when a computer is involved in criminal acts and is in the possession of the suspect, the computer itself and all storage devices (hard drives, tape drives, and disk drives) should be seized along with all media. Accessories (printers, monitors, mouse, scanner, keyboard, cables, software and manuals) should not be seized unless as a precursor to forfeiture.

814.2.1 BUSINESS OR NETWORKED COMPUTERS

If the computer belongs to a business or is part of a network, it may not be feasible to seize the entire computer. Cases involving networks require specialized handling. Officers should contact a certified forensic computer examiner for instructions or a response to the scene. It may be possible to perform an on-site inspection, or to image the hard drive only of the involved computer. This should only be done by someone specifically trained in processing computers for evidence.

814.2.2 FORENSIC EXAMINATION OF COMPUTERS

If an examination of the contents of the computer's hard drive, or floppy disks, compact discs, or any other storage media is required, forward the following items to a computer forensic examiner:

- (a) Copy of report(s) involving the computer, including the Evidence/Property sheet.
- (b) Copy of a consent to search form signed by the computer owner or the person in possession of the computer, or a copy of a search warrant authorizing the search of the computer hard drive for evidence relating to investigation.
- (c) A listing of the items to search for (e.g., photographs, financial records, e-mail, documents).
- (d) An exact duplicate of the hard drive or disk will be made using a forensic computer and a forensic software program by someone trained in the examination of computer storage devices for evidence.

814.3 SEIZING DIGITAL STORAGE MEDIA

Digital storage media including hard drives, floppy discs, CD's, DVD's, tapes, memory cards, or flash memory devices should be seized and stored in a manner that will protect them from damage.

- (a) If the media has a write-protection tab or switch, it should be activated.
- (b) Do not review, access or open digital files prior to submission. If the information is needed for immediate investigation request the Property and Evidence Section to copy the contents to an appropriate form of storage media.
- (c) Many kinds of storage media can be erased or damaged by magnetic fields. Keep all media away from magnetic devices, electric motors, radio transmitters or other sources of magnetic fields.

Computers and Digital Evidence

- (d) Do not leave storage media where they would be subject to excessive heat such as in a parked vehicle on a hot day.
- (e) Use plastic cases designed to protect the media, or other protective packaging, to prevent damage.

814.4 SEIZING PCDS

Personal communication devices such as cell phones, PDAs or other hand-held devices connected to any communication network must be handled with care to preserve evidence that may be on the device including messages, stored data and/or images.

- (a) Officers should not attempt to access, review or search the contents of such devices prior to examination by a forensic expert. Unsent messages can be lost, data can be inadvertently deleted and incoming messages can override stored messages.
- (b) Do not turn the device on or off. The device should be placed in a solid metal container such as a paint can or in a faraday bag, to prevent the device from sending or receiving information from its host network.
- (c) When seizing the devices, also seize the charging units and keep them plugged in to the chargers until they can be examined. If the batteries go dead all the data may be lost.

814.5 DIGITAL EVIDENCE RECORDED BY OFFICERS

Officers handling and submitting recorded and digitally stored evidence from digital cameras and audio or video recorders will comply with these procedures to ensure the integrity and admissibility of such evidence.

814.5.1 COLLECTION OF DIGITAL EVIDENCE

Once evidence is recorded it shall not be erased, deleted or altered in any way prior to submission. All photographs taken will be preserved regardless of quality, composition or relevance. Video and audio files will not be altered in any way.

814.5.2 SUBMISSION OF DIGITAL MEDIA

The following are required procedures for the submission of digital media used by cameras or other recorders:

- (a) The recording media (smart card, compact flash card or any other media) shall be brought to the Property and Evidence Section as soon as possible for submission into evidence.
- (b) Officers are not authorized to review or copy memory cards. The evidence technicians are the only employees authorized to copy and/or distribute digital media made from the memory cards.
- (c) As soon as possible following the collection of evidence, the camera operator is to remove the memory card from their digital camera and place the card into a plastic

carrier. The card and carrier are then to be placed into a zip-lock type baggie. The camera operator shall write their name and the related case number on the outside of the baggie before placing in the film drop box along with the evidence form.

- (d) Evidence technicians will make a copy of the memory card using appropriate storage media. Once they have verified that the images properly transferred to the storage media, the technicians will erase the memory card for re-use. The storage media will be marked as the original.
- (e) Officers requiring a copy of the digital files must request a copy on the evidence form when submitted to evidence.

814.5.3 DOWNLOADING OF DIGITAL FILES

Digital information such as video or audio files recorded on devices using internal memory must be downloaded to storage media. The following procedures are to be followed:

- (a) Files should not be opened or reviewed prior to downloading and storage.
- (b) Where possible, the device should be connected to a computer and the files accessed directly from the computer directory or downloaded to a folder on the host computer for copying to the storage media.

814.5.4 PRESERVATION OF DIGITAL EVIDENCE

- (a) Only evidence technicians are authorized to copy original digital media that is held as evidence. The original digital media shall remain in evidence and shall remain unaltered.
- (b) Digital images that are enhanced to provide a better quality photograph for identification and investigative purposes must only be made from a copy of the original media.
- (c) If any enhancement is done to the copy of the original, it shall be noted in the corresponding incident report.

- (b) If after normal business hours, the animal should be taken to the authorized Veterinary Emergency and Critical Care Services Clinic.
- (c) An exception to the above exists when the animal is an immediate danger to the community or the owner of the animal is identified and takes responsibility for the injured animal.

Each incident shall be documented and, at minimum, include the name of the reporting party and veterinary hospital and/or person to whom the animal is released.

If Animal Control is not available, the information will be forwarded for follow-up.

In the event responding members cannot fulfill a request for service because an animal is difficult or dangerous to handle, the Shift Supervisor will be contacted to determine available resources, including requesting the assistance of animal control services from an allied agency.

820.11 PUBLIC NUISANCE CALLS RELATING TO ANIMALS

Members should diligently address calls related to nuisance animals (e.g., barking dogs), as such calls may involve significant quality-of-life issues.

820.12 DESTRUCTION OF ANIMALS

Prominently displayed signs informing foreign nationals of their rights related to consular notification should also be posted in areas used for the temporary custody of adults.

Department members assigned to process a foreign national shall:

Additional calls may be made as reasonable and necessary (15 CCR 1067). Subject to available resources, safety and security, the religious beliefs and needs of all individuals in custody should be reasonably accommodated (15 CCR 1072). Requests for religious accommodation should generally be granted unless there is a compelling security or safety reason and denying the request is the least restrictive means available to ensure security or safety. The responsible supervisor should be advised any time a request for religious accommodation is denied.

Those who request to wear headscarves or simple head coverings for religious reasons should generally be accommodated absent unusual circumstances. Head coverings shall be searched before being worn.

Individuals wearing headscarves or other approved coverings shall not be required to remove them while in the presence of or while visible to the opposite sex if they so desire. Religious garments that substantially cover the individual's head and face may be temporarily removed during the taking of any photographs.

The personal property of an individual in temporary custody should be removed, inventoried, and processed as provided in the Custodial Searches Policy, unless the individual requests a different disposition. For example, an individual may request property (i.e., cash, car or house keys, medications) be released to another person. A request for the release of property to another person must be made in writing. Release of the property requires the recipient's signature on the appropriate form.

Upon release of an individual from temporary custody, the individual's items of personal property shall be compared with the inventory, and the individual shall sign a receipt for the property's return. If the individual is transferred to another facility or court, the member transporting the individual is required to obtain the receiving person's signature as notice of receipt. The Department shall maintain a copy of the property receipt.

902.1 PURPOSE AND SCOPE

This policy provides guidance regarding searches of individuals in custody. Such searches are necessary to eliminate the introduction of contraband, intoxicants or weapons into the Auburn Police Department facility. Such items can pose a serious risk to the safety and security of department members, individuals in custody, contractors and the public.

Nothing in this policy is intended to prohibit the otherwise lawful collection of evidence from an individual in custody.

902.1.1 DEFINITIONS

Definitions related to this policy include:

Custody search - An in-custody search of an individual and of his/her property, shoes and clothing, including pockets, cuffs and folds on the clothing, to remove all weapons, dangerous items and contraband.

Strip search - A search that requires an individual to remove or rearrange some or all of his/her clothing to permit a visual inspection of the underclothing, breasts, buttocks, anus or outer genitalia. This includes monitoring an individual who is changing clothes, where his/her underclothing, buttocks, genitalia or female breasts are visible.

902.2 POLICY

All searches shall be conducted with concern for safety, dignity, courtesy, respect for privacy and hygiene, and in compliance with policy and law to protect the rights of those who are subject to any search.

Searches shall not be used for intimidation, harassment, punishment or retaliation.

In accordance with applicable federal, state, and local law, the Auburn Police Department provides equal opportunities for applicants and employees regardless of actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law. The Department does not show partiality or grant any special status to any applicant, employee, or group of employees unless otherwise required by law.

The Department will recruit and hire only those individuals who demonstrate a commitment to service and who possess the traits and characteristics that reflect personal integrity and high ethical standards.

1000.3 RECRUITMENT

The Administrative Services Division Commander should employ a comprehensive recruitment and selection strategy to recruit and select employees from a qualified and diverse pool of candidates.

The strategy should include:

Evaluation of Employees

1002.1 PURPOSE AND SCOPE

The Department's employee performance evaluation system is designed to record work performance for both the Department and the employee, providing recognition for good work and developing a guide for improvement.

1002.2 POLICY

The Auburn Police Department utilizes a performance evaluation report to measure performance and to use as a factor in making personnel decisions that relate to merit increases, promotion, reassignment, discipline, demotion and termination. The evaluation report is intended to serve as a guide for work planning and review by the supervisor and employee. It gives supervisors a way to create an objective history of work performance based on job standards.

The Department evaluates employees in a non-discriminatory manner based upon job-related factors specific to the employee's position, without regard to sex, race, color, national origin, religion, age, disability or other protected classes.

1002.3 EVALUATION PROCESS

Evaluation reports will cover a specific period of time and should be based on documented performance during that period. Evaluation reports will be completed by each employee's immediate supervisor. Other supervisors directly familiar with the employee's performance during the rating period should be consulted by the immediate supervisor for their input.

All sworn and non-sworn supervisory personnel shall attend an approved supervisory course that includes training on the completion of performance evaluations within one year of the supervisory appointment.

Each supervisor should discuss the tasks of the position, standards of performance expected and the evaluation criteria with each employee at the beginning of the rating period. Supervisors should document this discussion in the prescribed manner.

Assessment of an employee's job performance is an ongoing process. Continued coaching and feedback provides supervisors and employees with opportunities to correct performance issues as they arise.

Non-probationary employees demonstrating substandard performance shall be notified in writing of such performance as soon as possible in order to have an opportunity to remediate the issues. Such notification should occur at the earliest opportunity, with the goal being a minimum of 90 days written notice prior to the end of the evaluation period.

Employees who disagree with their evaluation and who desire to provide a formal response or a rebuttal may do so in writing in the prescribed format and time period.

1002.3.1 RESERVE OFFICER EVALUATIONS

Reserve officer evaluations are covered under the Reserve Officers Policy.

Evaluation of Employees

1002.4 FULL TIME PROBATIONARY PERSONNEL

Non-sworn personnel are on probation for 12 months before being eligible for certification as permanent employees. An evaluation is completed monthly for all full-time non-sworn personnel during the probationary period.

Sworn personnel are on probation for 12 months before being eligible for certification as permanent employees. Probationary officers are evaluated daily, weekly and monthly during the probationary period.

1002.5 FULL-TIME PERMANENT STATUS PERSONNEL

Permanent employees are subject to three types of performance evaluations:

Regular - An Employee Performance Evaluation shall be completed once each year by the employee's immediate supervisor on the anniversary of the employee's date of hire except for employees who have been promoted in which case an Employee Performance Evaluation shall be completed on the anniversary of the employee's date of last promotion.

Transfer - If an employee is transferred from one assignment to another in the middle of an evaluation period and less than six months have transpired since the transfer, then an evaluation shall be completed by the current supervisor with input from the previous supervisor.

Special - A special evaluation may be completed any time the rater and the rater's supervisor feel one is necessary due to employee performance that is deemed less than standard. Generally, the special evaluation will be the tool used to demonstrate those areas of performance deemed less than standard when follow-up action is planned (action plan, remedial training, retraining, etc.). The evaluation form and the attached documentation shall be submitted as one package.

1002.5.1 RATINGS

When completing the Employee Performance Evaluation, the rater will place a check mark in the column that best describes the employee's performance. The definition of each rating category is as follows:

Outstanding - Is actual performance well beyond that required for the position. It is exceptional performance, definitely superior or extraordinary.

Exceeds Standards - Represents performance that is better than expected of a fully competent employee. It is superior to what is expected, but is not of such rare nature to warrant outstanding.

Meets Standards - Is the performance of a fully competent employee. It means satisfactory performance that meets the standards required of the position.

Needs Improvement - Is a level of performance less than that expected of a fully competent employee and less than standards required of the position. A needs improvement rating must be thoroughly discussed with the employee.

Unsatisfactory - Performance is inferior to the standards required of the position. It is very inadequate or undesirable performance that cannot be tolerated.

Evaluation of Employees

Space for written comments is provided at the end of the evaluation in the rater comments section. This section allows the rater to document the employee's strengths, weaknesses, and suggestions for improvement. Any rating under any job dimension marked unsatisfactory or outstanding shall be substantiated in the rater comments section.

1002.6 EVALUATION INTERVIEW

When the supervisor has completed the preliminary evaluation, arrangements shall be made for a private discussion of the evaluation with the employee. The supervisor should discuss the results of the just completed rating period and clarify any questions the employee may have. If the employee has valid and reasonable protests of any of the ratings, the supervisor may make appropriate changes to the evaluation. Areas needing improvement and goals for reaching the expected level of performance should be identified and discussed. The supervisor should also provide relevant counseling regarding advancement, specialty positions and training opportunities. The supervisor and employee will sign and date the evaluation. Permanent employees may also write comments in the Employee Comments section of the performance evaluation report.

1002.6.1 DISCRIMINATORY HARASSMENT FORM

At the time of each employee's annual evaluation, the reviewing supervisor shall require the employee to read the City and Department harassment and discrimination policies. Following such policy review, the supervisor shall provide the employee a form to be completed and returned by the employee certifying the following:

- (a) That the employee understands the harassment and discrimination policies.
- (b) Whether any questions the employee has have been sufficiently addressed.
- (c) That the employee knows how and where to report harassment policy violations.
- (d) Whether the employee has been the subject of, or witness to, any conduct that violates the discrimination or harassment policy which has not been previously reported.

The completed form should be returned to the supervisor (or other authorized individual if the employee is uncomfortable returning the form to the presenting supervisor) within one week.

The employee's completed answers shall be attached to the evaluation. If the employee has expressed any questions or concerns, the receiving supervisor or other authorized individual shall insure that appropriate follow up action is taken.

1002.7 EVALUATION REVIEW

After the supervisor finishes the discussion with the employee, the signed performance evaluation is forwarded to the rater's supervisor (Division Commander). The Division Commander shall review the evaluation for fairness, impartiality, uniformity, and consistency. The Division Commander shall evaluate the supervisor on the quality of ratings given.

Grievance Procedure

1006.1 PURPOSE AND SCOPE

It is the policy of this department that all grievances be handled quickly and fairly without discrimination against employees who file a grievance whether or not there is a basis for the grievance. Our Department's philosophy is to promote a free verbal communication between employees and supervisors.

1006.1.1 GRIEVANCE DEFINED

A grievance is any difference of opinion concerning terms or conditions of employment or the dispute involving the interpretation or application of any of the following documents by the person(s) affected:

- The employee bargaining agreement (Memorandum of Understanding)
- This Policy Manual
- City rules and regulations covering personnel practices or working conditions

Grievances may be brought by an individual affected employee or by a group representative.

Specifically outside the category of grievance are complaints related to alleged acts of sexual, racial, ethnic or other forms of unlawful harassment, as well as complaints related to allegations of discrimination on the basis of sex, race, religion, ethnic background and other lawfully protected status or activity are subject to the complaint options set forth in the Discriminatory Harassment Policy, and personnel complaints consisting of any allegation of misconduct or improper job performance against any department employee that, if true, would constitute a violation of department policy, federal, state or local law set forth in the Personnel Complaint Policy.

1006.2 PROCEDURE

Except as otherwise required under a collective bargaining agreement, if an employee believes that he or she has a grievance as defined above, then that employee shall observe the following procedure:

- (a) Attempt to resolve the issue through informal discussion with immediate supervisor.
- (b) If after a reasonable amount of time, generally seven days, the grievance cannot be settled by the immediate supervisor, the employee may request an interview with the Division Commander of the affected division or bureau.
- (c) If a successful resolution is not found with the Division Commander, the employee may request a meeting with the Chief of Police.
- (d) If the employee and the Chief of Police are unable to arrive at a mutual solution, then the employee shall proceed as follows:

Auburn Police Department

 - (a) The basis for the grievance (i.e., what are the facts of the case?).

The Chief of Police and the City Manager will review and analyze the facts or allegations and respond to the employee within 14 calendar days. The response will be in writing, and will affirm or deny the allegations. The response shall include any remedies if appropriate. The decision of the City Manager is considered final.

1006.3 EMPLOYEE REPRESENTATION

Employees are entitled to have representation during the grievance process. The representative may be selected by the employee from the appropriate employee bargaining group.

1006.4 GRIEVANCE RECORDS

At the conclusion of the grievance process, all documents pertaining to the process shall be forwarded to Administrative Services for inclusion into a secure file for all written grievances. A second copy of the written grievance will be maintained by the City Manager's office to monitor the grievance process.

1006.5 GRIEVANCE AUDITS

The Training Manager shall perform an annual audit of all grievances filed the previous calendar year to evaluate whether or not any policy/procedure changes or training may be appropriate to avoid future filings of grievances. The Training Manager shall record these findings in a confidential and generic memorandum to the Chief of Police without including any identifying information from any individual grievance. If the audit identifies any recommended changes or content that may warrant a critical revision to this policy manual, the Training Manager should promptly notify the Chief of Police.

Reporting of Employee Convictions

1010.1 PURPOSE AND SCOPE

Convictions of certain offenses may restrict or prohibit an employee's ability to properly perform official duties. Therefore, all employees shall be required to promptly notify the Department of any past and current criminal convictions.

1010.2 DOMESTIC VIOLENCE CONVICTIONS, OUTSTANDING WARRANTS AND RESTRAINING ORDERS

California and federal law prohibit individuals convicted of, or having an outstanding warrant for, certain offenses and individuals subject to certain court orders from lawfully possessing a firearm. Such convictions and court orders often involve allegations of the use or attempted use of force or threatened use of a weapon on any individual in a domestic relationship (e.g., spouse, cohabitant, parent, child) (18 USC § 922; Penal Code § 29805).

All members are responsible for ensuring that they have not been disqualified from possessing a firearm by any such conviction or court order and shall promptly report any such conviction or court order to a supervisor, as provided in this policy.

1010.3 OTHER CRIMINAL CONVICTIONS AND COURT ORDERS

Government Code § 1029 prohibits any person convicted of a felony from being a peace officer in the State of California. This prohibition applies regardless of whether the guilt was established by way of a verdict, guilty, or nolo contendere plea.

Convictions of certain violations of the Vehicle Code and other provisions of law may also place restrictions on an employee's ability to fully perform the duties of the job.

Outstanding warrants as provided in Penal Code § 29805 also place restrictions on a member's ability to possess a firearm.

Moreover, while legal restrictions may or may not be imposed by statute or by the courts upon conviction of any criminal offense, criminal conduct by members of this department may be inherently in conflict with law enforcement duties and the public trust.

1010.4 REPORTING PROCEDURE

All members of this department and all retired officers with an identification card issued by the Department shall promptly notify their immediate supervisor (or the Chief of Police in the case of retired officers) in writing of any past or current criminal arrest, outstanding warrant or conviction regardless of whether or not the matter is currently on appeal and regardless of the penalty or sentence, if any.

All members and all retired officers with an identification card issued by the Department shall further promptly notify their immediate supervisor (or the Chief of Police in the case of retired officers) in writing if the member or retiree becomes the subject of a domestic violence restraining order or similar court order or becomes the subject of an outstanding warrant.

Auburn PD Policy Manual

Reporting of Employee Convictions

Any member whose criminal conviction unduly restricts or prohibits that member from fully and properly performing his/her duties may be disciplined including, but not limited to, being placed on administrative leave, reassignment and/or termination. Any effort to remove such disqualification or restriction shall remain entirely the responsibility of the member on his/her own time and expense.

Any member failing to provide prompt written notice pursuant to this policy shall be subject to discipline.

1010.5 PROCEDURE FOR RELIEF

Pursuant to Penal Code § 29855, a peace officer may petition the court for permission to carry a firearm following a conviction under state law. Federal law, however, does not provide for any such similar judicial relief and the granting of a state court petition under Penal Code § 29855 will not relieve one of the restrictions imposed by federal law. Therefore, relief for any employee falling under the restrictions imposed by federal law may only be obtained by expungement of the conviction. Employees shall seek relief from firearm restrictions on their own time and through their own resources.

Pursuant to Family Code § 6389(h), an individual may petition the court for an exemption to any restraining order, which would thereafter permit the individual to carry a firearm or ammunition as a part of the individual's employment. Relief from any domestic violence or other restriction shall also be pursued through the employee's own resources and on the employee's own time.

Pending satisfactory proof of relief from any legal restriction imposed on an employee's duties, the employee may be placed on administrative leave, reassigned, or disciplined. The Department may, but is not required to return an employee to any assignment, reinstate any employee, or reverse any pending or imposed discipline upon presentation of satisfactory proof of relief from any legal restriction set forth in this policy.

1010.5.1 NOTIFICATION REQUIREMENTS

The Administrative Services Division Commander shall submit within 10 days of final disposition a notice to the Commission on Peace Officer Standards and Training (POST) of a conviction or Government Code § 1029 reason that disqualifies any current peace officer employed by this department or any former peace officer if this department was responsible for the investigation (11 CCR 1003).

No employee shall be permitted to work or drive a department-owned or department-leased vehicle while taking such potentially impairing medication without a written release from his/her physician.

Possession of medical marijuana or being under the influence of marijuana on- or off-duty is prohibited and may lead to disciplinary action.

1012.3 GENERAL GUIDELINES

Alcohol and drug use in the workplace or on department time can endanger the health and safety of department members and the public. Such use shall not be tolerated (41 USC § 8103).

Members who have consumed an amount of an alcoholic beverage or taken any medication, or combination thereof, that would tend to adversely affect their mental or physical abilities shall not report for duty. Affected members shall notify the Shift Supervisor or appropriate supervisor as soon as the member is aware that he/she will not be able to report to work. If the member is unable to make the notification, every effort should be made to have a representative contact the supervisor in a timely manner. If the member is adversely affected while on-duty, he/she shall be immediately removed and released from work (see Work Restrictions in this policy).

1012.3.1 USE OF MEDICATIONS

Members who are authorized to consume alcohol as part of a special assignment shall not do so to the extent of impairing on-duty performance.

Members shall notify a supervisor immediately if they observe behavior or other evidence that they believe demonstrates that a fellow member poses a risk to the health and safety of the member or others due to drug or alcohol use.

1012.5 EMPLOYEE ASSISTANCE PROGRAM

There may be available a voluntary employee assistance program to assist those who wish to seek help for alcohol and drug problems (41 USC § 8103). The Department may request an employee to submit to a screening test if the employee:

- (a) Is a law enforcement officer and, during the performance of his/her duties, discharges a firearm other than by accident.

1012.6 WORK RESTRICTIONS

If a member informs a supervisor that he/she has consumed any alcohol, drug or medication that could interfere with a safe and efficient job performance, the member may be required to obtain clearance from his/her physician before continuing to work.

If the supervisor reasonably believes, based on objective facts, that a member is impaired by the consumption of alcohol or other drugs, the supervisor shall prevent the member from continuing work and shall ensure that he/she is safely transported away from the Department.

1012.7 REQUESTING SCREENING TESTS

The supervisor may request an employee to submit to a screening test under the following circumstances:

1012.9 CONFIDENTIALITY

The Department recognizes the confidentiality and privacy due to its members. Disclosure of any information relating to substance abuse treatment, except on a need-to-know basis, shall only be with the express written consent of the member involved or pursuant to lawful process.

The written results of any screening tests and all documents generated by the employee assistance program are considered confidential medical records and shall be maintained separately from the employee's other personnel files.

Sick Leave

1014.1 PURPOSE AND SCOPE

This policy provides general guidance regarding the use and processing of sick leave. The accrual and terms of use of sick leave for eligible employees are detailed in the City personnel manual or applicable collective bargaining agreement.

This policy is not intended to cover all types of sick or other leaves. For example, employees may be entitled to additional paid or unpaid leave for certain family and medical reasons as provided for in the Family and Medical Leave Act (FMLA) (29 USC § 2601 et seq.), the California Family Rights Act, leave for victims of crime or abuse, or for organ or bone marrow donor procedures (29 CFR 825; Government Code § 12945.2; Labor Code § 230.1; Labor Code § 1510).

1014.2 POLICY

It is the policy of the Auburn Police Department to provide eligible employees with a sick leave benefit.

1014.3 USE OF SICK LEAVE

Sick leave is intended to be used for qualified absences. Sick leave is not considered vacation. Abuse of sick leave may result in discipline, denial of sick leave benefits, or both.

Employees on sick leave shall not engage in other employment or self-employment or participate in any sport, hobby, recreational activity or other activity that may impede recovery from the injury or illness (see Outside Employment Policy).

Qualified appointments should be scheduled during a member's non-working hours when it is reasonable to do so.

1014.3.1 NOTIFICATION

All members should notify the Shift Supervisor or appropriate supervisor as soon as they are aware that they will not be able to report to work and no less than one hour before the start of their scheduled shifts. If, due to an emergency, a member is unable to contact the supervisor, every effort should be made to have a representative for the member contact the supervisor (Labor Code § 246).

When the necessity to be absent from work is foreseeable, such as planned medical appointments or treatments, the member shall, whenever possible and practicable, provide the Department with no less than 30 days' notice of the impending absence (Labor Code § 246).

Upon return to work, members are responsible for ensuring their time off was appropriately accounted for, and for completing and submitting the required documentation describing the type of time off used and the specific amount of time taken.

1014.4 EXTENDED ABSENCE

Members absent from duty for more than three consecutive days may be required to furnish a statement from a health care provider supporting the need to be absent and/or the ability to return

to work. Members on an extended absence shall, if possible, contact their supervisor at specified intervals to provide an update on their absence and expected date of return.

Nothing in this section precludes a supervisor from requiring, with cause, a health care provider's statement for an absence of three or fewer days after the first three days of paid sick leave are used in a 12-month period.

1014.5 REQUIRED NOTICES

The Finance Director shall ensure:

- (a) Written notice of the amount of paid sick leave available is provided to employees as provided in Labor Code § 246.
- (b) A poster is displayed in a conspicuous place for employees to review that contains information on paid sick leave as provided in Labor Code § 247.

1014.6 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors include, but are not limited to:

- (a) Monitoring and regularly reviewing the attendance of those under their command to ensure that the use of sick leave and absences is consistent with this policy.
- (b) Attempting to determine whether an absence of four or more days may qualify as family medical leave and consulting with legal counsel or the Department of Human Resources as appropriate.
- (c) Addressing absences and sick leave use in the member's performance evaluation when excessive or unusual use has:
 - 1. Negatively affected the member's performance or ability to complete assigned duties.
 - 2. Negatively affected department operations.
- (d) When appropriate, counseling members regarding excessive absences and/or inappropriate use of sick leave.
- (e) Referring eligible members to an available employee assistance program when appropriate.

Communicable Diseases

1016.1 PURPOSE AND SCOPE

This policy provides general guidelines to assist in minimizing the risk of department members contracting and/or spreading communicable diseases.

1016.1.1 DEFINITIONS

Definitions related to this policy include:

Communicable disease - A human disease caused by microorganisms that are present in and transmissible through human blood, bodily fluid, tissue, or by breathing or coughing. These diseases commonly include, but are not limited to, hepatitis B virus (HBV), HIV and tuberculosis.

Exposure - When an eye, mouth, mucous membrane or non-intact skin comes into contact with blood or other potentially infectious materials, or when these substances are injected or infused under the skin; when an individual is exposed to a person who has a disease that can be passed through the air by talking, sneezing or coughing (e.g., tuberculosis), or the individual is in an area that was occupied by such a person. Exposure only includes those instances that occur due to a member's position at the Auburn Police Department. (See the exposure control plan for further details to assist in identifying whether an exposure has occurred.)

1016.2 POLICY

The Auburn Police Department is committed to providing a safe work environment for its members. Members should be aware that they are ultimately responsible for their own health and safety.

1016.3 EXPOSURE CONTROL OFFICER

The Chief of Police will assign a person as the Exposure Control Officer (ECO). The ECO shall develop an exposure control plan that includes:

- (a) Exposure-prevention and decontamination procedures.
- (b) Procedures for when and how to obtain medical attention in the event of an exposure or suspected exposure.
- (c) The provision that department members will have no-cost access to the appropriate personal protective equipment (PPE) (e.g., gloves, face masks, eye protection, pocket masks) for each member's position and risk of exposure.
- (d) Evaluation of persons in custody for any exposure risk and measures to separate them (15 CCR 1051; 15 CCR 1207).
- (e) Compliance with all relevant laws or regulations related to communicable diseases, including:
 - 1. Responding to requests and notifications regarding exposures covered under the Ryan White law (42 USC § 300ff-133; 42 USC § 300ff-136).
 - 2. Bloodborne pathogen mandates including (8 CCR 5193):

- 4. Promptly notifying the county health officer regarding member exposures (Penal Code § 7510).
- 5. Establishing procedures to ensure that members request exposure notification from health facilities when transporting a person that may have a communicable disease and that the member is notified of any exposure as required by Health and Safety Code § 1797.188.
- 6. Informing members of the provisions of Health and Safety Code § 1797.188 (exposure to communicable diseases and notification).
- (f) Provisions for acting as the designated officer liaison with health care facilities regarding communicable disease or condition exposure notification. The designated officer should coordinate with other department members to fulfill the role when not available. The designated officer shall ensure that the name, title, and telephone number of the designated officer is posted on the Department website (Health and Safety Code § 1797.188).

The ECO should also act as the liaison with the Division of Occupational Safety and Health (Cal/ OSHA) and may request voluntary compliance inspections. The ECO shall annually review and update the exposure control plan and review implementation of the plan (8 CCR 5193).

1016.4 EXPOSURE PREVENTION AND MITIGATION

1016.4.1 GENERAL PRECAUTIONS

All members are expected to use good judgment and follow training and procedures related to mitigating the risks associated with communicable disease. This includes, but is not limited to (8 CCR 5193):

- (a) Stocking disposable gloves, antiseptic hand cleanser, CPR masks or other specialized equipment in the work area or department vehicles, as applicable.
- (b) Wearing department-approved disposable gloves when contact with blood, other potentially infectious materials, mucous membranes and non-intact skin can be reasonably anticipated.
- (c) Washing hands immediately or as soon as feasible after removal of gloves or other PPE.

Communicable Diseases

- (f) Using a face mask or shield if it is reasonable to anticipate an exposure to an airborne transmissible disease.
- (g) Decontaminating non-disposable equipment (e.g., flashlight, control devices, clothing and portable radio) as soon as possible if the equipment is a potential source of exposure.
 - 1. Clothing that has been contaminated by blood or other potentially infectious materials shall be removed immediately or as soon as feasible and stored/decontaminated appropriately.
- (h) Handling all sharps and items that cut or puncture (e.g., needles, broken glass, razors, knives) cautiously and using puncture-resistant containers for their storage and/or transportation.
- (i) Avoiding eating, drinking, smoking, applying cosmetics or lip balm, or handling contact lenses where there is a reasonable likelihood of exposure.
- (j) Disposing of biohazardous waste appropriately or labeling biohazardous material properly when it is stored.

1016.4.2 IMMUNIZATIONS

Members who could be exposed to HBV due to their positions may receive the HBV vaccine and any routine booster at no cost (8 CCR 5193).

1016.5 POST EXPOSURE

1016.5.1 INITIAL POST-EXPOSURE STEPS

Members who experience an exposure or suspected exposure shall:

- (a) Begin decontamination procedures immediately (e.g., wash hands and any other skin with soap and water, flush mucous membranes with water).
- (b) Obtain medical attention as appropriate.
- (c) Notify a supervisor as soon as practicable.

1016.5.2 REPORTING REQUIREMENTS

The supervisor on-duty shall investigate every exposure or suspected exposure that occurs as soon as possible following the incident. The supervisor shall ensure the following information is documented (8 CCR 5193):

- (a) Name and Social Security number of the member exposed
- (b) Date and time of the incident
- (c) Location of the incident
- (d) Potentially infectious materials involved and the source of exposure (e.g., identification of the person who may have been the source)
- (e) Work being done during exposure
- (f) How the incident occurred or was caused

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Communicable Diseases

- (g) PPE in use at the time of the incident
- (h) Actions taken post-event (e.g., clean-up, notifications)

The supervisor shall advise the member that disclosing the identity and/or infectious status of a source to the public or to anyone who is not involved in the follow-up process is prohibited. The supervisor should complete the incident documentation in conjunction with other reporting requirements that may apply (see the Occupational Disease and Work-Related Injury Reporting Policy).

1016.5.3 MEDICAL CONSULTATION, EVALUATION AND TREATMENT

Department members shall have the opportunity to have a confidential medical evaluation immediately after an exposure and follow-up evaluations as necessary (8 CCR 5193).

The ECO should request a written opinion/evaluation from the treating medical professional that contains only the following information:

- (a) Whether the member has been informed of the results of the evaluation.
- (b) Whether the member has been notified of any medical conditions resulting from exposure to blood or other potentially infectious materials which require further evaluation or treatment.

No other information should be requested or accepted by the ECO.

1016.5.4 COUNSELING

The Department shall provide the member, and his/her family if necessary, the opportunity for counseling and consultation regarding the exposure (8 CCR 5193).

1016.5.5 SOURCE TESTING

Testing a person for communicable diseases when that person was the source of an exposure should be done when it is desired by the exposed member or when it is otherwise appropriate (8 CCR 5193). Source testing is the responsibility of the ECO. If the ECO is unavailable to seek timely testing of the source, it is the responsibility of the exposed member's supervisor to ensure testing is sought.

Source testing may be achieved by:

- (a) Obtaining consent from the individual.
- (b) Complying with the statutory scheme of Health and Safety Code § 121060. This includes seeking consent from the person who was the source of the exposure and seeking a court order if consent is not given.
- (c) Testing the exposed member for evidence of a communicable disease and seeking consent from the source individual to either access existing blood samples for testing or for the source to submit to testing (Health and Safety Code § 120262).
- (d) Taking reasonable steps to immediately contact the County Health Officer and provide preliminary information regarding the circumstances of the exposure and the status

Auburn Police Department

Auburn PD Policy Manual

Communicable Diseases

of the involved individuals to determine whether the County Health Officer will order testing (Penal Code § 7510).

- (e) Under certain circumstances, a court may issue a search warrant for the purpose of HIV testing a person when the exposed member qualifies as a crime victim (Penal Code § 1524.1).

Since there is the potential for overlap between the different manners in which source testing may occur, the ECO is responsible for coordinating the testing to prevent unnecessary or duplicate testing.

The ECO should seek the consent of the individual for testing and consult the City Attorney to discuss other options when no statute exists for compelling the source of an exposure to undergo testing if he/she refuses.

1016.6 CONFIDENTIALITY OF REPORTS

Medical information shall remain in confidential files and shall not be disclosed to anyone without the member's written consent (except as required by law). Test results from persons who may have been the source of an exposure are to be kept confidential as well.

1016.7 TRAINING

All members shall participate in training regarding communicable diseases commensurate with the requirements of their position. The training (8 CCR 5193):

- (a) Shall be provided at the time of initial assignment to tasks where an occupational exposure may take place and at least annually after the initial training.
- (b) Shall be provided whenever the member is assigned new tasks or procedures affecting his/her potential exposure to communicable disease.
- (c) Should provide guidance on what constitutes an exposure, what steps can be taken to avoid an exposure and what steps should be taken if a suspected exposure occurs.

Smoking and Tobacco Use

1018.1 PURPOSE AND SCOPE

This policy establishes limitations on smoking and the use of tobacco products by members and others while on-duty or while in Auburn Police Department facilities or vehicles.

For the purposes of this policy, smoking and tobacco use includes, but is not limited to, any tobacco product, such as cigarettes, cigars, pipe tobacco, snuff, tobacco pouches and chewing tobacco, as well as any device intended to simulate smoking, such as an electronic cigarette or personal vaporizer.

1018.2 POLICY

Smoking and tobacco use also presents an unprofessional image for the Department and its members. Therefore smoking and tobacco use is prohibited by members and visitors in all department facilities, buildings and vehicles, and as is further outlined in this policy (Government Code § 7597; Labor Code § 6404.5).

1018.2.1 NO TOBACCO USE

1018.4 ADDITIONAL PROHIBITIONS

No person shall use tobacco products within 20 feet of a main entrance, exit or operable window of any public building (including any department facility), or buildings on the campuses of the University of California, California State University and California community colleges, whether present for training, enforcement or any other purpose (Government Code § 7596 et seq.).

1018.4.1 NOTICE

The Chief of Police or the authorized designee should ensure that proper signage is posted at each entrance to the Department facility (Labor Code § 6404.5).

Personnel Complaints

1020.1 PURPOSE AND SCOPE

This policy provides guidelines for the reporting, investigation and disposition of complaints regarding the conduct of members of the Auburn Police Department. This policy shall not apply to any questioning, counseling, instruction, informal verbal admonishment or other routine or unplanned contact of a member in the normal course of duty, by a supervisor or any other member, nor shall this policy apply to a criminal investigation.

1020.2 POLICY

The Auburn Police Department takes seriously all complaints regarding the service provided by the Department and the conduct of its members.

The Department will accept and address all complaints of misconduct in accordance with this policy and applicable federal, state and local law, municipal and county rules and the requirements of any collective bargaining agreements.

It is also the policy of this department to ensure that the community can report misconduct without concern for reprisal or retaliation.

1020.3 PERSONNEL COMPLAINTS

Personnel complaints include any allegation of misconduct or improper job performance that, if true, would constitute a violation of department policy or of federal, state or local law, policy or rule. Personnel complaints may be generated internally or by the public.

Inquiries about conduct or performance that, if true, would not violate department policy or federal, state or local law, policy or rule may be handled informally by a supervisor and shall not be considered a personnel complaint. Such inquiries generally include clarification regarding policy, procedures or the response to specific incidents by the Department.

1020.3.1 COMPLAINT CLASSIFICATIONS

Personnel complaints shall be classified in one of the following categories:

Informal - A matter in which the Supervisor or Division Commander is satisfied that appropriate action has been taken by a supervisor.

Formal - A matter in which a supervisor determines that further action is warranted. Such complaints may be investigated by a supervisor of rank greater than the accused member or referred to the Internal Affairs Unit, depending on the seriousness and complexity of the investigation.

Incomplete - A matter in which the complaining party either refuses to cooperate or becomes unavailable after diligent follow-up investigation. At the discretion of the assigned supervisor or the Internal Affairs Unit, such matters may be further investigated depending on the seriousness of the complaint and the availability of sufficient information.

- (e) Tort claims and lawsuits may generate a personnel complaint.

1020.4 AVAILABILITY AND ACCEPTANCE OF COMPLAINTS

1020.4.1 COMPLAINT FORMS

Personnel complaint forms will be maintained in a clearly visible location in the public area of the police facility and be accessible through the department website. Forms may also be available at other City facilities.

Personnel complaint forms in languages other than English may also be provided, as determined necessary or practicable.

1020.4.2 ACCEPTANCE

All complaints will be courteously accepted by any department member and promptly given to the appropriate supervisor. Although written complaints are preferred, a complaint may also be filed orally, either in person or by telephone. Such complaints will be directed to a supervisor. If a supervisor is not immediately available to take an oral complaint, the receiving member shall obtain contact information sufficient for the supervisor to contact the complainant. The supervisor, upon contact with the complainant, shall complete and submit a complaint form as appropriate.

Although not required, complainants should be encouraged to file complaints in person so that proper identification, signatures, photographs, or physical evidence may be obtained as necessary.

1020.5 DOCUMENTATION

Supervisors shall ensure that all formal and informal complaints are documented on a complaint form. The supervisor shall ensure that the nature of the complaint is defined as clearly as possible.

All complaints and inquiries should also be documented in a log that records and tracks complaints. The log shall include the nature of the complaint and the actions taken to address the complaint. On an annual basis, the Department should audit the log and send an audit report to the Chief of Police or the authorized designee. The audit should be completed by the Administrative or Operations commander.

1020.6 ADMINISTRATIVE INVESTIGATIONS

Allegations of misconduct will be administratively investigated as follows.

1020.6.1 SUPERVISOR RESPONSIBILITIES

In general, the primary responsibility for the investigation of a personnel complaint shall rest with the member's immediate supervisor, unless the supervisor is the complainant, or the supervisor is the ultimate decision-maker regarding disciplinary action or has any personal involvement regarding the alleged misconduct. The Chief of Police or the authorized designee may direct that another supervisor investigate any complaint.

A supervisor who becomes aware of alleged misconduct shall take reasonable steps to prevent aggravation of the situation.

The responsibilities of supervisors include but are not limited to:

- (a) Ensuring that upon receiving or initiating any formal complaint, a complaint form is completed.
 - (a) The original complaint form will be directed to the Operations Commander of the accused member, via the chain of command, who will take appropriate action and/or determine who will have responsibility for the investigation.

- (c) Resolving those personnel complaints that can be resolved immediately.

- (i) Ensuring that the procedural rights of the accused member are followed (Government Code § 3303 et seq.).
- (j) Ensuring interviews of the complainant are generally conducted during reasonable hours.

1020.6.2 ADMINISTRATIVE INVESTIGATION PROCEDURES

Whether conducted by a supervisor or designated investigator, the following applies to members covered by the Public Safety Officers Procedural Bill of Rights Act (POBR) (Government Code § 3303):

- (a) Interviews of an accused member shall be conducted during reasonable hours and preferably when the member is on-duty. If the member is off-duty, he/she shall be compensated.
- (b) Unless waived by the member, interviews of an accused member shall be at the Auburn Police Department or other reasonable and appropriate place.
- (c) No more than two interviewers should ask questions of an accused member.
- (d) Prior to any interview, a member shall be informed of the nature of the investigation, the name, rank and command of the officer in charge of the investigation, the interviewing officers and all other persons to be present during the interview.

- (g) Any member refusing to answer questions directly related to the investigation may be ordered to answer questions administratively and may be subject to discipline for failing to do so.
 - 1. A member should be given an order to answer questions in an administrative investigation that might incriminate the member in a criminal matter only after the member has been given a *Lybarger* advisement. Administrative investigators should consider the impact that compelling a statement from the member may have on any related criminal investigation and should take reasonable steps to avoid creating any foreseeable conflicts between the two related investigations. This may include conferring with the person in charge of the criminal investigation (e.g., discussion of processes, timing, implications).
 - 2. No information or evidence administratively coerced from a member may be provided to anyone involved in conducting the criminal investigation or to any prosecutor.
- (h) The interviewer should record all interviews of members and witnesses. The member may also record the interview. If the member has been previously interviewed, a copy of that recorded interview shall be provided to the member prior to any subsequent interview.
- (i) All members subjected to interviews that could result in discipline have the right to have an uninvolved representative present during the interview. However, in order to maintain the integrity of each individual's statement, involved members shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.
- (j) All members shall provide complete and truthful responses to questions posed during interviews.
- (k) No member may be requested or compelled to submit to a polygraph examination, nor shall any refusal to submit to such examination be mentioned in any investigation (Government Code § 3307).

No investigation shall be undertaken against any officer solely because the officer has been placed on a prosecutor's *Brady* list or the name of the officer may otherwise be subject to disclosure pursuant to *Brady v. Maryland*. However, an investigation may be based on the underlying acts or omissions for which the officer has been placed on a *Brady* list or may otherwise be subject to disclosure pursuant to *Brady v. Maryland* (Government Code § 3305.5).

1020.6.3 ADMINISTRATIVE INVESTIGATION FORMAT

Formal investigations of personnel complaints shall be thorough, complete and essentially follow this format:

1020.6.4 DISPOSITIONS

Each personnel complaint shall be classified with one of the following dispositions:

Unfounded - When the investigation discloses that the alleged acts did not occur or did not involve department members. Complaints that are determined to be frivolous will fall within the classification of unfounded (Penal Code § 832.8).

Exonerated - When the investigation discloses that the alleged act occurred but that the act was justified, lawful and/or proper.

Not sustained - When the investigation discloses that there is insufficient evidence to sustain the complaint or fully exonerate the member.

Sustained - A final determination by an investigating agency, commission, board, hearing officer, or arbitrator, as applicable, following an investigation and opportunity for an administrative appeal pursuant to Government Code § 3304 and Government Code § 3304.5 that the actions of an officer were found to violate law or department policy (Penal Code § 832.8).

If an investigation discloses misconduct or improper job performance that was not alleged in the original complaint, the investigator shall take appropriate action with regard to any additional allegations.

1020.6.5 COMPLETION OF INVESTIGATIONS

Every investigator or supervisor assigned to investigate a personnel complaint or other alleged misconduct shall proceed with due diligence in an effort to complete the investigation within one year from the date of discovery by an individual authorized to initiate an investigation (Government Code § 3304).

In the event that an investigation cannot be completed within one year of discovery, the assigned investigator or supervisor shall ensure that an extension or delay is warranted within the exceptions set forth in Government Code § 3304(d) or Government Code § 3508.1.

1020.6.6 NOTICE TO COMPLAINANT OF INVESTIGATION STATUS

The member conducting the investigation should provide the complainant with periodic updates on the status of the investigation, as appropriate.

1020.7 ADMINISTRATIVE SEARCHES

Assigned lockers, storage spaces and other areas, including desks, offices and vehicles, may be searched as part of an administrative investigation upon a reasonable suspicion of misconduct.

Such areas may also be searched any time by a supervisor for non-investigative purposes, such as obtaining a needed report, radio or other document or equipment.

Lockers and storage spaces may only be administratively searched in the member's presence, with the member's consent, with a valid search warrant or where the member has been given reasonable notice that the search will take place (Government Code § 3309).

1020.7.1 DISCLOSURE OF FINANCIAL INFORMATION

An employee may be compelled to disclose personal financial information under the following circumstances (Government Code § 3308):

- (a) Pursuant to a state law or proper legal process
- (b) Information exists that tends to indicate a conflict of interest with official duties
- (c) If the employee is assigned to or being considered for a special assignment with a potential for bribes or other improper inducements

1020.8 ADMINISTRATIVE LEAVE

When a complaint of misconduct is of a serious nature, or when circumstances indicate that allowing the accused to continue to work would adversely affect the mission of the Department, the Chief of Police or the authorized designee may temporarily assign an accused employee to administrative leave. Any employee placed on administrative leave:

- (a) May be required to relinquish any department badge, identification, assigned weapons and any other department equipment.
- (b) Shall be required to continue to comply with all policies and lawful orders of a supervisor.
- (c) May be temporarily reassigned to a different shift, generally a normal business-hours shift, during the investigation. The employee may be required to remain available for contact at all times during such shift, and will report as ordered.
- (d) While on administrative leave, employees are not authorized overtime for court appearances, medical appointments, interviews, or other job related events that occur during their scheduled hours.

1020.9 CRIMINAL INVESTIGATION

Where a member is accused of potential criminal conduct, a separate supervisor or investigator shall be assigned to investigate the criminal allegations apart from any administrative investigation. Any separate administrative investigation may parallel a criminal investigation.

The Chief of Police shall be notified as soon as practicable when a member is accused of criminal conduct. The Chief of Police may request a criminal investigation by an outside law enforcement agency.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Personnel Complaints

A member accused of criminal conduct shall be advised of his/her constitutional rights (Government Code § 3303(h)). The member should not be administratively ordered to provide any information in the criminal investigation.

The Auburn Police Department may release information concerning the arrest or detention of any member, including an officer, that has not led to a conviction. No disciplinary action should be taken until an independent administrative investigation is conducted.

1020.10 POST-ADMINISTRATIVE INVESTIGATION PROCEDURES

Upon completion of a formal investigation, an investigation report should be forwarded to the Chief of Police through the chain of command. Each level of command should review the report and include his/her comments in writing before forwarding the report. The Chief of Police may accept or modify any classification or recommendation for disciplinary action.

1020.10.1 DIVISION COMMANDER RESPONSIBILITIES

Upon receipt of any completed personnel investigation, the Division Commander of the involved member shall review the entire investigative file, the member's personnel file and any other relevant materials.

The Division Commander may make recommendations regarding the disposition of any allegations and the amount of discipline, if any, to be imposed.

Prior to forwarding recommendations to the Chief of Police, the Division Commander may return the entire investigation to the assigned investigator or supervisor for further investigation or action.

When forwarding any written recommendation to the Chief of Police, the Division Commander shall include all relevant materials supporting the recommendation. Actual copies of a member's existing personnel file need not be provided and may be incorporated by reference.

1020.10.2 CHIEF OF POLICE RESPONSIBILITIES

Upon receipt of any written recommendation for disciplinary action, the Chief of Police shall review the recommendation and all accompanying materials. The Chief of Police may modify any recommendation and/or may return the file to the Division Commander for further investigation or action.

Once the Chief of Police is satisfied that no further investigation or action is required by staff, the Chief of Police shall determine the amount of discipline, if any, that should be imposed. In the event disciplinary action is proposed, the Chief of Police shall provide the member with a pre-disciplinary procedural due process hearing (*Skelly*) by providing written notice of the charges, proposed action and reasons for the proposed action. Written notice shall be provided within one year from the date of discovery of the misconduct (Government Code § 3304(d)). The Chief of Police shall also provide the member with:

- (a) Access to all of the materials considered by the Chief of Police in recommending the proposed discipline.

- (b) An opportunity to respond orally or in writing to the Chief of Police within five days of receiving the notice.
 - 1. Upon a showing of good cause by the member, the Chief of Police may grant a reasonable extension of time for the member to respond.
 - 2. If the member elects to respond orally, the presentation may be recorded by the Department. Upon request, the member shall be provided with a copy of the recording.

Once the member has completed his/her response or if the member has elected to waive any such response, the Chief of Police shall consider all information received in regard to the recommended discipline. The Chief of Police shall render a timely written decision to the member and specify the grounds and reasons for discipline and the effective date of the discipline. Once the Chief of Police has issued a written decision, the discipline shall become effective.

1020.10.3 NOTICE OF FINAL DISPOSITION TO THE COMPLAINANT

The Chief of Police or the authorized designee shall ensure that the complainant is notified of the disposition (i.e., sustained, not sustained, exonerated, unfounded) of the complaint (Penal Code § 832.7(f)).

1020.10.4 NOTICE REQUIREMENTS

The disposition of any civilian's complaint shall be released to the complaining party within 30 days of the final disposition. This release shall not include what discipline, if any, was imposed (Penal Code § 832.7(f)).

1020.11 PRE-DISCIPLINE EMPLOYEE RESPONSE

The pre-discipline process is intended to provide the accused employee with an opportunity to present a written or oral response to the Chief of Police after having had an opportunity to review the supporting materials and prior to imposition of any recommended discipline. The employee shall consider the following:

- (a) The response is not intended to be an adversarial or formal hearing.
- (b) Although the employee may be represented by an uninvolved representative or legal counsel, the response is not designed to accommodate the presentation of testimony or witnesses.
- (c) The employee may suggest that further investigation could be conducted or the employee may offer any additional information or mitigating factors for the Chief of Police to consider.
- (d) In the event that the Chief of Police elects to cause further investigation to be conducted, the employee shall be provided with the results prior to the imposition of any discipline.
- (e) The employee may thereafter have the opportunity to further respond orally or in writing to the Chief of Police on the limited issues of information raised in any subsequent materials.

1020.12 RESIGNATIONS/RETIREMENTS PRIOR TO DISCIPLINE

In the event that a member tenders a written resignation or notice of retirement prior to the imposition of discipline, it shall be noted in the file. The tender of a resignation or retirement by itself shall not serve as grounds for the termination of any pending investigation or discipline (Penal Code § 13510.8).

1020.13 POST-DISCIPLINE APPEAL RIGHTS

Non-probationary employees have the right to appeal a suspension without pay, punitive transfer, demotion, reduction in pay or step, or termination from employment. The employee has the right to appeal using the procedures established by any collective bargaining agreement, Memorandum of Understanding and/or personnel rules.

In the event of punitive action against an employee covered by the POBR, the appeal process shall be in compliance with Government Code § 3304 and Government Code § 3304.5.

During any administrative appeal, evidence that an officer has been placed on a *Brady* list or is otherwise subject to *Brady* restrictions may not be introduced unless the underlying allegations of misconduct have been independently established. Thereafter, such *Brady* evidence shall be limited to determining the appropriateness of the penalty (Government Code § 3305.5).

1020.14 PROBATIONARY EMPLOYEES AND OTHER MEMBERS

At-will and probationary employees and those members other than non-probationary employees may be released from employment for non-disciplinary reasons (e.g., failure to meet standards) without adherence to the procedures set forth in this policy or any right to appeal. However, any probationary officer subjected to an investigation into allegations of misconduct shall be entitled to those procedural rights, as applicable, set forth in the POBR (Government Code § 3303; Government Code § 3304).

At-will, probationary employees and those other than non-probationary employees subjected to discipline or termination as a result of allegations of misconduct shall not be deemed to have acquired a property interest in their position, but shall be given the opportunity to appear before the Chief of Police or authorized designee for a non-evidentiary hearing for the sole purpose of attempting to clear their name or liberty interest. There shall be no further opportunity for appeal beyond the liberty interest hearing and the decision of the Chief of Police shall be final.

1020.15 RETENTION OF PERSONNEL INVESTIGATION FILES

All personnel complaints shall be maintained in accordance with the established records retention schedule and as described in the Personnel Records Policy.

Seat Belts

1022.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of seat belts and child restraints. This policy will apply to all members operating or riding in department vehicles (Vehicle Code § 27315.5).

1022.1.1 DEFINITIONS

Definitions related to this policy include:

Child restraint system - An infant or child passenger restraint system that meets Federal Motor Vehicle Safety Standards (FMVSS) and Regulations set forth in 49 CFR 571.213.

1022.2 WEARING OF SAFETY RESTRAINTS

All members shall wear properly adjusted safety restraints when operating or riding in a seat equipped with restraints, in any vehicle owned, leased or rented by this department while on- or off-duty, or in any privately owned vehicle while on-duty. The member driving such a vehicle shall ensure that all other occupants, including non-members, are also properly restrained.

Exceptions to the requirement to wear safety restraints may be made only in exceptional situations where, due to unusual circumstances, wearing a seat belt would endanger the member or the public. Members must be prepared to justify any deviation from this requirement.

1022.3 TRANSPORTING PERSONS IN CUSTODY

Persons who are in custody should be in a seated position and secured in the rear seat of any department vehicle with a restraint system or, when a restraint system is not available, by seat belts provided by the vehicle manufacturer. The restraint system is not intended to be a substitute for handcuffs or other appendage restraints.

An incarcerated person in leg restraints shall be transported in accordance with the Handcuffing and Restraints Policy.

1022.4 INOPERABLE SEAT BELTS

Department vehicles shall not be operated when the seat belt in the driver's position is inoperable. Persons shall not be transported in a seat in which the seat belt is inoperable.

Department vehicle seat belts shall not be modified, removed, deactivated or altered in any way, except by the vehicle maintenance and repair staff, who shall do so only with the express authorization of the Chief of Police.

Members who discover an inoperable restraint system shall report the defect to the appropriate supervisor. Prompt action will be taken to replace or repair the system.

1022.5 POLICY

It is the policy of the Auburn Police Department that members use safety and child restraint systems to reduce the possibility of death or injury in a motor vehicle collision.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Seat Belts

1022.6 TRANSPORTING CHILDREN

Children under the age of 8 shall be transported in compliance with California's child restraint system requirements (Vehicle Code § 27360; Vehicle Code § 27363).

Rear seat passengers in a cage-equipped vehicle may have reduced clearance, which requires careful seating and positioning of seat belts. Due to this reduced clearance, and if permitted by law, children and any child restraint system may be secured in the front seat of such vehicles provided this positioning meets federal safety standards and the vehicle and child restraint system manufacturer's design and use recommendations. In the event that a child is transported in the front seat of a vehicle, the seat should be pushed back as far as possible and the passenger-side airbag should be deactivated. If this is not possible, members should arrange alternate transportation when feasible. A child shall not be transported in a rear-facing child restraint system in the front seat in a vehicle that is equipped with an active frontal passenger airbag (Vehicle Code § 27363).

1022.7 VEHICLES MANUFACTURED WITHOUT SEAT BELTS

Vehicles manufactured and certified for use without seat belts or other restraint systems are subject to the manufacturer's operator requirements for safe use.

1022.8 VEHICLE AIRBAGS

In all vehicles equipped with airbag restraint systems, the system will not be tampered with or deactivated, except when transporting children as written elsewhere in this policy. All equipment installed in vehicles equipped with airbags will be installed as per the vehicle manufacturer specifications to avoid the danger of interfering with the effective deployment of the airbag device.

Body Armor

1024.1 PURPOSE AND SCOPE

The purpose of this policy is to provide law enforcement officers with guidelines for the proper use of body armor.

1024.2 POLICY

It is the policy of the Auburn Police Department to maximize officer safety through the use of body armor in combination with prescribed safety procedures. While body armor provides a significant level of protection, it is not a substitute for the observance of officer safety procedures.

1024.3 ISSUANCE OF BODY ARMOR

The Administrative Services Commander or his/her designee shall ensure that body armor is issued to all officers when the officer begins service at the Auburn Police Department and that, when issued, the body armor meets or exceeds the standards of the National Institute of Justice.

The Administrative Services Commander or his/her designee shall establish a body armor replacement schedule and ensure that replacement body armor is issued pursuant to the schedule or whenever the body armor becomes worn or damaged to the point that its effectiveness or functionality has been compromised. Our agency follows the manufacturer recommendations for body armor replacement, which is currently every five years.

1024.3.1 USE OF SOFT BODY ARMOR

- (f) Officers are not required to wear body armor when they are in the Class A uniform with the Class A jacket. Officers may wear body armor with the Class A uniform and jacket.

1024.3.2 BODY ARMOR CARRIERS

The supervisor should check for cleanliness, and obvious signs of damage, abuse and/or wear.

1024.3.4 CARE AND MAINTENANCE OF SOFT BODY ARMOR

Soft body armor should never be stored for any period of time in an area where environmental conditions (e.g., temperature, light, humidity) are not reasonably controlled (e.g., normal ambient room temperature/humidity conditions), such as in automobiles or automobile trunks.

Auburn Police Department

Auburn PD Policy Manual

Body Armor

Soft body armor should be cared for and cleaned pursuant to the manufacturer's care instructions provided with the soft body armor. The instructions can be found on labels located on the external surface of each ballistic panel. The carrier should also have a label that contains care instructions. Failure to follow these instructions may damage the ballistic performance capabilities of the armor. If care instructions for the soft body armor cannot be located, contact the manufacturer to request care instructions.

Soft body armor should not be exposed to any cleaning agents or methods not specifically recommended by the manufacturer, as noted on the armor panel label.

Soft body armor should be replaced in accordance with the manufacturer's recommended replacement schedule.

Personnel records should be maintained in a secured location and locked either in a cabinet or access-controlled room. Personnel records maintained in an electronic format should have adequate password protection.

Personnel records are subject to disclosure only as provided in this policy, the Records Maintenance and Release Policy or according to applicable discovery procedures.

Nothing in this policy is intended to preclude review of personnel records by the, City Attorney or other attorneys or representatives of the City in connection with official business.

1026.8.1 REQUESTS FOR DISCLOSURE

Any member receiving a request for a personnel record shall promptly notify the Custodian of Records or other person charged with the maintenance of such records.

Upon receipt of any such request, the responsible person shall notify the affected member as soon as practicable that such a request has been made (Evidence Code § 1043).

The responsible person shall further ensure that an appropriate response to the request is made in a timely manner, consistent with applicable law. In many cases, this may require assistance of available legal counsel.

All requests for disclosure that result in access to a member's personnel records shall be logged in the corresponding file.

1026.8.2 RELEASE OF PERSONNEL INFORMATION

Personnel records shall not be disclosed except as allowed by law (Penal Code § 832.7; Evidence Code § 1043) (See also Records Maintenance and Release Policy).

Any person who maliciously, and with the intent to obstruct justice or the due administration of the laws, publishes, disseminates, or otherwise discloses the residence address or telephone number of any member of this department may be guilty of a misdemeanor (Penal Code § 146e).

The Department may release any factual information concerning a disciplinary investigation if the member who is the subject of the investigation (or the member's representative) publicly makes a statement that is published in the media and that the member (or representative) knows to be false. The disclosure of such information, if any, shall be limited to facts that refute any such false statement (Penal Code § 832.7).

1026.8.3 RELEASE OF LAW ENFORCEMENT GANG INFORMATION

Information relating to the termination of an officer from this department for participation in a law enforcement gang shall be disclosed to another law enforcement agency that is conducting a pre-employment background investigation except where specifically prohibited by law (Penal Code § 13670).

1026.9 MEMBERS' ACCESS TO THEIR PERSONNEL RECORDS

Any member may request access to the member's own personnel records during the normal business hours of those responsible for maintaining such files. Any member seeking the removal of any item from the member's personnel records shall file a written request to the Chief of Police through the chain of command. The Department shall remove any such item if appropriate, or within 30 days provide the member with a written explanation of why the contested item will not be removed. If the contested item is not removed from the file, the member's request and the written response from the Department shall be retained with the contested item in the member's corresponding personnel record (Government Code § 3306.5).

Members may be restricted from accessing files containing any of the following information:

- (a) An ongoing internal affairs investigation to the extent that it could jeopardize or compromise the investigation pending final disposition or notice to the member of the intent to discipline.
- (b) Confidential portions of internal affairs files that have not been sustained against the member.

- (g) Information of a personal nature about a person other than the member if disclosure of the information would constitute a clearly unwarranted invasion of the other person's privacy.
- (h) Records relevant to any other pending claim between the Department and the member that may be discovered in a judicial proceeding.

1026.10 RETENTION AND PURGING

Unless provided otherwise in this policy, personnel records shall be maintained in accordance with the established records retention schedule.

- (a) During the preparation of each member's performance evaluation, all personnel complaints and disciplinary actions should be reviewed to determine the relevancy, if any, to progressive discipline, training and career development. Each supervisor responsible for completing the member's performance evaluation should determine whether any prior sustained disciplinary file should be retained beyond the required period for reasons other than pending litigation or other ongoing legal proceedings.
- (b) If a supervisor determines that records of prior discipline should be retained beyond the required period, approval for such retention should be obtained through the chain of command from the Chief of Police.
- (c) If, in the opinion of the Chief of Police, a personnel complaint or disciplinary action maintained beyond the required retention period is no longer relevant, all records of such matter may be destroyed in accordance with the established records retention schedule.

1026.11 RELEASE OF PERSONNEL RECORDS AND RECORDS RELATED TO CERTAIN INCIDENTS, COMPLAINTS, AND INVESTIGATIONS OF OFFICERS

Personnel records and records related to certain incidents, complaints, and investigations of officers shall be released pursuant to a proper request under the Public Records Act and subject to redaction and delayed release as provided by law.

The Custodian of Records should work as appropriate with the Chief of Police or the Internal Affairs Unit supervisor in determining what records may qualify for disclosure when a request for records is received and if the requested record is subject to redaction or delay from disclosure.

For purposes of this section, a record includes (Penal Code § 832.7(b)(3):

- All investigation reports.

- Photographic, audio, and video evidence.
- Transcripts or recordings of interviews.
- Autopsy reports.
- All materials compiled and presented for review to the District Attorney or to any person or body charged with determining whether to file criminal charges against an officer in connection with an incident, whether the officer's action was consistent with law and department policy for purposes of discipline or administrative action, or what discipline to impose or corrective action to take.
- Documents setting forth findings or recommending findings.
- Copies of disciplinary records relating to the incident, including any letters of intent to impose discipline, any documents reflecting modifications of discipline due to the *Skelly* or grievance process, and letters indicating final imposition of discipline or other documentation reflecting implementation of corrective action.

Unless a record or information is confidential or qualifies for delayed disclosure as provided by Penal Code § 832.7(b)(8) or other law, the following records (hereinafter qualifying records) shall be made available for public inspection no later than 45 days from the date of a request (Penal Code § 832.7(b)(1)):

- (a) Records relating to the report, investigation, or findings of:
 - 1. The discharge of a firearm at another person by an officer.
 - 2. The use of force against a person resulting in death or in great bodily injury (as defined by Penal Code § 243(f)(4)) by an officer.
 - 3. A sustained finding involving a complaint that alleges unreasonable or excessive force.
 - 4. A sustained finding that an officer failed to intervene against another officer using force that is clearly unreasonable or excessive.
- (b) Records relating to an incident where a sustained finding was made by the Department or oversight agency regarding:
 - 1. An officer engaged in sexual assault of a member of the public (as defined by Penal Code § 832.7(b)).
 - 2. Dishonesty of an officer relating to the reporting, investigation, or prosecution of a crime, or directly relating to the reporting of, or investigation of misconduct by, another officer, including but not limited to any false statements, filing false reports, destruction, falsifying, or concealing of evidence, or perjury.
 - 3. An officer engaged in conduct including but not limited to verbal statements, writings, online posts, recordings, and gestures involving prejudice or discrimination against a person on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status.

4. An officer made an unlawful arrest or conducted an unlawful search.

Qualifying records will be made available regardless of whether the officer resigns before the Department or an oversight agency concludes its investigation (Penal Code § 832.7(b)(3)).

A record from a separate and prior investigation or assessment of a separate incident shall not be released unless it is independently subject to disclosure (Penal Code § 832.7(b)(4)).

When an investigation involves multiple officers, the Department shall not release information about allegations of misconduct or the analysis or disposition of an investigation of an officer unless it relates to a sustained finding of a qualified allegation as provided by Penal Code § 832.7(b)(5). However, factual information about the action of the officer during an incident or the statements of an officer shall be released if the statements are relevant to a finding of the qualified allegation against another officer that is subject to release (Penal Code § 832.7(b)(5)).

1026.11.1 REDACTION

The Custodian of Records, in consultation with the Chief of Police or authorized designee, shall redact the following portions of qualifying records made available for release (Penal Code § 832.7(b)(6)):

- (a) Personal data or information (e.g., home address, telephone number, identities of family members) other than the names and work-related information of officers
- (b) Information that would compromise the anonymity of whistleblowers, complainants, victims, and witnesses
- (c) Confidential medical, financial, or other information where disclosure is prohibited by federal law or would cause an unwarranted invasion of personal privacy that clearly outweighs the strong public interest in records about possible misconduct and use of force
- (d) Where there is a specific, articulable, and particularized reason to believe that disclosure of the record would pose a significant danger to the physical safety of the officer or another person

Additionally, a record may be redacted, including redacting personal identifying information, where, on the facts of the particular case, the public interest served by not disclosing the information clearly outweighs the public interest served by disclosing it (Penal Code § 832.7(b)(7)).

1026.11.2 DELAY OF RELEASE

Unless otherwise directed by the Chief of Police, the Custodian of Records should consult with a supervisor familiar with the underlying investigation to determine whether to delay disclosure of qualifying records due to any of the following conditions (Penal Code § 832.7):

- (a) Active criminal investigations
 1. Disclosure may be delayed 60 days from the date the misconduct or use of force occurred or until the District Attorney determines whether to file criminal charges, whichever occurs sooner.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

2. After the initial 60 days, delay of disclosure may be continued if the disclosure could reasonably be expected to interfere with a criminal enforcement proceeding against an officer or against someone other than an officer who engaged in misconduct or used the force.
- (b) Filed criminal charges
1. When charges are filed related to an incident in which misconduct occurred or force was used, disclosure may be delayed until a verdict on those charges is returned at trial or, if a plea of guilty or no contest is entered, the time to withdraw the plea has passed.
- (c) Administrative investigations
1. Disclosure may be delayed until:
 - (a) There is a determination from the investigation whether the misconduct or use of force violated law or department policy, but no longer than 180 days after the date of the department's discovery of the misconduct or use of force or allegation of misconduct or use of force

1026.11.3 NOTICE OF DELAY OF RECORDS

When there is justification for delay of disclosure of qualifying records, the Custodian of Records shall provide written notice of the reason for any delay to a requester as follows (Penal Code § 832.7):

- (a) Provide the specific basis for the determination that the interest in delaying disclosure clearly outweighs the public interest in disclosure. The notice shall also include the estimated date for the disclosure of the withheld information.
- (b) When delay is continued beyond the initial 60 days because of criminal enforcement proceedings against anyone, at 180-day intervals provide the specific basis that disclosure could reasonably be expected to interfere with a criminal enforcement proceeding and the estimated date for disclosure.
 1. Information withheld shall be disclosed when the specific basis for withholding the information is resolved, the investigation or proceeding is no longer active, or no later than 18 months after the date of the incident, whichever occurs sooner, unless:
 - (a) When the criminal proceeding is against someone other than an officer and there are extraordinary circumstances to warrant a continued delay due to the ongoing criminal investigation or proceeding, then the Department must show by clear and convincing evidence that the interest in preventing prejudice to the active and ongoing criminal investigation or proceeding outweighs the public interest for prompt disclosure of records about misconduct or use of force by officers.

In cases where an action to compel disclosure is brought pursuant to Government Code § 6258, the Department may justify delay by filing an application to seal the basis for withholding if

disclosure of the written basis itself would impact a privilege or compromise a pending investigation (Penal Code § 832.7(b)(8)).

Request for Change of Assignment

1028.1 PURPOSE AND SCOPE

It is the intent of the Department that all requests for change of assignment are considered equally. To facilitate the selection process, the following procedure is established whereby all such requests will be reviewed on an equal basis as assignments are made.

1028.2 REQUEST FOR CHANGE OF ASSIGNMENT

Personnel wishing a change of assignment are to complete a Request for Change of Assignment form. The form should then be forwarded through the chain of command to their Division Commander.

1028.2.1 PURPOSE OF FORM

The form is designed to aid employees in listing their qualifications for specific assignments. All relevant experience, education and training should be included when completing this form.

All assignments an employee is interested in should be listed on the form.

The Request for Change of Assignment form will remain in effect until the end of the calendar year in which it was submitted. Effective January 1st of each year, employees still interested in new positions will need to complete and submit a new Change of Assignment Request form.

1028.3 SUPERVISOR'S COMMENTARY

The officer's immediate supervisor shall make appropriate comments in the space provided on the form before forwarding it to the Division Commander of the employee involved. In the case of patrol officers, the Watch Commander must comment on the request with his/her recommendation before forwarding the request to the Division Commander. If the Watch Commander does not receive the Change of Assignment Request Form, the Division Commander will initial the form and return it to the employee without consideration.

Any employee suffering from a work related condition which warrants a temporary relief from duty shall be required to comply with personnel rules and guidelines for processing such claims.

Upon the recommendation of the Shift Supervisor or unit supervisor and concurrence of a Division Commander, any employee whose actions or use of force in an official capacity result in death or serious injury to another may be temporarily removed from regularly assigned duties and/or placed on paid administrative leave for the wellbeing of the employee and until such time as the following may be completed:

- (a) A preliminary determination that the employee's conduct appears to be in compliance with policy and, if appropriate.

An employee who is separated from paid employment or receives a reduction in salary resulting from a fitness for duty examination shall be entitled to an administrative appeal as outlined in the Personnel Complaints Policy.

Meal Periods and Breaks

1034.1 PURPOSE AND SCOPE

This policy regarding meals and breaks, insofar as possible shall conform to the policy governing all City employees that has been established by the City Manager.

1034.1.1 MEAL PERIODS

Sworn employees and dispatchers shall remain on duty subject to call during meal breaks. All other employees are not on call during meal breaks unless directed otherwise by a supervisor.

Uniformed patrol and traffic officers shall request clearance from Dispatch prior to taking a meal period. Uniformed officers shall take their breaks within the City limits unless on assignment outside of the City.

The time spent for the meal period shall not exceed the authorized time allowed.

1034.1.2 15 MINUTE BREAKS

Each employee is entitled to a 15 minute break, near the mid point, for each four-hour work period. Only one 15 minute break shall be taken during each four hours of duty. No breaks shall be taken during the first or last hour of an employee's shift unless approved by a supervisor.

Employees normally assigned to the police facility shall remain in the police facility for their breaks. This would not prohibit them from taking a break outside the facility if on official business.

Field officers will take their breaks in their assigned areas, subject to call and shall monitor their radios. When field officers take their breaks away from their vehicles, they shall do so only with the knowledge and clearance of Dispatch.

Lactation Break Policy

1035.1 PURPOSE AND SCOPE

The purpose of this policy is to provide reasonable accommodations to employees desiring to express breast milk for the employee's infant child (Labor Code § 1034).

1035.2 POLICY

It is the policy of this department to provide, in compliance with the Fair Labor Standards Act, reasonable break time and appropriate facilities to accommodate any employee desiring to express breast milk for her nursing infant child (29 USC § 207; Labor Code § 1030).

1035.3 LACTATION BREAK TIME

A rest period should be permitted each time the employee has the need to express breast milk (29 USC § 207; Labor Code § 1030). In general, lactation breaks that cumulatively total 30 minutes or less during any four-hour work period or major portion of a four-hour work period would be considered reasonable. However, individual circumstances may require more or less time. Such breaks, if feasible, should be taken at the same time as the employee's regularly scheduled rest or meal periods.

While a reasonable effort will be made to provide additional time beyond authorized breaks, any such time exceeding regularly scheduled and paid break time will be unpaid (Labor Code § 1030).

Employees desiring to take a lactation break shall notify the Dispatch Center or a supervisor prior to taking such a break. Such breaks may be reasonably delayed if they would seriously disrupt department operations (Labor Code § 1032).

Once a lactation break has been approved, the break should not be interrupted except for emergency or exigent circumstances.

1035.4 PRIVATE LOCATION

The Department will make reasonable efforts to accommodate employees with the use of an appropriate room or other location to express milk in private. Such room or place should be in close proximity to the employee's work area and shall be other than a bathroom or toilet stall. The location must be shielded from view and free from intrusion from co-workers and the public (29 USC § 207; Labor Code § 1031).

Employees occupying such private areas shall either secure the door or otherwise make it clear to others that the area is occupied with a need for privacy. All other employees should avoid interrupting an employee during an authorized break, except to announce an emergency or other urgent circumstance.

Authorized lactation breaks for employees assigned to the field may be taken at the nearest appropriate private area.

1035.5 STORAGE OF EXPRESSED MILK

Any employee storing expressed milk in any authorized refrigerated area within the Department shall clearly label it as such and shall remove it when the employee ends her shift.

1035.5.1 STATE REQUIREMENTS

Employees have the right to request lactation accommodations. If a break time or location accommodation cannot be provided, the supervisor shall provide the member with a written response regarding the reasons for the determination (Labor Code § 1034).

Lactation rooms or other locations should comply with the prescribed feature and access requirements of Labor Code § 1031.

Employees who believe that their rights have been violated under this policy or have been the subject of discrimination or retaliation for exercising or attempting to exercise their rights under this policy, are encouraged to follow the chain of command in reporting a violation, but may also file a complaint directly with the Labor Commissioner (Labor Code § 1033).

Payroll Procedures

1036.1 PURPOSE AND SCOPE

This policy provides the guidelines for completing and submitting payroll records (i.e. time cards) of department members who are eligible for the payment of wages.

1036.1.1 TIME REQUIREMENTS

Members who are eligible for the payment of wages are paid on a scheduled, periodic basis, generally on the same day or date each period, with certain exceptions, such as holidays. Payroll records shall be completed and submitted to the City as established by the City payroll procedures.

1036.2 POLICY

The City of Auburn maintains timely and accurate payroll records.

1036.3 RESPONSIBILITIES

Members are responsible for the accurate completion and timely submission of their payroll records for the payment of wages.

Supervisors are responsible for approving the payroll records for those under their commands.

1036.4 RECORDS

The Administrative Services Division Commander shall ensure that accurate and timely payroll records are maintained as required by 29 CFR 516.2 for a minimum of three years (29 CFR 516.5).

Overtime Compensation Requests

1038.1 PURPOSE AND SCOPE

It is the policy of the Department to compensate non-exempt salaried employees who work authorized overtime either by payment of wages as agreed and in effect through the Memorandum of Understanding (MOU), or by the allowance of accrual of compensatory time off. In order to qualify for either, the employee must complete and submit a Request for Overtime Payment as soon as practical after overtime is worked.

1038.1.1 DEPARTMENT POLICY

Because of the nature of police work, and the specific needs of the Department, a degree of flexibility concerning overtime policies must be maintained.

Non-exempt employees are not authorized to volunteer work time to the Department. All requests to work overtime shall be approved in advance by a supervisor. If circumstances do not permit prior approval, then approval shall be sought as soon as practical during the overtime shift and in no case later than the end of shift in which the overtime is worked.

Short periods of work at the end of the normal duty day (e.g., less than one hour in duration) may be handled unofficially between the supervisor and the employee by flexing a subsequent shift schedule to compensate for the time worked rather than by submitting requests for overtime payments. If the supervisor authorizes or directs the employee to complete a form for such a period, the employee shall comply.

The individual employee may request compensatory time in lieu of receiving overtime payment, however, the employee may not exceed 60 hours of compensatory time.

1038.2 REQUEST FOR OVERTIME COMPENSATION

Employees shall submit all overtime compensation requests to their immediate supervisors as soon as practicable for verification and forwarding to the appropriate Division Commander.

Failure to submit a request for overtime compensation in a timely manner may result in discipline.

1038.2.1 EMPLOYEES RESPONSIBILITY

Employees shall complete the requests immediately after working the overtime and turn them in to their immediate supervisor or the Shift Supervisor. Employees submitting overtime cards for on-call pay when off duty shall submit cards to the Shift Supervisor the first day after returning for work.

1038.2.2 SUPERVISORS RESPONSIBILITY

The supervisor who verifies the overtime earned shall verify that the overtime was worked before approving the request.

After the entry has been made on the employee's time card, the overtime payment request form is forwarded to the employee's Division Commander for final approval.

Auburn Police Department

Auburn PD Policy Manual

Auburn PD Policy Manual

Overtime Compensation Requests

1038.2.3 DIVISION COMMANDERS RESPONSIBILITY

Division Commanders are responsible for approving overtime payments and ensuring overtime records are timely and checked for accuracy.

1038.3 ACCOUNTING FOR OVERTIME WORKED

Employees are to record the actual time worked in an overtime status. In some cases, the Memorandum of Understanding provides that a minimum number of hours will be paid, (e.g., two hours for Court, four hours for outside overtime). The supervisor will enter the actual time worked.

1038.3.1 ACCOUNTING FOR PORTIONS OF AN HOUR

When accounting for less than a full hour, time worked shall be rounded up to the nearest quarter of an hour as indicated by the following chart:

<u>TIME WORKED</u>	<u>INDICATE ON CARD</u>
1 to 15 minutes	.25
16 to 30 minutes	.50
31 to 45 minutes	.75
46 to 60 minutes	1 hour

1038.3.2 VARIATION IN TIME REPORTED

Where two or more employees are assigned to the same activity, case, or court trial and the amount of time for which payment is requested varies from that reported by the other officer, the Shift Supervisor or other approving supervisor may require each employee to include the reason for the variation on the back of the overtime payment request.

Outside Employment

1040.1 PURPOSE AND SCOPE

In order to avoid actual or perceived conflicts of interest for departmental employees engaging in outside employment, all employees shall obtain written approval from the Chief of Police prior to engaging in any outside employment. Approval of outside employment shall be at the discretion of the Chief of Police in accordance with the provisions of this policy.

1040.1.1 DEFINITIONS

Outside Employment - Any member of this department who receives wages, compensation or other consideration of value from another employer, organization or individual not affiliated directly with this department for services, product(s) or benefits rendered. For purposes of this section, the definition of outside employment includes those employees who are self-employed and not affiliated directly with this department for services, product(s) or benefits rendered.

Outside Overtime - Any member of this department who performs duties or services on behalf of an outside organization, company, or individual within this jurisdiction. Such outside overtime shall be requested and scheduled directly through this department so that the Department may be reimbursed for the cost of wages and benefits.

1040.2 OBTAINING APPROVAL

No member of this department may engage in any outside employment without first obtaining prior written approval of the Chief of Police. Failure to obtain prior written approval for outside employment or engaging in outside employment prohibited by this policy may lead to disciplinary action.

In order to obtain approval for outside employment, the employee must complete an outside employment memorandum requesting the outside employment, which should describe the type of services or duties, as well as the employer and organization. The outside employment memorandum shall be submitted to the employee's immediate supervisor. The memorandum will then be forwarded through channels to the Chief of Police for consideration.

If approved, the employee will be provided with a copy of the approved memorandum. Unless otherwise indicated in writing on the approved memorandum, the Outside Employment will be valid through the end of the calendar year in which the Outside Employment was approved. Any employee seeking to renew their Outside Employment shall submit a new Outside Employment memorandum in a timely manner.

Any employee seeking approval of outside employment, whose request has been denied, shall be provided with a written reason for the denial of the application at the time of the denial (Penal Code § 70(e)(3)).

1040.2.1 APPEAL OF DENIAL OF OUTSIDE EMPLOYMENT

If an employee's Outside Employment Application is denied or withdrawn by the Department, the employee may file a written notice of appeal to the Chief of Police within ten days of the date of denial.

If the employee's appeal is denied, the employee may file a grievance pursuant to the procedure set forth in the current Memorandum of Understanding (MOU).

1040.2.2 REVOCATION/SUSPENSION OF OUTSIDE EMPLOYMENT PERMITS

Any outside employment permit may be revoked or suspended under the following circumstances:

- (a) Should an employee's performance at this department decline to a point where it is evaluated by a supervisor as needing improvement to reach an overall level of competency, the Chief of Police may, at his or her discretion, revoke any previously approved outside employment permit(s). That revocation will stand until the employee's performance has been reestablished at a satisfactory level and his/her supervisor recommends reinstatement of the outside employment permit
- (b) Suspension or revocation of a previously approved outside employment permit may be included as a term or condition of sustained discipline
- (c) If, at any time during the term of a valid outside employment permit, an employee's conduct or outside employment conflicts with the provisions of department policy, the permit may be suspended or revoked
- (d) When an employee is unable to perform at a full duty capacity due to an injury or other condition, any previously approved outside employment permit may be subject to similar restrictions as those applicable to the employee's full time duties until the employee has returned to a full duty status

1040.3 PROHIBITED OUTSIDE EMPLOYMENT

Consistent with the provisions of Government Code § 1126, the Department expressly reserves the right to deny any Outside Employment Application submitted by an employee seeking to engage in any activity which:

- (a) Involves the employee's use of departmental time, facilities, equipment or supplies, the use of the Department badge, uniform, prestige or influence for private gain or advantage
- (b) Involves the employee's receipt or acceptance of any money or other consideration from anyone other than this department for the performance of an act which the employee, if not performing such act, would be required or expected to render in the regular course or hours of employment or as a part of the employee's duties as a member of this department

- (c) Involves the performance of an act in other than the employee's capacity as a member of this department that may later be subject directly or indirectly to the control, inspection, review, audit or enforcement of any other employee of this department
- (d) Involves time demands that would render performance of the employee's duties for this department less efficient

1040.3.1 OUTSIDE SECURITY AND PEACE OFFICER EMPLOYMENT

Consistent with the provisions of Penal Code § 70, and because it would further create a potential conflict of interest, no member of this department may engage in any outside or secondary employment as a private security guard, private investigator or other similar private security position.

Any private organization, entity or individual seeking special services for security or traffic control from members of this department must submit a written request to the Chief of Police in advance of the desired service. Such outside extra duty overtime assignments will be assigned, monitored and paid through the Department.

- (a) The applicant will be required to enter into an indemnification agreement prior to approval.
- (b) The applicant will further be required to provide for the compensation and full benefits of all employees requested for such outside security services.
- (c) Should such a request be approved, any employee working outside overtime shall be subject to the following conditions:
 - 1. The officer(s) shall wear the departmental uniform/identification.
 - 2. The officer(s) shall be subject to the rules and regulations of this department.

1040.3.3 SPECIAL RESTRICTIONS

Except for emergency situations or with prior authorization from the Division Commander, undercover officers or officers assigned to covert operations shall not be eligible to work overtime or other assignments in a uniformed or other capacity which might reasonably disclose the officer's law enforcement status.

1040.4 DEPARTMENT RESOURCES

Employees are prohibited from using any department equipment or resources in the course of or for the benefit of any outside employment. This shall include the prohibition of access to official records or databases of this department or other agencies through the use of the employee's position with this department.

1040.4.1 REVIEW OF FINANCIAL RECORDS

Employees approved for outside employment expressly agree that their personal financial records may be requested and reviewed/audited for potential conflict of interest (Government Code § 3308; Government Code § 1126). Prior to providing written approval for an outside employment position, the Department may request that an employee provide his/her personal financial records for review/audit in order to determine whether a conflict of interest exists. Failure of the employee to provide the requested personal financial records could result in denial of the off-duty work permit. If, after approving a request for an outside employment position, the Department becomes concerned that a conflict of interest exists based on a financial reason, the Department may request that the employee provide his/her personal financial records for review/audit. If the employee elects not to provide the requested records, his/her off-duty work permit may be revoked pursuant to the Revocation/Suspension of Outside Employment Permits section of this policy.

1040.5 CHANGES IN OUTSIDE EMPLOYMENT STATUS

If an employee terminates his or her outside employment during the period of a valid permit, the employee shall promptly submit written notification of such termination to the Chief of Police through channels. Any subsequent request for renewal or continued outside employment must thereafter be processed and approved through normal procedures set forth in this policy.

Employees shall also promptly submit in writing to the Chief of Police any material changes in outside employment including any change in the number of hours, type of duties, or demands of any approved outside employment. Employees who are uncertain whether a change in outside employment is material are advised to report the change.

1040.6 OUTSIDE EMPLOYMENT WHILE ON DISABILITY

Department members engaged in outside employment who are placed on disability leave or modified/light-duty shall inform their immediate supervisor in writing within five days whether or not they intend to continue to engage in such outside employment while on such leave or light-duty status. The immediate supervisor shall review the duties of the outside employment along with any related doctor's orders, and make a recommendation to the Chief of Police whether such outside employment should continue.

In the event the Chief of Police determines that the outside employment should be discontinued or if the employee fails to promptly notify his/her supervisor of his/her intentions regarding their work permit, a notice of revocation of the member's permit will be forwarded to the involved employee, and a copy attached to the original work permit.

Criteria for revoking the outside employment permit include, but are not limited to, the following:

- (a) The outside employment is medically detrimental to the total recovery of the disabled member, as indicated by the City's professional medical advisors.
- (b) The outside employment performed requires the same or similar physical ability, as would be required of an on-duty member.
- (c) The employee's failure to make timely notice of their intentions to their supervisor.

When the disabled member returns to full duty with the Auburn Police Department, a request (in writing) may be made to the Chief of Police to restore the permit.

Occupational Disease and Work-Related Injury Reporting

1042.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance regarding the timely reporting of occupational diseases, mental health issues, and work-related injuries.

1042.1.1 DEFINITIONS

Definitions related to this policy include:

Occupational disease or work-related injury - An injury, disease, or mental health issue arising out of employment (Labor Code § 3208; Labor Code § 3208.3; Labor Code § 3212 et seq.).

1042.2 POLICY

The Auburn Police Department will address occupational diseases and work-related injuries appropriately, and will comply with applicable state workers' compensation requirements (Labor Code § 3200 et seq.).

1042.3 RESPONSIBILITIES

1042.3.1 MEMBER RESPONSIBILITIES

Any member sustaining any occupational disease or work-related injury shall report such event as soon as practicable, but within 24 hours, to a supervisor, and shall seek medical care when appropriate (8 CCR 14300.35).

1042.3.2 SUPERVISOR RESPONSIBILITIES

A supervisor learning of any occupational disease or work-related injury should ensure the member receives medical care as appropriate.

Supervisors shall ensure that required documents regarding workers' compensation are completed and forwarded promptly. Any related Citywide disease- or injury-reporting protocol shall also be followed.

Supervisors shall determine whether the Major Incident Notification and Illness and Injury Prevention policies apply and take additional action as required.

1042.3.3 DIVISION COMMANDER RESPONSIBILITIES

The Division Commander who receives a report of an occupational disease or work-related injury should review the report for accuracy and determine what additional action, if any, should be taken. The report shall then be forwarded to the Chief of Police, The City's risk management entity, and the Administrative Services or the Division Commander to ensure any required Division of Occupational Health and Safety Administration (Cal/OSHA) reporting is made as required in the illness and injury prevention plan identified in the Illness and Injury Prevention Policy.

Occupational Disease and Work-Related Injury Reporting

A copy of the completed form shall be forwarded to the appropriate Division Commander through the chain of command and a copy sent to the Administrative Services Division Commander.

Unless the injury is extremely minor, this report shall be signed by the affected member, indicating that he/she desired no medical attention at the time of the report. By signing, the member does not preclude his/her ability to later seek medical attention.

1042.5 SETTLEMENT OFFERS

When a member sustains an occupational disease or work-related injury that is caused by another person and is subsequently contacted by that person, his/her agent, insurance company or attorney and offered a settlement, the member shall take no action other than to submit a written report of this contact to his/her supervisor as soon as possible.

1042.5.1 NO SETTLEMENT WITHOUT PRIOR APPROVAL

No less than 10 days prior to accepting and finalizing the settlement of any third-party claim arising out of or related to an occupational disease or work-related injury, the member shall provide the Chief of Police with written notice of the proposed terms of such settlement. In no case shall the member accept a settlement without first providing written notice to the Chief of Police. The purpose of such notice is to permit the City to determine whether the offered settlement will affect any claim the City may have regarding payment for damage to equipment or reimbursement for wages against the person who caused the disease or injury, and to protect the City's right of subrogation, while ensuring that the member's right to receive compensation is not affected.

Temporary Modified-Duty Assignments

1054.1 PURPOSE AND SCOPE

This policy establishes procedures for providing temporary modified-duty assignments. This policy is not intended to affect the rights or benefits of employees under federal or state law, City rules, current memorandums of understanding or collective bargaining agreements. For example, nothing in this policy affects the obligation of the Department to engage in a good faith, interactive process to consider reasonable accommodations for any employee with a temporary or permanent disability that is protected under federal or state law.

1054.2 POLICY

Subject to operational considerations, the Auburn Police Department may identify temporary modified-duty assignments for employees who have an injury or medical condition resulting in temporary work limitations or restrictions. A temporary assignment allows the employee to work, while providing the Department with a productive employee during the temporary period.

1054.3 GENERAL CONSIDERATIONS

Priority consideration for temporary modified-duty assignments will be given to employees with work-related injuries or illnesses that are temporary in nature. Employees having disabilities covered under the Americans with Disabilities Act (ADA) or the California Fair Employment and Housing Act (Government Code § 12940 et seq.) shall be treated equally, without regard to any preference for a work-related injury.

No position in the Auburn Police Department shall be created or maintained as a temporary modified-duty assignment.

Temporary modified-duty assignments are a management prerogative and not an employee right. The availability of temporary modified-duty assignments will be determined on a case-by-case basis, consistent with the operational needs of the Department. Temporary modified-duty assignments are subject to continuous reassessment, with consideration given to operational needs and the employee's ability to perform in a modified-duty assignment.

The Chief of Police or the authorized designee may restrict employees working in temporary modified-duty assignments from wearing a uniform, displaying a badge, carrying a firearm, operating an emergency vehicle, engaging in outside employment, or being otherwise limited in employing their peace officer powers.

Temporary modified-duty assignments shall generally not exceed a cumulative total of 1,040 hours in any one-year period.

1054.4 PROCEDURE

Employees may request a temporary modified-duty assignment for short-term injuries or illnesses.

The Chief of Police or the authorized designee shall confer with the Department of Human Resources or the City Attorney as appropriate.

Requests for a temporary modified-duty assignment of 20 hours or less per week may be approved and facilitated by the Shift Supervisor or Division Commander, with notice to the Chief of Police.

1054.4.2 MEDICAL EXAMINATIONS

The Department reserves the right to require, prior to returning to full-duty status, a fitness-for-duty examination of any employee assigned to a modified-duty assignment or of any employee having been on such assignment. Such examinations shall be at the expense of the Department.

Prior to returning to full-duty status, employees shall be required to provide a statement signed by their health care provider indicating that they are medically cleared to perform the basic and essential job functions of their assignment without restriction or limitation.

1054.5 ACCOUNTABILITY

If an employee is temporarily unable to perform regular duties due to a pregnancy, childbirth, or a related medical condition, the employee will be treated the same as any other temporarily disabled employee (42 USC § 2000e(k)). A pregnant employee shall not be involuntarily transferred to a temporary modified-duty assignment. Nothing in this policy limits a pregnant employee's right to a temporary modified-duty assignment if required under Government Code § 12945.

Employees who are assigned to temporary modified duty shall inform their supervisors of any inability to maintain any certification, training or qualifications.

Employee Speech, Expression and Social Networking

1058.1 PURPOSE AND SCOPE

This policy is intended to address issues associated with employee use of social networking sites and to provide guidelines for the regulation and balancing of employee speech and expression with the needs of the Department.

Nothing in this policy is intended to prohibit or infringe upon any communication, speech or expression that is protected or privileged under law. This includes speech and expression protected under state or federal constitutions as well as labor or other applicable laws. For example, this policy does not limit an employee from speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or officer associations, about matters of public concern, such as misconduct or corruption.

Employees are encouraged to consult with their supervisor regarding any questions arising from the application or potential application of this policy.

1058.1.1 APPLICABILITY

This policy applies to all forms of communication including but not limited to film, video, print media, public or private speech, use of all internet services, including the World Wide Web, e-mail, file transfer, remote computer access, news services, social networking, social media, instant messaging, blogs, forums, video, and other file-sharing sites.

1058.2 POLICY

Public employees occupy a trusted position in the community, and thus, their statements have the potential to contravene the policies and performance of this department. Due to the nature of the work and influence associated with the law enforcement profession, it is necessary that employees of this department be subject to certain reasonable limitations on their speech and expression. To achieve its mission and efficiently provide service to the public, the Auburn Police Department will carefully balance the individual employee's rights against the Department's needs and interests when exercising a reasonable degree of control over its employees' speech and expression.

1058.3 SAFETY

Employees should consider carefully the implications of their speech or any other form of expression when using the internet. Speech and expression that may negatively affect the safety of the Auburn Police Department employees, such as posting personal information in a public forum, can result in compromising an employee's home address or family ties. Employees should therefore not disseminate or post any information on any forum or medium that could reasonably be anticipated to compromise the safety of any employee, an employee's family, or associates. Examples of the type of information that could reasonably be expected to compromise safety include:

- (a) Speech or expression made pursuant to an official duty that tends to compromise or damage the mission, function, reputation, or professionalism of the Auburn Police Department or its employees.

 2. Expression that demonstrates support for criminal activity.

- (d) Speech or expression of any form that could reasonably be foreseen as having a negative impact on the safety of the employees of the Department. For example, a statement on a blog that provides specific details as to how and when prisoner transportations are made could reasonably be foreseen as potentially jeopardizing employees by informing criminals of details that could facilitate an escape or attempted escape.
- (e) Speech or expression that is contrary to the canons of the Law Enforcement Code of Ethics as adopted by the Auburn Police Department.
- (f) Use or disclosure, through whatever means, of any information, photograph, video, or other recording obtained or accessible as a result of employment with the Department for financial or personal gain, or any disclosure of such materials without the express authorization of the Chief of Police or the authorized designee.
- (g) Posting, transmitting, or disseminating any photographs, video or audio recordings, likenesses or images of department logos, emblems, uniforms, badges, patches, marked vehicles, equipment, or other material that specifically identifies the Auburn Police Department on any personal or social networking or other website or web page, without the express authorization of the Chief of Police.

1058.4.1 UNAUTHORIZED ENDORSEMENTS AND ADVERTISEMENTS

While employees are not restricted from engaging in the following activities as private citizens or as authorized members of a recognized bargaining unit or officer associations, employees may not represent the Auburn Police Department or identify themselves in any way that could be reasonably perceived as representing the Auburn Police Department in order to do any of the following, unless specifically authorized by the Chief of Police (Government Code § 3206; Government Code § 3302):

Employees retain their right to vote as they choose, to support candidates of their choice and to express their opinions as private citizens, including as authorized members of a recognized bargaining unit or officer associations, on political subjects and candidates at all times while off-duty.

However, employees may not use their official authority or influence to interfere with or affect the result of an election or a nomination for office. Employees are also prohibited from directly or indirectly using their official authority to coerce, command or advise another employee to pay, lend or contribute anything of value to a party, committee, organization, agency or person for political purposes (5 USC § 1502).

1058.5 PRIVACY EXPECTATION

Employees forfeit any expectation of privacy with regard to e-mails, texts, or anything published or maintained through file-sharing software or any internet site (e.g., Facebook) that is accessed, transmitted, received, or reviewed on any department technology system (see the Information Technology Use Policy for additional guidance).

The Department shall not require an employee to disclose a personal user name or password for accessing personal social media or to open a personal social website; however, the Department

may request access when it is reasonably believed to be relevant to the investigation of allegations of work-related misconduct (Labor Code § 980).

1058.6 CONSIDERATIONS

In determining whether to grant authorization of any speech or conduct that is prohibited under this policy, the factors that the Chief of Police or authorized designee should consider include:

- (a) Whether the speech or conduct would negatively affect the efficiency of delivering public services.
- (b) Whether the speech or conduct would be contrary to the good order of the Department or the efficiency or morale of its members.
- (c) Whether the speech or conduct would reflect unfavorably upon the Department.
- (d) Whether the speech or conduct would negatively affect the member's appearance of impartiality in the performance of his/her duties.
- (e) Whether similar speech or conduct has been previously authorized.
- (f) Whether the speech or conduct may be protected and outweighs any interest of the Department.

1058.7 TRAINING

Subject to available resources, the Department should provide training regarding employee speech and the use of social networking to all members of the Department.

Anti-Retaliation

1059.1 PURPOSE AND SCOPE

This policy prohibits retaliation against members who identify workplace issues, such as fraud, waste, abuse of authority, gross mismanagement or any inappropriate conduct or practices, including violations that may pose a threat to the health, safety or well-being of members.

This policy does not prohibit actions taken for nondiscriminatory or non-retaliatory reasons, such as discipline for cause.

These guidelines are intended to supplement and not limit members' access to other applicable remedies. Nothing in this policy shall diminish the rights or remedies of a member pursuant to any applicable federal law, provision of the U.S. Constitution, law, ordinance or memorandum of understanding.

1059.2 POLICY

The Auburn Police Department has a zero tolerance for retaliation and is committed to taking reasonable steps to protect from retaliation members who, in good faith, engage in permitted behavior or who report or participate in the reporting or investigation of workplace issues. All complaints of retaliation will be taken seriously and will be promptly and appropriately investigated.

- Refusing to hire or denying a promotion.

Any member who feels he/she has been retaliated against in violation of this policy should promptly report the matter to any supervisor, command staff member, Chief of Police or the City Finance Director.

Members shall act in good faith, not engage in unwarranted reporting of trivial or minor deviations or transgressions, and make reasonable efforts to verify facts before making any complaint in order to avoid baseless allegations. Members shall not report or state an intention to report information or an allegation knowing it to be false, with willful or reckless disregard for the truth or falsity of the information or otherwise act in bad faith.

Investigations are generally more effective when the identity of the reporting member is known, thereby allowing investigators to obtain additional information from the reporting member. However, complaints may be made anonymously. All reasonable efforts shall be made to protect the reporting member's identity. However, confidential information may be disclosed to the extent required by law or to the degree necessary to conduct an adequate investigation and make a determination regarding a complaint. In some situations, the investigative process may not be complete unless the source of the information and a statement by the member is part of the investigative process.

1059.5 SUPERVISOR RESPONSIBILITIES

1060.1.1 DEFINITIONS

Definitions related to this policy include:

Line-of-duty death - The death of an officer during the course of performing law enforcement-related functions while on- or off-duty, or a professional staff member during the course of performing assigned duties.

For an officer, a line-of-duty death includes death that is the direct and proximate result of a personal injury sustained in the line of duty (34 USC § 10281).

Survivors - Immediate family members of the deceased member, which can include spouse, children, parents, other next of kin, or significant others. The determination of who should be considered a survivor for purposes of this policy should be made on a case-by-case basis given the individual's relationship with the member and whether the individual was previously designated by the deceased member.

1060.2 POLICY

It is the policy of the Auburn Police Department to make appropriate notifications and to provide assistance and support to survivors and coworkers of a member who dies in the line of duty.

It is also the policy of this department to respect the requests of the survivors when they conflict with these guidelines, as appropriate.

1060.3 INITIAL ACTIONS BY COMMAND STAFF

- (a) Upon learning of a line-of-duty death, the deceased member's supervisor should provide all reasonably available information to the Shift Supervisor and the Dispatch Center.
 - 1. Communication of information concerning the member and the incident should be restricted to secure networks to avoid interception by the media or others (see the Public Information Officer section of this policy).
- (b) The Shift Supervisor should ensure that notifications are made in accordance with the Officer-Involved Shootings and Deaths and Major Incident Notification policies as applicable.

- (c) If the member has been transported to the hospital, the Shift Supervisor or the authorized designee should respond to the hospital to assume temporary responsibilities as the Hospital Liaison.
- (d) The Chief of Police or the authorized designee should assign members to handle survivor notifications and assign members to the roles of Hospital Liaison (to relieve the temporary Hospital Liaison) and the Department Liaison as soon as practicable (see the Notifying Survivors section and the Department Liaison and Hospital Liaison subsections in this policy).

1060.4 NOTIFYING SURVIVORS

Survivors should be notified as soon as possible in order to avoid the survivors hearing about the incident in other ways.

The Chief of Police or the authorized designee should review the deceased member's emergency contact information and make accommodations to respect the member's wishes and instructions specific to notifying survivors. However, notification should not be excessively delayed because of attempts to assemble a notification team in accordance with the member's wishes.

The Chief of Police, Shift Supervisor, or the authorized designee should select at least two members to conduct notification of survivors, one of which may be the Department chaplain.

Notifying members should:

- (a) Make notifications in a direct and compassionate manner, communicating as many facts of the incident as possible, including the current location of the member. Information that is not verified should not be provided until an investigation has been completed.
- (b) Determine the method of notifying surviving children by consulting with other survivors and taking into account factors such as the child's age, maturity, and current location (e.g., small children at home, children in school).
- (c) Plan for concerns such as known health concerns of survivors or language barriers.
- (d) Offer to transport survivors to the hospital, if appropriate. Survivors should be transported in department vehicles. Notifying members shall inform the Hospital Liaison over a secure network that the survivors are on their way to the hospital. Notifying members should remain at the hospital while the survivors are present.
- (e) When survivors are not at their residences or known places of employment, actively seek information and follow leads from neighbors, other law enforcement, postal authorities, and other sources of information in order to accomplish notification in as timely a fashion as possible. Notifying members shall not disclose the reason for their contact other than a family emergency.
- (f) If making notification at a survivor's workplace, ask a workplace supervisor for the use of a quiet, private room to meet with the survivor. Members shall not inform the workplace supervisor of the purpose of their visit other than to indicate that it is a family emergency.

- (g) Offer to call other survivors, friends, or clergy to support the survivors and to avoid leaving survivors alone after notification.
- (h) Assist the survivors with meeting child care or other immediate needs.
- (i) Provide other assistance to survivors and take reasonable measures to accommodate their needs, wishes, and desires. Care should be taken not to make promises or commitments to survivors that cannot be met.
- (j) Inform the survivors of the name and phone number of the Survivor Support Liaison (see the Survivor Support Liaison section of this policy), if known, and the Department Liaison.
- (k) Provide their contact information to the survivors before departing.
- (l) Document the survivors' names and contact information, as well as the time and location of notification. This information should be forwarded to the Department Liaison.
- (m) Inform the Chief of Police or the authorized designee once survivor notifications have been made so that other Auburn Police Department members may be apprised that survivor notifications are complete.

1060.4.1 OUT-OF-AREA NOTIFICATIONS

The Department Liaison should request assistance from law enforcement agencies in appropriate jurisdictions for in-person notification to survivors who are out of the area.

- (a) The Department Liaison should contact the appropriate jurisdiction using a secure network and provide the assisting agency with the name and telephone number of the department member that the survivors can call for more information following the notification by the assisting agency.
- (b) The Department Liaison may assist in making transportation arrangements for the member's survivors, but will not obligate the Department to pay travel expenses without the authorization of the Chief of Police.

1060.5 NOTIFYING DEPARTMENT MEMBERS

Supervisors or members designated by the Chief of Police are responsible for notifying department members of the line-of-duty death as soon as possible after the survivor notification is made. Notifications and related information should be communicated in person or using secure networks and should not be transmitted over the radio.

Notifications should be made in person and as promptly as possible to all members on-duty at the time of the incident. Members reporting for subsequent shifts within a short amount of time should be notified in person at the beginning of their shifts. Members reporting for duty from their residences should be instructed to contact their supervisors as soon as practicable. Those members who are working later shifts or are on days off should be notified by phone as soon as practicable.

Line-of-Duty Deaths

Members having a close bond with the deceased member should be notified of the incident in person. Supervisors should consider assistance (e.g., peer support, modifying work schedules, approving sick leave) for members who are especially affected by the incident.

Supervisors should direct members not to disclose any information outside the Department regarding the deceased member or the incident.

1060.6 LIAISONS AND COORDINATORS

- (d) Wellness Support Liaison.
- (e) Funeral Liaison.
- (f) Mutual aid coordinator.

Members may be assigned responsibilities of more than one liaison or coordinator position depending on available department resources. The Department Liaison may assign separate liaisons and coordinators to accommodate multiple family units, if needed. The Department should consider seeking assistance from surrounding law enforcement agencies to fill liaison and coordinator positions, as appropriate.

1060.6.1 DEPARTMENT LIAISON

The Department Liaison should be a Division Commander or of sufficient rank to effectively coordinate department resources, and should serve as a facilitator between the deceased member's survivors and the Department. The Department Liaison reports directly to the Chief of Police. The Department Liaison's responsibilities include but are not limited to:

- (a) Directing the other liaisons and coordinators in fulfilling survivors' needs and requests. Consideration should be given to organizing the effort using the National Incident Management System.
- (b) Establishing contact with survivors within 24 hours of the incident and providing them contact information.

- (f) Stay with survivors and provide them with other assistance as needed at the hospital.
- (g) If applicable, explain to the survivors why an autopsy may be needed.

The Survivor Support Liaison should be selected by the deceased member's Division Commander. The following should be considered when selecting the Survivor Support Liaison:

- The liaison should be an individual the survivors know and with whom they are comfortable working.
- The selection may be made from names recommended by the deceased member's supervisor and/or coworkers. The deceased member's partner or close friends may not be the best selections for this assignment because the emotional connection to the member or survivors may impair their ability to conduct adequate liaison duties.
- The liaison must be willing to assume the assignment with an understanding of the emotional and time demands involved.

The responsibilities of the Survivor Support Liaison include but are not limited to:

- (a) Arranging for transportation of survivors to hospitals, places of worship, funeral homes, and other locations, as appropriate.

- (m) Inviting survivors to department activities, memorial services (e.g., as applicable, the Annual Candlelight Vigil at the National Law Enforcement Officers Memorial), or other functions as appropriate.

Survivor Support Liaisons providing services after an incident resulting in multiple members being killed should coordinate with and support each other through conference calls or meetings as necessary.

The Department recognizes that the duties of a Survivor Support Liaison will often affect regular assignments over many years, and is committed to supporting members in the assignment.

If needed, the Survivor Support Liaison should be issued a personal communication device (PCD) owned by the Department to facilitate communications necessary to the assignment. The department-issued PCD shall be used in accordance with the Personal Communication Devices Policy.

FOREWORD

Hate Crimes (i.e. crimes motivated by bias) convey a message of terror and exclusion, not just to the immediate victims but to entire communities. They often target victims who are least able to defend themselves. They cause trauma that is more extreme and longer lasting than similar crimes committed for other motivations. They can spark retaliatory crimes, escalating the cycle of crime and violence. If not addressed professionally and thoroughly they may undermine public confidence in law enforcement.

The 2018 California State Auditor's Report, titled "Hate Crimes in California," found that California law enforcement has not taken adequate action to identify, report, and respond to hate crimes. The report found that agencies did not properly identify some hate crimes, and underreported or misreported hate crimes as well. The report also noted that hate crimes are on the rise in California, increasing in both 2015 and 2016.

California Penal Code (CPC) 422.87 added new language and requirements to any newly created or updated agency hate crimes policy. Effective January 1, 2019, any local law enforcement agency that updates an existing hate crimes policy, or adopts a new one, shall include the content of the model policy framework provided in this document as well as any revisions or additions to the model policy in the future.

These guidelines are the primary elements that law enforcement executives are now required to incorporate into their hate crimes policy if an agency creates a new hate crimes policy or updates an existing one. The guidelines are designed for department-wide application and are intended to reflect a values-driven "top-down" process. They are intended to assist with the development and delivery of training and ensure proper identification, investigation, and reporting of hate crimes within each agency's jurisdiction.

POLICY GUIDELINES

GUIDELINE #1

Develop the foundation for the agency's hate crimes policy.

The law enforcement executive is responsible for providing leadership, communicating organizational values to the department and the community, paying attention to hate crime trends and current events that could trigger hate incidents and/or hate crimes in the community, and providing education and training to establish the foundation for the agency's hate crimes policy. Employees' ability to respond appropriately to hate crimes and hate incidents is maximized when the executive effectively establishes and communicates the foundational values of the organization.

GUIDELINE #2

Develop a hate crimes policy for the agency.

- I. An agency's hate crimes policy shall include the statutory definition of a hate crime, and its policy and programs should minimally include the following:
 - A. Response
 - B. Training
 - C. Planning and Prevention
 - D. Reporting

The law enforcement executive is responsible for the initial development of the policy and should be actively involved in its implementation. See the appendix for the exemplar "Message from the Agency Chief Executive".

GUIDELINE #3

Develop expertise to identify and investigate hate crimes.

The law enforcement executive is responsible for ensuring that the agency possesses expertise to identify and investigate hate crimes, as well as ensuring compliance with state and federal

reporting and public information requirements. Agencies should assign identified personnel to appropriate training to develop expertise and knowledge to investigate hate crimes.

Hate crimes are low-frequency events with high-risk consequences for the agency and community. Agencies shall provide a checklist to first responders to provide direction for the investigation of all hate crimes as mandated by CPC 422.87.

GUIDELINE #4

Develop and implement cooperative hate crimes plans with other law enforcement agencies.

- I. Coordinate cooperative efforts among regional, state, federal, and tribal law enforcement agencies to share information and training, and develop strategies to prevent hate crime activity.
- II. Develop and/or participate in law enforcement intelligence networks to enhance the agency's ability to anticipate potential hate crime targets. This interaction should include sharing intelligence information with other jurisdictions and cooperative investigations, arrests, and prosecutions if appropriate.

GUIDELINE #5

Develop and implement cooperative hate crime plans with the community and related governmental and non-governmental organizations, as appropriate.

- I. Collaborate with the community, including human relations/civil rights organizations, advocacy groups, service organizations, neighborhood associations, religious institutions, local schools and colleges, to do the following:
 - Develop a network to build rapport with community groups

-
- Develop a protocol for response to hate crimes
 - Obtain witness and victim cooperation
 - Provide support services to victims
 - Collect demographic information about specific communities
 - Identify hate crime trends based upon current events and activity (hate crimes and/or hate incidents)
 - Identify periods of increased vulnerability based on significant dates and events for affected communities
- II. Law enforcement should identify and seek out cultural diversity training and information from/about specific communities within its jurisdiction (immigrant, Muslim, Arab, LGBTQ, Black or African American, Jewish, Sikh, disability, etc.) to strengthen agency awareness.
- V. Annual outreach to the community including human relations/civil rights organizations, advocacy groups, service organizations, neighborhood associations, religious institutions, local schools, and colleges assessing the agency's responsiveness to hate crimes.

GUIDELINE #6

Conduct an annual assessment of the agency's hate crimes policy and its ongoing implementation.

The assessment should include:

- I. A review to ensure compliance with the POST Hate Crimes Model Policy and California law.
- II. A review and analysis of the agency's data collection, policy, and annual mandated reporting of hate crimes.
- III. A review and updating of the agency's hate crimes brochure to ensure compliance with CPC 422.92.
- IV. A review of any existing or available data or reports, including the annual California Attorney General's report on hate crimes, in preparation for, and response to, future hate crime trends.

MINIMUM LEGAL REQUIREMENTS FOR AN AGENCY'S HATE CRIMES POLICY

CPC 13519.6, effective January 1, 2005, minimally requires:

1. A message from the law enforcement agency's chief executive officer to the agency's officers and staff concerning the importance of hate crime laws and the agency's commitment to enforcement.
2. The definition of "hate crime" in Penal Code section 422.55.
3. References to hate crime statutes including Penal Code section 422.6.
4. A title-by-title specific protocol that agency personnel are required to follow, including, but not limited to, the following:
 - a. Preventing and preparing for likely hate crimes by, among other things, establishing contact with persons and communities who are likely targets, and forming and cooperating with community hate crime prevention and response networks.
 - b. Responding to reports of hate crimes, including reports of hate crimes committed under the color of authority.
 - c. Accessing assistance, by, among other things, activating the Department of Justice hate crimes rapid response protocol when necessary.
 - d. Providing victim assistance and follow-up, including community follow-up.
 - e. Reporting

CPC 422.87, effective January 1, 2019, states and minimally requires:

Each local law enforcement agency may adopt a hate crimes policy. Any local law enforcement agency that updates an existing hate crimes policy or adopts a new one shall include, but not limited to, the following:

1. The definitions in Penal Code sections 422.55 and 422.56.
2. This includes, but is not limited to, if a perpetrator targets a person with a particular perceived disability while avoiding other vulnerable-appearing persons such as inebriated persons or persons with perceived disabilities different than those of the victim, those circumstances could be evidence that the perpetrator’s motivations included bias against persons with the perceived disability of the victim and that the crime must be reported as a suspected hate crime and not a mere crime of opportunity.

MODEL POLICY FRAMEWORK

Purpose

This model policy framework is designed to assist in identifying and handling crimes motivated by hate or other bias toward individuals and groups with legally defined protected characteristics, to define appropriate steps for assisting victims, and to provide a guide to conducting related investigations. It outlines the general policy framework for prevention, response, accessing assistance, victim assistance and follow up, and reporting as related to law enforcement's role in handling hate crimes. It also serves as a declaration that hate crimes are taken seriously and demonstrates how law enforcement agencies may best use its resources to investigate and solve an offense, in addition to building community trust and increasing police legitimacy.

Policy

It is the policy of this agency to safeguard the rights of all individuals irrespective of their disability, gender, nationality, race or ethnicity, religion, sexual orientation, and/or association with a person or group with one or more of these actual or perceived characteristics. Any acts or threats of violence, property damage, harassment, intimidation, or other crimes motivated by hate or bias should be viewed very seriously and given high priority.

This agency will employ necessary resources and vigorous law enforcement action to identify and arrest hate crime perpetrators. Also, recognizing the particular fears and distress typically suffered by victims, the potential for reprisal and escalation of violence, and the far-reaching negative consequences of these crimes on the community, this agency should attend to the security and related concerns of the immediate victims and their families as feasible.

The agency policy shall include a requirement that all officers be familiar with the policy and carry out the policy at all times unless directed by the chief, sheriff, director, or other chief executive of the law enforcement agency or other command-level officer to whom the chief executive officer formally delegates this responsibility.

The agency policy shall provide a specific procedure for transmitting and periodically retransmitting the policy and any related orders to all officers, including a simple and immediate way for officers to access the policy in the field when needed.

POST offers training and video courses to assist law enforcement in the identification, investigation, documentation and reporting of hate crimes. These courses provide officers with information and skills necessary to effectively identify, investigate, document and report hate crimes. Various training programs include the history and definitions of hate crimes, recognition of hate groups, international terrorism, legal considerations, victims' considerations, initial response duties, victim interviewing and care, suspect identification and interrogation, evidence identification, report writing, the role of law enforcement, investigative strategies, intelligence collection, supervisory roles, community relations, media relations and local program training development, and other topics such as proper use of computer systems and methods for reporting. POST also maintains an extensive array of training videos on applicable topics such as working with those with mental illness and intellectual disabilities, hate crimes, and working with minority communities.

For more information on POST training opportunities and available videos, visit the POST website at www.post.ca.gov. In conjunction with POST training opportunities, trainers may utilize other state and federal agencies that offer training courses, such as the U.S. Department of Justice.

Planning and Prevention

The general underreporting of hate crimes is an identified issue in California. Underreporting is caused by victims not reporting hate crimes or hate incidents due to a number of factors, including fear of reprisal and the belief that law enforcement will not properly investigate them. A report by the State Auditor in 2018 determined that California law enforcement has not taken adequate action to identify, report and respond to hate crimes. There is also an extreme underreporting of anti-disability and anti-gender hate crimes. The agency's plan to remedy this underreporting *shall be inserted into the policy* (emphasis added).

In order to facilitate the recommendations contained within this policy, it is strongly recommended that agencies build and strengthen relationships with the community, engage in dialogue, and provide education to the community about this policy. Agency personnel are also encouraged to learn about the inherent issues concerning their communities in relation to hate crimes. Assigned personnel should perform the following:

1. Meet with residents in target communities to allay fears; emphasize the agency's concern over this and related incidents; reduce the potential for counter-violence; and provide safety, security, and crime prevention information. Cultural diversity education and immersion programs (if available) could facilitate this process.
2. Provide direct and referral assistance to the victim and his/her family.
3. Conduct public meetings on hate crime threats and violence in general.
4. Establish relationships with formal community-based organizations and leaders.
5. Expand, where appropriate, preventive programs such as hate, bias, and crime reduction seminars for school children.

-
6. Review the Attorney General's latest opinion on hate crime statistics and targets in order to prepare and plan for future crimes, specifically for Arab/Middle Eastern and Islamic communities.²
 7. Provide orientation of and with communities of specific targeted victims such as immigrants, Muslims, Arabs, LGBTQ, Black or African-American, Jewish, Sikh, disabled persons, etc.

Hate crimes are not only a crime against the targeted victim(s) but also have impacts on the victim's family and community. Working constructively with segments of this larger community after such crimes is essential to help reduce fears, stem possible retaliation, prevent additional hate crimes, and encourage any other previously victimized individuals to step forward and report such crimes. This is particularly important if an upward trend has been identified in these crimes.

Although hate incidents are not criminal events, they can be indicators of, or precursors to, hate crimes. Most California law enforcement agencies do not track hate incidents. It is recommended that hate incidents be investigated and documented, if directed by policy, as part of the overall planning to prevent hate crime.

Tracking social media is also another identified area to find indicators of, or precursors to, hate crimes. It is recommended that agencies assign personnel to find, evaluate and monitor public social media sources to identify possible suspects in reported hate crimes, or to determine suspects or suspect groups in future hate crimes or hate incidents affecting the identified individuals, groups or communities that may be victimized, and planned hate-based events.

Release of Information

Agencies should have procedure and/or policy on public disclosure of hate crimes. Establishing a relationship with stakeholders, before any incident occurs, to develop a network and protocol for disclosure would assist greatly in any disclosure.

The benefit of public disclosure of hate crime incidents includes:

1. Dissemination of correct information.
2. Assurance to affected communities or groups that the matter is being properly and promptly investigated.
3. The ability to request information regarding the commission of the crime(s) from the victimized community.

Agencies should provide the supervisor, public information officer, or designee with information that can be responsibly reported to the media. When appropriate, the law enforcement media spokesperson should reiterate that the hate crimes will not be tolerated, will be taken seriously, and will be prosecuted to the full extent of the law.

Agencies are encouraged to consider the following when releasing information to the public regarding hate crimes and hate incidents that have been reported within the jurisdiction:

²As described in CPC 13519.6(b)(8)

-
1. Informing community organizations in a timely manner when a community group has been the target of a hate crime.
 2. Informing the community of the impact of these crimes on the victim, the victim's family, and the community, and the assistance and compensation available to victims.
 3. Informing the community regarding hate crime law and the legal rights of, and the remedies available to, victims of hate crimes.
 4. Providing the community with on-going information regarding hate crime and/or hate incidents (if policy requires it).

Reporting

The agency policy shall require development of a procedure for data collection, documentation, and mandated reporting requirements. The agency shall:

1. Ensure that hate crimes are properly investigated, documented and reported.
2. During documentation, ensure hate crimes are flagged properly to allow for required reporting to the California Department of Justice. This is typically indicated by the title/penal code section identifying the report as a hate crime. Some agencies have added a check box specifically indicating a hate crime that could, if required by the agency policy, require a secondary review by an investigator/detective, supervisor or other identified party. It is the agency executive's responsibility to determine the form of documentation and type of indicators on crime reports.
3. The agency head or their designee (identified in the agency policy) should make a final determination as to whether the incident should be classified as a hate crime by the agency.
4. Agencies shall develop procedures to comply with legally mandated reporting, including the California Department of Justice, pursuant to CPC 13023.

Hate crime

“Hate crime” means a criminal act committed, in whole or in part, because of one or more of the following actual or perceived characteristics of the victim:

- (1) Disability.
- (2) Gender.

Hate Speech

The First Amendment to the U.S. Constitution protects most speech, even when it is disagreeable, offensive, or hurtful. The following types of speech are generally not protected: fighting words, true threats, perjury, blackmail, incitement to lawless action, conspiracy and solicitation to commit any crime.

Disability Bias

In recognizing suspected disability-bias hate crimes, officers should consider whether there is any indication that the perpetrator was motivated by hostility or other bias, occasioned by factors such as, but not limited to, dislike of persons who arouse fear or guilt, a perception that persons with disabilities are inferior and therefore "deserving victims," a fear of persons whose visible traits are perceived as being disturbing to others, or resentment of those who need, demand, or receive alternative educational, physical, or social accommodations.

This includes, but is not limited to, if a perpetrator targets a person with a particular perceived disability while avoiding other vulnerable-appearing persons such as inebriated persons or persons with perceived disabilities different than those of the victim, those circumstances could be evidence that the perpetrator's motivations included bias against persons with the perceived disability of the victim and that the crime must be reported as a suspected hate crime and not a mere crime of opportunity.
